"Building Stronger Minds Together"

This year at East High has been a time of building a stronger student body and staff. Through money granted East High via the SIG grant the East staff was able to offer more incentives and activities to reward students for their positive gains.

The school received hundreds of new laptops computers as well as new program to help students prepare for the PSSA. Teachers also were given new laptops to replace their older computers.

Students were rewarded with special activity days to have fun outside of the classroom. Pep rallies returned and recognition dinners for students with honor cards were initiated.

Students enjoyed success outside of the classroom with athletic teams scoring winning records. The Football Team posted the most wins in school history and won their first post season game. the boy's soccer team also had a winning season and surprised many teams in the district. They just missed playing in a post season game. The East wrestling team, only in their second season, won several individual matches and sent one wrestler to the district meet. the girl's bowling team tied for second place and just missed earning a medal at the State Meet.

This year's SUNRISE is dedicated to all these students who excelled both in and out of the classroom. Also for all those staff who worked together with students and themselves to build stronger minds. This year has been a benchmark which will continue through next year and the following years to strengthen student minds so they will be able to compete in the global society.

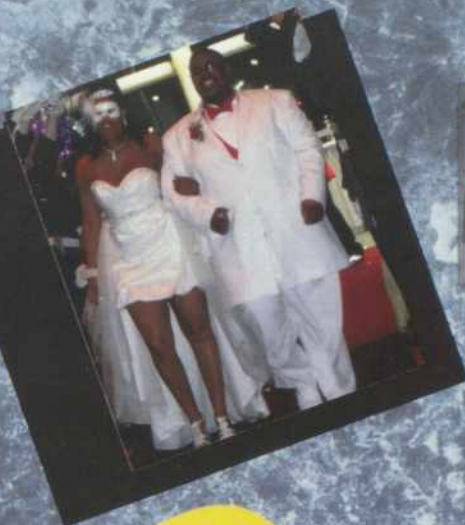

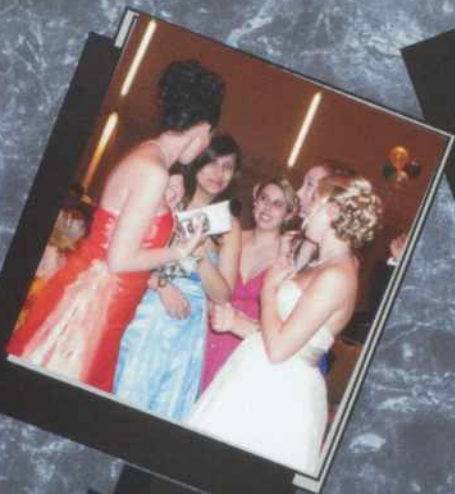

PROM 2011/ MASQUERADE

SIMPLY
Wild!!

The Prom of 2011 was certainly a historical event. The Prom even received media coverage because of ticket sales. However, in the end the Prom was a spectacular event. Pete Hamilton and Liz Dippo were crowned as Prom King and Queen.

Juniors Kildanny Perez and Carina Bifulco were crowned as Prom Prince and Princess.

THE BOYS OF Fall- WARRIOR FOOTBALL

The EAST FOOTBALL TEAM made history this season. They became the first East football team to make the playoffs with a 6-4 record. In the playoffs they won their first game against Corry, but fell short in the next game to D-10 Champs Grove City. Congratulations on an outstanding 7-5 season!

BOYS SOCCER TEAM ROCKS THE DISTRICT

The East High Boys Soccer Team really made many people throughout the District stop and take a good look at this year's squad. The team was truly a melting pot of nationalities. A combination of players from all over the world united to form a winning squad. The team finished the season with a 10-3 record. Just missed making the playoffs. One of the highlights of the season was their win over McDowell and a close match with Prep.
