## MEMORIAL SERVICES TO BE HELD SUNDAY

Annual Service Will be Held by  
George Smith Post in Little's  
Opera House

### BURGESS SAUL TO PREACH

Sunday evening, at 8 o'clock, the townspeople will join the members of George Smith Post, No. 79, G. A. R. in their memorial services to the memory of the members of the Post who have died during the past year.

Some of the churches will omit their usual Sunday evening church service and others will hold early services to permit the congregations to join the Veterans in their memorial services.

The memorial address will be delivered by Rev. Elmer E. Saul, Burgess of Norristown. The ministers who will take part in the service are: Revs. James P. Parker, A. J. Davies, J. F. Sheppard, J. T. Fox, all of this borough; Rev. H. D. S. Coates, of West Conshohocken and Rev. R. M. Musselman, Plymouth Meeting.

The choir of the Methodist church will lead the singing and the G. A. R. service will be conducted by officers of the Post.

The service is in memory of the following comrades:

CHARLES HEBBER CLARK  
Company E, 33rd P. V. M. Died August 10th, 1915.

JAMES PALMER  
Company K, 45th Pa. Vols. Died February 17th, 1916.

THOMAS H. RAMSEY  
Company A, 138th Pa. Vols. Died May 23rd, 1916.

Sunday afternoon the Post will go to Merion Square and conduct services and decorate the graves of departed soldiers. On Tuesday, Memorial Day, the usual program will be carried out. Services will be held in various cemeteries adjoining the town and in the afternoon an imposing service will be held at Gulf cemetery, the resting place of a great number of veterans.

The memorial address will be delivered by District Attorney J. Aubrey Anderson. There will be singing by a large choir of school children and the Veterans will be assisted in the conduct of the G. A. R. service by the uniformed guard of the order of Independent Americans.

The Citizens' Band will furnish music at all the services at the cemeteries.

This week members of the Post are visiting the local and nearby schools and delivering patriotic addresses to the pupils.

The Women's Relief Corps will provide dinner for the veterans and their escorts at noon on Memorial Day in the G. A. R. Hall and the Corps solicits donations of food and a committee of ladies will be at the hall after 9 A. M. Tuesday to receive all donations.

Memorial Services.  
The annual Memorial services were conducted at the West Conshohocken public school, today, under the direction of the George Smith Post, No. 79, of this borough.

The interior of the building was tastefully decorated for the occasion. The National colors were displayed in profusion while huge bouquets of flowers were much in evidence.

A large number of the residents of the borough were in attendance as were also many of the Old Veterans.

An appropriate program, beginning at 10 o'clock, was rendered by the pupils of the school. Rev. H. D. S. Coates, pastor of the Ballingmoo Baptist church, delivered a stirring address and a number of the soldiers also made a few remarks.

At the close of the program ice cream and cake was served by the members of the Post by the faculty of the school.

The program in full is as follows:

## TESTIMONIAL DINNER GIVEN R. H. BATE SR.

Friends Celebrate Town's Oldest  
Manufacturer's 71st  
Birthday With a Dinner  
IN BUSINESS 50 YEARS

Friends of Richard H. Bate, Sr., active business head of the Montgomery Foundry, Boiler and Machine Works, of this borough, gave him a testimonial dinner in honor of his 71st birthday anniversary, Tuesday evening, at Whitehart Inn, Barren Hill.

The eighteen diners were seated at tables set in the shape of a horse shoe and which were prettily decorated with cut flowers and wild flowers. Former Burgess James B. Ray presided over the dinner and introduced District Attorney J. Aubrey Anderson as toastmaster. Mr. Anderson paid a fine tribute to the citizenship of Mr. Bate. He spoke of his unselfish efforts in giving of his time and money for every project for the entertainment and advancement of the town's people.

Each of the diners responded to a toast and each paid a tribute to the splendid work and useful life of Mr. Bate.

As a memento of the occasion Mr. Bate was presented with a gold watch chain.

Mr. Bate highly appreciated the compliments and good will of his friends and in a short talk compared the business changes that he has seen take place during his active life. He said, in the old days nearly all work was done by hand and mechanic had to thoroughly know his business. Apprentices were required to serve seven years before they were thought to be competent journeymen. Today, it is hard to find an all round mechanic as machines now do most of the exact and intricate work. He said there is no royal road to success but there is a sure one for every young man if he will be energetic and honest. Fair dealing and hard work is the only true road to success.

Mr. Bate was born in England May 23, 1845. He came to this country when very young with his parents. His father, the late William T. Bate, was appointed superintendent of the Norris Foundry and Machine Works, at Norristown. At the age of eleven years, Mr. Bate was apprenticed to learn the blacksmith trade. After serving seven years, he became a full fledged journeyman.

In 1865 Mr. Bate and his father formed a partnership with John Wood Jr., of this borough, and began business here. A year later the partnership was dissolved and the firm of William T. Bate and Son was formed and is still one of the town's industrial institutions.

The fame of the firm of Bate and Son soon became national. They were the inventors and builders of the first water tube steam boiler and installed their invention in many factories in all sections of the country. It was in their shops the first machine for the manufacture of water gas, the invention of Prof. Lowe, of Norristown, was built. The Bates designed and constructed the machines to make practical the invention of the Professor. These machines were installed in nearly every large city in the United States.

For almost a quarter of a century Mr. Bate has served continuously in Town Council. For years, he has been chairman of the important Ways & Means and the Police, Fire and Water committees of Council. In every Public movement he has been a leader. For many years he has been treasurer of the Borough Republican Executive committee and for the Fourth of July celebration committees.

Mr. Bate is a director of the First National Bank, several buildings and loan associations, and has been associated with many industrial enterprises. For many years he was a director and general manager of the Conshohocken Gas Company and would not accept any remuneration for his service as manager.

Mr. Bate attributes his good health and activity to his mode of living. He keeps up his interest in his business and in public affairs and constantly has his mind employed with something worth while.

