

WEST SIDE NOTES

Raymond Earl is confined to his home on Cedar avenue by illness. Mrs. Peter Duff, of Ford street, has been admitted to Bryn Mawr hospital for surgical treatment.

STRICKEN AT DRAFT BOARD

Robert Gallagher, of Apple street, West Conshohocken, is a patient at Bryn Mawr hospital, undergoing medical treatment. Gallagher appeared at the headquarters of the local Draft Board in Norristown a few days ago in answer to a summons for physical examination.

Low Water Supply Due to Burst in Main

The decreased supply in the water which has imperiled lives and homes in West Conshohocken for several weeks past, has been located and workmen are now engaged in remedying the evil.

GAS BLAST BURNS FATAL TO WOMAN

Mrs. Richard Marsh, thirty-eight years old, was so badly burned at her home in Bridgeport by an explosion of illuminating gas that she died within a short time in the Norristown Hospital.

SWEATERS FOR THE DRAFTSMEN

Information has been received at the headquarters of the West Conshohocken Branch of the American Red Cross that about fifty young men from this vicinity will be called to go to Camp Meade in the contingent that will leave from the Third Montgomery District about February 23.

PRESBYTERIAN CHURCH

The pastor will preach at the Sabbath 10:30 A. M. service. Theme: Jesus and war. Sabbath School and Men's Class at 9:15 A. M. Y. P. S. C. E. prayer meeting at 6:45 P. M. Theme: "What my church is doing". Needlework Club meets at the home of Mrs. J. S. Moser 110 West 3rd avenue Tuesday afternoon.

W. F. Miller

W. F. Miller, father of Mrs. Eugene Ansin, of the "Hermiston", in Lower Merion township just outside the borough limits of West Conshohocken, died at the home of his daughter yesterday morning following a protracted illness.

GULF MILLS

Michael Kaumiaz, of Swedeland, has been admitted to Charity Hospital, Norristown, as a surgical patient. Frank Hughes, residing at Martin's Dam near King of Prussia, is seriously ill with an attack of pneumonia.

The monthly meeting of the Ladies' Aid Society of the Gulf Christian Church will be held on Thursday afternoon next at the residence of Mrs. Frank V. Rinehart, Mechanicsville, at 2:30 o'clock.

The schools of the Upper Merion District were in session as usual on Lincoln's birthday, Tuesday. Although the birthday of the great emancipator was not given an observance in this manner, the teachers and pupils at each place of learning did not forget to reflect on the illustrious Lincoln, and did honor to his memory by devoting a part of the day to exercises bearing on his words, deeds and achievements.

The members of the knitting class of the Gulf Mills Branch of the Red Cross are hard at work making preparations for the Parcel Post Social which they will hold at the residence of Mrs. John O'Neill, Gulf Mills, on the evening of Washington's birthday.

The members of the class are soliciting contributions for the event in the shape of parcels containing various articles, and these will be offered for sale. The class invites a generous response to the object, which is surely a thoughtful and praiseworthy one.

THEATRES

Gem Theatre.

"The Fall of a Nation" the great picture lesson of unpreparedness which aroused this nation before our entrance into the war will be shown at the Gem theatre tomorrow.

This great picture is one of many which the Gem management has arranged to present here. Its program of presentations includes many of the great pictures which have gained public approval in the country's largest theatres.

OPERA HOUSE

"Vengeance and The Woman" a story of a woman's peril and a man's loyal fight for her in the face of overwhelming odds, is another great production of the Vitagraph Company, with William Duncan, the Sandoz of the screen, and Carol Holloway, fearless and beautiful, in the leading roles.

BILL KEENAN STILL HOLDS CAGE RECORD

Despatches from Scranton tell of 42 field goals being scored in a basketball game of 40 minutes by Carroll Jamison, playing for the Lynchburg A. C. against the Bridgewater College team, near Syracuse. It was considered a record, but does not compare with the work of Bill Keenan.

POOL CHAMPION TO BE HERE Ralph Greenleaf, champion pool player of the world and who is giving exhibitions in New York this week will appear at the Midway pool parlors, Thursday, Friday and Saturday of next week.

BASKET BALL

The High School basketball team will play a team composed of members of the faculty, in the high school gymnasium to-morrow night. A game is also being announced for the Second team.

Electric Weld GALVANIZED Range Boiler Do you know that nearly half the Range Boilers consumed in the entire country are made in Montgomery county? Russia has quit the war. The Russian people in their anxiety for liberty placed their trust in men who gave them over to the enemy outright.

The suit of Mrs. McFadden against the borough for injuries received by tripping over a water stop or meter exposed in a sidewalk will be a benefit to the whole community.

Austria is getting tired of the war and there are hints she wants to make a separate peace. Austria should remember the fate of the German strikers.

