## Child's death spurs adult crossing guard request

WILLIAM, TELL THE PEOPLE HOW TO SHOOT!

Arrows whiz through the air and find their mark, in the Elementary School Gym every Thursday evening, as members of the Archery Class meet to practice under the direction of John Henry Hershey. Shown from left to right are (kneeling) Sherry Beall, Samuel Seaber, Tom McKinney, Tom Heagy, Randy Weit, Paul Roos, Jon Olesko-

### 53 crashes occurred during '57

Reckless driving blamed for 12; damages totaled \$15,484

Reckless driving was the chief cause of automobile accidents which occurred within the borough limits during 1957, Chief of Police Lloyd Hoffman, announced yesterday.

During the past year a total of 53 automobile accidents occurred within the borough, causing damage estimated at \$15,484.

In these accidents a total of 15 persons suffered injuries, three of whom required hospitalization. A total of 24 drivers who figured in accidents were prosecuted by borough police.

Reckless driving was blamed for a total of 12 of the 53 accidents and collisions. Other causes for local accidents were: Driving through stop signs, 1; traffic light violation, 1; failure to yield right of way, 3; driving too fast for conditions, 2; violating restricted licenses, 1; hit and run, 2; driving during suspension, 1; and permitting violation, 1.

During the year 1957 borough police made a total of 271 arrests for motor code violation. These included three driving while intoxicated, two hit and run and four who drove during periods of suspension.

Other arrests made by borough police included 23 charged with disorderly conduct and 23 juveniles petitioned into county juvenile court. Local juveniles face charges ranging from larceny and robbery to three auto thefts and one morals case.

### PO handle for '57 was \$403,437

Total business at the Lititz Post Office reached \$403,437.27 during 1957, according to figures released this week by acting Postmaster Raymond S. Reedy.

Over half of that amount was in the sale of money orders. Reedy said 17,161 money orders were sent from the local office for a total handle of \$249,709.27.

A sixty per cent increase in the sale of stamps and meter sales was noted over the previous year. Stamp and meter sales in 1957 totaled \$159,728.00 while in 1956 the stamp and meter sale was \$90,475.00 or \$69,475.00 less than 1957.

By comparison the same sales totaled \$77,527.00 in 1955 and in the ten years from 1947 to 1957 the stamp and meter sales were about tripled. The 1947 total was \$51,533.00.

### Local Scouts Will Attend District Rally

Boy Scout Troop 42 with their Scoutmaster, Wayne Braum will attend the Eastern District Rally to be held in the War Memorial Building at Leola this evening. The boys recently camped out over night, the temperature registered 3 degrees above zero at the camp site, their bananas and eggs froze solid. They have another hike planned for Sunday.

AND MAKE THAT A DOUBLE ORDER

Wilbur Miller (seated) president of the Lititz Lions Club anticipates the tasty meal of sausage and pancakes which the Pancake Committee Chairman Harold Zander serves him. The photo was a plug for the Lions Club's annual Pancake Breakfast from 6 a.m. until 6 p.m. at the firehouse this Saturday.

### New traffic light 'amber' confusing to motorists

The new traffic lights at Broad and Lincoln Avenue went into use, on a part-time basis, early this week—and immediately became somewhat of a controversial subject among residents of the neighborhood.

The lights at present are being operated only during the peak traffic periods and remain blinking in amber on Broad Street and red on Lincoln Avenue during the remainder of the day and night.

According to Borough Manager Dave Bauer the lights are being operated as specified by the State Highway Department and actually control traffic only from 7 a.m. to 8:30 a.m.; 11:30 a.m. to 1 p.m.; and from 4 p.m. to 5:30 p.m.

Borough police, motorists and residents of the section, the last being those who had petitioned council for the lights, seemed in agreement that since the investment has been made, the lights should be operated throughout the day. Chief of Police Lloyd Hoffman expressed himself in accord with this thinking.

Another complaint registered is that the amber light is not the same as the amber in other lights used in the borough. This is thought particularly due to the fact that sun shields for the lights did not arrive with the other equipment.

"I have found that the amber color tends to stop or slow down traffic rather than proceed and this prevents rather than cause any accidents," Mr. Bauer explained. "When the shields arrive and are installed, this may make a difference."

When the late afternoon sun strikes the lights, the situation becomes worse, borough police explained.

Sweep Up Stones  
Stone placed on local streets to prevent skidding during ice and snow storms, were being removed yesterday. After the streets become clear of ice or snow the stones prove dangerous to both cars and pedestrians, local police reported.

### Planners ask funds for zone survey

In an effort to speed up work on a zoning ordinance for the borough, the Planning Commission requested an origin, destination and parking survey be made by the State Highways Department, at a cost of \$15,000 at a meeting held Tuesday evening.

The borough will pay \$500 of this cost, with the Federal contribution totaling \$14,500, if the proposal is approved by borough council at its next meeting.

The Planning Commission agenda calls for a Public Hearing of a Zoning Ordinance in November 1958, with the idea of its adoption by early 1959.

President D. Curtis Amidon said: "With the possibility of Main Street being rebuilt, it is imperative that this survey be made as soon as possible." The

(Continued on Page 7)

### To ask support for hiring of women

A move for women crossing guards in the Warwick Union area was spurred this week following the automobile death of a kindergarten child several hours before a PTA meeting on safety last Thursday.

Leading the move was the PTA, backed by borough and school officials and Chief of Police Lloyd Hoffman.

Speeding up the action was the death of Barbara Loose, five, daughter of Mr. and Mrs. Charles Loose, Rothsville, who was crushed beneath the dual wheels of an oil truck.

She ran against the truck enroute home from classes at the Rothsville Elementary School kindergarten last Thursday afternoon and was killed instantly.

Share Cost  
Members of the Lions Club, ABC, Jaycees and Rotary will be asked to consider paying a share of the cost of hiring women crossing guards. The women would work only during the time children are enroute to or going home from school.

The first definite action was taken by the local chapter of the A.B.C. Tuesday evening when directors went on record as endorsing the plan "to engage women to assist at busy crossings in directing traffic for the protection of school children."

The school board will also be asked to share in the cost as will borough council.

It is estimated three crossing guards are needed to escort children across especially dangerous stretches of road, both in the township and in the borough.

News of the child's death hit especially hard at parents attending the Warwick Union Elementary School PTA meeting Thursday night.

The topic for the meeting was "Safety for Your Child."

Warwick supervisors fear they cannot legally pay women to direct traffic but would have to seek volunteers instead of paying an hourly wage.

The child was killed about 4 p. m. and police said she ran from behind an eastbound auto, against the truck going west.

And, probably in the mind of little Barbara the picture stories from the Official Safety Manual she studied in kindergarten flashed as a warning to obey the safety rules.

"Walk to the left of the road, facing traffic, don't walk between parked cars, be alert, never take a ride from a stranger" and then for just a few seconds her little mind wandered to thoughts of play

### Re-enlists In Wac's

Cpl. Betty J. Miller, Rothsville, has reenlisted for a three year hitch in the Women's Army Corps it was announced this week by Sgt. Robert D. Browne, of the U. S. Army Recruiting Station, Lancaster.

Cpl. Miller, a veteran of two years service, is now stationed in Heidelberg, Germany. She had her choice of being assigned to a desired station and chose the European assignment.

She formerly attended Lititz High School and resided with Mr. and Mrs. Morgan Shoemaker, Rothsville.

### Scouts hold derby, make star awards

A Pine Wood Derby was held by Cub Scouts, Troop 44 on Friday evening at St. Paul's Lutheran Church. The boys carved racers out of pine boards and tried them on an improvised run-way. Herber Clausen was the grand champion. William E. White, chairman of the committee, was in charge of arrangements.

Harold Horn, Cubmaster made the following awards: Den one, Barry E. Kreider and Patrick Maharg, bobcat; Michael E. Pinkerton, one year service star.

Den three, Robert Good Jr. wolf badge, denner stripe and one year service star; Fred Horn, assistant denner stripe; Joseph Carl Adams, one year service star; Lowell Bingeman Jr., two year service star.

Den four, Brian Shenk, bobcat; David Brumbaugh, wolf badge, gold arrow for wolf one year service star; Herber Clausen, and Douglas Reitz two year service stars; Den five, James Reed, assistant denner stripe and one year service star.

The annual anniversary dinner will be held by the Cub on Friday, February 14th, in the basement of St. Paul Lutheran Church.

### Dimes drive workers are named here

Mrs. M. C. Demmy, in charge of the Mothers March on Polio, has announced the workers for the drive and also that the collection will be taken at the Lititz Theater on February 7th and 8th with Glenn B. Knight in charge.

The captains include, Mrs. Barton Sharp, Mrs. Alfred Duple, Mrs. Paul Doster, Mrs. Elser Gerhart, Mrs. Horace Bleacher, Mrs. Donald Ross, Mrs. Burton Musser, Robert Reidenbaugh, Robert Pfautz, Mrs. Charles Wagaman, Mrs. Glen Knight and Mrs. Charles Gundrum.

The workers are, Mrs. George Forry, Mrs. Robert Snyder, Harriet Landis, Lucinda Weller, Susie Risser, Susie Hossler, Carlton Walls, Mrs. John Steffy, Mrs. Raymond Pettysjohn, Miss Joan Shavely, Mrs. Harry Landis, Sandra Hyle, Susie Way, Christiana

(Continued on Page 7)

### Farmers b'nk re-elects Henry Gibbel

Henry B. Gibbel was re-elected president of the Farmers National Bank at the annual election held Monday morning. The election also featured the announcement of officers and personnel for the new branch bank at the Lititz Pike shopping center to be opened to the public February 13.

Local stockholders and customers of the Farmers Bank will be invited to attend a preview of the new branch bank on Saturday, February 8, directors of the bank also announced.

Other officers named Tuesday are as follows: Paul Bomberger, vice president, cashier and secretary; Alfred L. Duple, vice president, assistant cashier and trust officer; James M. Mummert, assistant cashier; Robert H. Wonder, assistant trust officer.

Officers for the new branch bank will be Fred J. Hoover, manager, and Roy W. Diffenbach, credit manager. Two tellers to serve in the branch bank are Mrs. Emma Snyder and Mrs. Irvin Mohler, both of Lancaster.

**STRENGTH FOR THESE DAYS**  
from The Bible  
Come now, and let us reason together, saith the Lord: though your sins be as scarlet, they shall be as white as snow...—(Isaiah 1, 18.)  
No man should ever lose heart, hate himself for the wrong things he has done—for God, Our Father, is ever merciful to forgive His truly repentant children, and to give them a new, clean chance to begin again.

### Pupils bring lunch to protest prices

A protest against a raise in prices of a la carte items at the High School cafeteria resulted in a student protest "bring your own lunch" campaign last Thursday.

This week, it was reported, students will continue the protest by bringing lunch today and Friday.

School officials said they were unimpressed by the protest and felt the local students were

"just trying to out-Hempfield Hempfield and it back-fired."

Two weeks ago Hempfield students "struck" against a meal of powdered scrambled eggs. Warwick does not serve powdered scrambled eggs, but used them in cooking other dishes.

Principal G. Marlin Spaid said last week's action didn't show any appreciable drop in articles served in the cafeteria. He said the school had no objection to students bringing lunch, since it was up to them whether they wanted to carry lunch or avail themselves of the hot lunch program.

A hot lunch costs 30 cents a day. A la carte items were raised recently, Spaid said, but the prices are still below downtown restaurant prices.

The price hike, he said, was a matter of economics since the school had been selling a la carte items at below cost.

Three injured in collision  
Three girls all employees of Bedford Shoe Company, were injured when two automobiles collided along the extension of Orange Street west of the borough near the Pfautz development shortly after noon yesterday.

Suffering a possible fracture of the left leg, Barbara Steffy, of Hopeland, was admitted to the Lancaster General Hospital after being conveyed in the Warwick Community ambulance.

Others treated and discharged are Gollie Hubbard Chittwood, of 27 Eby St., Manheim, who sustained cuts of the right eye and cuts and bruises of the right leg; and Joyce Stark, of 150 Washington Ave., Manheim, bruises and lacerations of the ankles.

Following the collision, one of the two machines side-swiped a telephone pole and struck a culvert. Damage was estimated at \$600. State Trooper Springer, of the Lancaster sub-station, is investigating.

### Bomberger Heads Community Chest

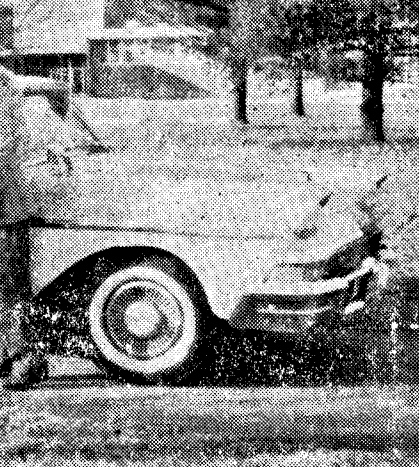

Elmer H. Bomberger, 217 S. Broad St., was elected president of the Lititz Community Chest this week.

Other officers are M. C. Demmy, first vice-president; Herb Kravbill, second vice-president; Anna H. Kreider, secretary; Mrs. Lucretia Shelly, treasurer, and Mrs. Mildred Melskey, nurse.

Plans for the coming year were discussed by the group.

ELSTONVILLE SPORTSMEN; TO HOLD ELECTION  
The Elstonville Sportsmen's Association will hold its annual election of officers on Sunday, January 26, at 2 p.m. in the club house. All members are invited to attend.

