FISHBURN'S CHILDREN'S DAY SERVICES

On Sunday evening about two hundred people enjoyed the Children's Day program rendered by the Fishburn's United Brethren Sunday School. The program entitled "Nature's Praises" was rendered, and the enthusiastic singing was a notable feature of the service. The program consisted of recitations, class exercises, duets and a special missionary exercise by a number of young ladies, who were attired in costumes to represent a number of foreign nations. The pastor, Rev. O. G. Romig, of Hershey, delivered an address. Mr. F. S. Witman, of Swatara Station, is the efficient superintendent. The church was handsomely decorated for the occasion.

"No," said Curtiss seriously; "but I always make it a point to eat a pint of birdseed before I take a flight."