Those who participated in the dinner were: Dr. C. F. Tegtmeler, former Burgess, James B. Ray, District Attorney J. Aubrey Anderson, F. L. Tracy, Jacob Hamilton, Joseph A. Ruth, Magistrate George M. S. Light, Winfield S. Holland, M. E. Moore, Assemblyman William Neville, Joseph W. Cavanagh, Richard H. Bate Jr., Dr. Aaron L. Ruth, H. B. Heywood, J. A. Harrold, Samuel Roberts and W. I. Heywood.

Celebrates Wedding Anniversary.  
The Order of the Eastern Star will, this evening celebrate its third anniversary in P. O. S. of A. Hall. The order was instituted here by Mrs. Sarah A. Peach, a resident of Akron, Ohio. The order is in good standing and has had many interesting meetings. A musical and literary program has been prepared.

For earache, toothache, pains, burns, scalds, sore throat, try Dr. Thomas' Electric Oil, a splendid remedy for emergencies. Adv.

## GULF BIBLE CLASS HOLDS FINAL SOCIAL

Last of Seasons Events Held Last Evening Many Persons Were in Attendance

The Men's Bible Class of the Gulf Christian Church held a social and entertainment in the church last evening, which will be the last function of the organization previous to the summer season. It was largely attended, in fact so many were present that the main auditorium was taxed beyond its capacity, which necessitated the annex or Sunday school room being used.

The entertainment was opened with the singing of "America" by the audience, after which short addresses were made by Parker S. Williams, president, Jacqueline Palmer, class leader and Rev. M. W. Butler, pastor of the church.

Mr. Palmer said he surmised that it would be a bad night for the event, in that the weather would be inclement, but the rain ceased, which gave the people an opportunity to attend. The night on which the last one was held, for weather conditions, could not have been much worse, and Mr. Palmer stated that those who missed that one were guests of the class now. He spoke of the large membership of the organization, the influence it had among the men of the community and other places.

"When the organization was effected," said Mr. Palmer, "we did not know that it would last for three months, but it has been in existence for more than three years, with bright prospects for many more years to come. As long as we have the men coming out we will have the best Bible Class in this section. Mr. J. Rufus Barr, of West Conshohocken, leader of the Bible Department of the Conshohocken Methodist Church, might beat us in enrollment" said the speaker, "but Mr. Barr has assisted us so much in the movement at the Gulf Christian Church that we wish him success in the work."

Mr. Butler said that the community should feel proud of the Bible Class. He stated that he was surprised to ascertain how much prominence the organization had gained, not only in this section but throughout many States. He said that he had received a communication from a member of the clergy in Missouri, wanting to know all about the class, and also that the welfare of the class was the first interrogative asked of him on arriving at the New Jersey Conference held in Milford, that State. "This Bible Union has an individuality," said Mr. Butler, "and it is a valuable asset to the community."

The addresses were interspersed with musical renditions, including selections by a quartette composed of Messrs. A. Stanley and Edwin Y. Hyde, Frank V. Rinehart and Samuel Snyder, and solos by A. Stanley Hyde. The entertainment part of the function concluded with an address on Mexico, by Rev. Sydney Conger, who resided in that country for some time, and who is now in temporary charge of the Bryn Mawr Presbyterian church. Mr. Conger gave a graphic description of the country explored by the navigator Cortez, told of many of the customs there, and related different thrilling incidents that he witnessed.

After the address members of the Bible Class and Ladies' Aid Society served ice cream, strawberries and fine cakes.

## HAROLD SHOEMAKER SUFFERS PAINFUL ACCIDENT

Was Inspecting New Machine and Right Arm Was Caught in Gears and Badly Torn.

Harold Shoemaker, superintendent of sheet mills at the Schuylkill Iron Works of the Alan Wood Iron & Steel Company, was painfully injured Wednesday afternoon when his right arm was accidentally caught in the gear wheels of a machine he was inspecting.

A new machine for oiling the finished sheets of iron and steel had been installed and was ready for trial. The machine consists of a set of rolls which are sprayed with oil and the sheets are passed through the rolls which are driven by small gears. The gears were exposed as the machine was being tested. As Mr. Shoemaker leaned over the rolls the coat sleeve of his right arm was caught in the gear wheels and before the machine was stopped, it was found Mr. Shoemaker had suffered a very painful injury. The flesh on his arm about the elbow was torn into shreds. He lost much blood and the workmen gave him first aid. He was then hurried to Charity Hospital, Norristown, where it was found no bones had been broken and the tendons were uninjured. The wound was sewed up with twenty stitches and Mr. Shoemaker returned home.

Most disfiguring skin eruptions, scrofula, pimples, rashes, etc. are due to impure blood. Burdock Blood Bitters as a cleansing blood tonic, is well recommended. \$1.00 at all stores. Adv.

## C. H. S. CLASS COMPLETES 4 YEAR COURSE

Twelve Will Receive Diplomas; Seniors Will Give a Play; Alumni Reunion June 15

ADDRESS BY J. D. MAHONEY

The annual commencement of the Conshohocken High School will be held in the high school auditorium, Friday evening, June 16, and twelve students, comprising the class of '16 will receive diplomas. This will be the first entire class which has completed the four year course and several of the members have done more work than is required in the regular course.

Another innovation has been made in the commencement exercises. Instead of the class having the commencement and being received into the Alumni, the whole of the last school week will be given over to commencement festivities.

The members of the class have arranged socials and on Tuesday evening, June 13, the Seniors will present a play in the high school auditorium. An admission will be charged and the proceeds will be used to place in the school a memorial from the Class of 16.

Friday evening, June 16, at 8 o'clock the commencement will be held in the auditorium. John Dennis Mahoney Ph. D., head of the English department of the West Philadelphia High School will make the address to the graduates.

Yesterday the class was given their marks and the Honor fell to Miss Elizabeth Crisman, who is valedictorian, and Miss Edith Fry salutatorian.

The other members of the class are: Minnie Derr, Ethel Potter, James Crawford, William Craig, Daniel Beaver, Mary Klein, Russel Hamilton, Anna Harrold, Mary Hiltner, and Philip Yuckman.