PRESENTS NEW DRIVER-TRAINING CAR

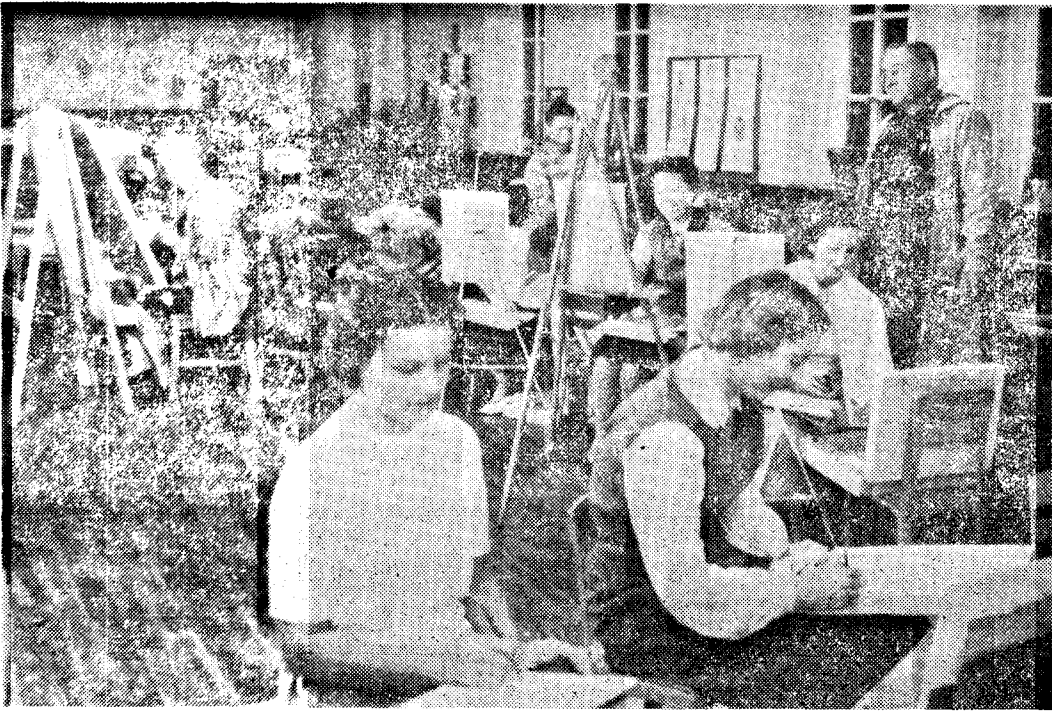

Jonathan Forry, manager of Keller Bros. in Spaid, looking on as driver education instructor George Malo, car was donated by Keller Bros. to the school program.

# Your Recreation Center Presents Varied Activities On A Year-Round Basis!

ART CLASSES FOR ALL AGES

One of the most popular—and most rewarding for that matter—activities of the Center program is that of presenting art instruction. Those enrolled include persons of every age bracket. The classes are taught by Francis X. Carlson, one of the state's outstanding artists.

TEEN-AGE DANCES ARE POPULAR

When teen-age dances are scheduled, you can count on the Center being filled to capacity. It's all good, clean fun—and well supervised to insure the youngsters of a mighty good time! And it doesn't seem to make much difference whether the music is provided by an orchestra or recordings—fellowship seems to be the important thing.

THE POTTERY CLASSES

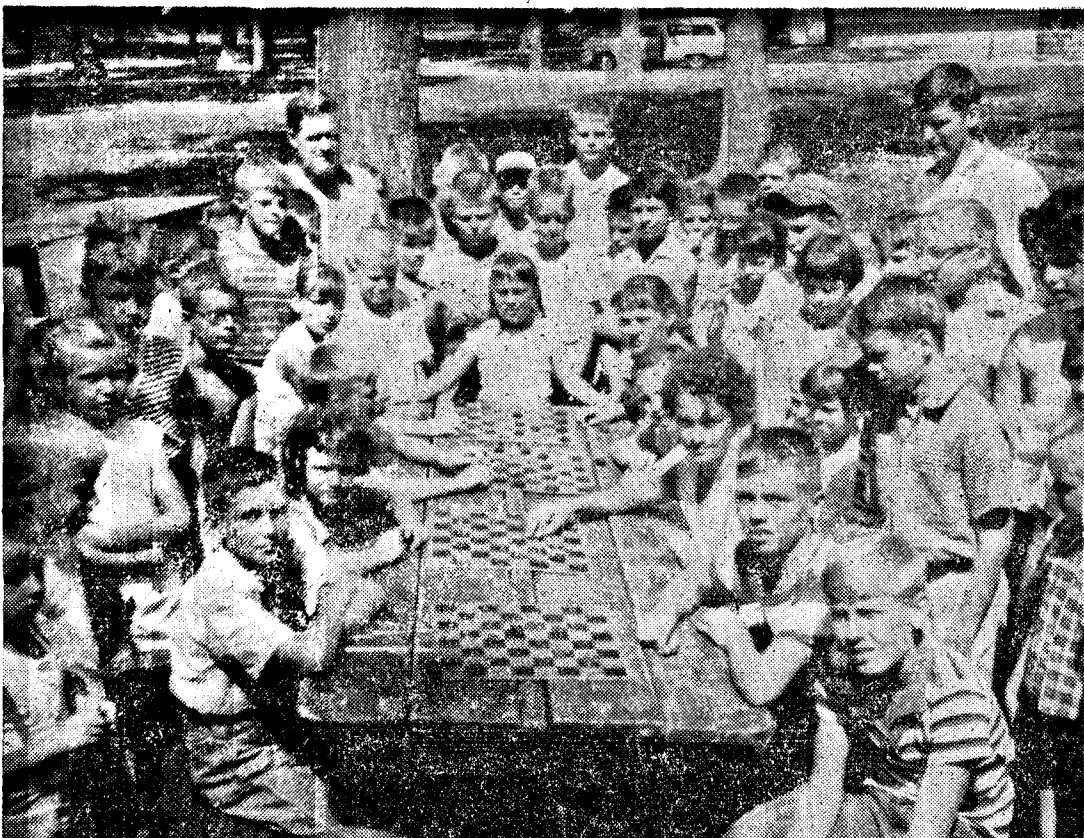

Classes in pottery work opened up a new world of artistic endeavor when presented for the first time this year as a part of the Center program. The success of these

classes assure them a permanent place on the recreational program. Richard Fleckenstein is the instructor.

## Center Activities

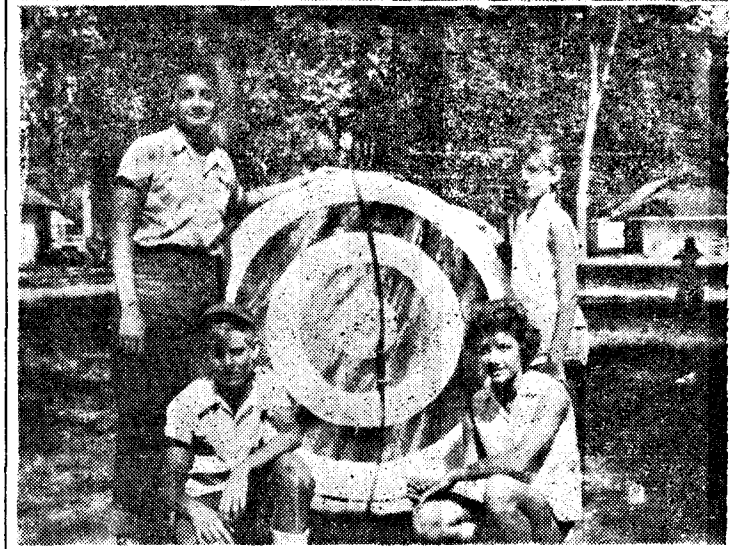

The Recreation Center Appeals to Persons of All Ages Its program is an important community-wide endeavor—as you can see by reading over the following activities presented during 1957:

CHECKERS. ALWAYS ARE POPULAR

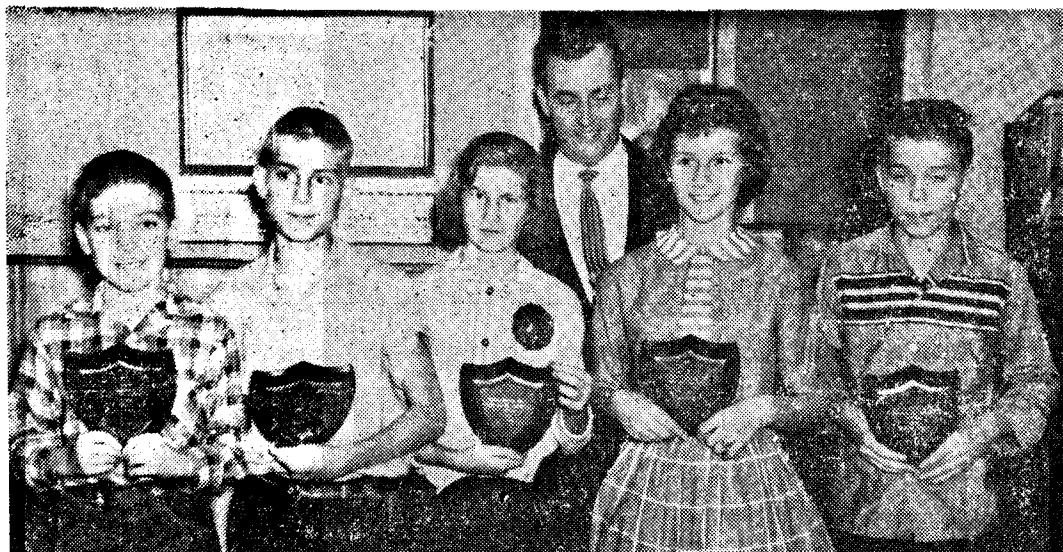

Checker tournaments are and probably always will be one of the most popular of the many competitions presented for the teen-agers. The photo above was snapped as the final round in the summer tournament was being played in the park last summer.

THE COMPETITION IS KEEN

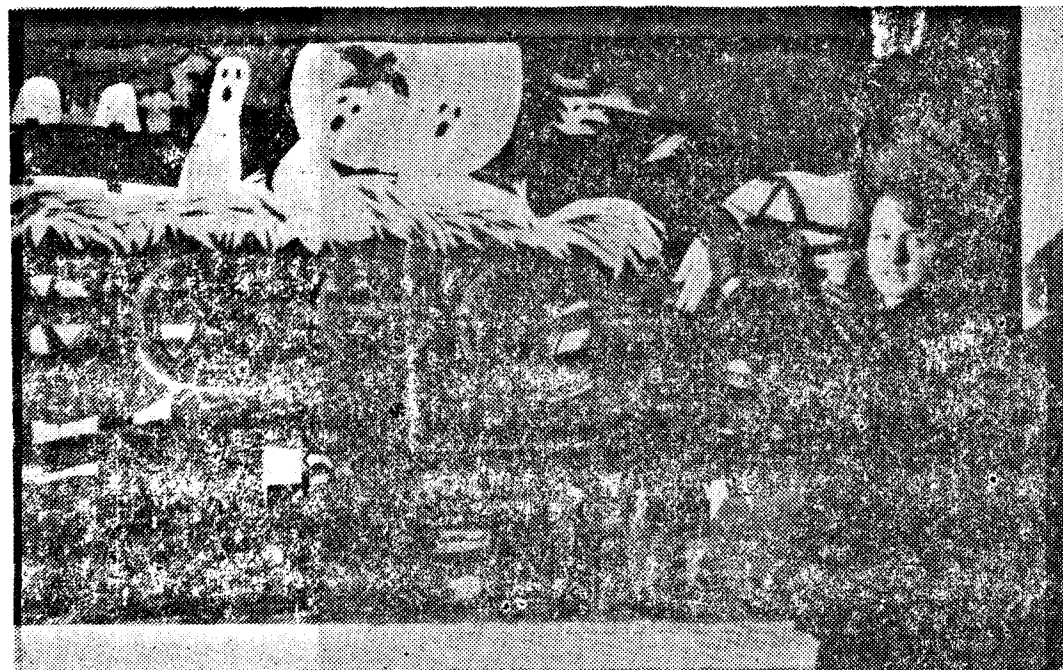

All playgrounds of the area compete each summer. Above are seen the outstanding ladies who represented the various groups in the Warwick Union district. In the lower photo are the winners at the archery contest, one of the most popular activities.

ACCOMPLISHMENTS ARE REWARDED

Plaques are one form of award presented local youngsters for accomplishments attained by taking part in the recreational program.

WINDOW-TRIMMERS AT WORK

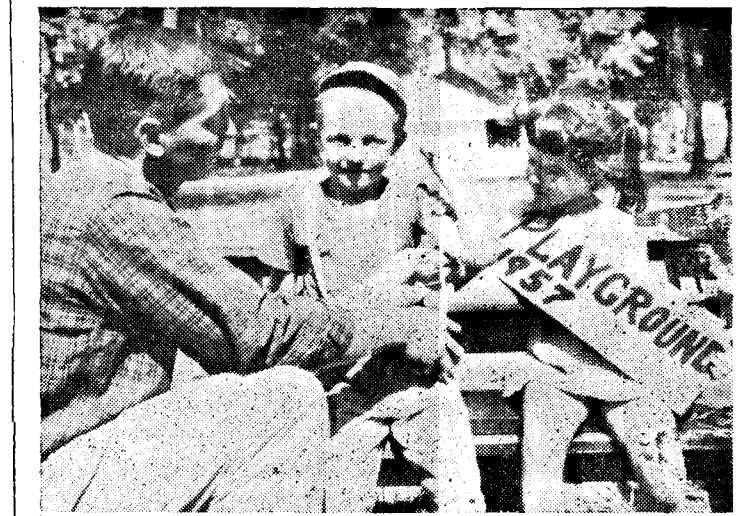

Painting store windows at Halloween was a Center activity which attracted much attention and which brought forth many compliments for the young artists pictured above.

## WARWICK HIGHLIGHTS

As Edited by Barry Kauffman

### DATES OF JUNIOR PLAY CHANGED

The Junior Class has announced a new set of dates for their annual class play. The new dates are March 28 and 29, one week later than originally scheduled.

