

SUNRISE 42

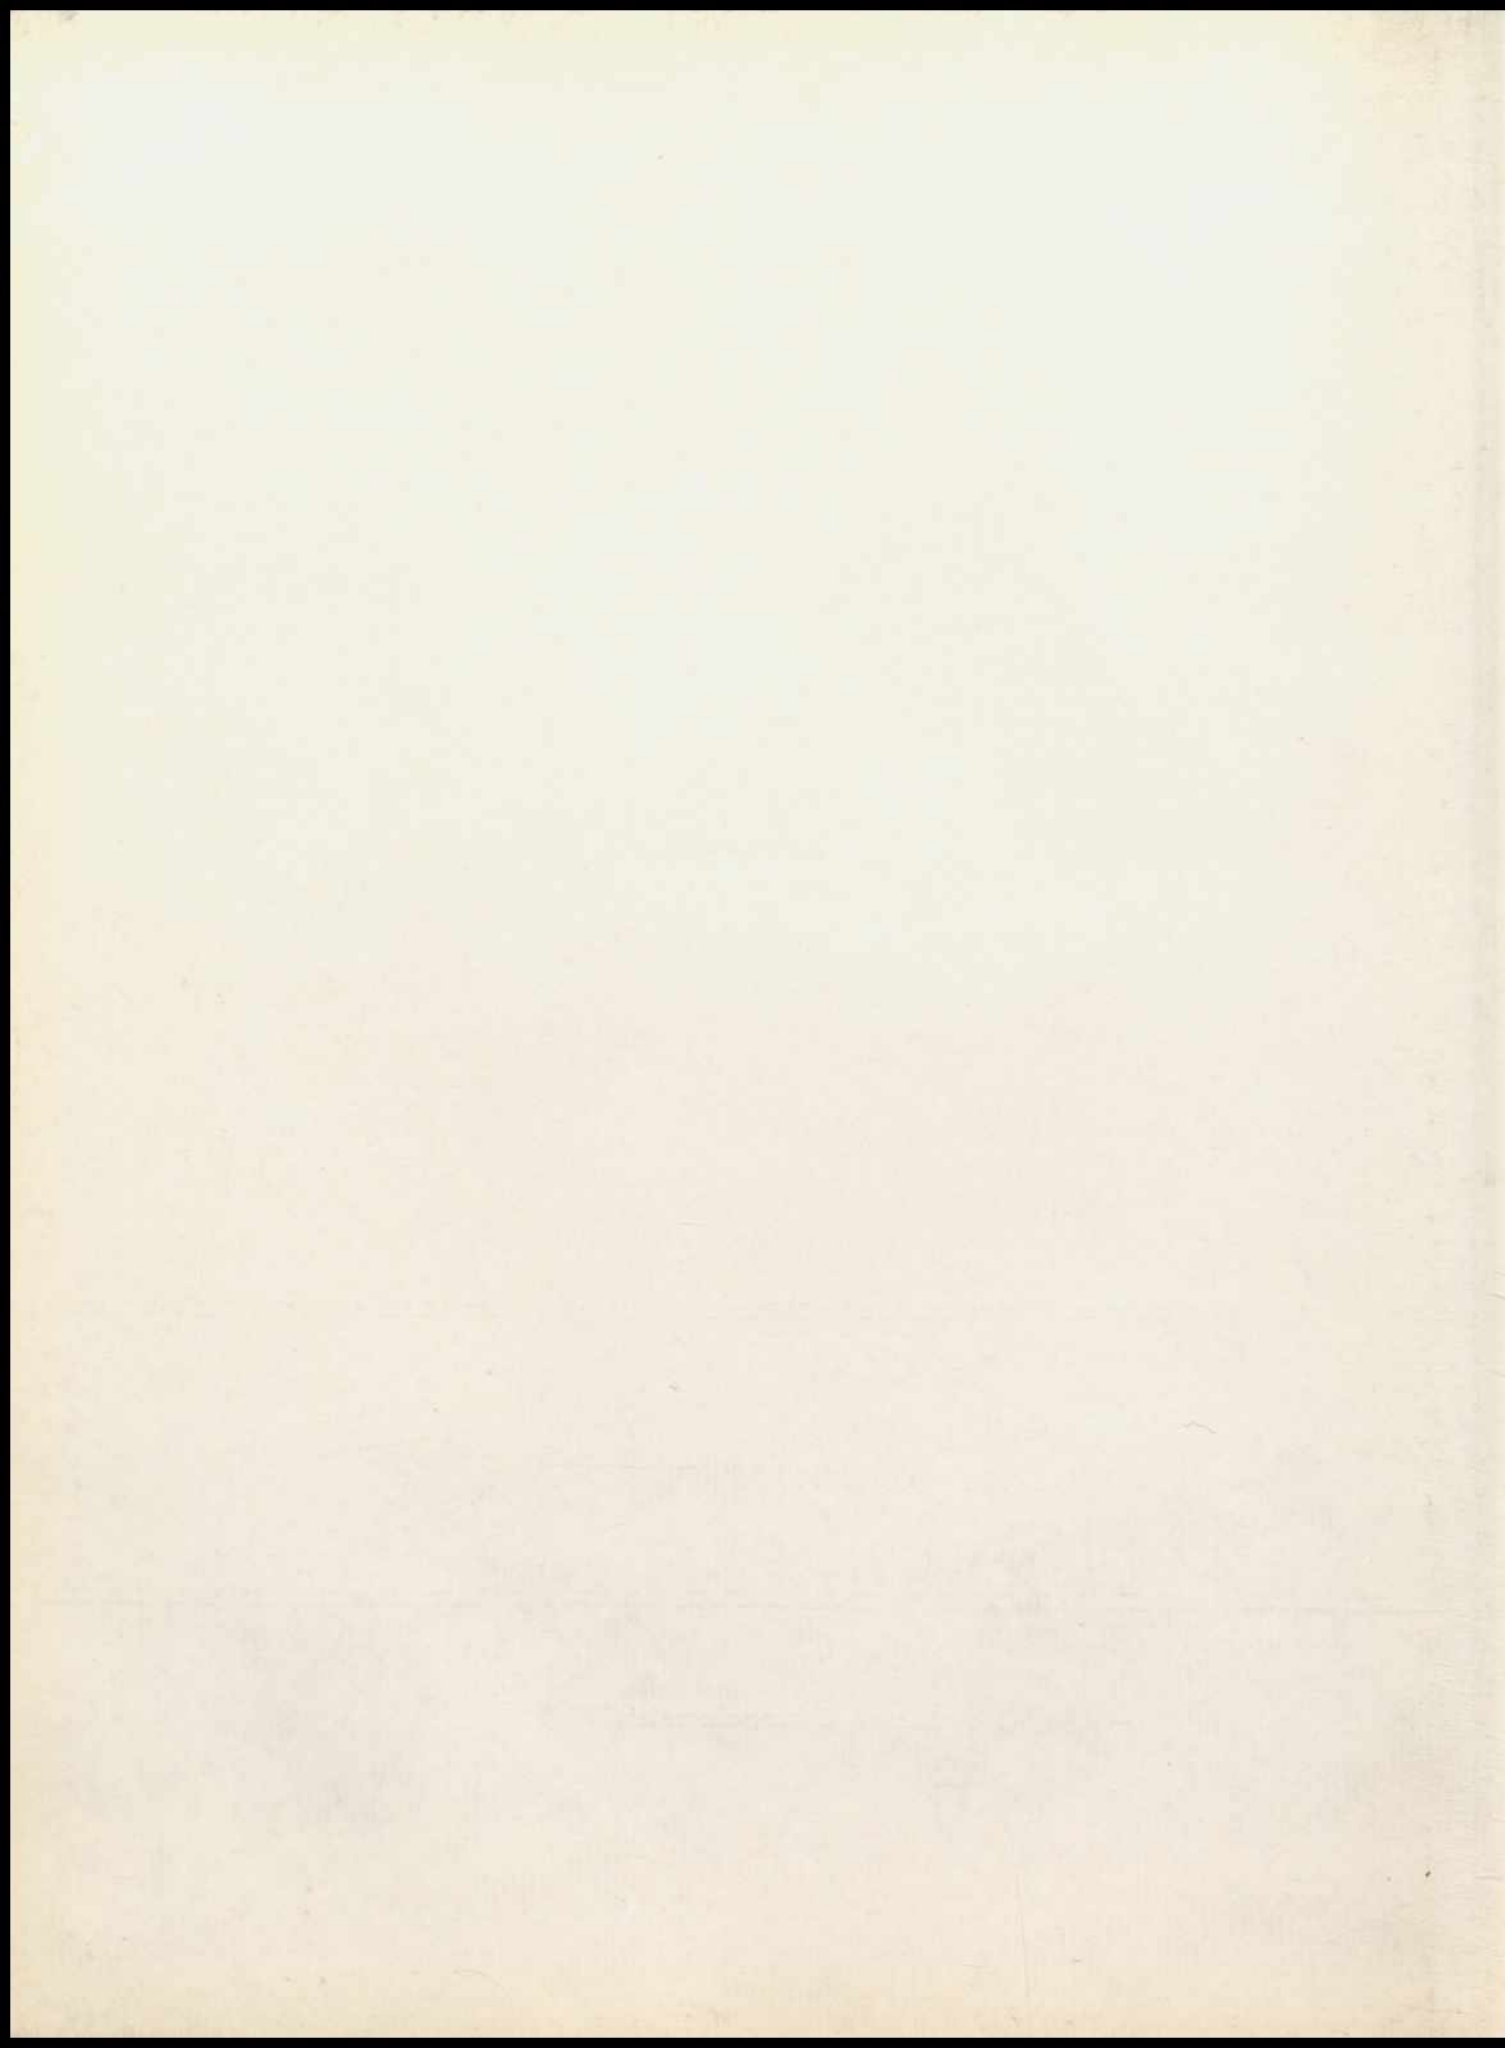

The Sunrise — 1942

Constance Sturgelewski, EDITOR

Dedication

With sincere admiration and with true appreciation for his faithful work as class adviser, we the seniors of June, 1942, dedicate this Sunrise to

