Life is a game of hardball-some days are perfect; some are no-hitters; and some frustrating. In life, as in baseball, step up to the home plate of opportunity; swing the bat of hope at the curve ball of fate; and hit a line drive of success past the shortstop.

Love,
Mom, Dad, & Ryan

Kyle M. Batz

You can fit a lotta turkeys in here.

It is good to have an end to a journey, but it is the journey that matters in the end.

Time is the most valuable thing a man can spend.

They may take our lives . . . but they will never take our freedom!

If a man does his best, what else is there?

Angels are playful guardians onto which we are guided.

Better to be silent and have people think you are a fool than to speak and remove all doubt.

We must be willing to let go of the life we have planned, so as to have the life that is waiting for us.

Here's to the nights we felt alive, here's to the tears you knew you'd cry, here's to good-bye, tomorrow's going to come too soon.

We never cease from exploration. And the end of all our exploring will be to arrive where we started and know the place for the first time.

Don't walk in front of me, I may not follow. Don't walk behind me, I may not lead. Just walk beside me and be my friend forever.

Once you take your last step out that door, don't ever look back. Prosper and succeed, be what you want to be, but don't look back.

If life doesn't offer a game worth playing, then invent a new one.

Love is friendship set on fire.

The only thing we have to fear is fear itself.

No worries, be happy!

Happiness is a butterfly. When you try to reach it, it is always out of your reach, but if you wait quietly, it may alight upon you.

You will find as you look back upon your life, that the moments when you have truly lived are the moments when you have done things in the spirit of love.

What we can easily see is only a small percentage of what is possible. Imagination is having the vision to see what is just below the surface; to picture that which is essential, but invisible to the eye.

WORDS

are not enough

May the wind always be at your back and the sun always upon your face, and the winds of destiny be there to carry you aloft to dance with the stars.

Two woods diverged in a wood and I . . . I took the one less traveled by and that has made all the difference.

Do what you feel in your heart to be right for you'll be criticized anyway.

You can see clearly with your heart. Anything essential is invisible to the eyes.

I always wanted to be somebody, but I should have been more specific.

One small step for man. One giant leap for mankind.

There are many things in life that will catch your eye, but only a few will catch your heart . . . pursue those.

If you're ever mad at someone, walk a mile in their shoes. If you're still mad, at least you're a mile away and you have their shoes!

What lies behind us and what lies before us are small matters compared to what lies within us.

He who controls the present controls the past. He who controls the past controls the future.

I don't know the key to success, but the key to failure is trying to please everybody.

Eagles may soar, but weasels don't get sucked into the jet engines.

If a man has not yet found something to die for, he has not yet lived.

I hated every minute of the training but I said, "'Don't quit. Suffer now and live the rest of my life as a champion.'"