The term examination for the High School will be held during the last school week.

## Alumni Reunion.

The Alumni in order not to break arrangements for the week are reversing the usual order of things and will receive the graduating class the evening before the commencement. The Alumni will hold its 44th annual reunion, Thursday evening, June 15, in the high school auditorium at 8 o'clock.

The regular business meeting and the election of officers will be held from 8 until 8.30 o'clock, this will be followed by a short sketch, "For Love or Money" by the 15 class. After the play a reception will be tendered the 16 class and a banquet will follow. From 11 o'clock until midnight there will be dancing and class reunions.

The following are the members of the ticket committee: Misses Margaret Pitman, Anna Laverty, Sylvia Moore, Fannie Campbell, East Rowland and Messrs. Johns Worrell, J. W. Lindsay, George M. S. Light, J. Burnett Holland, Willis Baldwin.

## EMINENT PREACHER AT ST. GERTRUDE'S

Forty hours devotion will be observed at St. Gertrude's church, of West Conshohocken, on Sunday and Monday. The services will open with a solemn procession of the Blessed Sacrament at 10.30 A. M. Rev. William J. Garrigan, D. D. of the Cathedral, Philadelphia, will preach the course of sermons. Services will be held at 7.45 o'clock, Sunday morning and at the same hour Monday morning.

Rev. Mr. Garrigan is a graduate of the American College at Rome and is an eminent pulpit orator.

There will be special music at each service under the direction of Miss Agnes Hayes.

The services will conclude with a solemn procession.

It is expected that Rev. Father McCloskey, a former rector of St. Gertrude's church, will be present at the special services on Sunday. The former rector has promised, Father Quinn to come to the West Borough tomorrow evening and remain over the week end. Since relinquishing his rectorship at St. Gertrude's, Rev. Father McCloskey has been engaged in work as a Bishop in the Philippines. He has many warm friends in this vicinity who will warmly welcome his return.

## CHRISTIAN ENDEAVOR

The annual meeting of the Norristown District Christian Endeavorers will be held in the First Baptist church, of Conshohocken on Monday evening, May 28, at 7.45 o'clock. The speaker of the evening will be the Rev. Alfred S. Dingsie, of the First M. E. Church, of Norristown.

A large gathering is expected and an enjoyable evening is promised. There will be special music, besides the talk of Rev. Mr. Dingsie.

All persons interested in Christian Endeavor and young peoples work are invited.

Umbrellas repaired and covered at KEHOES.—Adv.

## PROFITS ON AUTO TIRES

Shown by Testimony of Plaintiff in Action Against Lee Company in Civil Court.

The second day's session for taking testimony in the summons in assumpsit action of Spencer and Dando against J. Ellwood Lee Company to recover damages, alleged to be due on account of breach of contract, was begun yesterday morning in court room No. 1 before Judge John Faber Miller, with N. H. Larzelere and Montgomery Evans on the same side of the counsel table, representing defendant, and Walter M. Shaw, William Henderson and Francis H. Rawle appearing for plaintiff.

J. Clifford Dando, of the plaintiff firm, testified at the opening of the case that the defendant company had abrogated its agreement within three months after it had been entered into, in May, 1910.

Plaintiffs seek to recover some thousands of dollars which they claim is due them by breach of contract.

Mr. Dando, whose residence is 2623 Green street, Philadelphia, testified that his firm gave up the agency for another tire to take on the Jelco tire, manufactured by the Lee Company of this borough. He claimed that his firm was to have the exclusive agency for the Jelco tires for Pennsylvania, South Jersey, Maryland, Virginia, Delaware and District of Columbia, for a term of three years. The contract was alleged to have been made with J. Ellwood Lee in May, 1910 and abrogated in August of that year. Action is to recover the probable loss to the plaintiff firm by reason of being cut off from the profits from the sale of the Lee tires during the term of the contract.

Mr. Dando could not produce the contract, when called upon to do so Wednesday morning. He stated that he had delivered it to the Lee company and that it, or a copy of it, had not been returned.

During the testimony of Mr. Dando it developed that as dealers in tires they profited in various ways in their sales to customers. Generally speaking their profits on sales was 33 1/3 per cent. This is about what they made from an ordinary customer. To another dealer their profit was 21 1/3 per cent, while to sub-agents it was about 3 per cent. He declared that the average profit was about 15 per cent, but after deducting rental and other expenses, the clear gain would be but 10 per cent.

On cross-examination by Mr. Larzelere, the witness, Mr. Dando, declared that his firm made no money during the life of the contract with the Lee Company. He claimed a loss by reason of the abrogation of the agreement of between \$5000 and \$6000.

From cross-examination it appeared as if the defense will be that there actually never was an agreement duly signed by the parties.

Mr. Riston, an officer of the plaintiff firm, whose place of business, by the way, was at 1409 Vine street Philadelphia, followed Mr. Dando on the witness stand and corroborated him as to the terms of the contract which he and Mr. Dando contended provided for 33 1/3 per cent sales of the Jelco tires in a territory covering Pennsylvania, the southern part of New Jersey, Delaware, Maryland, Virginia and District of Columbia.

## PROTHONOTARY FOR MONTGOMERY NAMED

Harvey S. Frederick, of Soucorton, has been appointed Prothonotary of Montgomery County by Governor Brumbaugh to succeed Sylvester B. Drake, of Centre Square, who resigned at the request of County Controller Heebner, following the discovery of a shortage in his accounts. He will take charge of the office and be sworn in as soon as his commission arrives. Mr. Frederick, who is 40 years old, is a shoe merchant at Soucorton and has for years been politically active in the North Penn section, being a member of the Republican County Committee. His appointment came as a surprise to the public generally.

For some days a petition had been in circulation asking the Governor to appoint E. C. A. Moyer, of Norristown, to the office. This petition was presented to the Governor yesterday by Mr. Moyer, who was Mr. Drake's deputy for six years, has filled the position of Prothonotary since his chief resigned, about two weeks ago. His petition to the Governor was in charge of a committee of members of the Montgomery County Bar.

