**OPEN AIR PLAYS  
A SUCCESS**

The McEntee Company Pleas'd Audiences

The McEntee Company of pastoral players, better known as the Ben Greet players, gave two fine presentations of Shakespeare's great comedies, "As You Like It," and "A Midsummer Night's Dream" on Thursday afternoon and evening of last week.

The company was composed of first class artists and was especially well supported by the head of the company, Frank McEntee, as well as Miss Evison, both have played leading support for Mr. Greet for some years, and took the roles of Bottom, a weaver, and Puck or Robin Goodfellow, respectively in "A Midsummer Night's Dream."

The stage where the plays were given was arranged among the trees on the park hillside just west of the bandstand, and the seats for the audience were arranged in blocks on the sloping lawn opposite. The spot chosen made an excellent theater for them, and with the natural background of trees, the presentation was most artistic.

Although the open air plays are a new thing for Hershey Park, they proved to be quite a success and every one present was well pleased with the acting. If the McEntee Company should return next year they would be greeted with larger crowds.

The attendance was fine both in the afternoon and especially so in the evening, persons being present from Hummelstown, Palmyra, and the surrounding community.

The plays were given under the auspices of the Hershey Y. M. C. A., and those in charge deserve commendation for their efforts toward making it the success that it was.
