Student Support and Referral Team (SSRT) Connecting Students with College and Community Resources

Montgomery County Community College is a place where the future is created. It is a place where desire and knowledge are combined to yield opportunity. The College is a reflection and a response to the needs and aspirations of those who live, work, and conduct business in Montgomery County and beyond. Most importantly, the College is dedicated to fostering the growth and success of all we serve.

The College recognizes that students face many challenges in and out of the classroom that may affect their academic success. SSRT can connect you with helpful professionals for issues related to: STRESS, DEPRESSION, ANXIETY, EATING DISORDERS, ANGER, ABUSIVE RELATIONSHIPS, EMOTIONAL DISTRESS and SUICIDAL THOUGHTS.

This is a **FREE CONFIDENTIAL** referral service available to **current** students of the College.

HOW TO CONTACT SSRT: Students are encouraged to **self refer** by visiting Student Success Center **during normal business hours** or by sending email to SSRT at StudentReferral@mc3.edu.

Note: When sending an email - student should include a **brief** description of situation, **use only his or her College ID #**, and include a **valid** phone number for contact by a member of the SSRT. Emails received **after normal business hours** or **when the College is closed** will be responded to on the **next business day** or **when the College reopens**.

SSRT will contact student to discuss situation and determine course of action including, if needed, referral to appropriate local agencies, organizations and resources. A member of SSRT will maintain follow up with student, **if needed**, to assist student in his/her efforts to utilize appropriate resources and support student's academic success.

Calling Student Success Center **during normal business hours** to talk to a member of the SSRT or an available counselor in the Student Success Center and/or arrange for an appointment.

STUDENT SUPPORT & REFERRAL TEAM includes the following members:

- Assistant Vice President for Student Affairs – Pottstown Campus
- Dean of Student Affairs – Blue Bell Campus
- Counselors from each campus
- Faculty members from each campus
- Director of Campus Safety
- Director and Coordinator of Services for Students with Disabilities
- Director of Equity and Diversity Initiatives
- Director of First Year Initiatives
- Director of Health and Wellness Initiatives

This is not a hotline service. If you are having an emergency or crisis situation, dial 9-1-1 to get immediate assistance to your location.

Offering support services for aspiring and existing entrepreneurs.

Entrepreneurial Certificate Program

Linking theory and practice, this credit certificate is designed to prepare students to launch and/or grow a successful business, small or large, profit or nonprofit. The certificate program consists of the following four three-credit, skilled-based courses:

- Entrepreneurial Essentials
- Entrepreneurial Marketing
- Entrepreneurial Accounting
- Entrepreneurial Business Plan

Non-Credit Programs

The Center provides a full range of non-credit entrepreneurial courses for every stage of business growth. The CES also houses our very successful Women-Owned Business series developed by women, for women.

The Incubator

According to the Small Business Administration, while only 31% of start-ups survive after seven years, the percentage increases to 87% for those start-ups that go through an incubation process. Aspiring business owners who participate in the incubator will have access to a modern office with a locking door, phone and Internet access, the use of a conference room and reception area and shared office equipment. Prospective entrepreneurs will also have access to additional support services, workshops and mentoring providing a strong foundation to launch a new business.
