KEEP OFF THE GRASS

These signs boards are placed conspicuously throughout Hershey. However, for some cause or other they are ignored. This is especially true on the lawns surrounding the public school building, where each evening a number of young boys congregate and sitting on the lawn are killing the grass. Well kept lawns are a valuable asset to any town, and Hershey is fortunate in having many acres devoted to lawn purposes. We would suggest to the boys to keep off the lawns.

TAKE NOTICE

In the future cars will leave Hershey for Hummelstown two minutes of the hour, and twenty-eight minutes after the hour. For Palmyra, two minutes after the hour, and twenty-eight minutes of the hour.

PUBLIC REHEARSAL BY HERSHEY BAND

Instead of holding their regular rehearsal in the band room on Thursday evening. The band will give a public rehearsal in the park bandstand. A public rehearsal will give the public a better idea of the amount of energy which must be injected into a rehearsal, to bring out the best results. Both director Feese and the members, are making every effort to produce a band second to none in the state, and no doubt will be successful.

NEAT CAR SIGNS

The H. and C. Street Railway Company has placed neat signs in their cars, asking the patrons to leave by the front door. This will greatly facilitate in receiving and discharging passengers and save considerable time. So kindly enter car by rear door and leave by the front door.

ANOTHER FIRE DRILL FRIDAY EVENING

Chief Conrad of the Hershey Volunteer Fire Company has ordered a fire drill for Friday evening, June 7, at 6.30. The importance of these drills can be scarcely overestimated. The little effort put forth by the members to familiarize themselves with the handling of the apparatus now will be well repaid by the efficiency of the department when the need for their service comes. The large attendance at the last drill was very gratifying to the officers and it is to be hoped that a still larger number will report next Friday evening promptly at the hour appointed.

For the information of the public it is announced that the key to the Trinidad avenue hose house is kept at the residence of Mr. C. B. Weaver, next house to the hose house on Trinidad avenue.

A pessimist always looks as though he were afraid it would cost him a few cents to look pleasant.

Y. W. C. A. BOARD HOLDS JUNE MEETING

The board of the Y. W. C. A. held their June meeting in their rooms last Monday evening. Measures of mutual interest weretaken up and disposed of. It was decided to appoint a committee to co-operate with the Y. M. C. A. to formulate plans, toward the arrangement of next year's Star entertainment course. Miss Blanche DeBolt, secretary, was elected as delegate to the Silver Bay Conference. The four delegates to be sent to Camp Nepawhin, and the board's delegate, will mean an extra drain on the treasury. Hence, "Cinderella In Flowerland" Every member is doing their part to make the event a success.