The change was made because of a conflict in dates with the Lancaster County Chorus Festival, in which several of the jurors may perform.

At the present the class members are preparing to make a final decision on the choice of a play. They have narrowed the possibilities to ten.

It is hoped that by the first week in February, tryouts can be held. Mary Bear is the faculty director of the play.

### Local Drivers In Pair Of Crashes

Lititz area drivers were involved in accidents investigated by police during Thursday's hazardous driving conditions last week.

A car driven by Miss Dollie Dawn Garber, nineteen, 101 E. Second Ave., skidded into a car parked along the Lititz Pike in front of the Brecht School at 7:45 a.m. Manheim Twp. police said the parked car, owned by Mrs. Dorothy E. Smith, 316 E. Roseville Rd., had skidded into a curb a few minutes later.

Two drivers escaped injury when a car and truck collided head-on on a slippery curve near Schaum's Corner at 9 a.m. The car was driven by Harry L. Wolpert Jr., Lititz R1, and the truck by Clarence R. Weaver, Lititz R1.

There is no closed season on mountain lions in New Mexico.

### STUDENTS SEE SPECIAL TELEVISION SCIENCE FILM

Last week the students of Warwick High were given the chance to see a special television science film, "Our Mr. Sun." The film was first shown to the science club members last Thursday.

Then when many others expressed their desires to see this very practical and interesting film, a special showing was arranged for Friday, after school hours. About 25 attended.

Henry Hackman, the science instructor is hoping to show this film in an assembly program some time in the near future.

### NEWS BRIEFS

With the completion of mid term exams, which were held on Monday, Tuesday, and Wednesday, the students opened their second semester of work. Cards will be sent home next week.

On Tuesday, January 14, the students of both the Junior and Senior Highs were entertained at an assembly, by the showing of a film, entitled "Historical Southland."

### Warner-Lambert Announces New Market Division

MORRIS PLAINS, N. J. — The formation of a major new marketing division of Warner-Lambert Pharmaceutical Company was announced today by Alfred E. Driscoll, president of the firm.

To be known as the Family Products Division, the new unit will consolidate all phases of the marketing operations of Warner-Lambert's major proprietary drug, cosmetic, and toiletry lines. These include such well-known and widely-advertised brand names as Listerine, Bromo-Seltzer, Super Anahist, Richard Hudnut, DuBarry and Sportsman.

To head the new division, Mr. Driscoll has designated J. S. (Jack) Hewitt as president. Mr. Hewitt has been president of the Anahist Company, a unit of Warner-Lambert.

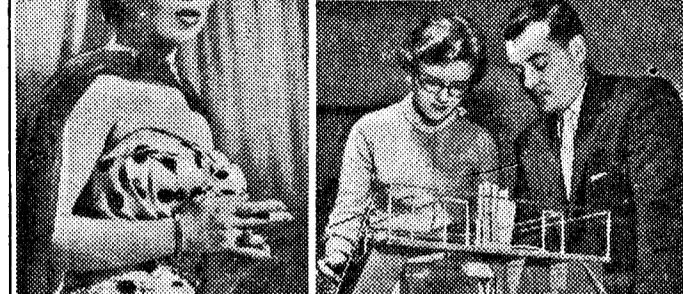

In making the announcement of this move in Warner-Lambert's marketing operations, Mr. Driscoll explained that the Family Products Division represents a consolidation of several heretofore separately-operated divisions of Warner-Lambert. He noted that in the last three years the company had undergone a series of mergers, starting with the merger between Warner-Hudnut and the Lambert Pharmaceutical Company in May, 1955, followed by that with the Emerson Drug Company later the same year, and in 1957, with the Nepera Chemical Company. The consolidation, therefore, is designed to obtain maximum benefit from these mergers.

## People, Spots In The News

**PUMPKIN'S** a mere peanut to Yuba, touring circus hippo that stopped in a West Berlin zoo for a shower and a snack.

**POOL-TYPE** training reactor designed by Nuclear Products-Erco division of ACF Industries for use in engineering schools is studied, in model form, by girl student and technician.

**COMEBACK.** Shirley Temple, one of greatest child actresses, back before cameras as TV series narrator.

**NIBBLING** thermometers before traditional ice cream orgy of tonsillectomy patients are "all five" children, ranging from 9 to 3, of the James Durhams of Lincoln Park, Mich.

### Hopeland News

Correspondent  
Miss June Uhler

Mrs. Mary Christ visited her sister Mrs. Walter Hess in Manheim last Thursday.

Mr. Harry McCloud from Lititz visited Mr. and Mrs. Edwin Wertsch last Friday.

Mr. and Mrs. Harry Wertsch of Lititz and Mr. and Mrs. Edwin Wertsch journeyed to Elizabethtown last Saturday to visit Mrs. Ada Boyer.

Visiting at the home of Mr. and Mrs. William Habecker and Mrs. Lizzie Reich last weekend were Mr. and Mrs. Kenneth Buch and son of Ephrata; Mr. and Mrs. George Felpel of Ephrata, Route, a son and a grand-daughter; and Mr. and Mrs. Valentine Reich and family of New Providence.

Mr. and Mrs. Perry Hackman from Clay visited Mr. and Mrs. Henry Hackman last weekend.

Visiting in the home of Mr. and Mrs. Robert Bink last Sunday were Mr. and Mrs. William Ulrich of Lititz, and Mr. and Mrs. Harry Shrimp of Clay.

Visitors at the home of Mr. and Mrs. Alfred Corl and Mr. and Mrs. Alfred Corl and Mr. and Mrs. Richard Messner and son, all from Ephrata, and Mr. and Mrs. Glenna Knox from Lancaster.

The Mt. Airy Fire Company was summoned to extinguish a local field fire last Saturday, which was ignited by a stray piece of burning paper from a local incinerator.

Ten year old Donald Buffenmyer is a patient in the Ephrata Hospital.

Miss Mildred Enck was returned to her home from the Lancaster Osteopathic Hospital, but has to return again in the near future.

Mrs. Harry Ulrich entered the General Hospital in Lancaster last Sunday and underwent surgery on Tuesday.

On Sunday morning, January 26th at 9:00 a.m. Mr. Lester Brubaker, a member of the Gideon (Bible Society), will be the guest speaker at the S.S. session in the E.U.B. Church.

### THOUGHT FOR THE WEEK

A Good name is rather to be chosen than great riches, and loving rather than a silver and gold.

Proverbs 22:1

#### Protecting School Children

The school safety patrols have done an outstanding job in seeking to protect the lives of boys and girls going to and from school. Yet, accidents do happen—and there is nothing more shocking than the thought of a small child being killed by a heavy truck.

We wish we could say something which might console the parents of the little girl killed last week in Rothsville. Just as we would like to say something which might comfort the truck driver who seemingly was in no way to blame. For that matter, who among us has not shuddered, while driving, at the thought that some child might be injured by the car we drive?

Ironically last week's fatality occurred only a few hours before a scheduled meeting for the purpose of discussing additional means of safe-guarding school children. And from all indications this week, that fatality will spur on these efforts.

Here are a couple of statistics which we would like to aim at those high school boys who grumble and moan at the thought of continuing school until they graduate: High school graduates have a lifetime income of \$165,000, against \$116,000 for non-grads. In other words, each of those four years in high school should be worth just about \$12,250 a year to each and every one of them! For that kind of dough, we'd be willing to go back to high school for four years ourselves!

#### The Cafeteria Rebellion

When we study this uprising and protest over the food being dished out at the high school cafeteria (more protests are planned for this week) we wonder if these kids really appreciate the wonderful set-up they have, excellent facilities, well-balanced menus and everything possible to make them happy.

When we walked through the cafeteria this week, we wondered how under the sun such a protest could develop. Yet, just as amazing, to us, is the stand taken by some of the directors who threatened to expel any and all ring-leaders of the student protest. When the day arrives when each and every one of us is not allowed to protest the conditions about us, then the days of democracy will be numbered. And when school directors do not recognize the right of protest, then we doubt if democracy is being taught here.

Student protests happen on an average of once every other year. Most times they should not be taken too seriously and are merely a means of growing boys and girls to let off a bit of excess steam. And as far as we can see, that is about all this present outburst amounts to—unless taken too seriously!

For a change of pace, here's the most ridiculous quote-of-the-week: Senator McClellan (of the Senate Rackets Committee): "Can you tell us one good, decent thing your local is doing?" Don Vestal (president of Teamsters Local 327, Nashville, Tenn.): "I claim my constitutional rights . . ."

While great strides have been made in combating polio, there still is a very serious need for support, in order that this dreaded disease can be wiped out completely. Complete victory is in sight—so let's not let down at this crucial point. Support the March of Dimes!

On another page in this issue, you will find a full page pictorial account of the many, many activities presented here during the past year by the Lititz Recreation Center. This is the type of supervised recreation which not only fills a real need for those of any and all age brackets, but most certainly must keep juvenile delinquency at a very minimum.

The Center, having obtained an increase in funds from the Community Chest drive, will not conduct a separate funds drive as it did in the past. The only appeal will be for memberships. All of us should be members of the Center if for no other reason than to provide a bit of added morale for the director and his group of cohorts directing this effort. Join today!

The only other appeal we can think of at the moment is—since it's a tough winter, don't fail to put out feed for the birds and wild-life, especially when there is snow on the ground.

### "Mid the Turmoil"

The time has come (the walrus said) to talk of many things!

The morning's mail brings us a long letter from Bernie Lehmann, former recreational director here, who tells us that he recently decided to "enter a Catholic religious order of brothers and priests whose full concern is boys work." "San Gabriel, Calif., will be my home for the postulant or trial year after which schooling, enough to complete my present background, will be on schedule," Bernie writes, adding: "To begin with, I hope to be a Solesian Brother. After reaching this goal, the best use of my education and experience should lead to an assignment in the Solesian boys club of San Francisco or a similar situation."

Well, here's wishing Bernie the very best in the career he has started. Dedicated lives must be mighty satisfying ones!

And just in case anyone, especially all those kids who participated in his summer programs, wishes to write to him, Bernie's address is 2441 Bremer-ton, Brentwood, 17, Mo.

Thought-of-the-week: "Kneeling will keep you in good standing."

The ways in which the ol' bean works is amazing! When we're in our twenties we don't give a hoot what the world thinks of us; then around thirty-five we begin to wonder and worry what it thinks of us; and then in our fifties we find it wasn't thinking of us at all.

Riddle-of-the-week: What is the difference between a comma and a cat? Answer (we don't hesitate in this colyum): A comma is a pause at the end of a clause—but a cat has its claws at the end of its paws.

Regular patrons of Ed Stroh's tonorial palace are never surprised at anything, or seldom ever. Last Thursday morning was somewhat of an exception, though. For when the customers started filing in, they were amazed to find a somewhat battered dress form—head, shoulders, etc. etc.—the kind you usually see in dress shop windows, gracefully reclining in one of the chairs.

Somebody, it seems, thought the shop needed a bit of dressing up and so deposited the imitation lady, if you will, there for the benefit of the customers. In the sake of propriety, Ed immediately draped the figure with a sheet and we won't quote any of the comments coming from the customers for fear we misquote.

Like we've said so often, anything can happen in Lititz—and usually does!

Thoughts-While-Strolling: Only two weeks 'til Groundhog Day . . . and we're betting he'll see his shadow . . . Domer Brenner's culinary favorite is those small, succulent Cape Cod oysters . . . us, we'll take the large Chesapeake Bay varieties . . . raw or otherwise . . . zukked off the half shell, too, if you will . . . the kids who had visions of ice-skating on the new trout basin in the park are doomed to disappointment . . . the water from the springs is too warm and the basin just doesn't freeze over, it seems . . . the best pair of skates we ever owned were given to us many, many years ago . . . they had four runners and were mighty easy on the ankles . . . you never see that kind much anymore these days . . . while a lot of TV shows become junkier by the day, Dinah Shore gets better and better . . . Ronnie Aument, local serviceman, now is stationed in Scotland, where he's amazed at the lack of electric refrigerators, automatic washers, etc., etc. . . and here we thought he'd gone back to Germany!

Annie Strumbendle says, "There's just no two ways about it—women can make a dollar go farther—they'll drive all over creation to spend it."

While sitting in a local service club Tuesday evening the thought suddenly popped into our head that prosperity obviously goes to the heads of some—and to the waists of others.

We're only kidding, brothers!

Dr. Charley Eshleman is a fellow who has his patients pretty well figured out. Recently a local housewife had her teeth checked and he found a cavity. He informed her she could have it taken care of immediately, but she declined, saying she didn't have the time.

Inquiring if she wanted an appointment for about a week ahead, she again declined and he sensed she just wasn't too keen about having the dental work done and remarked "Well, you know I'm all booked up for July."

When it comes to going through with things, Leo Rossi wins this week's medal.

Returning home from dinner in Lancaster with his wife, they decided to stop off at Overlook to dance. Driving in the long lane to the place Leo had the sudden realization he was wearing

his bedroom slippers. He went through with it anyway and no one apparently noticed the slippers. Might say that's slipping the light fantastic.

When it comes to excuses, Dave Bauer is slipping somewhat, too. A non-smoker

he attended the annual fire company smoker last week and indulged in the cigar habit.

At home, later, 'tis said, he became somewhat nauseated, and explained to wife Joyce he believed he walked home too fast. Really made you puff, eh David?

### Jacqueline Lehn Wed In Hawaii

The wedding of Jacqueline Kay Lehn, daughter of Mrs. Vernon Lehn, 31 E. Lemon St., Lancaster, formerly of Lititz, to William Sinclair of Seattle, Wash., was announced this week.

Miss Lehn graduated from Lititz High School in 1952 and enlisted in the Women's Marine Corps shortly after graduation. The marriage took place at the Camp Smith, Oahu, Hawaii, Base Chapel.