The Kaiser in a recent speech said: "The victory of German arms must be recognized." Victory will be recognized but the American people never proclaim a victor until he has knocked out his opponent.

The hogs who hogged things at Hog Island should be made to disgorge their illegal profits. Threats against such men are useless. They can understand and feel punishment.

The Matsonford Bridge.

The best assurance we have for the early start of construction on a new bridge to replace the old Matsonford bridge is the action of the County Commissioners in making an appropriation of \$267,000 for bridge purposes for this year.

The chief obstacles which have been placed in the way of this great public improvement have been overcome and the long promised, the long expected day for the beginning of actual construction work is believed to be close at hand.

The county has already spent a large sum of money for plans. The old bridge has been a source of great expense during the past few years and its days of usefulness have passed, and as the Commissioners are all in favor of a modern structure, it is improbable that they will attempt to cheapen the structure but will use the plans as prepared which call for a structure of great permanency and architectural beauty.

It would be a grave mistake and one costly to the taxpayers should any but a modern and lasting structure be erected. The County Commissioners realize this and the new bridge as planned is superior to that, originally planned and if work will begin this year, the delay of years will be compensated for.

The last doubt as to the bridge will be removed when bids are asked for and we have every reason to believe this time is very near.

Plant Gardens.

The necessity for raising more food next spring and summer has been only mildly brought home to the American people by the recent orders restricting the use of certain foods.

Last year, the farmers were asked to increase their plantings and city and townspeople were asked to plant gardens. Many organizations were formed and numerous war gardens were planted. The result was the country had the greatest food crop in its history.

This year the necessity for increased planting is greater than ever. The demands of war have decreased the food production of our Allies and consequently the burden of supplying food falls upon the American people.

The local School Board has joined the National Aid movement but it has not been decided whether an attempt will be made to interest the students in war gardens.

Nearly every home here has a good sized back yard and while many persons plant small gardens, it would be a patriotic movement to enlist every one having vacant ground to plant it. It is surprising the quantity of food a small patch of ground will produce if properly worked.

More gardens are needed this year than ever before. Those who have gardens should enlarge them this year and those who have left their ground idle should use it.

GOOD ADVICE TO BUSINESS MEN

O'NEIL SIDETRACKED BY PROHIBITIONISTS

State Ticket Suggested after "Success to You, J. Denny," is Tabled.

A resolution wishing "success" to J. Denny O'Neil, State Highway Commissioner, in his candidacy for the Republican nomination for Governor on a "dry" platform, after several speeches declaring it "highly inappropriate," was tabled at a State convention Wednesday of the Prohibition party.

Several others opposed the resolution which was presented by Elisha K. Kane of McKean County, said they favored O'Neil's candidacy.

The convention suggested this State ticket: Governor E. J. Fithian, Mercer; Lieutenant Governor, F. E. Whittles, Erie; Secretary of Internal Affairs, Charles L. Rummel, Cumberland; Congress-at-Large, E. H. Kane, McKean; Albert Gaddis, Fayette; H. F. Dittman, Philadelphia, and E. L. McKee, Allegheny.

Assurances were demanded and given that candidates named were ready to withdraw for the substitution of other candidates after the primaries.

The convention opened with the annual address of State Chairman B. E. Prugh, and closed with addresses outlining the aims of the new national party, by John Spargo, former Socialist, and Allen McCurdy, former Progressive both of New York.

The convention re-elected delegates to its last national convention in Chicago March 5, when the Prohibition party will vote on amalgamation with the new party.

DEMOCRACY WORTH ALL

Muhlenberg President So Avers at Ursinus Celebration.

At Founder's Day exercises at Ursinus College Thursday Dr. Haas, president of Muhlenberg College, presented the development of thought in Germany, and compared the political philosophy of Germany and America.

Dr. George Leslie Omwake, president of Ursinus, declared the ideals fought for in the war are the same as those striven for and attained by college founders—protests against tyranny.

Ursinus students have been 100 per cent periodic supporting Y. M. C. A., Red Cross and Food Administration movements, yet keeping up with studies.

Since September \$20,000 has been added to the endowment fund, which has passed the quarter-million mark.

BOASTS BAITING WILSON

"It would be a crime for another Presidential election to go over without the women voting," declared Miss Mary Windsor, of Havertown, before an audience in the Y. M. C. A. Building in Norristown yesterday.

"We beat the United States Government with the hunger strike," said Miss Windsor. "They let the suffragists out in bunches after this, without explanation, and we also accomplished much by prevailing upon President Wilson to get behind Congress and put through the suffrage bill."

"Will there be any more picketing?" Miss Windsor was asked, and she replied: "That all depends. The prospects at present are very good for the passage of the suffrage bill; but if the conditions change we may have to resort to something extraordinary."