Yesterday Frederick announced that he would start his duties on June 1st with an entirely new staff.

He would not say who any of the appointees would be except his first deputy, who, he declared, would be Abram D. Hallman. It is intimated strongly that the second deputy will be some friend of Speaker Ambler from the Old York Road section. These will succeed E. C. A. Moyer, who has been deputy since Drake went into office six years ago and has been paid a salary of \$1800 and Harry J. Alker, who has been in the office since the first of the year taking the place of William C. Irvin, now deputy controller.

There are two other positions in the prothonotary's office — transcribers. They have been held by Prothonotary Drake's two daughters Edith, wife of Paul March; and Edna Drake. The latter was paid fifty cents an hour and the former \$520 a year.

## TO ERECT A MEMORIAL TO REV. R. P. KINAHAN

A Movement Has Been Started to Honor the Memory of the Well Beloved Priest

\$1500 MEMORIAL WINDOW

A meeting was held on Wednesday evening in the Knights of Columbus parlor for the purpose of organizing a movement of former pupils and friends of late Father Kinahan, to place a suitable memorial in St. Matthew's church, now in course of erection.

John C. Tracy acted as Chairman and in his remarks stated the object of the meeting was to show proper appreciation of the valuable services rendered by Father Kinahan, not only to the members of St. Matthew's congregation, but to Conshohocken in general during his forty years as Pastor. The idea was to come in touch with the scholars and friends not only here, but to all those who have been successful in religious, professional and business lives in other places, much of which was due to the early training acquired under tuition of Father Kinahan, some of whom have already expressed their desire and willingness to participate liberally in the memorial.

Father Parker, who was present at the meeting, said it had been his intention ever since a new church had been in contemplation, that Father Kinahan should be remembered in an appropriate manner and had reserved one of the transept windows for that purpose and should his former scholars desire he would be very glad to have them erect the same. The cost of the window will be between \$1200 to \$1500.

The officers chosen to forward the movement and receive subscriptions were John C. Tracy, president; Thomas F. McCoy, Secretary and Patrick L. Leary, treasurer.

Another meeting will be held at the same place Tuesday evening, June 6 at 8.30 o'clock to which any persons interested in this grand cause are invited.

## STOLE DISTRICT ATTORNEY'S AUTO

Was Taken From in Front of Court House and Recovered in Philadelphia.

The automobile of District Attorney J. Aubrey Anderson was stolen from in front of the courthouse, Norristown, Wednesday afternoon, and recovered a few hours later in Philadelphia.

The machine was missed by the official when he came from his office in the courthouse to go to his Upper Merion home. When he recovered from his surprise he notified the Norristown police. A description of the stolen Willys-Knight roadster was sent broadcast. Late at night City Hall was notified of the car being found abandoned at Oxford and Twentieth streets, Philadelphia. The county official was notified and with Chief Felman and Detective Carrigan left at 11.30 and returned at 2 o'clock yesterday morning with the car, without it having been damaged in the least.

## FREIGHT CARS RUN INTO FREIGHT STATION

Loaded Freight Cars Ran Away on Siding and Ran Into Freight Station.

Another train runaway occurred yesterday afternoon, on the siding entering the plant of the Lee Tire & Rubber Company, at Spring Mill, from the Pennsylvania Railroad, when three loaded freight cars ran into the frame freight house and pushed it from its foundations.

The local shifting crew was drilling cars into the Lee plant over the long siding which has a heavy grade from the railroad to Hector street. The engine had uncoupled from three loaded cars, which were in charge of a brakeman and were being drifted from the mill siding to the siding paralleling the railroad. The brakeman was unable to hold the cars with the hand brakes and they got beyond control. The train ran into the freight house knocking it from its foundations. The accident occurred a few minutes before an express train was due to pass. The train was flagged and proceeded past the wreck slowly. The wrecking crew was summoned and a derailed car was replaced on the tracks and the freight house returned to its foundations. No one was injured.

## \$40,000 for Merion House.

John J. Boerjcke has purchased from William H. Steigerwalt, a house on Linden Lane, between Merion avenue and Linden Lane, Merion, for \$40,000. The property has 18 rooms and three baths. It occupies a lot 181 by 232 feet.

WEST SIDE NOTES

Abram Deilaven Jr., has purchased a Ford touring car.

Councilman and Mrs. John J. Powers are receiving congratulations on the birth of a son.

Contractor John Havener has joined the ranks of the automobilist, and has purchased a Ford touring car.

The mid week prayer meeting of the Free Baptist church was held at the home of Mr. and Mrs. Albert Hanum, on Wednesday evening and was largely attended.

Miss Ada Parellis, of Philadelphia, one of the world's speakers of the W. C. T. U. will deliver an address in the Holiness Christian church on Friday evening of next week.

The Methodist church is receiving donations for Charity Hospital. Mrs. Ida Holland, of Ford street, is the collector for this borough.

Those desiring to make any contribution may have the same delivered to the proper authorities by leaving it at her home.

L. W. DeGroff, of Philadelphia, connected with the Foreign Mission work in Africa, will speak at the Holiness Christian church on Sunday evening.

Mrs. DeGroff will be present and render a number of vocal solos.

Milk Dealer Jesse Fields has added a Sharpless separator to his extensive dairy at the Mineral Valley Farm.

With this new acquisition Mr. Fields has now one of the most modern and most sanitary dairies in this part of the State.

The entire system is operated by steam.

Irvin Eiland, of Cedar avenue, left this morning for a two weeks visit to his brother, Roy Eiland, manager of the Nashville team of the Southern Base Ball Association.

Mr. Eiland will go south by way of Baltimore and Washington and will return by way of Cincinnati and Pittsburgh.

There will be no evening service held in the Ballingomingo Baptist church on Sunday evening, as the members of the church will unite in the memorial services of George Smith Post to be held in Little's Opera House on that evening.

The services in the morning will be held at the usual hours.