A reception was held in Honolulu and a honeymoon trip to Waikiki Beach was taken. They are now residing in Oceanside, Calif.

### Mrs. Seldomridge Is Reelected President

Mrs. H. C. Seldomridge was reelected leader of the Love-One-Another Circle of King's Daughters at the meeting held recently at the home of Mrs. Samuel Hertzler. Other officers elected were, Mrs. Abram Foltz, secretary, with Mrs. Fred Spinner, assistant; Miss Anna Stark, treasurer and Mrs. Sue Greene, assistant.

### Thomas Rearich Elected Again By Local Union

Members of the American Bakers and Confectionery Workers Union at Wilbur-Suchard Chocolate Co., have elected Thomas P. Rearich president for his 18th consecutive term.

Rearich, who organized and found the union, this week also revealed the local has been granted a charter by the ABC after leaving the corrupt-dominated International Bakery and Confectionery Workers.

James P. Cross, head of the International, currently faces charges of misusing union funds. Because of him the International was expelled from the AFL-CIO. The new ABC union, of which Lititz local 272 is a member, is affiliated with the AFL-CIO.

Others elected to offices include: Ione Hemming, financial secretary and treasurer; John Miller, recording secretary; Robert Heberner, Elwood Smith and Paul Null, trustees; James Hoover, Leroy Sechrist and Ione Hemming, conference board, and John Misher, sergeant-at-arms.

### Explorers Post Adds Four New Members

Explorer Post 342 inducted four new members at the meeting on Thursday evening at the cabin in the Springs Park, they were Ronald Kline, Kenneth Kauffman, John Dengler, and Richard Getz. The present officers are, John Doster, senior crew leader; David Newcomer, assistant crew leader; Harold Irwin, secretary; and Kenneth Kline, treasurer.

Children have a keener taste than adults.

# Take your problems to Church this week — millions leave them there!

## Make A Joyful Noise Unto The Lord

Hymns, carols, benedictions.—To all ages and all classes religious singing has long been recognized as an important part of church life.

Many of the great masters of music have authored their best work while extolling God.

Singing in church is soul-satisfying. Hate, greed, troubles and worries cannot breed when we sing His praises.

Attend the church of your choice and sing. And as the one hundredth Psalm tells us—"Make a joyful noise unto the Lord all ye lands. Serve the Lord with gladness. Come before His presence with singing."

### THANK OFFERING SERVICE

There will be a special Thank offering service in St. Paul's Evangelical Congregational Church Rothsville on Sunday evening January 26th, at 7 P.M.

The speaker for this special service will be Miss Marion Albright, a missionary who recently returned from South Africa. She will also show slides of her work with these people.

There will be special music by the Petticofer quartet. This program is being sponsored by the mission band of the church. Everyone is cordially invited to attend.

Evening services will be held each Sunday evening at 7 p.m., and weekly Prayer Meeting services will be conducted Wednesday evenings at 7:30 p.m.

### Youth Service At Moravian

In observance of the beginning of Christian Youth Week 1958 the morning service at 10:30 a.m. will emphasize the youth of the congregation.

The Pastor's message will be, "Lord, I Believe!" Several young people will participate in the service, they are the following: Kenneth Bushong, Call to Worship; Barry Erb, Invocation; Nina Stroble, Responsive Reading; Detsy Cox and Hyla Neff, Scripture; Tom Keehn, Offertory Sentence and Announcements; and Barbara Yeagley, Youth Week Statement. Four boys from the Sr-Hi Fellowship will also serve as ushers. The Senior Choir will sing a special anthem during the service.

### Natural Foods, Lancaster, Has Foods For Restricted Diets

"Eat Rite—Live Rite," is the salt-free, sugar-free, high protein and low calorie foods, among others.

Juice extractors are also sold at Natural Foods, which is open from 8 to 5:30 daily and 8 to 9 on Friday.

Mail and phone orders are promptly filled by the store, patronized by many in this area on restricted diets. Call EX 2-8828.

John S. Groff, Inc., 625 E Orange St., Lancaster, is an authorized new car dealer for Oldsmobile and Cadillac cars, offering the complete lines of both these fine makes.

Sales, service and parts for Oldsmobile and Cadillac cars are handled by John S. Groff, Inc., a long established firm which has been serving Lancaster County residents for 35 years.

can be arranged. Charles Auction House also sells full line of used furniture retail and is open daily from 8:30 A.M. to 8 P.M. It is licensed for bedding sterilization at home or here.

Free consultations on sales goods are available. Just call EX 3-4122. B. Frank Charl is owner of the auction house which he established 15 years ago and has been at the location for ten years.

## Hobby Show Plans For PTA Meeting

Plans for a hobby show, at the February meeting of the PTA, are now being formulated.

"Everyone has a hobby," said Richard Allebach, chairman of the program committee, "it is just a matter of getting them to share their hobby with their friends and neighbors, by displaying it in our show."

No prizes will be given but we urge each and every member of the PTA to enter. All hobbies will be welcomed should they contain a half a dozen items or hundreds.

Interested parties are asked to call MA 6-2467.

### MRS. DONALD McCUNE

Services were held Sunday at 2 o'clock at the Trinity Evangelical Congregational Church, for Thelma G. Hall McCune, 37, wife of Donald L. McCune 114 W. Orange St. died Thursday after an illness of two weeks. The Reverend J. James K. Rapp officiated.

She was born in this borough, a daughter of Mrs. Clara R. Gable Hall and the late Edwin S. Hall. She was a member of Trinity Evangelical Congregational Church.

Besides her mother and husband, surviving are three children, Donna L., Sherry J. and Donald L. McCune, Jr., all at home; two brothers and a sister, Ira E. and Fred G. Hall, and Kathryn B., wife of Earl Hollingsworth, all of Lititz.

## Brickerville News

The Baron Stiegel Lions Club will meet this Thursday evening at Die Scheier, at 7:00 p.m.

The Brickerville Fire Company will hold their business meeting next Wednesday evening, Jan. 29th, at 7:30 p.m., at the Fire Hall.

The State Police prosecuted Mildred Perlmutter, 416 Park Drive, Lebanon, Pa., this past week and before Squire Leroy S. Ulrich. She was charged with making a U-Turn on the Penna. Turnpike.

The Farm Women Society No. 3, held a meeting in the Brickerville Fire Hall this past Saturday. The following officers were installed for the new year: Mrs. Ivan Eberly, president; Mrs. Gilbert Paul, vice president; Mrs. Harold Fry, secretary; and Mrs. Willie Stober, treasurer. Mr. Oliver Armstrong, Lancaster, Pa., showed a color film on Africa and of the Holy Lands.

## Small consumers to share in P.P. & L. refund

By a decision handed down Tuesday in Philadelphia, the Superior Court has ruled that the \$3.8 million in refunds which Pennsylvania Power & Light Company has been holding in trust for more than year should go to the utility's residential and small commercial power customer in line with the Pennsylvania Public Utility Commission order of November 20, 1956. In January of last year the court directed PP&L to invest the \$3.8 million in Government securities pending the court's decision on what class of customers should share the refunds. A group of PP&L's large industrial customers had claimed by appeal to the court that the \$3.8 million should go to them rather than to residential and small commercial power customers as ordered by the P. U. C.

## McGee Properties Sold By Sheriff

Four tracts from the estate of John A. McGee in Towns End were sold at Sheriff's Sale last week to the Lancaster law firm of Barley, Snyder, Cooper and Mueller.

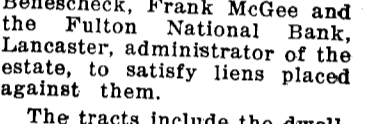

Knockdown price was \$2,007.50. The county took the property of Margaret M. Hopkins, Ida Dinkel, Theresa McGee, Kathryn Stape, Frances Beneschek, Frank McGee and the Fulton National Bank, Lancaster, administrator of the estate, to satisfy liens placed against them.

The tracts include the dwelling and a brick warehouse on E. Main Street and three parcels of land in Warwick Twp.

Production Record By Brubaker Cow

BRATTLEBORO, Vermont—The Holstein-Friesian Association of America has announced the completion of an outstanding official production record by a registered Holstein cow owned by Isaac M. Brubaker, Lititz R.D. Milked twice daily Bruk VII Beauty Edith Emperor produced a total of 11,672 lbs of milk and 465 lbs of butterfat as a 7-year-old.

Pa. State Univ. working in close cooperation with the national Holstein organization, supervised the weighing and testing of production as a part of the Herd Improvement Registry program.

This official testing program, commonly referred to as HIR, provides continuing lactation and lifetime production records on every low cow in participating registered Holstein herds.

Registered Holstein breeders in 48 states are currently utilizing this basic information provided by their official records as a tool in the wise selection of individuals, families and bloodlines necessary to continued improvement of their herds.

Lutheran Inner Mission Meeting

The Lutheran Inner Mission of the Lancaster Conference, the County social agency of the Lutheran churches, will hold its tenth annual corporation meeting, Monday, evening, January 27 at St. John's Church, 227 West Orange Street, Lancaster.

The special feature of the meeting is a panel presentation, "The Inner Mission on the Parish Level," being prepared by a special group under

the leadership of Dr. Ernest J. Hoh, pastor of Emmanuel Church, Lancaster. Panelists will comment on specific services and needs in local churches in the sphere of family life, children, the aging, health, community relationships and special groups within the parish.

The past year represented a general extension of the agency's services; since June an executive secretary has been in charge, the agency's Lutheran Home for the aged, 229 East Orange Street, added an apartment to the building for the use of its superintendent and the Home has been certified by the State Welfare for Class I-A rating in nursing home care.

The agency's social service to families, the aging, refugees and ex-prisoners is being coordinated with local committees which are being set up in the Lutheran churches of the County.

Relative Of Boro Resident Expires

Word was received by Mrs. Ralph E. Worley of the death of her cousin, Ernest K. Souders, aged 62, on Saturday at his home in Pittsburgh. Death was caused by a heart attack.

Souders was a native of Lititz, the son of the late Elizabeth Kemper and Monroe S. Souders, he graduated from the local high school, class of 1913, and was also a graduate of Pittsburgh Technical Institute and was employed by the Bell Telephone Company.

He is survived by his wife, Mrs. Gertrude Hurst Souders, a daughter, Mrs. Mary Wurzdach, and a son, Braden Souders, Mt. Pleasant, Pa.

Funeral services were held in Pittsburgh on Tuesday.

Basic Rules Should Help New Mat Fan

Although the popularity of local high school wrestling has been growing at a tremendous rate, the big problem of learning and understanding the rules is still troubling most local spectators.

Actually the solution to the problem is very simple. One must learn the basic fundamentals which are outlined in the PIAA DIGEST OF WRESTLING RULES.

For your convenience we are publishing this digest.

1—Dual meets shall consist of 11 matches in the following classes: 95, 103, 112, 120, 127, 133, 138, 145, 154, 165, 185 pounds.

2—All dual meet matches shall be 6 minutes in length, divided into three periods of two minutes each.

3—A fall terminates the match. A fall is called by the referee when he feels that the shoulder blades of the wrestler have touched the mat for two seconds.

4—Team Scoring includes: 6 points—for a fall in the first period, default or forfeit.

5 points—fall in second or third period.

3 points—decision.

2 points—draw.

Individual scoring: Escape—1 point.

Take down—2 points.

Reversal—2 points.

Near Fall—2 or 3 points (depends on decision of referee).

Time Advantage—1 point.

Because of a lack of space, any further details on the individual scoring will be given in next week's article.

If you have any questions regarding this new addition to the local sports program, write to the sports department, and attempts will be made to give you the correct answers.

Local Men Attend Sports Banquet

A number of local sports fans attended the 12th annual banquet of the Lancaster Sportswriters and Broadcasters at the Hotel Brunswick Monday.

Among them were high school basketball coaches Leroy Trupe and Dean Miller. Others attending were Raymond S. Reedy, John Shenoberger, Eugene S. Dechert, Ronald Reedy, Stanley Schoenberger, Ed Stroble, Bob Schatzman, Eugene Rupp, Stump Snavely, Donald Steffy, Wendell Hower, Carl Snavely and John Helter.

Reinard Elected By Junior Rifle Club

David Reinhard was elected president of the Lititz Junior Rifle Club at a meeting held last Saturday.

Vice-president is David Newcomer; treasurer, Max Hoaster; secretary Richard Hess and executive officer Rodney Welch. Advisors are John I. Miller and Henry Reinard.

It was announced the club will compete in a match this Sunday at the Marine Corps Reserve Center at Columbia. Any boy or girl who is interested in joining the club may sign up at the Recreation Center.

CHILD'S DEATH

(Continued from Page 1) and she forgot what the big letters on the first picture page said.

"I kill, I destroy, I maim. I am your ENEMY, I endanger all lives . . . I AM CARELESS-NESS."

State Trooper Lee Strickler, of the Ephrata State Police, identified the operator of the truck involved in the tragedy as E. B. Shimp, sixty-eight, Rothsville, a man who could boast a record of 38 years of safe driving.

But it was Sgt. Herman Ries, of the State Police, who in his talk to the PTA that same Thursday evening, laid the blame of mishaps where it really belongs, in the hands of the public.

Sgt. Ries praised the students active in the Safety Patrol operated through the local school and emphasized the need of adult crossing guards in this area.

The motion to adjourn was hardly voted on when a movement to obtain the backing of civic clubs, and other interested organizations, was started. The idea behind the move was to ask the School Board or Borough Council to take steps to hire crossing guards for the two heavy Church intersections in the borough. One is at South Broad and Orange Streets, the other at East Main and Cedar Streets.

About a year and a half ago, Council investigated the possibility of hiring women to check parking meters on a part time basis and to help at school crossings when needed.