MR. SAMUEL ROBB

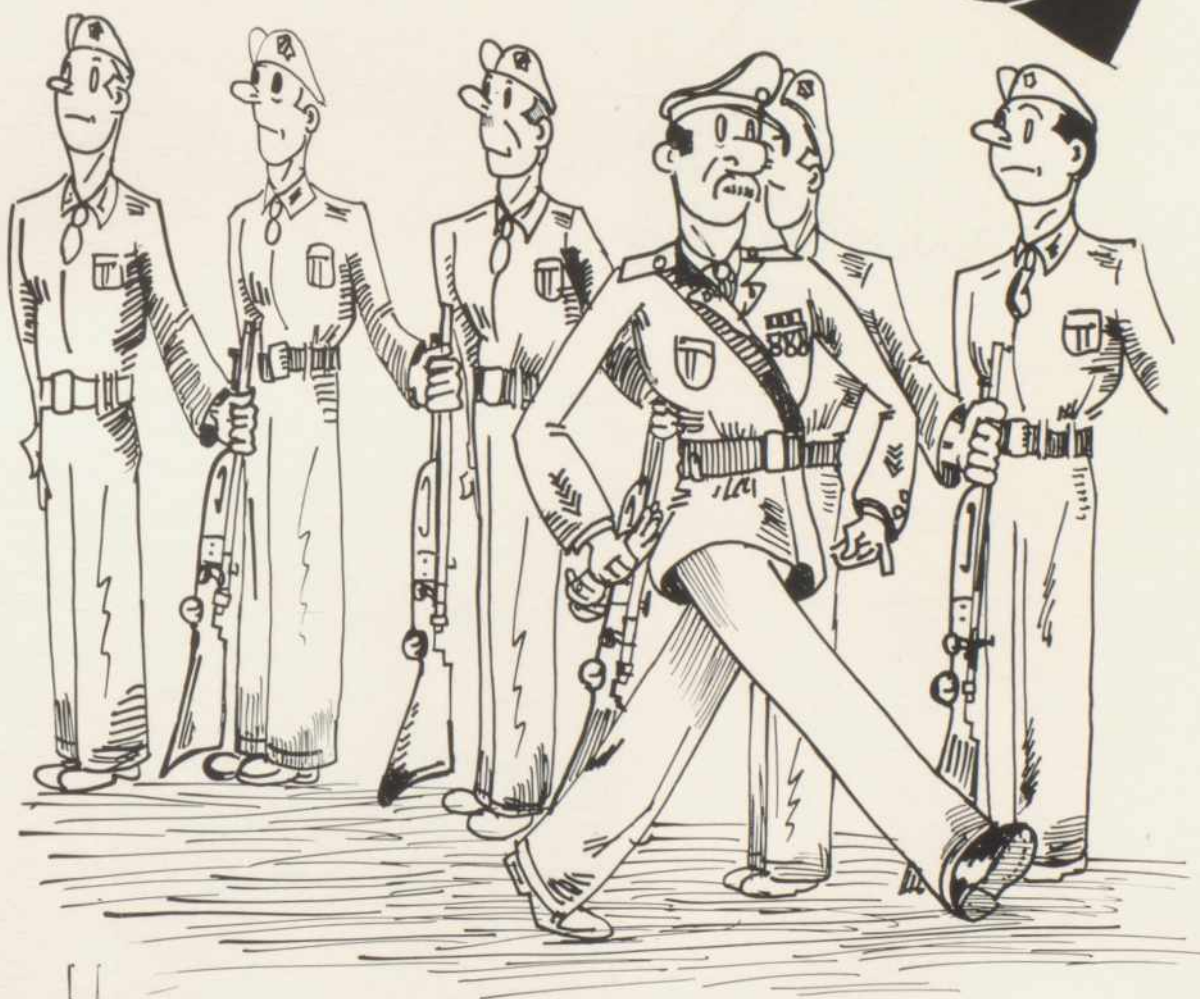

In this crucial period of strife and anxiety, the Administration of East High School is doing its best to train its students for LEADERSHIP, SERVICE, and a DEMOCRATIC WAY OF LIVING.

While participating in different activities, the students have ample opportunity to lead and to serve. Working in cooperation in order to realize a purpose, they strive toward the democratic way of life.

All students are urged to express their opinions, to determine actively what is best for the common good. They are not engaged merely in playful exercise, but are trying to uphold and spread democracy.

We Receive Commissions in January

How proud we were to enter East High, six years ago! How proud we are to receive our commission from it!

For three years, our group of bewildered boys and girls were rookies. We did nothing outstanding during this time, but we felt good to know that we were doing our part.

Time passed quickly and we were sophomores. We were growing up and were allowed to join some of the organizations. We were quite a sight the day we were initiated into the "M" Club and the "Hi-Y."

When we became juniors, we organized our class and began to sponsor some social events. A few dances after school and a skating party or two started to build up a treasury. Just to think that we were earning money gave us a thrill.

The 12-1 semester was not too exciting although we held our social events regularly, successfully too. But 12-2 was off like a shot out of a cannon. First came the election of officers. The first girl president in many a semester took office. After the class was organized and the boys had quieted down, we made plans for the banquet, the prom, and graduation. The first problem and the greatest was the question of money. This delicate subject caused many a heated discussion. After the plans were started, committees, and everyone else, including Mr. Coon, were in a dither. At last came—graduation; and one of the smallest but bravest little classes was graduated with colors flying. As we leave, we say, "Let's Give Three Cheers for Our East High, Three Cheers for the Scarlet and Gray."

We Earn Our Commissions in June

This spring we receive our commissions and leave the portals of East High forever. Though we leave with sorrow, we all remember the happy years spent here. Some of us are entering industries, others joining the ranks of the Army, Navy, or Marines, and still others continuing diligently onward toward higher scholastic achievements. The graduates of the June Senior Class of 1942 walk many different paths in life, but each one cherishes fond memories of his Alma Mater, East High School.

A group of fine leaders distinguish this class from the average. The officers chosen were: Jack Considine for President; Ed. Matuszak, Vice President; Frances Merski, Secretary; and Nan Packard, Treasurer. Under their able guidance, successful dances and skating parties were held.