The regular monthly meeting of the West Conshohocken Board of Trade and Civic Association will be held at the home house of the George Clay Fire Company on Monday evening.

The public is invited to the meeting and as matters pertaining to the welfare of the borough in general will be brought up for consideration, it is hoped that a large number of the residents will be in attendance.

A number of the lady members of the Ballingomingo Baptist church visited Mr. and Mrs. Alfred Burhouse, Chestnut Terrace, West Philadelphia, yesterday.

A most delightful day was enjoyed by all. The party was comprised of the following: Mrs. Franklin McLaughlin, Mrs. Thomas E. Ambler, Mrs. William Mowlds, Mrs. H. D. S. Coates, of this borough, and Mrs. Mary S. Head and Mrs. W. H. Eldredge, of Conshohocken.

One of the large automobile tanks of the Atlantic Refining Company broke through the flag-stone covering of the sewer on Ford street near the Reading Railway yesterday morning.

The driver had made a delivery at the William Davis Jr., and Company's lumber yard. Repairs were being made to the plank culvert spanning the gutter at the driveway into the yard and the chauffeur of the automobile was obliged to drive his car down in front of the blacksmith shop in order to get out.

In doing this he did not go down far enough and when he attempted to go across the pavement, the right rear wheel broke through the flag and into the culvert.

The heavy machine was removed with considerable difficulty by means of heavy blocks and jacks after a delay of about two hours. The machine was not damaged in the least.

The final examinations of the grammar grade of the local public schools have been completed with the result that each member was successful in attaining the average necessary for admission to the High School.

The exercises of the grammar school will be held in the school building next Friday evening. The speaker for this occasion will be Professor Dunham, of Temple University, Philadelphia.

The averages attained by the members of the class are as follows: Dorothy Ingram 93.5, Mildred King 92.3, Esther Thompson 87.4, Harold Hayden 87.3, Carrie Stewart 87.1, Alfred Markland 84.8, Howard Gray 83.6, Grace Magee 83.5, David Jones 83.3, Emma Devese 82.3, Katharine Steltz 82.3, Ethel Schurman 82.3, Charles Markland 81.6, Jennie Merkel 81.4, Malcolm Hanum 80.8, Charles Adams 80.5, Bessie Smith 80.2, Julia McCabe 79.8, Frank Fotheringham 77.4, Emily Ristine 76.2.

The condition of Benjamin Martin, father of William Martin, of lower Ford street, who has been undergoing treatment at Charity Hospital, for the past two weeks, for an affection of the foot, is not improved.

The member has failed to yield to treatment and gangrene has developed. Mr. Martin's condition has assumed an alarming state and in order to save his life the physicians have deemed it necessary to amputate the leg a short distance below the knee.

The operation will be performed this afternoon. Several weeks ago Mr. Martin rubbed a blister on his heel by wearing a new pair of shoes. The injury became infected and a physician was consulted. A minor operation was performed at that time but the wound gradually became worse.

Three weeks ago the patient came to his son's home from Camden for a visit and while here a local physician was consulted who had him removed to the hospital where constant attention might be given the foot but to no avail. Mr. Martin is nearly seventy years of age.

CARSON COLLEGE TRUSTEES LOSE SUIT

Income Since Death of Testator's Wife Cannot Revert to Principal.

Another chapter in the history of the will of the late Robert N. Carson, Philadelphia trolley magnate, who left \$5,000,000, most of which was to be applied to the construction and maintenance of a heavily restricted college for orphan girls in Montgomery County, was concluded this week.

The State Supreme Court affirmed the decision of the Montgomery County Orphans' Court that the income accruing to the estate since the death of Mr. Carson's widow shall not be added to the principal, but held as a separate fund, to be used for the purposes set forth in the testament.

The Supreme Court's decision is unfavorable to the trustees of the estate and to the directors of the college corporation, who contended that 1/2 of the income not committed to specific uses should revert to the principal and be applied to the maintenance of the institution.

However, the institution is not yet constructed, and Mr. Carson provided in the will that whatever income was left after the needs of the college had been met was to be devoted to the establishment of "Robert N. Carson Wards" in children's hospitals in Philadelphia and Pennsylvania.

It was said by one of counsel concerned in the litigation that such hospitals can now lay legal claim to sums from the income fund or the establishment of Carson wards.

Mr. Carson died in 1907. His widow was made co-executor with the Real Estate Title Insurance and Trust Company of Philadelphia. The estate amounted to about \$5,000,000.

The will provided, after various bequests and had made, that the remainder should be devoted to uses of the college, which was to be erected on a portion of his country estate, Erdensheim, near Flourtown, this county, and that such sums as remained after the amount necessary for the maintenance of the college had been provided should be devoted to the establishment of the children's hospital wards.

The will was attacked by a number of heirs, who alleged undue influence by Mrs. Carson and interest on the part of the witnesses to the document, all of whom were in one way or another connected with the Real Estate Title and Trust Company.

The Montgomery County Court, which was upheld by the Supreme Court, dismissed the suit of the heirs.

Mrs. Carson died in 1913, and the fruits of the will to break the will were renewed and failed. Since Mrs. Carson's death the income from the estate, which consists chiefly of United Traction Company investments, has grown enormously, and it was her fear of the trustees and the college authorities that other institutions would claim portions of it before her college was erected on grounds stated in the provisions of the will.

The construction of the college has not been begun.

SCHOOL HEADS RETIRE

Misses Shipley Turn Institution Over to Assistants.

After conducting their school at Bryn Mawr for more than 25 years, Misses Hannah T. and Margaret A. Shipley on Wednesday retired on the occasion of the annual commencement.

The management of the school will hereafter be in charge of Miss Alice G. Hoyland and Miss Eleanor O. Brownell, associate principals the past five years.

Sixteen young girls formed the graduation class, and were addressed by Rev. G. A. Johnston Rose, formerly pastor of Bryn Mawr Presbyterian Church and now a professor in the Union Theological Seminary in New York.