At that time the solicitor for the borough said this was tried in other places with poor results.

PLANNERS

(Continued on Page 9) study will help the planners in zoning and routing through the borough, it was explained.

The major problem facing the local planners, according to Warren T. Zitzmann and Charles Sheppard, of the Department of Community Development, "is just what do we want Lititz to become." Should the borough become residential? Should we encourage new industry nad present industry to expand?

Members of the Commission were asked to submit names of residents to be appointed to a zoning board of adjusters, these names to be recommended to borough council.

A special meeting was called for Feb. 4 to discuss land-use policies.

Six Bowling Teams Roll On Saturdays

Six four-man bowling teams have been formed among high school boys and will roll every Saturday morning at the Lititz bowling lanes at 10 o'clock.

Team captains are John Showers, Jim Kreider, Art Myers, Olesowitz, Eugene Clair and Fritz Sammett. Last week's high triple was a 547 by Kreider, who also had 203 single. High average was Showers' 159.

Rothsville News

There will be a special Thank Offering Service in St. Paul's E. C. Church on Sunday evening Jan. 26th at 7 p.m. The program is sponsored by the Mission Band, Miss Marion Albright, a Missionary who recently returned from South Africa will be the guest speaker, she will also show slides of her work. There will be special music by the Petticoat quartet.

The flowers on the altar in the Lutheran Church on Sunday were presented by the Luther League.

Foreign Mission Sunday will be observed in the Lutheran Church on Sunday Jan. 26th. The Sunday School offering will be used to establish Church Camps for Japanese Lutherans.

The following Councilmen were elected in the Lutheran Church recently: Mr. Arnold Becker, Mr. Alvin Martzal, Mr. Weidler Grube and Mr. Harlan Weit. Ushers elected were: John Becker, Robert Gingrich, Leslie Hollingsworth and Elvin Mearg.

The Brotherhood of the E.U.B. Church held a banquet on Saturday evening at Art's Restaurant, Manheim. The Brotherhood met on Tuesday evening at the home of Mr. Paul Walton.

The Rothsville Fire Co. will hold a Baked Ham supper on Saturday, Jan. 25th from 4 p.m. to 8 p.m. in the Fire Mr. and Mrs. Sari Houck and Hal.

daughter, Linda of Pottstown and Mr. and Mrs. Bob Hess and daughter of Lititz were Sunday visitors of Mr. and Mrs. Ellis Hoffman.

Mrs. Martin Rineer and daughter Thelma of Lancaster were Friday evening visitors of Mrs. Pauline Rineer and daughter, Christine.

Mrs. Harry Lowe and daughter Connie of Lititz and Mr. and Mrs. Wilbur Grube and daughter, Eilene and Colleen were Sunday supper guests of Mr. and Mrs. Abner Grube.

Mrs. Donald Good and daughter Vickie of Lancaster spent Friday afternoon with Mrs. Anna Adams and family.

Mr. and Mrs. Wilbur Grube were Sunday callers on friends at Plymouth Meeting.

ST. LUKE'S

(Continued from Page 1) dates back to 1907 when the first steps were taken to establish a church in this borough.

It has been a part of the Warwick Charge since 1912, when the Rev. George B. Raezer was appointed the first pastor to serve the churches of Lititz, Brickerville and Penryn. The Brickerville church, one of the earliest E&R churches in the country, established about 1747, has been closed for several years and is now maintained by the remaining two congregations as a shrine.

The Penryn congregation will probably also seek to establish independent status, as the result of the move made by its sister church.

A petition is now being prepared for presentation to the E&R Synodical Council asking for formal approval of independence. Mr. Pettyjohn has been authorized by the congregation to appoint a pulp committee so that a new minister may be called.

During the interim period, St. Luke's will be served by students from the Lancaster Seminary and guest ministers.

Board Selected to Operate St. Luke's Church School

A Board of Christian Education has been selected to operate St. Luke's E&R Church School, as the result of action taken this week by the consistory of the church.

The new Board will seek to revitalize the church school program and streamline operations. In addition, it is hoped to increase the effectiveness of cooperative efforts between the school and the church.

Appointed to the new board were Mrs. Lester C. Reinhardt, Mrs. Russell Markert, Guy Snyder, William Carper, George Buch, student ministerial assistant, Clair Zimmerman, representing the consistory, and Adrian DeVink, church school superintendent.

The board will organize at an early date and set terms of offices for its members.

Sight-Seers To Make 3 Trips

Twenty-seven Sight-seers attended the mid-season reunion to the home of Mr. and Mrs. Wynne Elliott, New St., on Saturday.

The group had been to New York in late September and taken the boat excursion up the Hudson River to Poughkeepsie. Snap shots and slides taken on the trip were shown.

Mrs. Laura Weaver had slides of her Bermuda tour and the flower garden at Hershey. Paul Shelley included slides of the trip he and Mrs. Shelley took to Florida and some pictures of the Moravian Church fire.

The group discussed taking the Hudson River trip again sometime in June. They also planned to take two buses to the flower show at Philadelphia. One on Wednesday, March 12 and another on Saturday, March 15.

Persons wishing to make the trips can secure information by telephoning MA 6-5052.

V.F.W. denies seeking funds

A warning that no solicitations for donations are being made at this time by the Lititz Springs Post of the Veterans of Foreign Wars, was issued this week by Harold Wolf, treasurer and a director of the local post.

According to Wolf, word has reached V.F.W. officers that persons were soliciting funds throughout the district. At present the only appeal being made by the V.F.W. is as part of a magazine subscription campaign aimed at purchasing hospital equipment. In this campaign, subscriptions are being sold but absolutely no donations are being asked, he said.

Heliograving looks like hand engraving... The letters have an elegance and individuality only the finest hand engraving can match. Heliograving feels like hand engraving... Your fingers touch sharply etched, raised lettering, created by the unique, exclusive new process—HELIOGRAVING. But Heliograving costs about half as much... Because Heliograving eliminates the copper plate that makes hand engraving so expensive, you cut costs without cutting quality. And it's ready within the week... Compared to three weeks minimum time for hand engraving.

Mrs. Donald Good and daughter Vickie of Lancaster spent Friday afternoon with Mrs. Anna Adams and family. Mr. and Mrs. Wilbur Grube were Sunday callers on friends at Plymouth Meeting.

Advertisement for Motor Maids: MOTOR MAIDS Tests Demonstrate How Seat Belts Save Lives By Jeanne Smith, Dodge Safety Consultant. IF YOU'VE EVER WATCHED stock car races, you're familiar with the hair-raising spills and collisions which many of these drivers experience—and then step out of their cars, wave to the crowd—and walk away, unharmed. Likewise, in accidents affecting military aircraft, the personnel frequently walk away with hardly a scratch. In both cases, the reason why occupants survive these accidents without injury is because they are protected by seat belts which prevent them from being hurled against instrument panels or through windshields. Last month at Holloman Air Force Base, Alamogordo, N.M., I saw how seat belts can also curb passenger car injuries. (Some estimates indicate that seat belts could prevent more than one million automobile injuries and 20,000 deaths per year.) More than 100 automotive, medical and safety experts watched simulated car "crashes" at the third annual Automotive Crash and Field Demonstration Conference. The tests, which were conducted by Col. John P. Stapp, Director of Holloman's Aero-Medical Field Laboratory, involved humans, animals and dummies who were catapulted into quick, hydraulic braking stops similar to the impact of auto collisions. (Col. Stapp has traveled faster on the ground than any other human—nearly 700 miles an hour.)

# FARM REVIEW AND FORECAST

## FENCE LINES

**CORNER BROODER . . .** Getting cold weather lambs off to a good start is simple with this corner brooder which has a heat lamp built into the top. Use a 250-watt unit in extreme cold weather, reduce to fewer watts as temperature gets milder.

## The way it looks from here

**Cash For The Farmer**  
Practically all farmers are in the meat business to some extent. Almost 5 million farms, out of a national total of about 6 million, have cattle. Hogs are grown on nearly 4 million of the farms and sheep on some 600,000.

There's good reason for this emphasis on meat animals. For one thing, livestock can be successfully raised in almost any climate. For another, because of the packing industry, a day-in-day-out cash market is always available to buy whatever the producers desire to sell. And this market, incidentally, is a first-class example of free competitive enterprise at work, based on the natural economic law of supply and demand.

The result is that meat animals give the farmer more dollars than any other crop or income source. In a late year, for instance, he got 14 cents out of that dollar from dairy products,

and 11 cents from poultry and eggs. Cotton accounted for 9 cents, as did miscellaneous crops and government payments. Feed crops amounted to 8 cents; food grains 7 cents; vegetables 6 cents; tobacco 4 cents; and fruit and tree nuts another 4 cents. Meat animals accounted for a whopping 28 cents—just twice as much as the next larger item.

Meat is at the heart of the farm economy.

**Oil's Biggest Customer**  
Question: Who's the oil industry's biggest customer? Answer: The U. S. farmer.

According to a magazine published by the Ohio Oil Company, he uses more petroleum power in one way and another than all the rest of our industries combined. And he buys 16.6 per cent of all oil products sold in this country.

**Lime Poisonous To Chickens**  
Approximately 60 birds in a flock of 250 chickens became

ill about one week after the flock owner scattered plasterer's quick lime through the litter to absorb moisture, according to a report in the Journal of the American Veterinary Medical Association from a Nebraska practitioner.

Plasterer's lime is calcium oxide (CaO). When it comes in contact with water, it is converted to calcium hydroxide (CaOH), producing considerable heat. In the process of liming the chicken house, the chickens probably came in direct contact with the lime, both as dust inhaled and on objects eaten by the birds. The heat from the lime converting from CaO to CaOH then had a cauterizing effect, burning the linings of the throat and gastrointestinal tract.

The veterinarian treated the sick birds and instructed the owner to thoroughly clean the house and put in new bedding. No birds were lost, but the poisoning did reduce production for a few weeks, the Association said.

## Farm Calendar

Timely Reminders from the Pennsylvania State University College of Agriculture

**Produce Good Forage**—High-quality pasture, grass silage, and hay are keys to economical milk and meat production in Pennsylvania. To get top yields of high-quality forage, it is important to grow the right grasses and legumes, reminds John Baylor, Penn State extension agronomist.

**Improve Farm Woodland**—Right now is the ideal time to

improve your farm woodland, says Walter Simonds, Penn State extension forester. The Federal government is giving financial assistance in thinning young, dense stands, pruning crop trees, and other improvement practices.

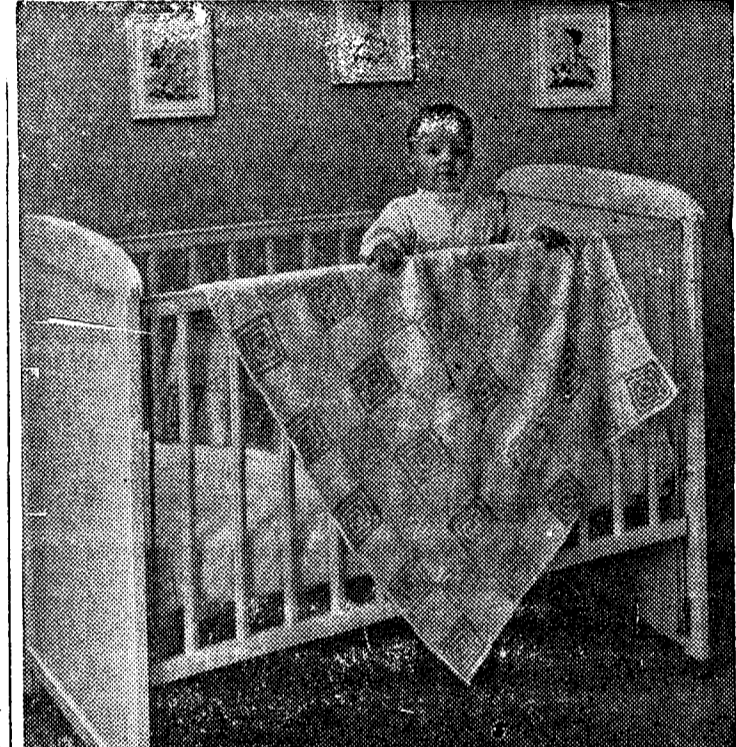

**Gather Eggs Often**—Take good care of eggs to maintain the high quality the hens put in them, recommends Carl Dossin, Penn State extension poultry specialist. He suggests gathering the eggs often, especially in extremely cold weather. Store between 50 and 65 degrees until taken to market.

**Control Weeds**—Believe it or not, winter control of weeds in the strawberry patch is possible. Carl Bittner, Penn State extension pomologist, says dinitro is effective. Ask your county agent for directions.

**Local Leaders Help**—Volunteer local leaders make a large contribution to the success of the 39,000 members of Pennsylvania 4-H Clubs, reports Edward Mintmier, Penn State assistant 4-H club leader.

**Prune Fruit Trees**—In pruning fruit trees, work on the hardest ones first, reminds John Ruet, Penn State extension pomologist. Those are the apple and pear trees.

The average American eats his weight in salt every 17 years.

**BBY'S OWN AFGHAN**—At nap time or night time, a soft wool afghan is a baby's pet wrap-around. This slumber-mate is crocheted of nursery block motifs in jelly bean colors to keep the little one comfortable and happy when the lights are dimmed. White blocks are joined to the colored motifs to make an afghan that measures 32 x 46 inches. A copy of the crocheting directions may be obtained by sending a stamped, self-addressed envelope to the Needlework Department of this paper and asking for SUGAR 'N SPICE AFGHAN, Leaflet No. C-123.

## Farm Index Up 12 Pts. Dec. 15

Harrisburg, Jan.—The Pennsylvania farm price index for the month ended December 15 jumped 12 points above the same period in 1956 to 262 per cent of the 1910-14 base, the State Department of Agriculture said today.

