A picture crowded with quaint comedy vholesome romance and enough thrills to satisfy even the most blase audience, based on a thoroughly American play by Owne Davis and produced by William Fox with an all-star cast—such as "Lazybones" the photoplay feature will be shown at the Hershey Central Theatre on Tuesday evening, Dec. 15th, at 7.30 o'clock.
"Lazybones" is laid in the little town of Milo, Maine, and the plot revolves around the life of Seeve Tuttle, known as the slowest man in town. He adopts a myeterious

est man in town. He adopts a mysterious baby, causing the village tongues to wag fast and furiously, loses his sweetheart because he will not explain where he found the child and then goes on just living until the World War comes along and he goes to France.

Then, through no fault of his-own, he captures a group of Germans and comes home a hero—to find that little Kit has setablished a new reputation for him, that he must give up to the sign "Speed Tuttle which appears over the newly-launched garage and to discover that he is in love with his little ward."

Charles (Buck) Jones is a real treat as the lovable-though-unergetic "Lazybones"

and he is supported by a cast which includes Madge Bellamy, Zasu Pitts, Jane Novak, Leslie Fenton, Edythe Chapman, Emily Fitzroy and William Norton Bailey.

Hershey High Wins

On Saturday afternoon the Hershey High School lifted the curtain on their 1925-1926 basketball season by easily conquering the Enola High School boys' and

girls' teams Hershey had very little trouble in scoring and the entire second team was used during the greater part of the game. The contest offered an excellent opportunity for Coach Palmgren to get an idea as to the ability of his material. The Enola boys put up a "scrappy" game but they were outclassed because of their inexperience. This is Enola's first year to put a team on the floor and by the looks of their players they should soon develop into a strong team.
The score at halves was 53-5. Julio

Purcell still retains his laurels of former years by scoring 50 points for his team because of which he has deservedly been town, on Sunday.

The family of Mr. and Mrs. Elwood
Lingle, Sr., on Saturday celebrated Mrs.

honored the captaincy. The total score resulted with 110 points for Hershey and 7 points for Enola.

The Hershey girls met with some what stronger opposition but finally came thru with a 12-8 victory.

Some Upstate Opinion on the Coal

Strike

"Operators flatly reject Pinchot's proposal," says a headline. That was no news. You didn't expect that they would accept it, did you? Now let the government of the proposal of the says and seemed the says are the says and seemed the says are the says and seemed the says are the say ment seize the mines and operate them as it does in far off Alaska. If the government can operate a mine out there, we can't see why they cannot do the same in Pennsylvania. Perhaps it could if the politicians would keep out of it. It might be well to kill off a few worthless politicians

before starting operations in the east.

The mine operators say "an agreemen involving agreement on prices is clearly illegal." Yes, they balk at anything "illegal." Wonder if any of these operators are sprouting wings?

If an agreement on wages and coal prices would be illegal, would to God that breaking up rock and slate and selling it for

coal be made illegal also.