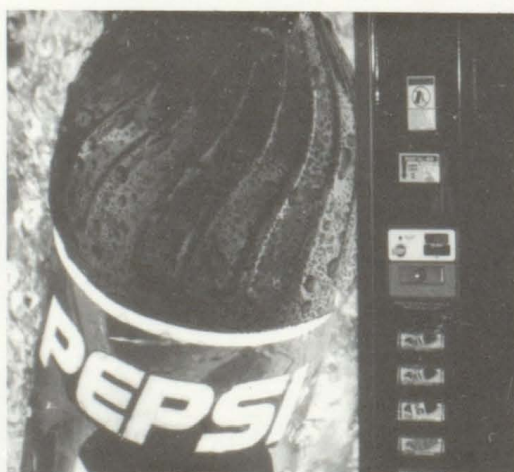

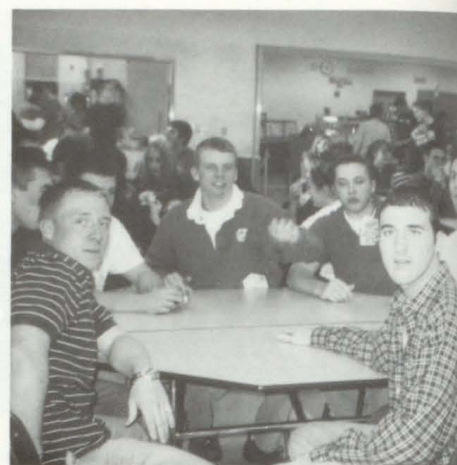

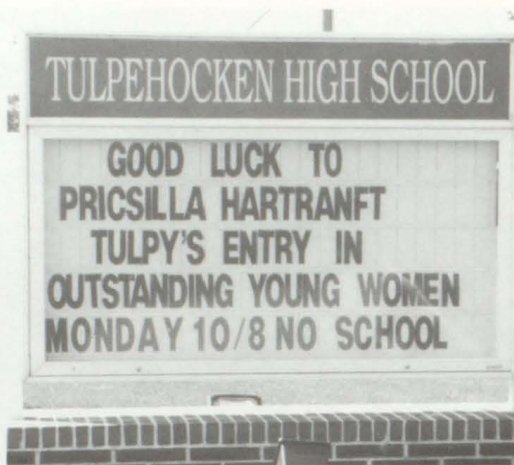

Dance as if no one is watching. Sing as if no one is listening, and live each day as if it were your last.

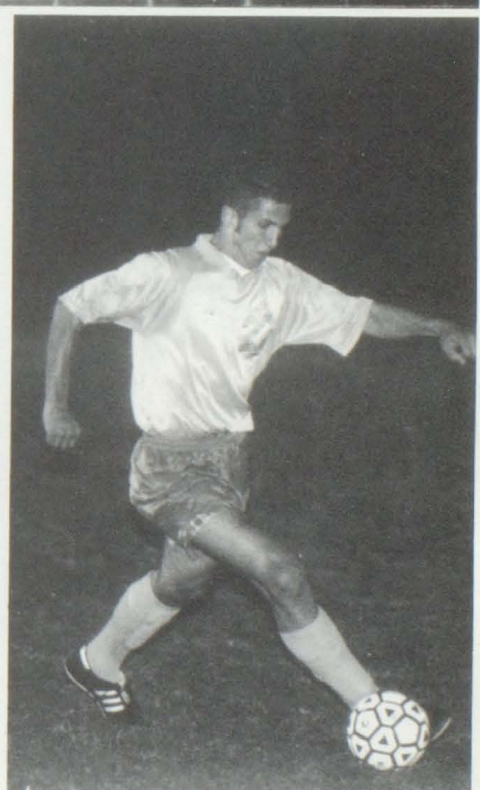

Always make the most out of what you're handed in life.