According to Federal-State surveys, higher prices were received by farmers for livestock in mid-December 1957 and offset decreases in prices of poultry, eggs and livestock products, including milk. Higher

prices also were received for potatoes, hay and most grains. The price index of 262 per cent was the same as the previous month of November and compares with the 242 percent farm price index nationally. The national index also remained unchanged from a month earlier.

## Home Calendar

Timely Reminders from the Pennsylvania State University College of Agriculture

**Vitamin Pills**—Vitamin pills can supplement a diet, but not all vitamins can be taken unlimited amounts. Penn State extension nutritionists say vitamins make up only one class of your nutrient needs. The right use of food provides the vitamins needed to balance other nutrients and furnish these other nutrients at the same time.

**Fabric Blends**—A blend is made by mixing two or more kinds of fibers together before the yarns are spun. This thorough mixing makes it hard for the consumer to identify the fibers, points out Bernice Tharp, Penn State extension clothing specialist. It's becoming more and more necessary to rely on labels for information about fiber content.

**Efficient Pans**—An "efficient" pan means one that is easy to use and handle. Experience is often the best guide, advises Doris Snook, Penn State extension home management specialist. If you are trying a new pan, handle it different ways in the store and decide how it feels and how it will handle when full of food. Consider cleaning time, too. If you work outside the home, you'll have less time to shine and care for pans.

**Washing Glass Curtains**—If your glass fiber curtains are gray, washing may not remove the discoloration, but you can improve their appearance. Dorothy O'Donnell, Penn State extension home furnishings specialist, suggests hand-washing the curtains in hot

soapy water, adding as much household ammonia as "your nose can stand." Then rinse in clear, warm water.

## Lititz ABC Is Given Award

The Lititz A.B.C. enjoyed a program entitled, "Gift from the Earth" presented by C. W. Clewson, of Lancaster last week. The program dealt with the story of natural gas, from its source to its ultimate use.

Wilbur Neff, club member, received the national organization's "Big Hat Award" for recruiting three new members during the last year. Herbert R. Wagaman received an additional star for his "Big Hat" won last year. The award consists of a ten-gallon hat, and was presented by Gordon Landreth, of Lancaster, former National resident of A.B.C.

The club's ambulance committee reported that the ambulance had made 14 calls during the previous month. Herbert Kraybill, club president, presided at the meeting.

**COOL WEATHER COMFORT**—Shown here is an at-ease, zippered jerkin which will fit into any man's wardrobe. This trim-fitting style is knit in a neat pattern stitch, and features back yoke done in the stockinette stitch to match the collar and pockets. The yarn is a combination of nylon and wool that gives warmth without bulk. Directions are given in boys' sizes 8-10-12-14; in men's sizes 40-42-44-46. For your copy of the directions, simply send a stamped, self-addressed envelope to the Needlework Department of this paper with your request for Leaflet No. C-352.

**STUDY TIME—DO'S AND DON'TS**

**The Perfect Picture of Study Two Things Wrong Here**

**I**N YOUR first days back to school, before you learn anything else, learn how to study. These words of wisdom are not only approved by educators, but they will be recognized immediately by all students as having the ring of good, common sense.

There are right and wrong ways to study, as Jeannie Beacham, Hollywood starlet, Chicago beauty queen and recent high school graduate, demonstrates in the pictures.

The picture at the desk shows the proper way to study. The room should be well ventilated and there should be as few distractions as possible. The phonograph Jeannie has beside her is played only when she takes a break between study subjects. If the phonograph would be otherwise distracting, it should be removed.

The student's position should not be too comfortable, but it should not be strained. But the lighting is very important according to the Murine Company research service and should not shine directly into the eye or be seen from the corner of the eye. Neither should there be a glare on the page you are reading.

In the picture with the sofa

Jeannie is violating two common-sense rules for studying. The light is very poor—in fact the book is in a shadow—and she is too comfortably ensconced in an easy chair.

Good study demands concentration and it is up to the student to discipline himself. Get the right amount of sleep, don't overeat, consider study as an adventure in learning. It also helps if the student uses the same desk or table in the same place in his home night after night as it will be easy to get set for studying and it will be easier to keep the mind from wandering.

Remember that good study is related closely to doing away with all distractions, and to making study a pleasant habit.

**From Out Of The Past**

Taken from the Files of the Lititz Record and the Lititz Express.

**10 Years Ago**  
January 22, 1948

Slipping on the ice and falling while walking along Marlon Street, Mrs. Roy S. Reidenbaugh, South Spruce Street, sustained the fracture of her right leg.

Lititz will participate in the 100th Anniversary of the discovery of gold in California which resulted in bringing General Sutter back east to Lititz, according to action taken last evening by directors of the Chamber of Commerce.

Dr. Franklin K. Cassel has been appointed a director of the "Advance With Christ" program for the Lititz Congregation of the Church of the Brethren, according to an announcement received here from the general headquarters of the church at Elgin, Ill. Dr. Cassel's duties will be to see that a plan of action on these three fronts is launched through the local congregation which he represents: 1—The development of home missions,

including evangelism and church extension; 2—More vigorous emphasis on peace education; 3—Action on the alcohol problem.

**20 YEARS AGO**  
January 20, 1938

Quite a few local people were among the crowds which thronged the Lancaster station of the Pennsylvania Railroad on Saturday to witness the arrival of the first electric trains operated on the company's main line from Paoli to Harrisburg.

Conlin's open their newly constructed Home of the Dance, where swing nightly the boys and girls of this town and other towns. On the opening night the out-of-town element predominated, proving that this local restaurant is becoming well known as Swing Headquarters.

Miss Dorothy S. Habecker, of East Main Street, had charge of the Folk-song Travelogue presented by the Musical

Art Society in the Iris Club, Lancaster, last Wednesday evening. Three new members were admitted to the Lititz Rotary Club at its meeting Tuesday evening. They are: Prof. James Stengel, Michael Kettering and W. Clyde Hendricks.

**30 YEARS AGO**  
January 26, 1928

Frank Brubaker received a live gray squirrel from Virginia, from the section in which he had been hunting recently. He expects to get a mate for it.

John Schleith is erecting a frame slaughterhouse along the Lititz Creek, on B. F. Grosh's land, to meet the demands of his growing business. Everything will be sanitary, with drains and ventilation and facilities to keep the place clean.

Mr. and Mrs. Kenneth Witmyer left last Friday on a ten day's excursion trip to San Antonio, Texas. It was here where Mr. Witmyer served as a clerk in the offices in the aviation field during the late World War.

The International Harvester Company held a demonstration in the Fire House on Tuesday, and in the evening showed with moving pictures how a tractor is made and scenes from a horse-less farm. The electric lights going out at 8 o'clock and remaining so for an hour, caused many persons from the country to leave for home.

**40 YEARS AGO**  
January 18, 1918

Lititz and Manheim have been without gas the past week and business places and many homes have been greatly inconvenienced thereby. The trouble is caused because the Lititz, Manheim and Ephrata Gas Co., has been forced to shut down for lack of coal. Mr. Dutton, local manager of the plant, is working strenuously to obtain coal but cannot say when gas will be made again.

Eggs are now worth over a nickel apiece. Between them and meat it is a question which is the cheaper as both are almost out of reach.

President Wilson has given his approval of the Russian revolutionists as represented by the Bolsheviks, saying they are sincere and honest. Their insistence that the German people repudiate the Kaiser and German autocracy as the Russians did the Czar and his junkers, has more effect for revolution in Germany than the fighting on the western front.

**50 YEARS AGO**  
January 24, 1908

Dr. J. C. Jenkins made an innovation that is much appreciated by the beneficiaries. He is giving free medical treatment to the men who are putting up his new residence.

The addition to the Eby Shoe Company will soon be completed and the Lititz Shoe Company will remove its machinery thither. The new wagon factory will then start work in the old shoe factory.

The evangelistic services in the U. B. Churches since last sabbath have increased in interest. It is remarkable and inspiring to see the people come early in the evening so as to secure a comfortable seat. Great conviction prevails. The

county, who detected the four plundering a hen roost. Hehn suspected them and seeing them drive out, followed their wagon. That they might not hear his footsteps he removed his shoes and in his stocking feet kept them in view for four miles.

**60 YEARS AGO**  
January 14, 1898

Wm. B. Green, receiver for the Penna. Traction Company's lines of roads, presented his first annual report, which shows that the Lititz line is the best paying one owned by the traction company and shows a profit of \$7,340.29.

That old but excellent drama depicting many incidents of the late war, known as "The Drummer Boy of Shiloh" to be played in the Fulton Opera House at Lancaster on Friday and Saturday evening, will no doubt be witnessed by many Lititzites. Miss May Miksch of our town will take part in the performance, same as she did last year.

Four men, long suspected of extensive chicken thefts, were arrested at the instance of H. M. Hehn, a young farmer of the Southern part of the

**70 YEARS AGO**  
January 20, 1888

We are under obligations to our old friend Levi Brubaker, of Millway, who placed on our table three luscious Florida oranges, which were recently sent to him by an inhabitant of Florida who forty years ago worked for Mr. Brubaker while farming near Lititz. Mr. Brubaker has a kind heart in behalf of all human beings, and printers especially he is inclined to remember.

The Lititz school district is increasing so fast that another school building will be one of its next necessities.

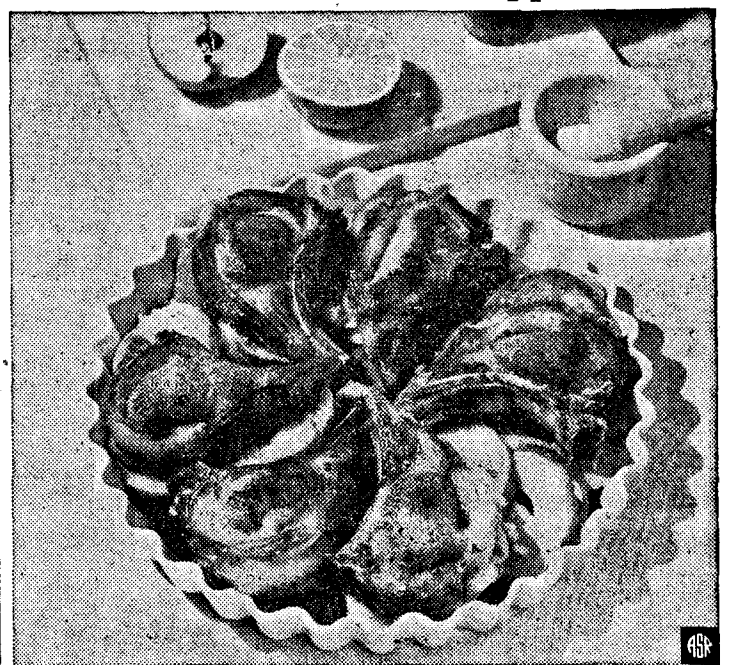

Warwick promises the public a lot of fun on Saturday. A fox which has been waylaid by trappers for three years between here and Manheim, was at last captured and is to be given his freedom, if he runs fast enough. This fox

was seen walking on the fences by numerous persons on many occasions, but was finally captured by David I. Kemper. As soon as he is let loose, the dogs are also to be put on his trail.

**BUTTERFLY MAGIC**—This dramatic, triangular stole is bedecked with graceful, glimmering butterflies. Designed to add glamor to your wardrobe, the stole can be made of either plain, glossy crochet cotton or star spangled crochet cotton that combines silver or gold yarn with mercerized cotton. The crocheted butterflies, applied to the stole, have bodies of gold sequins and wings dotted with blue sequins. To obtain the instructions for making THE BUTTERFLY STOLE, simply send a stamped, self-addressed envelope to the Needlework Department of this paper, requesting Leaflet No. 114.31.

**Pork In Excellent Supply**

Pork is selling at most attractive prices at your market because the supply is so good. This opens up a panorama of pork dishes that have been the delight of homecoming husbands for generations in America. Get to know the thrifter cuts of pork this season, for dishes that will bless the budget and vary your meals. Thrifty pork buys include the hocks, the shoulder, the end cut pork chops and roasts, the smoked picnics and ham shanks. All these cuts have complete high quality protein, and an extra share of vitamin B<sub>1</sub>, for which pork is particularly famed. It's good to know, too, that recent research indicates that cooked meat, as it is produced and prepared today, has significantly less fat, fewer calories and more protein than the values given in current textbooks.

A combination of herb-laced stuffing in juicy pork chops, baked on sweet potatoes, and topped with apples, this is one of those medleys that make history when you serve it to a hungry family. It's the kind of dish you can make ahead, put in the oven, and be free for an hour before dinner!

**Baked Stuffed Pork Chops**

- 6 1-inch thick rib or loin pork chops
- 6 medium sweet potatoes
- 1 1/2 cups finely diced apple
- 1/2 cup raisins
- 1 cup fresh bread crumbs
- 1/2 teaspoon salt
- 2 tablespoons sugar
- 1/2 teaspoon each, sage and thyme
- 1/2 cup brown sugar (firmly packed)
- 1/4 teaspoon nutmeg
- 2 tablespoons butter
- 1/2 cup orange juice
- 3 apples, cored and halved

Have meat man slit chops for stuffing. Par-boil potatoes; peel and slice lengthwise. While potatoes are cooking, combine apple, raisins, bread crumbs, salt, sugar, sage and thyme. Spoon stuffing into chops; skewer. Brown chops on both sides in skillet, about 15 minutes. Combine brown sugar and nutmeg. Layer sliced potatoes with brown sugar mixture in a 2-quart casserole. Dot with butter. Top with pork chops; pour over orange juice. Place apples over pork chops. Cover. Bake in a moderate oven, (350°F.) 1 hour, 15 minutes. YIELD: 6 servings.