Spring arrives and with it many plans for the Prom on June 2, the Banquet, and the one day that the seniors reign, Class Day. And then—Commencement! The speakers for this great day—Viola Donnell, Shirley Fryer, Juliana Harcarik, Joan Kormos, Nancy Packard, Anthony Alo, Gut Hayden, and John Pustelak. Thus ends school life for the seniors.

The June Senior Class of 1942 dedicates
this portion of the Sunrise to the memory of
MARY CATHERINE BRITTON
She was loved and admired by her many
friends.

Seniors of East

The Indian chief, in the days of old,
 Donned his war paint, gay and bright,
And rode to battle, strong and bold,
 To fight against the advancing white.
There are white chiefs who now command
 Our armoured troops of bright array.
In sea, in air, and on the land,
 They are the leaders of the day.
We are the leaders of our school;
 We rule our band with iron hand,
Set examples, make the rules;
 The best of learning we demand.
In sports we far excel the rest.
 Win or lose, we never cry.
We always try to play our best;
 For dear old East, it's Do-or-Die.
Our characters are fine and strong;
 A leader's must be of the best.
We're at the top, where we belong;
 We are the leaders of the rest.
And if you know us from the rest,
 And sometimes wonder why,
Surely, you can more than guess,
 We are the seniors of East High.

Juniors

Here come the Junior Class to take the place of the departing June Crew.

This class has great hopes for the future—we are sure that they will all come true. Achilles Pulakos, the newly chosen president, has made great strides towards fame in his swimming ability.

A better cooperating class would be hard to find. If all this cooperation keeps up, all future school events will be very successful.

The best wishes are heartily extended by the June Graduating Class.

SOPHOMORES—

Behind the Juniors come the Sophomores. They have set a goal and are steadily progressing towards it—the long awaited graduation day.

Not daunted by the fact that they sponsor very few school affairs, they are planning for and looking forward to a bright future of social events.

The Warrior's Story

Ah, papoose, you ask me why
We warriors walk with heads held high,
At last we've reached the day in store,
When braves attain all their tribe's lore.

With brighter eyes and loving hearts,
The time has come when we must part,
Our minds are keen, as steel our nerves,
For now a greater trife we'll serve.

We go to help this mighty land,
Under a big chief, who rules all bands.
This tribe includes those in every section,
Stretched across our nation in all directions.

Soon, in glory, you'll be chief,
To lead your braves in their beliefs,
Gaining a mightier power and fame,
To add to our wondrous tribal name.

Remember, as we who go before,
You too, someday, must open the door
That looks upon the many trials,
Where only the best of deeds prevail.

I am demanding, saying you must,
Teach our people the way of the just.
For above all, these ideals we hold
As the virtues, which we to the future unfold.

And now as I my legend have spoken,
I pause to dream of memories and tokens,
Which I have gathered, in these short years
Of life, in this wigwam I hold so dear.

Oh, brothers and sisters, we leave behind
A spirit greater than we'll ever find.
Until again we may be together,
I say, "Good-bye," and always, "Fair weather."

—Carleton Dolley, '42.

SPORTS

Our Coaches

Arthur Arrowsmith

"Keep the boys happy" is his motto.

The coach of our State Championship Swimming Team is not only an able leader of this group but also of the Water Polo Squad. In addition Mr. Arrowsmith is an assistant football coach.

Robert Arrowsmith

An all round sports leader.

Coach of our fast stepping tennis team, Mr. Arrowsmith holds the positions of assistant football and basketball coach as well as coach of Jr. Varsity Basketball team.

Joseph Christoff

He believes only hard work brings success.

The most business like of our coaches is Mr. Christoff. Besides coaching the golf team, he assists the football squad and is adviser to the Swimming and Water Polo Teams.

Michael Ferrare

Our welcomed newcomer.

In the short time he's been here the boys on the field have already begun to address him as Mike. An assistant football coach, he is on the way to participate in more of our activities.

James Hyde

He leads the list.