Miss Lily Barret Knut, of Newport, R. I., a member of the graduating class, was announced as winner of the annual prize for excellence in scholarship.

Free Baptist.

Rev. S. J. McLaughlin, pastor of the Free Baptist Church of West Conshohocken, will preach memorial sermons both morning and evening services on Sunday.

Mr. McLaughlin is an able speaker and no doubt his congregations will be large at both services. There will be special singing for the occasion under direction of the choir leader George B. Schrack, of Norristown.

GRANT BRIDGE PERMITS

Structures Will Be Built in Montgomery County.

The State Water Supply Commission Wednesday granted three applications for the construction of fills, one for a railroad conduit, three for railroad bridges, four for county bridges, six for township bridges, one for increase in height of dam, one for decrease in crest of spillway, two for reconstruction of dams and two for construction of dams.

Among the applicants granted were those of the supervisors of Limerick township, Montgomery County, to construct a bridge across the Lodel Brook, four miles northeast of Royersford, and the commissioners of Montgomery County to construct a two-span reinforced concrete bridge across Little Neshaminy Creek, on the Bristol road, two miles from North Wales in Montgomery township.

Science in Capsule Form.

A veritable condensed encyclopedia of odd matters is the page on "New and Odd Things in the Science" and that other on "Things You Ought to Know," published each week in the Magazine Section of The New York Sunday World.

These pages are compiled with care and displayed in most attractive fashion. They make good Sunday reading for the layman who takes interest in the progress of science.

SPRING MILL

After further investigation, the Recorder has found the announcement of the engagement of Miss Laurette Bisby and Mr. James Graham which was published in these columns, last Friday, is untrue. The Recorder and several other county newspapers have been made the victims of persons giving false news. Giving false news to newspapers is a criminal offense and the Recorder will make an effort to ascertain the parties responsible. The Recorder makes every effort to verify its news before publication but in the rush hours some small item, which appears correct on its face, may slip through. A very interesting and instructive Parents Meeting was held in the Spring Mill School last evening. The following was the program: Professional—Chorus..... School A. Alma Mater. B. Those Evening Bells, Moore C. Sweet and Low (Princess) D. S. M. P. S. Tennyson D. S. M. P. S. Anna Ramsey Prologue..... The Labor Convention. Miss Gallagher in charge Recitation..... Mr. Forsythe Tambourine Drill Mr. Bouter in charge Mary Crawford, Anna Link, Ruth Skilton, Clara Righter, Elizabeth Ramsey, Frances Hilbert, Thelma Kreibel, Helen Bennett, Anna Ramsey, Laura Hilbert, Muriel Baker, Alice Dutillel. Epilogue..... William Frankenfield Chorus, "America Forever"..... Pawil Recessional—

Upholds Will Codicil Written on Envelope. Altho it was not witnessed, nor dated, but because it is undoubtedly in the handwriting of Ellen M. White, the directions on an envelope that the contents, a \$120 gas bond, be divided equally between Emma Jones and Matilda Martin, was deemed by Judge William F. Solly, to be in the nature of a codicil to her will, and, therefore, Mrs. Martin and Mrs. Jones will each receive \$60. The envelope was found in a safe deposit box in a Norristown Trust Company. Despite the instruction written on the outside, other heirs contested. SPRING MILL BAPTIST CHURCH. Pastor, Harry L. Clouser. Bible School 2.30 P. M. Lesson, "The Council at Jerusalem." Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and this condition is not permanent, if caught in time. It is only a matter of days before you are cured. Our method is the only one that cures. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. J. CHENEY & CO., Toledo, Ohio. **GULF MILLS**

The Rebel Hill base ball team of the Eastern Montgomery County League will play Plymouth tomorrow afternoon.

An old frame barn which stood in the rear of McFarland's tenant houses for a number of years has been razed.

Many persons from the Gulf Mills district attended the Carl Hagenback-Wallace's circus performances in Norristown on Monday.

Among the marriage licenses issued in Norristown on Wednesday was one to Ward Nichols, Oaks and Maggie Griffith, Valley Forge.

Mr. and Mrs. Edgar Rupp, who were wedded not long ago, will take up their residence in one of the McFarland houses in the near future.

Miss Mary Miller, a teacher in the Friends graded school in West Chester, has been appointed a teacher in the primary department of the Friends school in Germantown.

Harry Rupp, of Gulf Mills has resigned his position as engineer at the Schuylkill Iron Works in Conshohocken. Mr. Rupp was employed at the plant for several years and had charge of the largest engine of the most improved type.

John Barr, aged resident of Mechanicsville, who has been confined to his bed for some time as the result of injuries sustained by a fall in the kitchen at his home has so far recovered that he is able to walk about the house at intervals.

James Lightfoot, of West Conshohocken is making improvements to the buildings on the former Conrad property at Bird-in-Hand, which is now owned by Mrs. Boigt, of Philadelphia and leased by Theodore Lovan.

The Bridgeport A. A. base ball team's next attraction will be the Hale and Kilburn team of the Industrial League, of Philadelphia. The game will be played on the Philadelphia and Western Grounds near the DeKalb street station of that system.

J. Elliott Epright, who has been visiting his sister and mother at Mechanicsville, was called suddenly to his home at Frenchtown, N. J. Saturday on account of the sudden death of an uncle, who made his home with him. Mr. Epright's mother is very ill and his wife is confined to the home of relatives at Trenton, N. J., having given birth to a daughter a week ago.

A novelty shower was tendered to Mrs. Minnie Flanagan at the residence of Mr. and Mrs. William Gamble Sr., at Mechanicsville. Mrs. Flanagan, who resides at Mt. Pleasant, Chester county, is a prospective bride, in that some time next month she will be wedded to Mr. Harry Gamble, son of Mr. and Mrs. William Gamble Sr.

The continued cool weather has had an effect on vegetation in general. With some warm weather, everything will flourish and especially the obnoxious weeds. They need no cultivation, but possibly there is among them some plants which are good for different uses, and their use is known only to those versed in the science of botany.

