## Off to a Great Start

In their inaugural season, the Montgomery County Community College Mustangs women's basketball team finished 13-8 overall and 10-4 in the Eastern Pennsylvania Collegiate Conference (EPCC). The team placed third in the regular season EPCC standings and claimed the Runners-Up title in the EPCC Championship Final. This season, the Mustangs are entering into the 2010-2011 with a positive outlook and looking to build off of their first year success.

The experience of the five returning players and the excitement of the eight incoming freshman gives the Mustangs high hopes, says Head Coach Kelly Donohue. "I'm optimistic for the upcoming season. I think the experience of our returning players will mesh well with our incoming talents".

Coach Donohue has high expectations for the veteran front-court of Mercedes Harris (Norristown), Janay Winston (Phoenixville - pictured left), and Mary Grace Lux (Bishop McDevitt). Their intensity and leadership on the court will add to the success of the team.

Coach Donohue is looking for big things from her seven incoming freshman as well. Kristy Ragbir, a point guard from Wissahickon High School, has great court sense and the ability to distribute the ball. Her leadership on the court is known and respected by her teammates. Julia Worthington from Abington Friends High School will add to the depth of the team's back-court. Worthington poses a threat on the perimeter with her shooting abilities.

Angelique Walton (Franklin Learning) will play guard/forward for the Mustangs and will help the team with her rebounding abilities. Carla Sirak (Ewing), Alison Hershman (Upper Dublin), Laeeqa Collins-Pressley (GW Carver), Jasmine Boone (Norristown), and Brianna Musselman (Archbishop Carroll) will also be key contributors and add depth to the Mustangs roster.

Coach Donohue has faith in the 2010-11 squad. "The excitement and intensity these players are bringing in will push this program to a different level. I am excited work with them and form a solid team for the upcoming season."