A hard fighting clean leader of sports is our own Mr. Hyde, coach of the city Championship Football Team. Besides putting out splendid football teams, he has charge of our track squad.

Jack Komora

Our fun loving coach.

The coach of our crack City Championship Basketball team is another able leader. Besides making some of our best basketball teams in the city, Mr. Komora assists football coaching.

Honorable Mention

Mr. Norman MacDonald and Mr. Walter Jameson—basketball and football advisers respectively—deserve all possible credit. On them rests the task of making all arrangements for games in and out of town.

Football

When school began in September, it seemed there was very little hope of East's attaining the championship during the 1941 season.

The squad consisted of 28 men. Of these, only Jesse Hammerman and Joe Shannon were varsity men from the 1940 team.

Saturday night, September 13, a green team, led by Captain Jesse Hammerman, turned back a fighting Newell, West Virginia eleven with a score of 26-0. The second game of the season was with Ashtabula High, East topping Ashtabula 24-0.

During the course of the season we played several difficult teams including Monesson, Erie Tech, Hazelton Township, Lorain, Ohio, Strong Vincent, and Meadville.

Our second last game of the season was with our greatest rivals, Academy. During a slow, cold drizzle, East held the Golden Lions to a scoreless tie.

The season closed on November 22, with Weirton, West Virginia, on Weirton's home field. With the score standing at 27-0, the game was the only defeat of the Warriors' entire campaign.

When, as has been the custom for several years, the football captain for the new season was named, we learned that Al Oldach would lead the team in the 1942 season.

The State Champions

The finest swimming team to be found in the entire state is right here at East High School.

East had one of its best sports records this year. Winning the City Championships in football, basketball and swimming, we were extremely well pleased. But the swimming squad was not content. Having won thus far, they recognized no stop signal until they had won the state title.

The school, and especially the 1942 graduates, will long remember what this team did to put Erie East on the state's sports map.

Front Row: James Sample, Achilles Pulakos, Richard Etter, Henry Robasky, Leo Robasky, Alois Burek, Edward Habas. **Back Row:** Arthur Arrowsmith, Coach; David Sample, Paul Brugger, Alex Krajczinski, Hobart Billingsley, Ray Detzel, Ray Dougherty.

Tennis

The 1941 Tennis team, which was built around Senior Lettermen, Capt. Robert Carlson and John Satyshur, finished in second place behind Strong Vincent.

The boys did well and nearly repeated their 1940 feat—that of winning the city championship. In 1940 they won it for the first time in 15 years.

The 1941 Golf team was the youngest in the history of East High—Walach was in the eleventh grade, while all the other lettermen were in the ninth. Everyone of the lettermen will return in 1942. Ray Detzel, an eleventh grade boy, showed up well in several matches. John Swansinger divided his interest between golf and track. Two boys who participated in matches but who will not return in 1942 were Ralph Damico and Leonard Przybycin.

Honor Society

The Honor Society of East High School is made up of a select group of boys and girls.

Students must be in the upper third of their class to be eligible. They are selected as follows:

5% from 11-2

10% from 12-1

15% from 12-2

The selection of students is made by teachers in a general vote. Character, Scholarship, Leadership and Service are the virtues taken into consideration by the teachers.

A student does not know of his election until an old member of the society comes to where he is sitting in the auditorium and taps him on the shoulder. Then in a candle light service the lucky students take their oath to uphold the virtues for which they were selected.

Initiation day always proves to be enjoyable. Each old member tries to think of a new way to initiate new members.

Members receive a gold pin of membership. This pin is uniform throughout the United States.

To be elected to membership in this society is the greatest honor that can be bestowed upon a high school student.

DRAMATICS CLUB

The dramatics club meets every Wednesday during activity period to give students some experience in dramatic acting on the stage. Under Mr. Michalski's direction the group learns how it feels "to be behind footlights."

Besides training in acting, the club includes training in placing and controlling the voice, in facial expressions, in gestures, in stage technique. Students taking this activity will not regret the time put into it.

Truly democratic in all its undertakings, the Student Council is perhaps the most important organization in the school.

Each home room is represented in the Student Council. The representative is chosen by his own home room, but the chief officers are elected by the entire student body.

