## MCCC Students Present Steve Martin's 'Picasso at the Lapin Agile'

Submitted by MCCC Drama Club

Montgomery County Community College (MCCC) Drama Club and Theatre Arts program are proud to present "Picasso at the Lapin Agile" a comedy by actor, comedian, and playwright Steve Martin, directed by Tim Gallagher. Show dates are April 22nd, 23rd, & 24th at 8:00pm & April 25th at 2:00pm. All performances will be held in the College's Blackbox Theater, Science Center 107, (lowest level of the Science Center, near to the belltower) at the Montgomery County Community College Central Campus, 340 DeKalb Pike, Blue Bell, PA.

"Picasso at the Lapin Agile" is an invented meeting between Pablo Picasso and Albert Einstein at the start of the 1900's. On the cusp of a new century - both young men meet and discuss new visions that will shape the world. By imagining the chance meeting of these real, passionate, young men on the verge of greatness, Steve Martin crafts a clever commentary on the culture of the 20th Century.

When asked about "Picasso at the Lapin Agile", Director, Tim Gallagher was quoted saying "I think Steve Martin sums it up best: 'Boy, those French: They have a differ-

ent word for everything!'" Cast members for this production (in order of appearance) include Matt Thompson, Colin O'Gorman, Jess Tanksley, Paul Goraczko, Alison Lima, Christoph Bell, AJ Garrigus, Mike Disandro, Stefanie Roberto, and JB Zeigler. Management & Design Staff (not already listed as cast) include Krista Kenny, Jess Destafano, Morgan Doman, Francis Shervinski, and Matt Keene.

Steve Martin's "Picasso at the Lapin Agile" plays April 22nd, 23rd, & 24th at 8:00pm and April 25th at 2:00pm in the Blackbox Theatre, Science Center 107, at the Montgomery County Community College Central Campus.