**What Price War?**

**T**he enduring Horror of War, as any thinking person knows, is the tremendous cost which continues years, even generations, long after the last smoke of Battle has cleared from the scene of conflict. This continuing cost takes its toll in the job of reconstruction of cities and towns; in the re-establishment of law and order, but most of all in the rehabilitating and providing for the millions of Human Disasters, both physical and mental, who do not escape the Holocaust unscathed.

**L**ikewise, the terrific Battle against the terrors of Polio, has just about closed in for the final knockout. But while we rejoice over the Victory of Dr. Salk's great weapon, let us never forget the Thousands of Human Wrecks this Battle has cost. The cost goes on—and it will continue to go on long after not a single new case of Polio is reported in any given year. Unless you have had the experience of even pricing some small part of an Iron Lung, a Leg Brace, a Wheel Chair or have had to face the constant cost of Nursing Care you cannot realize how all this mounts up. No one but the wealthy can possibly do it on their own; in wealthy families where Polio has struck it is a matter of record that such folks have not only taken care of their own but have given generously to help others. The rest of us must depend upon YOUR CONTRIBUTION, large or small, to the Lancaster County Chapter for Infantile Paralysis and the March of Dimes and Dollars.

**W**on't you send in Your Dimes and Dollars at this time to aid in the 1958 Campaign to meet the costs of the Post-War reconstruction following Polio's dreadful attack? Won't you send in Your March of Dimes and Dollars Coin Contribution Card at this time? Won't you help us who can't help ourselves? We are the Casualties of the Polio Battle.

Mrs. Jean Frey, a 1954 victim of polio who, when she was stricken, was an iron lung patient, but today, can be out of the iron lung for hours at a time. She is shown here on her rocking bed. March of Dimes and Dollars helped get Mrs. Frey out of the iron lung, and maybe could get her out of the rocking bed.

# Of Plug and Shell

BY John Helder  
Member of Penna. Outdoor Writers Assoc.

Just 15 years ago, a man by the name of Adolph Topperwein, an exhibition shooter for Winchester, set a record of shooting that will probably never be challenged.

It was performed at the San Antonio fair grounds in Texas. The gent named above fired away with a 22 rifle at wooden cubes the size of alphabet blocks thrown into the air by teams of strong-armed youths.

Over a ten-day period, he shot at a total of 72,500 of the tiny, flying objects, and missed an amazing total of only nine (9) times.

Before the turn of the century, Adam H. Bogardus, an Illinois market hunter, set a record with a shotgun by breaking 5,000 glass balls thrown into the air in 480 minutes and 45 seconds.

Shortly after, this record was eclipsed when William Frank Carver smashed 5,000 balls in 420 minutes... using a rifle!

That's when Ad Topperwein stepped in. His second miss came in the third day, after an almost incredible run of 14,540 hits.

After the seventh day he was so fatigued and lame that his wife had to undress him. He was unable to lower his arms below the waist and his shoulders were swollen.

The final block arced... the rifle cracked... the wood split and fell into a mountain of fragments that now stood taller than the shooter.

What was the final score? He asked weakly. "The damndest score ever made by anyone," they told him. "Out of 72,000 shots, you missed just nine."

The world small bore record of 6390 rung up by Viola Polum in 1955 lasted just two years. At the recent Camp Perry matches, John Moschkau of Waterloo, Iowa, became the new champ by shooting 6392 out of a possible of 6400, with a Winchester 52C.

Why did I start this, it re-

minds me of the eight cockbirds and the deer I missed this year.

A question asked over and over by "old-timers" Why has the bobwhite all but disappeared in most areas?

The Pennsylvania Game Commission offers this reason: "Rail fences, natural foods and safe travel lanes disappeared as farming practices changed.

Where grains were once grown, pasture land often took over, and on many other acres tomatoes and potatoes replaced wheat, rye and grasses.

Consequently, the quail population steadily diminished as clean farming and bare fences left no hiding places.

While stocking will help make the bobwhite more numerous, it can be effective only to a point. The quail is adamant in its demand for the still necessary dense fencerows, thickets, and grain and wheat fields near such natural protection.

Wishing will not bring the bobwhite back. But food and cover of the right kind, in quantities, would turn the trick.

Better read that again! You probably won't agree but from where I sit it looks like pheasant shooting in Lancaster County is on the way out too.

With the heavy State stocking program, the carry over of game from the year before, (hens) and brooder cocks stocked by sportsmen clubs in the County the pheasant population is still on the decline.

The reason... FOOD AND COVER. The answer?? Try talking a farmer into letting part of his land grow up with underbrush or even multi-flower rose along fences. I'm afraid its just too late!

Anyone for CROWS??

Letter Box What is a Bowhunter? The answer you get will depend entirely upon whom you ask. The archer will assure you that the modern bowhunter is a noble fellow—a true conservationist. No doubt, a direct descendant of William Tell. He is a rugged outdoors man with keen senses and the ability to stalk his prey, not a meat hunter; but one who prefers to give his quarry more than an even chance; a man as cunning as a fox who prefers to outwit the deer rather than overpower him with modern firepower.

But ask a gun hunter and you may get a different answer. He may tell you that an archer is a guy who never was able to get a deer with a gun, so he takes up archery. Of course, they say he won't get his deer with a bow either, but then it's less disgraceful that way.

Henny Hershey

# Warwick Back In First; Lose Upset To Cocalico

## Trounce Favored Lamp-Stras. In Real Thriller

The "stick-to-it" attitude was responsible for Warwick's return to first place, as it gave them a 54-50 decision over the previous league leaders, Lampeter-Strasburg, on Tuesday night on the losers court.

At times in the first quarter the Warriors trailed their "deadly" opponents by as much as eight points. They came within two points (28-26) at halftime and then outscored Strasburg 20-10 in the third period to go ahead by eight.

Win Was Team Effort An individual star would be hard to choose. It could have been Dick Allebach whose rebounds and 13 second half points kept Warwick in the running. It could have also been Nevin Huber who hit for 10 in the second period, and who scored when it was very important.

You could not omit Barry Rhoades and his outside jump which couldn't seem to be stopped. The ball hawking and shooting of Ned Partridge and Jere Long were equally essential to this great team effort.

Fouls Hurt Warriors Some very questionable calls put Warwick in a very odd spot. It cost them Ned Partridge and almost the services of Long, Allebach and Rhoades, all of whom had four fouls. This is one of the reasons for Strasburg's late scoring surge.

The scoring was led by captain Dick Allebach, who tallied 21 on a combination of taps, jumps, lay-ups, and d fouls. Runner-up was Nevin Huber who turned in an excellent performance of 13 points. This was his first contest in over a week, due to an eye injury.

Third place was shared by Ned Partridge and Barry Rhoades who accounted for 8 apiece. Long had 4.

Meet East Lampeter Tomorrow Warwick will meet East Lampeter, who accounted for one of Warwick's two league losses. East Lampeter is still a top contender, and a good game is assured. Game time is 7, on the local court.

JUNIOR VARSITY WINS AGAIN The Junior Varsity reached the half way mark in their league competition, and still leading the pack, via a 55-38 win over third place Strasburg. Leading Warwick's improved attack was Paul Herr with 11 points. For the first time this season, three other men were in double figures. John Landis, Don Long, and Skip Kopp each had 10.

Close behind was George Male with 8, and Don Dodson with 6. This was definitely the best showing of the JV squad, and if they keep it up, there's no telling how far they'll go.

Lititz Loses In Ping Pong, 5-4 Lancaster defeated the Lititz Rec Center in a ping pong match held the Rec Center Monday, 5-4.

Hershey, Pa.—Growing mellow with age like rare old wine—the "Old Smoothies," Irma Thomas and Orrin Markus, who will appear with Ice Capades of 1958, coming to Hershey Sports Arena, February 18 through 25. Year in and year out these popular oldsters—he's 66 and she's 58—keep coming back to thrill ice show patrons as they glide out on the frozen stage to the lilting strains of their theme melody, "Shine on Harvest Moon."

# Local Wrestlers Drop 2 League Decisions

Last Thursday evening, Milton Hershey powered their way to a 3-6 decision over the local wrestling squad, before 400 excited fans, in the local gymnasium.

For Warwick, it was mostly a contest of seeing how long they could survive against the undefeated district leaders. Even against the tremendous odds, Neil Bushong and Jeff Hoaster won their matches.

Bushong provided what was probably the most exciting performance of the entire evening. With 8 seconds remaining in his match, and the score tied at 2 all, Bushong pulled a quick reversal, and thus was victorious, 4-2.

Hoaster also did an excellent job in taking his match, 6-4, in the 127 lb. class. Warwick came close to grabbing some more points from the Hershey grapplers, when Fred Johns came very close to pinning his opponent. Several

Man. Cen. — 37 Warwick — 9 Once again the Warwick High wrestlers had to give way to experience, this time being beaten 37-9 by the Mannheim Central squad.

The only bright spots in the Warwick picture were the performances presented by sophomores Neil Bushong and Ron Whitcraft. Bushong surprised everyone with a quick pin, in 1:21 of the first round.

Ron Whitcraft won his first match of the year, by decisioning his 95 pound opponent 8-3. Mannheim scored all their points on four pins and five decisions.

Hobbs and Difley; Ruebman and Schaeffer (Lititz) def. Johnson and Moore. On January 30 the Lititz team will meet a team from the Ephrata Recreation Center.

# Accuracy Give Eagles Margin Of Big Upset

Warwick was the victim of one of this seasons biggest upsets, when a last second goal cost them a 44-43 decision, last Friday evening, before over a thousand screaming spectators in the Warwick gym.

The destructive score came with only five seconds remaining, and Warwick with only a one point lead. It climaxed a game in which, for the first time in a long while, Warwick was continually behind. A late splurge had put Warwick back in the lead, until the final blow.

Old Habits Hurt Warwick Two old habits came back to haunt Warwick, and even cost them the contest. First, they couldn't seem to get their offense moving in the first half, as they were outscored, 28-24. Secondly their foul shooting percentage was way down to 42% (5 for 12).

From the field, they were as poor as ever, only hitting for 29% (19 for 64), as compared to Cocalico's remarkable 40%.

Rhoades Tops Scorers With Cocalico playing a tight zone, Warwick had to hit from the outside. The responsibility fell into the hands of two small but powerful fellows, Jere Long and Barry Rhoades.

Rhoades amazed the crowd with his one-hand jump, which accounted for his 11 points. Long was just as remarkable with his jump shot, and finished with 8 points.

On the inside it was Dick Allebach who scored his 10 mostly on taps. Jim Davidson also did a nice job, especially with the rebounding. He had scored 10 points. The fifth Warwick starter, Ned Partridge had 4.

JUNIOR VARSITY REMAINS IN FIRST PLACE The Warwick Junior Varsity lengthen after league victory skien to six, as they came from behind to take a 52-35 decision from Cocalico.

Going into the second half it was a tie game at 23 all. Warwick stiffened their defense and strengthened their offense, and went on to score 29 second half points, as compared to Cocalico's 12.

Coach Trupe again used the two platoon system, and thus the scoring was very evenly distributed. John Landis topped the scorers with 14, his highest performance of the season.

Paul Herr was right behind with 13, followed by Don Dodson with 10. Next in line was the team's scoring leader, George Male, who had 9. Skip Kopp and Don Long each had 3.

# SPOTLIGHT ON SPORTS

by Barry Kauffman Record-Express Sports Editor

It looks as though the immortal Babe Ruth will have his spectacular home run record smashed this coming season.

Who's going to do it? It will most likely be Gil Hodges, or maybe Roy Campanella. How? The answer is simple, by playing one season in the new home of the Los Angeles Dodgers, the LA Coliseum.

Imagine a Major League Club, especially the Dodgers, playing in a field where the left field wall is only 250 feet away from the plate. There's a high school team that could take advantage of such a field.

Looks like the Dodgers have finally found another gimmick which should give them the championship for a few more seasons again.

For those who missed the basketball game between MSTC and E-Town Colleges, there's a chance that you could get to see them play this weekend.

You wonder why there's only a chance? That's easily understood, if you have ever visited Brooks Hall, the site of Saturday's second Ken Keener-Ed Harnly battle. If you want a seat, you better be there before six.

Talking about Harnly I received a letter from the Public Relations Department at E-Town. Some of the statements made about Ed, are worthy of reprinting.

In talking to Ed's coach, Don Smith, I've been told that Harnly has a great deal of

Owl Hill Wins Sixth Straight In Rec League Owl Hill staved off a last period rally to maintain their unbeaten pace in the Recreation Basketball League last week with a 64-57 victory over Rothsville.

In the other game Hoffy's put on a fourth period spurt to overcome the Orioles, 37-36 in a tight game.

League standings are: Team W L Pct. Owl Hill 6 0 1.000 Orioles 3 2 .600 Hoffy's 3 2 .600 E.U.B. 3 2 .600 Coca Cola 2 3 .400 Rothsville 1 4 .200 Old Men 0 5 .000

Game results are: Hoffy's 10 7 5 15-37 Orioles 9 12 7 8-36 High Scorer: H. Frederick (H), 7.

Owl Hill 18 17 19 11-64 Rothsville 13 8 17 19-57 High Scores: Gehman (R), 25; R. Huber (O) 15.

Symptoms of Distress Arising from STOMACH ULCERS DUE TO EXCESS ACID QUICK RELIEF OR NO COST Ask About 15-Day Trial Offer!

potential and is being counted on heavily in the future. According to Smith, all he needs is experience. He's got a good scoring punch and has impressed all of us with his "go-get-'em" rebounding.

That's a pretty nice compliment! Bloopers of the week... Last week, an announcer for a radio station in Tulsa, Oklahoma, made the following statement.

"Following the news, we will bring you a play-by-play report of the Oklahoma State-Wichita basketball game. We get it first, but more important, we get it right!"

The announcer made one small mistake — State was playing Kansas.

Teams Tied In Schoolboy Loop The Sputniks and the Blue Devils are tied for first place in the 5th and 6th grade schoolboy basketball league with identical 2-0 records.