The council has many responsibilities.
It strives to encourage and create a better spirit and atmosphere in the school.

It aids in caring for and beautifying the grounds around the school.

Its Welfare Committee aids those in financial need.

It collects 2c monthly dues from each student and with this money puts on entertaining programs for the student assembly.

Its Ways and Means Committee strives for the betterment of the general welfare of the student, the school, and the community.

A Capella Choir

The A Capella Choir is a group of about forty girls and twenty boys who work hard every third period learning to sing smoothly and harmoniously together. They sing numbers with four to eight part harmony. Appreciation of music is an essential requirement for membership in the choir. Each member is there because he enjoys music and likes to take part in producing it.

Girls Chorus

The Girls Chorus, another of Mr. Ricart's organizations, is a group of about forty-five girls, most of them belonging to the tenth grade. Every first period they work hard learning songs to be used in auditorium and in the concerts given yearly by East High's choral groups. These girls are future members of the A Cappella Choir.

Mr. Ricart, the director of the choir, the Glee Club and the Girls Chorus, organized a party composed of some of the members of these groups, who went to Cleveland to attend an opera. They boarded a train on the afternoon of Saturday, April 11, and attended the evening performance of "Aida," produced by the Metropolitan Opera Company. Very early Sunday morning they returned in Erie. Seeing and hearing an opera was a new experience for most of them and one they enjoyed very much. The San Carlos Opera Company is appearing here in Erie in "La Traviata" sometime this spring. Plans are being made to attend this opera also.

The A Capella Choir, along with the Boys Glee Club and the Girls Choruses, gave a beautiful Christmas concert this year. They had as their guest artist, Miss Rita Doubet, well known Erie soprano, who is studying at the Juillard School of Music in New York City. The concert was a great success.

To those members who are graduating this June, the memory of the choir will be among the most cherished of all school-day memories.

Glee Club

The Glee Club meets every second period. These boys practice very hard with hopes of some day joining the A Capella Choir. The singing experience gained here is invaluable in the future life of the boys. Full credit toward graduation is given for membership in this organization just as any other subject. Mr. Ricart is the director of this ambitious group.

Junior Girls' Chorus

The Junior Girls' Chorus, under the direction of Miss Margaret Nickel, is one of the finest examples of team work in our school. They have made great progress in the music department of our Junior High. Their first public appearance was at Christmas time, when they assisted the A Cappella Choir in their annual Christmas concert. This spring they produced their own operetta, "The Wild Rose." Louis Noyer, the only boy, and Dorothy Enas, the leading lady in the operetta, helped to make it a success. Never before have the Junior High Girls accomplished such feats. We are proud of them and wish them the future success that they surely deserve.

Orchestra

The orchestra, consisting of thirty members, is under the direction of Mr. Burger. It practises diligently every second period to prepare numbers to be played for auditorium programs. They are present at every school play, adding much enjoyment for the listeners. At commencement exercises, they also add much to the spirit of the evening. The combined orchestra and band are planning a concert to be presented May 22 for the parents and friends of the members.

Drum and Bugle Corps

Our Drum and Bugle Corps, the colorful group which is such an asset to our school, is made up of very industrious girls. They really work for their success. Last August they voluntarily met to prepare drills for the fall football games. At this meeting they organized their own drills which they later used on the field. We know that their fame will increase if the girls continue to take such interest in their work. Mr. Kellogg, the corps adviser, is doing a splendid job. To him and the corps we say—Keep up the good work!

The East High Band, under the direction of Mr. Burger, is a group of thirty-five boys and three majorettes. Every first period you may find them practising in the building or drilling on the field. They perform at all of East's football games played in the city and at some of those played out of town. Their music and colorful uniforms add a great deal to the good spirit of the games.

"M" Club

The "M" Club is a club of friendship. The name came from the Indian word, Makessenakaweon, meaning friendship. All the tenth, eleventh, and twelfth grade girls may belong to the club. They meet the first and third Thursday of the month. Miss Bryan and Mrs. Spetz are the advisers.