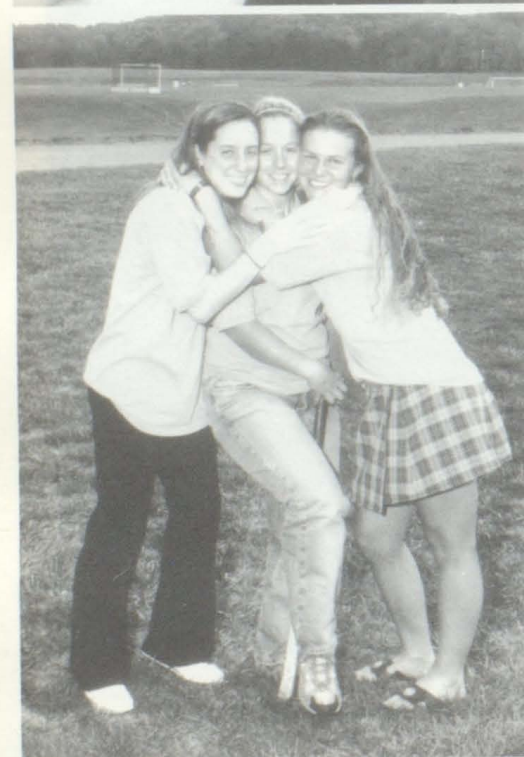

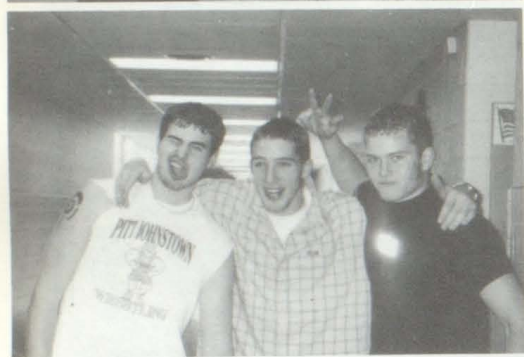

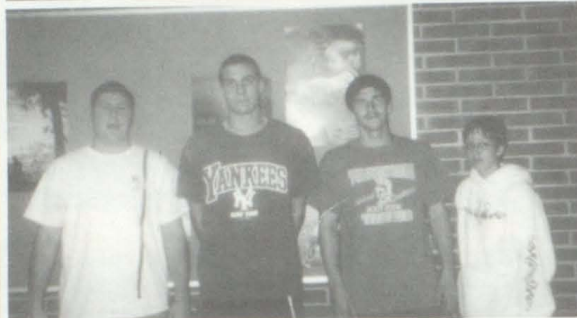

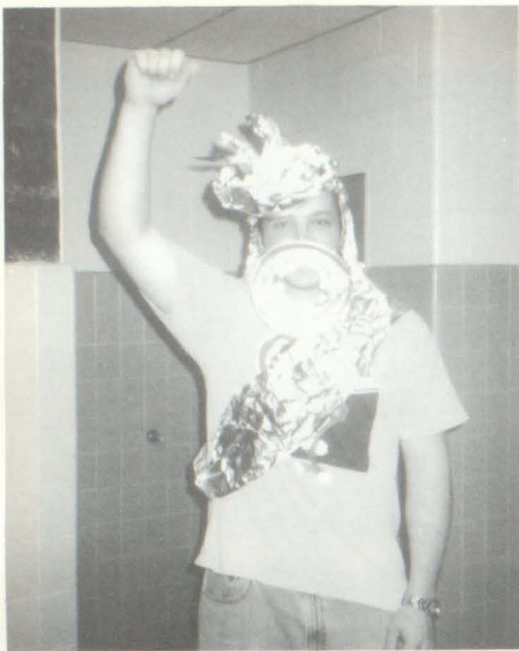

Re vera, cara mea, mea nil refert.

When all else fails, just smile and nod your head.

Turns out not where, but who you're with that really matters.

Dedicated to the victims of September 11, 2001

*America was knocked off her feet today
As terror descended from the sky
Thousands were fleeing
With explosions roaring up high*

*The Twin Towers were blazing
Yet rescuers responded to the call
Risking their lives for strangers
Not letting their country take a fall*

*Millions tuned to view the horror
No doubt shedding a tear
We came together as a nation
Vowing not to give in to fear*

*Everyone has been affected
Many can do nothing but stare
Rescuers and citizens alike
Have proven that they care*

