### I Am the Carpet Sweeper

I run like a bicycle on rubber tires, and never make a noise. Dust may be thick upon the floor, but one trip from me settles that. Two brushes revolve as fast as I go across the floor. They gather up the dust with a rush and throw it into a pan inside of me. In a few minutes your floor is clean. You've no hard work at all, and no dust to settle everywhere. When I've done my work you can release the pan inside of me by pressing the spring and drop all the dust in a quiet little heap in the ash can. That's what I do with dust.

"One Famous Hoosier Saves Miles of Steps"

## Yes Dear, Only \$1

By joining the Hoosier Summer Club at the Hershey Store Company I had this splendid big cabinet delivered at once. Why, I had over one hundred dishes and forty packages in the cupboard and scores of other things tucked away in handy places within three hours after I deposited my dollar. The balance I pay at the rate of only \$1.00 a week, and just think, not a penny extra to get the cabinet in this easy way. Of course you can,—that is, if the club isn't closed already. Wait, I'll put on my hat and go down with you. Yes, we shall have to hurry. Oh, I hope dear, that the club isn't closed before we get there. (Fifteen minutes later another member was added to the club.)

### You Too—With Many Other Women

Can join the Hoosier Club and purchase one of these famous cabinets by depositing merely \$1.00 now; balance in weekly dues of \$1.00. The cabinet is delivered immediately.

### But You Must Act Quickly

The club limit is 25 members. Already 19 cabinets are taken. In every town in America where Hoosier Clubs are being organized under the direct supervision of the Hoosier Manufacturing Company this summer the demand is greater than the supply. In most towns the limit is 15. We secured 25 and the entire supply will be taken almost immediately.

### Fixed Low Price Protects You

Throughout America the Hoosier Company fixes the low price at which Hoosiers must be sold. This gives you full benefit of low manufacturing cost from enormous output. You save many dollars. No Hoosier agent is allowed to charge a penny extra for the liberal credit of the club plan. Save miles of steps this summer. Enroll your name right away.