Rev. M. W. Butler, pastor of the Gulf Christian church, left today for Dover, Delaware, to attend the annual meeting of the Delmarva Christian Conference, of which he is president. The sessions of the body will be held in the First Christian church, of which Dr. A. B. Lightbourne, D. D., is pastor. Mr. Butler, who formerly held a pastorate at Newport News, Va., was a member of the aforesaid Southern Conference at that time and after accepting the charge at the Gulf Church, he was signally honored by being elected president of that Conference, of which at one time he was statistician. The Delmarva conference comprises Christian Churches in three States namely Delaware, Maryland and Virginia from which it derived its name, Delmarva. As Mr. Butler will be absent from his charge on Sunday morning, the pulpit will be filled by Rev. Mr. Column, of Annapolis, who will deliver a patriotic address on the subject "Love of Country." Mr. Butler will arrive home in time to preach at the services in the evening.

The members of the senior and junior classes of all the schools of Upper Merion township took their preliminary examination at Stewart Fund Hall, King-of-Prussia on Tuesday and Wednesday, it being in charge of Miss Mary McLean, supervising principal. The senior class is composed of nine members, seven girls and two boys. Three of these two girls and one boy, are from the Bird-in-Hand school, while those from the Gulf school number two, one girl and one boy. The other seniors are pupils of the Port Kennedy and Swedeland schools. In the junior class from the schools collected the number of scholars who took examination were ten. There are no juniors at the Gulf school. Three are from Bird-in-Hand and the remaining seven distributed among the five other places of learning in the district. The senior and junior classes will take their final examinations under Prof. H. C. Landis, superintendent of the Montgomery County schools, on Friday and Saturday, June 2nd and 3rd. A class of fourteen graduated from the Upper Merion district in 1915. From this fact it can be seen that even if all the seniors pass the examination, the scholars who will receive diplomas at the commencement, will be five less than last year. Some of those who bid adieu to their Alma Mater in Upper Merion last year, have entered Colleges and High Schools to perfect their education.

**NEW CODE FOR BRYN MAWR**

Faculty Given Representation on Board of Directors.

Radical changes in the government of Bryn Mawr College are to come about as a result of the recent controversy between the faculty of the institution and Dr. M. Carey Thomas, president, who, several years ago, was named as the beneficiary in the \$20,000,000 will of Miss Mary Garrett, of Baltimore.

At a conference Friday in the Provident Life and Trust Building, Fourth and Chestnut streets, the directors decided to admit members of the faculty to their board and outlined a new plan of government.

This is considered a victory for the faculty over Dr. Thomas, who has been charged by them with assuming a dictatorial attitude towards them since she inherited her fortune. They claim that she has dismissed, without reasonable cause, certain members of the faculty and substituted for them teachers who are especially friendly towards her.

However, the victory may be a barren one, since Dr. Thomas will probably control a majority of the Board even with the faculty represented. The provision adopted Friday by the Board of Directors is as follows:

"The faculty shall elect from among the full professors and associate professors after their first term of appointment a committee of three, who shall hold office for three years, except that two members chosen at the first election shall hold office for two years and one year, respectively. Members of this committee shall not be re-elected at the end of any three year term until after one year shall have elapsed.

"This committee shall have the right to attend and take part in the discussion at all meetings of the Board of Directors (unless by special request of the Board, but shall have no vote.

"The faculty shall elect a standing committee on appointments, consisting of five members, at least three of whom shall be full professors. It shall be the duty of this committee to become familiar with the teaching of the faculty and staff, to advise the president and in general to keep in touch with the academic work of the College. This committee is to be consulted as to initial appointments."

Miss Thomas' powers are not curtailed in any other manner. Friday night she expressed herself as well pleased with the change, which was proposed by a special committee of the Board of Directors. It was announced that the plan may be changed by joint consent of the Board of Directors and the faculty after conference.

**Poor Outlook for Peaches.**

The peach crop has been seriously damaged as a result of inter freezes, and other fruit crops in the North Penn section are damaged to a lesser degree from the same cause, according to farmers and growers of the section. All agree that prices of fruits in both Montgomery and Bucks Counties will be in advance of last year. Dr. John H. Washburn, director of the National Farm School, near Chalfonte, says the peach crop on the farm school acres is seriously hurt.

Peculiar Plea of Man From Italy Awaits Federal Probe.

The allegation that his wife is being held by the Italian Government as a hostage for him, and will not return to Italy and join the colors of the allies, was assigned in Naturalization Court as a reason by Constantino Buono, of Norristown, why he has been separated from his wife since 1913.

Buono contended that if he were naturalized he could get his wife, as by that act she would also become a citizen of the United States and could no longer be detained by his native government.

Naturalization papers were refused Buono until the Federal Government has an opportunity to investigate his story.

Heacock has won the Democratic nomination for Congress over Diefenderfer by 45 votes. Diefenderfer's majority in Montgomery County was 426, while Heacock's majority in Bucks County was 471. The vote in Montgomery County was: Diefenderfer, 1889; Heacock, 1383.

**COMFORTING WORDS**

Many a Conshohocken Household Will Find Them So.

To have the gains and aches of a bad back removed—to be entirely free from annoying, dangerous urinary disorders, is enough to make any kidney sufferer grateful. The following advice of one who has suffered will prove comforting words to hundreds of Conshohocken readers.

Mrs. Sarah Buler, 645 Apple Street, West Conshohocken, gave the following statement in June, 1912. She said: "I suffered from an attack of kidney complaint. The symptoms were severe and I had frequent dizzy spells and pains in my head. The kidney secretions were unnatural and I felt run down and weak. I rarely felt like myself, was listless and anemic. I used several boxes of Doan's Kidney Pills and they gave me relief. It was due to this medicine that I recovered my health and I shall always give Doan's Kidney Pills my strong and grateful praise."

**NO TROUBLE SINCE**

On November 16, 1915, Mrs. Buler said: "I have not had occasion to use Doan's Kidney Pills for quite a long while, but I still think highly of them."