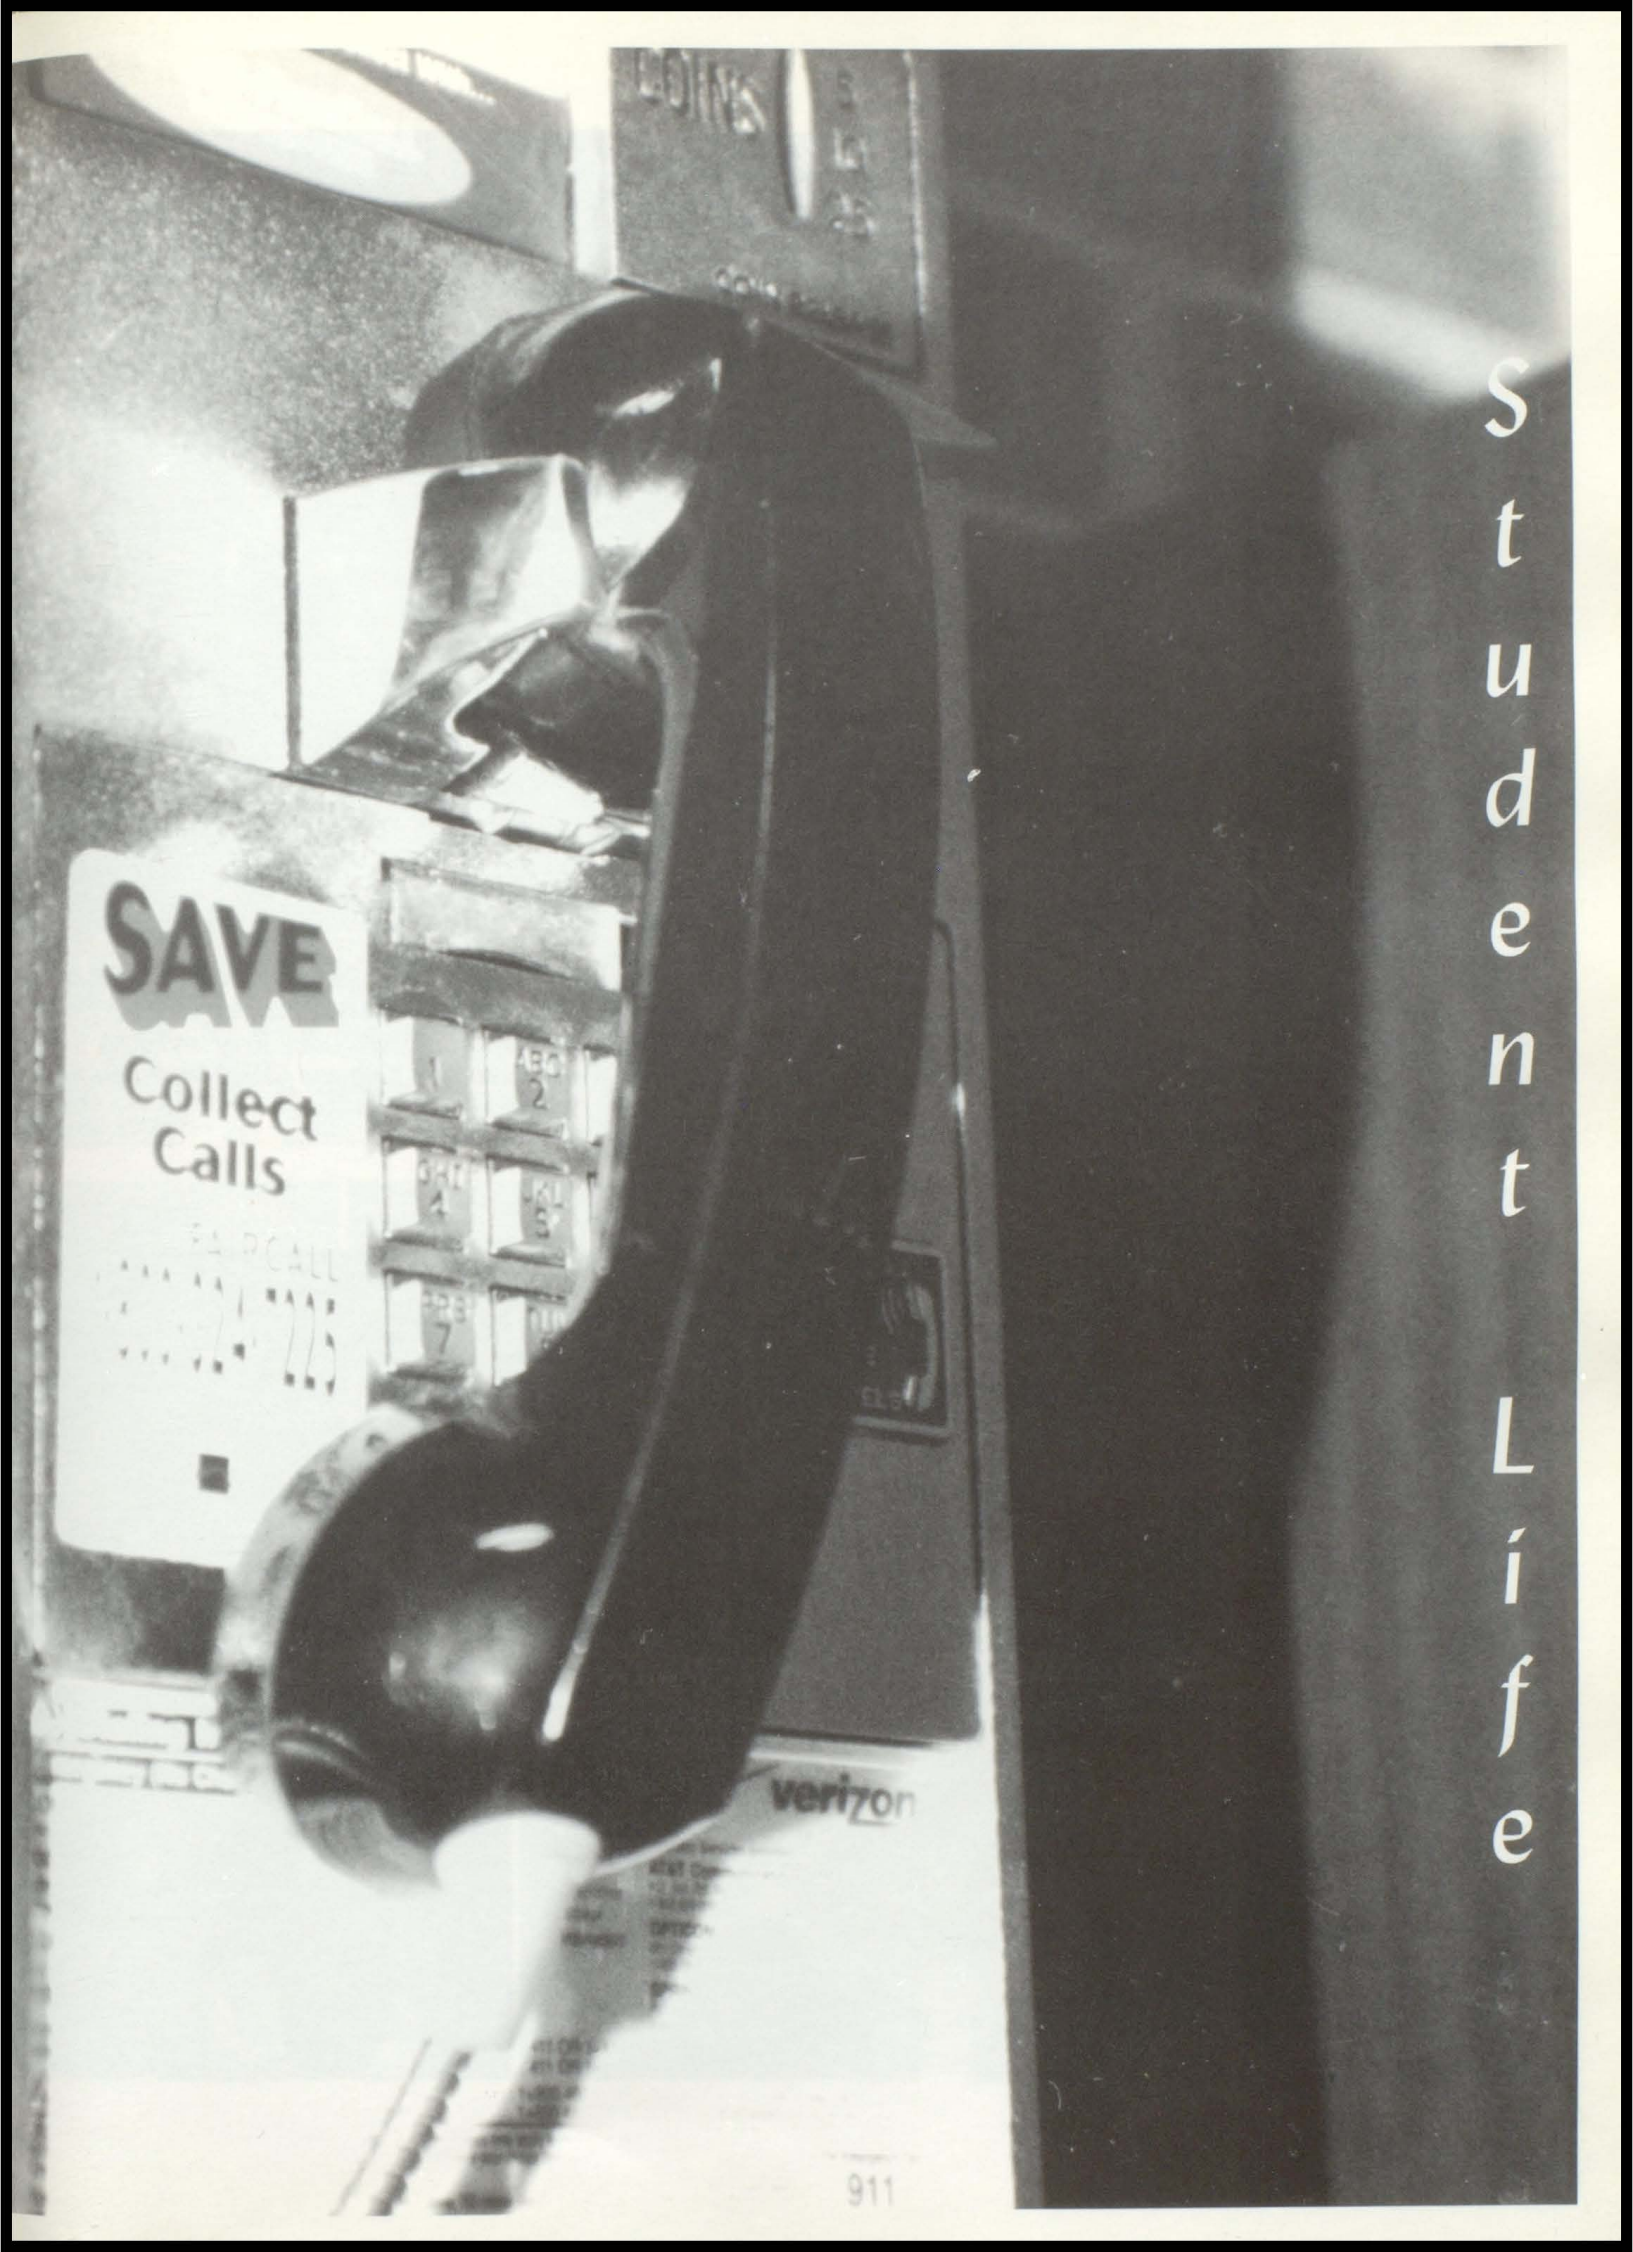

*We've vowed to get through this
And although emotionally we are a wreck
We'll stand strong united
To get back on the right track*

*Thousands lost their lives
While many more continue to mourn
America may never be the same
Yet a new nation has been born*

*The Bald Eagle cried on this day
Yet slowly relearns to fly
We may have been down
But the American Flag remains raised up high*

From across the sea you came,
 Away from friends you knew
 Into a strange new world.
 New experiences, new ideas, new
 faces
 New people to open your eyes
 And broaden your horizons.
 Things you'll never forget
 Will make you stronger in the
 future.