The club helps worthy causes, such as aiding "Y" day camp, presenting worthy girls memberships to the "Y," selling Christmas seals, giving crippled children a party, sewing for the Red Cross, and giving aid to poor families.

The outstanding service work of this year is helping the organization of Bundles for Britain.

The social highlights of the year are the Tri-Club dances. One is held in the spring and one in the fall. All the Girl Reserves of Academy, Strong Vincent, Millcreek, and East plan these dances.

The annual regional conference was held this year in Cortland, New York. The out-of-town girls stayed at the homes of the Girl Reserve members of Cortland High School. The topic of the conference was "We-In-The-Y-In The World." Dr. Pauline Stitt was the chief speaker. Lois Gerloch and Doris Seitzinger were the two delegates from East.

Besides the mid-winter conference, there is a summer conference, held each year at Lake Onada.

The Newman Club is an interscholastic organization. Membership is open to all students in the tenth, eleventh and twelfth grades.

Its aims are to foster democracy in daily life, to provide for leisure time and to encourage high ideals of conduct and scholarship.

Round table discussions, lectures, movies, excursions and book reviews are some of its educational objectives. The recreational objectives, such as games and parties, are chosen by the students themselves.

During the past year the club has sponsored the Ybarra lecture, two dances, skating parties, and an essay contest.

Tom Tom

It is the duty of the students on the Tom Tom staff to prepare and edit the school newspaper. In doing so they receive training and experience in journalistic writing and printing.

Each member of the staff is given an assignment which must be completed before a certain date or deadline. The material is checked and then given back to the writer, who corrects all errors, revises his article, and submits it to the editor.

Certain articles, editorials, and write-ups are chosen and taken to the printer's office. Later in the week a few members of the staff go to the printer's office to proof-read the material and prepare a "dummy."

The Tom Tom is a semi-monthly publication supported by the subscriptions of the student body.

These organizations donate necessary articles to the Red Cross and Bundles for America.

The officers of Miss Kinney's group are: Leona Rogers, President; Frances Pancerev, Vice President; Cynthia Petroff, Secretary; and Natalie Petroff, Treasurer. Their recognition service was held March 25.

The officers of Mrs. Jones' activity are: Leona Heidt, President; Joan Zuck, Vice President; Betty Kilbury, Secretary; Dorothy Wolfe, Treasurer; and Helen Polaski and Sylvia Thomas as knitting instructresses. The girls held their initiation April 8, and their Candlelight Service April 15.

HAMMERMILL

the best known name in paper

Since 1898, Hammermill has manufactured papers for American business.

For thirty of those years, Hammermill Bond and other Hammermill papers have been advertised consistently and continuously, so that today the Hammermill trademark means good paper in the minds of millions of people in the United States and in many foreign countries.

Hammermill papers, made in Erie by Erie men and women, live up to that reputation.

IT STILL PAYS TO ADVERTISE

GOVERNMENT Contracts are welcome. At present they are a necessary and important factor in the nation's defense. But some day when it has been proven that the democratic way of life is to survive, business will once again depend upon private initiative.

Enterprising firms with an eye to the future will realize that Prestige pays large dividends and will always keep their names before the public, regardless of present volume.

Confidence in *Your* Future

Dear Seniors of 1942:

You are leaving the halls of learning to face a world which is, to say the least, not normal. But have courage! Your achievements in reaching the Senior class and your diplomas are your first steps in the development of Confidence.

Now is the time for Confidence. Confidence in the heart and mind of each individual, young or old. That spirit pushes its way through family groups, municipal governments, state governments, and finally, up through the closely knit Unity that is America.

It is necessary, therefore, that each individual, especially you Seniors coming from our high schools, face the situation with a clear eye, with that courage and will to do all that is right to preserve the American Way of Life.

Let us look upon these days with open minds. You, who in your Chemistry classes, looked upon the experiment in the crucible with interest and intelligence, quickly learned that, having completed the right procedure, your result would be right. So it is in today's living. Go into business and industry with a will. Keep your feet on the ground, and above all, remember . . .

It is from the valleys that we gain our courage; from the hills, our strength.

Good luck and keep your chin up.

Sincerely yours,

Vice President
