"EAST HIGH" SCHOOL SONG

*You may search thru the whole wide country
Ev'ry city ev'ry state,
From the Northland to the Southland
Of our Union strong and great.
You will find no school that's finer
Measure by what test you may,
And it's our own school, our dear East High
We hail with pride today.
Then to East High, our Alma Mater,
Do we pledge loyal hearts and true
May we e'er keep thy dear name unspotted
And thy colors unsullied too.
May the scarlet and gray float o'er us,
Lead us onward from day to day
Then give three cheers for our East High
Rah! Rah! Rah!
Three cheers for the Scarlet and Gray!*

1996 DEDICATION

MR. ANTHONY LAROCCO

The 1996 Sunrise Staff takes great pleasure in dedicating the 1995-1996 East High School Yearbook to a truly outstanding individual, Mr. Anthony LaRocco.

Mr. LaRocco has been in the Field of Education for 23 years. He began his teaching career at Tech High School in 1973. He then taught at Academy for six years. Mr. LaRocco has also taught at Pfeiffer-Burleigh, New Directions, East High School, Strong Vincent, and finally at Academy, before returning to East High School to become the Assistant Principal. He also coached the Academy Junior Varsity baseball team for eleven years and then the Academy Varsity baseball team for five years.

In 1991, Mr. LaRocco became the Assistant Principal at East High School, a position he has held for the past five years. Mr. LaRocco enjoys the excitement of his position. He feels it is never boring. Mr. LaRocco has gone to great lengths to make East High School into a safe learning environment for all students.

Mr. LaRocco graduated from Edinboro University in 1973 with a degree in Elementary Education and Special Education. He furthered his education by earning a masters in Mental Retardation and Special Education Administration. In 1990, he went back to Edinboro University to earn his Principal Certification.

In his spare time, Mr. LaRocco and his family enjoy participating in many outdoor activities. These activities include sailing, scuba diving, ice skating and cross-country skiing. Mr. LaRocco also enjoys watching his two sons growing up.

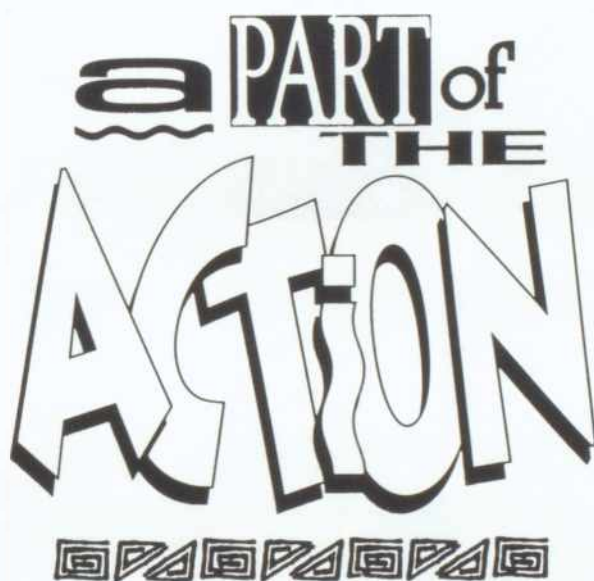

In recognition of his several years of dedicated service to the students and faculty of East High School, the Sunrise Staff dedicates the 1995-1996 Edition of the Sunrise to a great Assistant Principal and friend, Mr. Anthony LaRocco.

I told you, IF YOU THROW, YOU GO!!!! Mr. Wilson I got another one for you.

Considering the lack of experience, the Lady Warriors put up a great fight against the opposing varsity teams with plenty of experience. The girls soccer team would like to take this opportunity to thank their coach Mr. Pacileo for working to improve their team.

This year the boys soccer team picked up a few new members. They also picked up a few wins during their trying season. They faced some tough teams along the way. The boys team would like to give a big thanks to Coach Dartnell for a job well done. The team feels they had a good season and are excited for next year.

I'll take that.

Play nice Paul.

1995 Softball Season

The Lady Warriors softball team had a season highlighted by the strong efforts put forth by the warriors. Success this season was not categorized by victories earned but rather the perseverance put forth throughout a trying season. The 1995 season was a high mark but player transfers, defections, and injuries decimated the warriors. Standout players were Kathy Majersky, Jody Defoy, Betty Kuhar, Jamie Lazar, Jen Makarowski. For the first time in many years the warriors fielded a junior varsity team. Considering that many players return, the hope is that the warriors will get back on the winning track.

Jen Makarowski swears shes hard.

This years team did very well. On the scoreboard, the Boys won 14 meets, lost 8. The girls won six meets and lost 16, this is including INVITATIONALS. The coaches will miss the graduating seniors, but look forward to seeing all returning athletes and anyone new who wants to work hard, no exception for ability, next January for practice. The sport of track gives much physical fitness and individual confidence. Mr. Dahlstrand and his coaches were pleased with the performance of the whole team.

Mike and Jason picture perfect athletes!

These guys start their workouts in the winter and are well prepared for the season. Although the guys didn't win any games this season, they didn't let it get them down! They kept team spirit and determination. They also sent two seniors to the City-County All-Star Game.

The 1995-96 yearbook staff worked hard this year to make sure this year's Sunrise was one of the best ever. This year the staff had a new advisor, Mr. Paul Riccomini. We also had many newcomers to the staff, so there was much teaching and learning while working on the yearbook.

They took first place in the following competitions: McDowell, Harborcreek, Corry, Girard, and the LMBA Championships. East High now has the distinct honor of being the 1995 LMBA Class A Champions. The students feel that much of the season's success is due to director David Stevens. His dedication and hard work helped make the winning season a reality for the students. Mr. Stevens and all of the students involved should be congratulated on a job well done.

The "Sunrise" would like to thank everyone who contributed to the Yearbook by purchasing an ad. The staff would also like to thank each and every student and athlete, because without you there would be no reason for a yearbook to be made. Congratulations to the class of 1996, we dedicate this years yearbook to you!