And when you go home to your
 family,
 You can tell them that you love
 them
 And that you missed them,
 But that you'll never be the same.
 From across the sea you came
 And changed many lives,
 But no more than your own.

2002 BAND AND

That Music Always Round Me

By Walt Whitman

That music always round me, unceasing, unbeginning —

— yet long untaught I did not hear;

But now the chorus I hear, and am elated;

*A tenor, strong, ascending, with power and health,
with glad notes of day-break I hear,*

*A soprano, at intervals,
sailing buoyantly over the tops of immense waves,*

*A transparent bass,
shuddering lusciously under and through the universe,*

*The triumphant tutti—the funeral wailings,
with sweet flutes and violins—all these I fill myself with;*

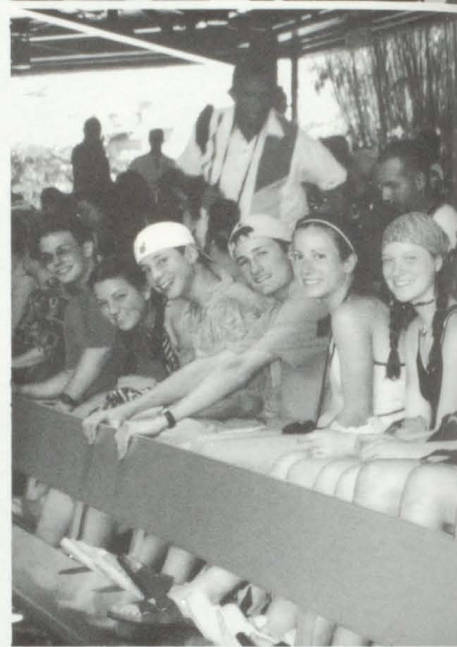

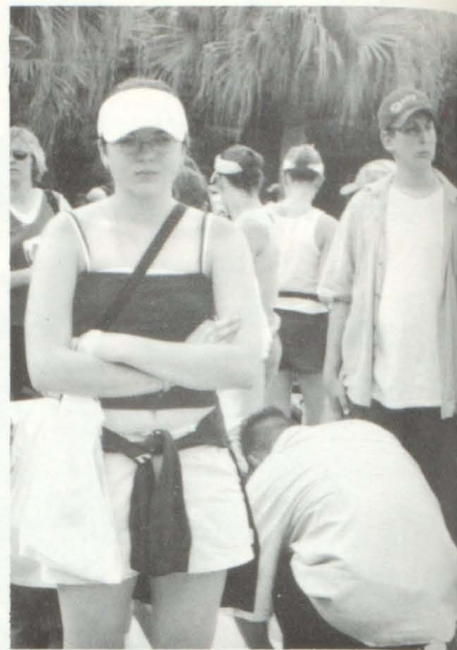

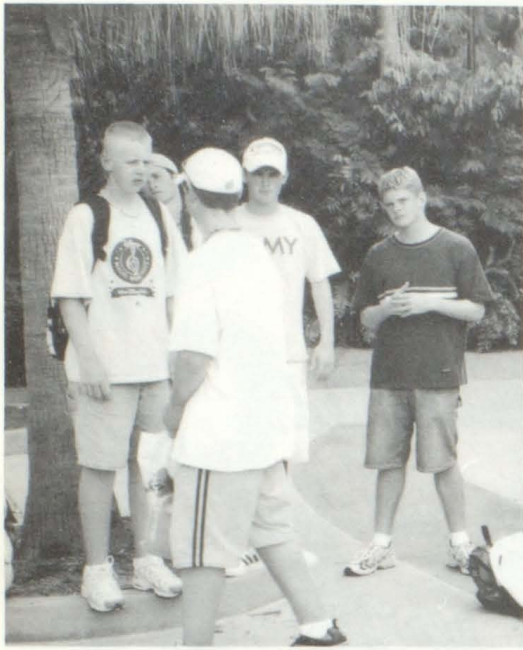

I hear not the volumes of sound merely —

— I am moved by the exquisite meanings,

*I listen to the different voices winding in and out, striving,
contending with fiery vehemence to excel each other in
emotion;*

I do not think the performers know themselves —

— but now I think I begin to know them.