**SPEAKER AMBLER MAY GET STATE JOB**

Defeated Candidate Mentioned for Appointment to Post of Insurance Commissioner.

Governor Brumbaugh, according to advices received from Harrisburg may appoint Charles A. Ambler, defeated candidate for the nomination for Auditor General, to fill the post of Insurance Commissioner, made vacant by the resignation of Charles Johnson. Mr. Ambler was Speaker of the last State House and with the backing of the Vares-Brumbaugh forces opposed Senator Snyder, the Penrose choice, in the recent primaries.

Mr. Johnson's resignation created one of the primary campaign sensations. As a Penrose leader, he left his office, he said, because he could not tolerate the alleged political methods of the Governor's advisers, including the Attorney General. Should Mr. Ambler be named as his successor, Montgomery county would be again recognized, as both Johnson and Ambler are leaders in this district.

Now that the primaries are over, politicians anticipate that the Governor will select the Insurance Commissioner and make necessary appointments at an early date. Among the vacancies to be filled are those of State Fire Marshal, caused by the resignation of Joseph L. Baldwin to become Assistant Director of the Department of Public Works; Highway Commissioner, caused by the death of Robert J. Cunningham, and Judge of the Philadelphia Common Pleas Court, caused by the death of Judge Briston John Monaghan, of the Public Service Commission, according to the general political expectation, will receive the judgeship, and it is presumed that friends of the Vares will be named for the other places.

BASE BALL

Tomorrow afternoon, the Lee team will journey to Norristown and cross bats with the Norristown team in a Schuylkill Valley League game.

The game promises to be a most interesting one as both teams have lost the only game they have played in the league schedule and as each is particularly anxious to gain an advantage over the other the strongest lineups will be placed on the field.

Much interest has been shown by the local base ball public in the new team and a large crowd will go from here to witness the game.

Manager Pope expects to have the strongest team he has had this year in to-morrow's game as Gillespie, who has not played this season, will be seen in left garden. Rube Jack, who has been doing such grand work for the locals, will do the twirling for the locals with Hennings on the receiving end.

Paddy Magee, who pitched for the old Conshohocken team when Eddie Plank and Chief Bender, were in the knec-pants league, has been signed by Manager Pope and will be on hand tomorrow. If Paddy can do the come back and be as good as he was when he pitched in ye olden times, the local team will have one of the most reliable hurlers in the county.

Secretary Hyde has booked an attraction for an exhibition game to be played on the grounds of the Subway team, Eleventh avenue and Wells street, on Saturday afternoon, June 4th, the like of which will hardly be seen here all season. The team to play here is the Westinghouse Electric Company's team. This team is a member of the Industrial League and is one of the strongest in Philadelphia. The secretary experienced considerable difficulty in landing this game but felt confident that the local team will be able to make a creditable showing against such a worthy opponent.

The Sherwood team will have as its opponents next Sunday afternoon, at the North Lane grounds, the strong team of St. Joseph's Literary Athletic Association, of Philadelphia. The visitors have a good reputation as a strong team and an exciting game is promised.

In the league contest tomorrow afternoon St. Gertrude's will play the St. Augustine's team, of Philadelphia, on the grounds of the latter. The West Siders are tied for first place with Rebel Hill and hope to take the Bridgeporters into camp. The regular lineup will be played. McCarrick will probably do the pitching.

A game of base ball that is creating considerable interest in the opening contest of a series of three games to be played between the Subway, of this borough and St. Gertrude's of West Conshohocken. The series has been arranged to determine the championship of the two boroughs and both teams will use their best players in an effort to lay out claim to the honor. The West Side boys won the toss for the first game and the series will be started on Sunday afternoon on the School Hill in West Conshohocken. The Subway will cross the river with a large crowd of rooters who promise to give their favorite all the encouragement that is possible through cheering.

OFFICIAL COUNT OF ELECTION RETURNS

Count Did Not Change Any of the Results From the Early Returns

BIG LEAD FOR PENROSE

The official count of the primary vote of Montgomery county of the Republican, Democratic and Washington parties has been completed and the official count does not make any change in the results as announced from the early returns published.

The Penrose ticket had a big lead over the Brumbaugh-Vare ticket in the Republican fight. The Democratic vote polled was a very tight one and the Washington party has dwindled from first place to a bad "also ran."

The following is the complete vote:

Table with columns for Party (Republican, Democrat, etc.), Candidate Name, and Vote Count. Includes sections for President, United States Senator, State Treasurer, Auditor General, and various Congress and Assembly members.

Facts Versus Fallacies

FACT is a real state of things. FALLACY is an apparently genuine but really illogical statement or argument.

SO OFTEN has the FALLACY been exploited that "Drink causes nine-tenths of the Poverty," that the exhibition recently given in Philadelphia by the Society for Organizing Charity was illuminating.

IT WAS shown that of the 10,488 destitute families visited last year by this most excellent organization that but 1172 traced their poverty directly to the abuse of liquor.

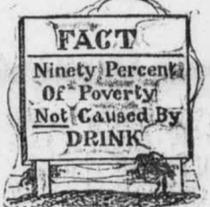

IN OTHER words, a trifle over ten per cent. of the destitute traced their plight to alcoholic excess. About ninety per cent. of the poverty in Philadelphia—a city of almost a million and three-quarters—came from causes in which the abuse of drink had no part.

POSSIBLY no body of men and women are so well equipped to study certain phases of sociological conditions as the Society for Organizing Charity. The very nature of their work demands searching inquiry into the Cause that brought about the Effect. And in a year's painstaking and unselfish effort they visited last year 10,488 poverty-stricken families, and found that only about one-tenth of the cases of destitution were traceable to an intemperate use of liquor.

COMING from so authoritative a source as the Society for Organizing Charity, the figures as furnished by them have additional and conclusive weight. Not only is the phrase that "Drink causes nine-tenths of the Poverty" proven to be a FALLACY, but the FACTS show that about only one-tenth of the cases of Poverty are due to the abuse of alcoholic beverages—and that nearly 90 out of a 100 cases are due to other causes!
