HERSHEY DEFEATS BETHANY A. C.

On the Local Grounds Last Saturday. Takes Ten Innings to Land the Game. Score 4-3

Over zealotness on the part of Early and Brewer made it necessary for Hershey to go into extra innings in order to defeat the hard working Bethany boys on Saturday last. Both these sterling fielders made desperate efforts to get under short drives and each time the ball got away from them, and it was these breaks that gave Bethany a chance to score. They turned out blessings in disguise, for with three runs against them in the eighth inning, the home boys got their cudgels tuned up, and by some fine hitting and some heady work on the bases evened up the score at three all.

Hershey found Wertz easy in the extra inning, though Shope got a life when Currand misjudged his fly and it sailed over his head for a single. Then the fun began. Shaub hit to short, but Shope's speed made the short stop hustle to get a force, and he made a bad chuck, and both runners were safe. Pink Saylor, who had hit the ball hard every time up, leaned against a fast one through the grove, and it shot past centre like one of Uncle Sam's coast defense projectiles. Had it been necessary, Pink could easily have scored a home-run. The winning tally came over and another hard fought victory dropped into the Hershey basket.

BINGLES

Some one in Hershey reported a comet late Saturday afternoon. It proved to be Saylor's heimlauf in transit toward Derry Church.

Shoap is putting up a steady game at short and looks like a find.

Shaub is hooked up just right at first corner, and has won the confidence of the infielders. Anywhere within ten feet of him, and Shaub gets 'em.

From the "press box," Matty seemed to have more stuff Saturday than he has shown this season. His cross-fire made the Bethany boys cross-eyed.

POOR ATTENDANCE AT BASE BALL GAMES

For some cause or other the attendance at the base ball games here this season has been remarkably poor. However, this is no fault of the team as Hershey this season has one of the best teams in its history, which fact is strongly evident by the games thus far played. The team throughout is putting up gilt edged ball. There is no cause whatever why the boys should not have the hearty support of the base-ball loving public of Hershey and vicinity. The fact of the matter is, that if we are to continue to have a semi-professional team the people of this vicinity must give it their support.

TROPHY FOR INDUSTRIAL LEAGUE CHAMPIONS

To stimulate interest in the outcome of the games scheduled between the six teams of the Twilight League, a trophy will be awarded by the Y. M. C. A. to raise the necessary funds, a voluntary contribution book which is in charge of Physical director, John Kogel. When the book reaches you, help the cause along by giving something, even if it is only a dime. Contributions can be sent direct to John Kogel, care of Y. M. C. A.

SHIPPING ROOM DEFEATS IMPROVEMENT

Before a good size crowd, Friday evening the Shipping room team defeated the Improvement club by the score of 2 to 1. The game was a pitchers battle between Emerich and Daniels, the former having a shade the better of the argument. Wirth the youngest ball player in this vicinity, playing right field for the Improvement Co. was easily the star of the game having two hard running catches in the field and out of two times at bat had a dandy single.

PRINTERS TIE THE SCORE WITH THE STORE TEAM

Last Monday evening the Printers played their first game, having as their opponents the Store team. The Store nine commenced the game as if they intended to leave the Printers nothing but eggs. However, after the first inning, the Printers found they were on earth and started to do things. The feature of the game was the pitching of Clinton Hoffer, a fourteen year old lad, who filled the box for the Printers the latter part of the game. The score at the end of the fifth inning was tie, standing 9-9. The game was called on account of darkness.

HORSE SENSE

A Kansas school-teacher was drilling her composition class in the relative value of words and phrases. The phrase "horse sense" was discussed, and she told one of the boys to write a sentence containing that phrase.

The boy labored for ten minutes and produced this: "My father didn't lock the barn door, and he ain't seen the horse sense."