The Warriors and the Comets have lost both of their games. Results of last Saturday's game are: Warriors 0 1 0 0-1 Blue Devils 10 4 6 6-26 High scorer: Ricky Fritz, 8.

Sputniks 4 9 6 4-23 Comets 0 8 0 4-12 High Scorers: Mike Allebach (S) 11; Gene Resser (C) 6.

Gym Open To Adults On Tuesday Nights Men of the Warwick Union area who would like to exercise over the winter months will be offered facilities of the Lititz Elementary School gymnasium every Tuesday night, starting this week.

Rec director Bill Bell said volleyball, badminton or basketball can be played. The gym will be open from 6 p.m. until 8 p.m.

The Philosophers

(As overheard by John Boyd)

Well, Mrs. Espenshate, how does this weather suit you? Oh, all right. I can get along with any old weather. When it's bad I stay in the house, and when it's clear I go out. The people I weel sorry for is the ones that has to go out—or go to work—in all kinds of weather.

You and Chake are alike there. Chake can stay inside when it's bad outside too. Poor Church has to go to work or chust feel like I had to go out weather or no weather. Like today, I felt like I had to come over here because our tellyvision is out of order and I didn't have anything to do. So here I am—wet feet and all.

Well, what shall we talk about? Oh, anything except this everlasting missile business. I am getting sick and tired reading about it because the more I read about it the more confused I get. Chake was down to the park the other day looking things over, as he says, in his capacity as an official sidewalk superintendent and I really had to laugh at what he said should be done next.

What did he say? He said that the chocolate should be painted all over sky-blue and then a good artist should paint big evergreen trees on the walls so it would look like such a woods. That would really be a chop. Who would pay for it? That would be the big problem. Only it would be something to think about if the chocolate decided to paint the factory some day anyway. Chake said he had no idea that the chocolate was as big as it is still. He said it looks now as if the back end of it was halfway over to Manheim. Yes, it is a real long factory now that a body can see it good. I see that there is water in the springs now.

Yes, I guess we had all our worries about that for nothing. That's the trouble with us old people. We worry about things that never happen. Ain't that the truth. Chust the other evening I read in the paper that some big shot scientist had discovered that the earth was not spinning around on its axle as fast as what it did. He said it was slowing down like. He said when the earth stopped spinning altogether, one side of the earth would always be facing

the sun and be red hot and the other side would always be dark and freezing cold. I really got worried about it till I read the end of the article and it said that this would happen for about 80 billion years.

Yes, that's the way it goes. These here scientists are always scaring a body with their theories. By the way, speaking of theories, did you see what that school principal over to Landisville said about our school system? No, I didn't. What did he say?

Well, he said that there wasn't nothing wrong with our school system in Pennsylvania that couldn't be corrected by more teaching and less entertainment. HMMM. Now there he said a mouthful. And do you know what Chorch said the other evening about this school business? No, I don't.

Well, he said one solution to the whole problem would be to do away with this making children go to school till they are seventeen and let them stop when they are fourteen if they want to—and to make the kids pass a real tough examination to get into high school at all.

What would he do with the fourteen year olds that didn't go to high school? He says the boys could either go to work or learn a good, money-making trade and the girls could stay home and learn practical domestic science working around the house.

That is heresy for sure. I know, but it's something to think about. One thing about it, it could be done in a short time.

### Nuss Elected By Area Democrats

J. Hurley Nuss

J. Hurley Nuss, Lititz R2, was elected president of the Mannheim-Lititz Democratic Club at the annual reorganization meeting held in Union Hall, Mannheim.

Other officers to serve for the year are: John M. Redd, Mannheim R3, vice president; Verna Wenger, Mannheim, secretary, and John H. Wenger, Mannheim, treasurer.

### WANNER—GOCHENAUER

Miss Brenda Wanner became the bride of Gerald D. Gochenauer, both of this borough, at a wedding ceremony conducted in St. Paul's Lutheran Church Saturday afternoon, January 11. A reception in the church basement followed.

Gochenauer, who is the son of Mr. and Mrs. Sylvan Gochenauer, served in the Army two years, being stationed at Ft. Lewis, Washington, and receiving his discharge one year ago. He is a graduate of Lititz High School and is employed at the Lambert-Hutnut plant here. His bride also attended Lititz High School and is employed at the A. J. Bedford Shoe Company plant. They are residing on East Main Street, this borough.

## PERSONALS

Mr. and Mrs. John Brubaker went to Washington, D. C. today to meet their grandson, Lenny Brubaker, aged four years and his cousin, Robert Serrano, age ten, both of Quayaquil, Educador, South America. Neither of the children can speak English. They will come by plane and remain for three months.

Mrs. Charles Ruhl has resumed her duties as teacher in the Home Economics department of the local high school after being absent since the Christmas holidays. Mrs. Ruhl, the former Eleanor Griffith was married on Dec. 24th and visited points in the west including the Rose Parade in Pasadena, California. They traveled 9,000 miles.

Mr. and Mrs. Alvin Adams, Lititz R.D.1 are spending several weeks in Florida.

Mr. and Mrs. Beverly Counts of Allentown spent Sunday with Mr. and Mrs. Benjamin Neideigh.

Mr. and Mrs. B. John Losensky entertained at a family dinner on Sunday, the guests included, Mr. and Mrs. John

Losensky, Alex Losensky, Mr. and Mrs. Herbert Cammaus and children Diana and Bonnie, all of Millport; Mr. and Mrs. Eugene McCall and Mr. and Mrs. John Shaub of Lancaster; Carol Losensky of Allentown; Gordon Sommers of Bethlehem and Jack Losensky of Pennsylvania State University.

Mr. and Mrs. Robert Peiffer will speak at the School of Missions in the Church of the Brethren at Ephrata on Sunday.

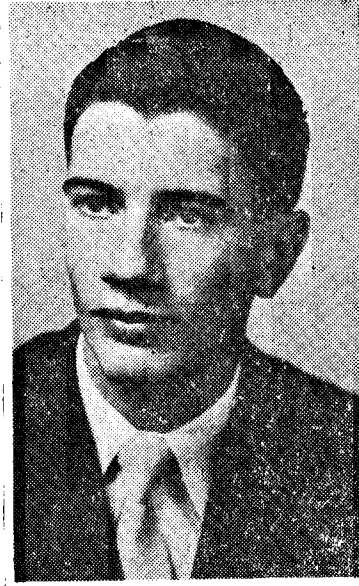

Mr. and Mrs. Charles Meylon and sons, Daniel, Peter and Stepham of Chatham, N. J. spent the weekend with Mr. and Mrs. Willy dePerrot.

Mr. and Mrs. Robert Foltz and children Phyllis and Robert of Oregon spent Sunday with Mr. and Mrs. Abram Foltz.

Mr. and Mrs. Galen Weidman of Ephrata visited Mr. and Mrs. George Male on Friday.

Benjamin Mohler is seriously ill at the Brethren Home, Neffsville.

## Local lad listed in Millersville Who's Who

Stanley Stout, son of Mrs. Anna H. Kreider, 220 S. Broad St. was named to the 1958 Millersville State Teachers College Who's Who.

One of thirteen seniors chosen for the honor, Stanley was selected on four basic points: service, student government participation, scholastic standing and contribution to college life.

The name of Stout was submitted with the names of forty-one other candidates for the honor. Dean Breidenstine, Dr. William Duncan and Mr. Kent, with the Junior council members, tallied the results of the student vote.

### WILSON—BAIR

The marriage of Miss Marjorie E. Bair, Lititz, daughter of the late Mrs. Edna Bair, Joseph Wilson, son of Mr. and Mrs. Earl Wilson, Lancaster R6, was solemnized Jan. 11 in the United Brethren Church of Lititz. The Rev. Paul A. Miller officiated at the ceremony. The couple is residing at Lancaster R6.

### DOMMEL—HACKMAN

Mrs. Mabel Hackman, Lititz R4, has announced the engagement of her daughter, Joyce M., to John J. Dommel, son of Mr. and Mrs. Carl F. Dommel, 356 Beaver St., Lancaster.

Miss Hackman is employed by the Lititz Shoe Co. Her fiancé was discharged recently from the U. S. Air Force.

## St. Paul's to vote on re-location

A special meeting to decide whether to relocate St. Paul's Lutheran Church or build additional facilities, has been set for Tuesday, Feb. 18.

This matter was voted on last year but because the congregation favored relocating by such a small margin, the matter was held over to this year and was discussed at the annual congregational meeting.

The special meeting is the result of a report by E. Austin Hess, chairman of the Church Building Committee. Prior to the special meeting, Dr. William A. Leach, Cleveland, Ohio, a church building consultant, will visit the borough on Feb. 8 to study the problem and prepare a report on Feb. 8 to study the problem and prepare a report for the Feb. 18 session.

Other action included calling the Rev. Henry R. Spangler, a retired York minister, as assistant to the Rev. James G. Shannon, pastor. The Rev. Mr. Spangler served the local church last summer before the appointment of the Rev. Mr. Shannon.

The congregation also adopted a \$53,280 budget for the year, over 50 per cent of which is allocated for benevolence work.

Four new members were elected to the church council for three year terms. They are Carl B. Risser, Rodney C. Welch, N. J. Fuhrman and Paul E. Balmer.

They succeed Omar H. Bucher, Christian R. Bomberger, Charles S. Kopp and Marlin K. Allen.

## Service worker to speak here Sunday evening

Ellis Shenk, Brethren Volunteer Service worker, will be the guest speaker at the vesper service of the Church of the Brethren this Sunday evening at 7:00 p.m. Mr. Shenk is a graduate of Elizabethtown College and spent four years in Europe under the Brethren Volunteer Service program. During this time he worked with the refugee settlement program, and was director of the entire European unit several months.

The young people of the Church will be in charge of the worship service.

In commemoration of National Youth Week, the young people will also participate in the morning worship service. Allen Stauffer and Miss Nancy Graybill will take part in the devotions and Sylvia Swarr will bring a short message from the young people. The youth will serve as ushers, and present an antiphonal reading during the service.

## Rev. Harwick returns to area as speaker

The Rev. Ray L. Harwick, former pastor of the Evangelical and Reformed Church of this borough and Penryn E&R Church, was the speaker at the Lancaster Theological Seminary yesterday.

He helped ease tensions in the Levittown disturbances last year. His topic for the evening was "Race Relations and the Church."

## Plans for Holy Week announced

Plans for the Holy Week were made at the meeting of the Ministerial Association held on Tuesday morning at the United Church of Christ (E and R). It was decided to hold services for the pupils again in the Trinity Evangelical Congregational church on Monday, Tuesday and Wednesday of Holy Week. The Good Friday services will be held in the Church of the Brethren.

The Rev. Henry Spangler, the new assistant at St. Paul's Lutheran Church, was welcomed into the organization. Other business included an evaluation of the Week of Prayer and planning the program for the year which will include laymen participation.

## Rev. Spangler named assistant at St. Paul's

The Rev. Henry Spangler has been named assistant pastor to the Rev. James Shannon, pastor of St. Paul's Lutheran Church and assumed his new duties on Monday. The Rev. Mr. Spangler is not a stranger to Lititz having served as pastor nine weeks last summer in the interim of the Rev. Francis R. Bell and the present pastor.

He served as a missionary in India under the United Lutheran Church for fourteen years and had pastorates in Maryland for twenty years, he also served under the Central Pennsylvania Lutheran Synod.

He moved with Mrs. Spangler Monday in the apartment in the Church office building at 110 North Broad St., Lititz.

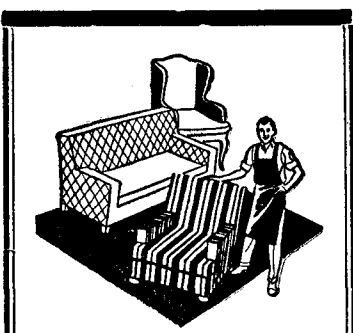

## Womens Club Names Judges For Contest

A donation of \$10 to the March of Dimes, the contribution of eyeglass frames to the Seeing Eye organization and the continuance of the Korean knitting project were reported by Mrs. Wilbur Miller at the regular meeting of the Lititz Womens Club, Tuesday night.

Mrs. B. John Losensky, president, announced these judges for the forthcoming oratorical contest for girls of the senior class of the Warwick Union High School: Mrs. H. William Mitchell, Mrs. Richard Allebach and Mrs. Winifred S. Walls.

## FAREWELL DINNER TENDERED ALBRIGHTS

Sixteen members of the Ministerial Association and their wives attended the Farewell dinner given to the Rev. and Mrs. Alton P. Albright at the General Sutter Hotel on Tuesday. All the ministers spoke briefly and the Rev. Mr. Albright was presented with a revised Standard version of the Apocrypha.

## SHADE TREE

(Continued from Page 1). Tree Experts could suggest was to play a stream of water over it with your garden hose. The tap water being warmer than outside air will save a bush or tree that might otherwise be ruined. But, never jar ice from a tree, as this will cause breaks in the bark and thus encourage an invasion of wood rot fungi or bark beetles.

Whenever limbs are broken, it is important that the stubs be removed flush to the trunk. In the event of weakened crotches, wire cable should be used. In order to recover the former symmetry of a tree that is damaged the entire tree should be pruned.

When that time comes when our borough is financially able, it is hoped that all trees lining our streets will be scientifically taken care of at the town's expense. According to the laws of Pennsylvania these trees are under the control of the city or borough which planted and cared for by the property owner.

The first move in the right direction was the thorough job done in leaf removal this fall and this should be an added inducement to have at least one tree in front of every home in Lititz.

"A home without trees is charmless; a street without trees is shadeless; a park without trees is purposeless; A COUNTRY WITHOUT TREES IS HOPELESS."

LITITZ SHADE TREE COMMISSION
