## THERE WAS ONLY ONE INNING

The Shipping Room met their Waterloo on Wednesday evening, and the Office team did the little trick. For some time past the members of the Shipping team were telling what they were going to do to the Office team when they met, but their calculations went all amiss. The Shipping team can not place the blame that they did not have their best players out on that evening, for Shaub came all the way from Lancaster to get in the game. Emerich, their star pitcher, was knocked all over the grounds, and when the Office team wasn't connecting with his curves, he was hitting the batters. In fact, Emerich lost his own game, as he hit three men in the fifth inning. Paul Kline did the pitching for the Office team, and did good work. However, if he took a little more time in his delivery, he would be more effective. Swartz caught a good game for the Office team, and his presence on the team, strengthens it considerably. Mump, at short, played a nice game, and he had a peach of a bingle. It would have been good for a homer, if Mump hadn't had iron in his shoes.

## THE KNOCKOUT ROOM KNOCKED THEM

The Improvement team went up against a stiff proposition on Thursday evening when they went up against the Knockout team. Those Knockout boys certainly can knock out some runs. Everytime that one of their sluggers went up to bat, the ball was due for a ride, and a good ride at that. Daniels did his best to fade them away, but it was no use. It looks as though the Knockout room will be some factor in the Twilight league, and if they put up the class of ball that they did on Thursday evening there will be nothing to it but Knockout. They defeated the Improvement team by a tune of 6 to 1.

## ALBERT BLASER WITH CLEVELAND AMERICANS

The Hershey Y. M. C. A. and the base ball fans in and about Hershey can now boast of having one of their last year's ball players in the Major league this season. This player is Albert Blaser who last summer showed the Hershey fans he had the goods when he lost only one game during the time he pushed the pill over the plate for the home nine.

Blaser is a heady ball pitcher and with his speed and assortment of curves will surely make good in fast company. He has signed up a contract with the Cleveland Americans and will play under the direction of Harry Davis, last year's captain of the Athletics.

Albert graduated last week from the Wooster University, Ohio. Last summer he was the efficient Physical Director of the Hershey Y. M. C. A.

## LUCK AGAINST THE PRINTERS

Luck, and the umpires, were against the Printers in their game with the Office team on Monday night. And these important factors did not for a moment forsake the valiant disciples of the typewriter and the adding machines. As it was, the game was one of the best that has been played in the twilight league. Both teams played a fast and snappy game. The feature of the game was Light's pitching, and Klein's playing at short. The score was 2 to 1.

## HERSHEY VS. NEW CUMBERLAND

Hershey Team to Play at New Cumberland Saturday

The Hershey Y. M. C. A. base ball team will journey to New Cumberland on Saturday where they will cross bats with the strong club of that place. This will be the second game these teams have played this season, Hershey winning the first game by the score of 7 to 5. This game promises to be a good one and it is expected that many of our local fans will accompany the team to New Cumberland. Bamford and Snell are expected to form the battery for New Cumberland, while Matthews and Potteiger, Hershey's star battery, will perform for the home team.