Lady Trojan's Chicks With STX's

This year the girl's field hockey team had an awesome season. The team was joined by head coach Lisa Klopp whom helped lead the lady Trojans to become PIAA State Qualifiers. Seniors Marcy Nye, Trista Hershey, Jessica Stern, and Jackie Becker led the team to their outstanding season. The girls had a rough start in the beginning of the season but astonished the county with their amazing win over Hamburg in Districts and pulled together to become a team. In Counties the team went into triple overtime and penalty strokes to seize the win and qualified the girls for states. The lady Trojan's season came to an abrupt end during the first round of states. The team would like to thank the fans, especially the parents that supported them all the way to states. Always remember, "There ain't no mountain high enough" and "Be the rhino!"

Going "Four" The Record

This years team included, back, Josh Behler, Zach Dries, Jeremy Batz, Drew Schaeffer, Nayson Avery, Blain Strohecker, and Coach Dave Fake. Kneeling from left, Jeff Fick, Nathan Stoudt, Jeff Rentschler, and Patrick Stewart.

The 2001 golf season was the most successful in the history of the program. The team finished 12-1 in the league, 18-2 overall, and won their first division title with a convincing win over rival Wyomissing. A second place finish in the County Team Championship capped a very satisfying year. The team was composed of twenty-four players, twelve competing in the league matches. Senior Nayson Avery finished the year as the number one player, placed sixth in the individual county championship, and earned a third straight trip to districts. He was named to the All-County team for the second year in a row. Juniors Patrick Stewart, Jeff Fick, and Jeff Rentschler all qualified for districts and were named to the All-Division IV team. Freshman Derek Stewart was given Honorable Mention status for the division.

SHINE ON YOU CRAZY DIAMOND

How grateful and proud we are to have you as our daughter. We thank God for all the gifts and talents and the wonderful personality that He has given you. Don't ever lose your beautiful smile and kindness. Best of luck and always remember God is there for you with good times and bad times. May God continue to bless you. Love, Mom, Dad, and Jake.

Matthew E. Wenger
WAY GO TO MATT!

May the road ahead of you be filled with the same love and happiness that you have brought into our lives. We are proud of you and wish you all the best that life has to offer. We love you and will always be here for you. Love ya, Dad, Mom, and Steve.

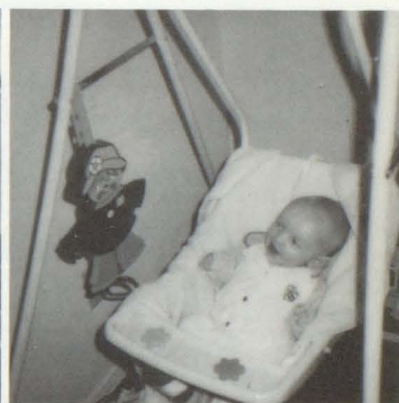

Rebecca Bux WITH OUR LOVE

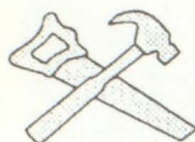

You are the kind of person that lights up a room just by walking in. You did it all and you succeeded. While some chose to waste their time, you chose to make a difference in your life and those whose lives you've touched. You never compromised your values and beliefs. Because of who you are, we know that you will succeed at whatever you do. Te adoro. Love, Mom, Dad, Megan, and Michael.

Zach Dries
You are about to begin a new journey in your life. The foundation that you have built will take you far. Work hard and take time to discover all the joys that life holds for you. Always remember how much we love you. Mom, John, Adam, and Erin.

Way to go David!
