

To the Hon. A. V. Baker,

President Judge of the Court of Quarter Sessions for

Cambridge County.

Your petitioners respectfully represent:

That they are citizens of and are residing within the borough

of Monticello in said county.

That they are petitioners for a license to sell

intoxicating liquors in said borough, at the March term, 1891; and

that we respectfully and earnestly remonstrate against the granting

of the same for the following reasons:

First. That said petitioner is a new applicant and it would

if granted, add another liquor saloon in our borough;

Second. That the house where applicant proposes to keep his

saloon is situated on an alley, and has no street frontage.

Third. That a license is not necessary at this place for the

accommodation of the public and convenience of travelers or

travelers.

Fourth. That the said borough is less than a half mile from

the city of Johnson where there are ample accommodations for them

and we will ever pray, etc.
