

G.O.P. Area Rally At Brunnerville Wednesday

Police Kept Busy With Long List Of Arrests

Borough police completed a wide assortment of arrests this week as they prosecuted offenders in an alleged beating, a case of hit-and-run, a pedestrian injury, and an array of motor violations.

Thursday night at 7:20 p.m. a car driven by Anna Marie Arnold, nineteen, 51 E. Second Avenue, struck Sara B. Kagle, Linden Hall house mother, as she was crossing E. Main St. on a pedestrian cross walk.

Mrs. Kagle, sixty-seven, was taken to the Lancaster General Hospital where she was treated for a fractured hip and abrasions.

As Mrs. Kagle was in a cross walk the driver, Miss Arnold, was prosecuted for failure to yield the right of way to a pedestrian, before Justice of the Peace, Paul F. Diehm.

Saturday evening a car belonging to Paul R. Ibach, Lititz R4, was involved in a collision at 435 E. Main St. and then left the scene.

Ibach claims that someone stole the car, committed the violation, and then returned the automobile to his home.

The car struck was operated by Mrs. Roy Welt, 435 E. Main St., and damages totaled \$75.

Ibach will be prosecuted for the offense unless he can verify his story, Chief of Police George Hicks stated. In connection with this case police are looking for the young driver who recorded the license number of the Ibach vehicle.

Rosey Shenenberger, Lititz R3, was arrested Friday for driving without a license. Both she and the owner of the car, Norman C. Eberly, 319 S. Broad St., will be prosecuted.

Monday night Officer Long responded to a call that Mrs. Sophie Foley, 75 Kline St., allegedly was beaten by Elbyd Shaffer of the same address. Patrolman Long was assisted on the case by Police-woman Flory Ulrich.

Mrs. Foley charged Shaffer with surfeit of peace and Long brought a charge of assault and battery. Shaffer posted a bond on both of the offenses.

He will be brought to court Tuesday, Oct. 17, for a hearing.

Boosters Plan Pep Rally For Friday 8:30

The Lititz Booster Club headed by Warren Beitenmiller announced there will be a big Pep Rally tomorrow night commencing from the High School at 8:30 p.m. The High School Band under the direction of Mr. Henry Steiner and the Cheerleaders will lead the procession followed by a car caravan carrying the football players and marching on Orange St. to Broad St. and direct to the Lititz Springs band shell.

The rally is being held for the Coaching staff and the football team of Warwick prior to their meeting with Elizabethtown on Saturday on the Warriors field.

The Warriors know their work is cut out for them this Saturday as this game will mean the conference title possibilities. Everyone, including adults should come out this Friday night and let the Warriors know we're all behind them in their drive for the conference title.

At the rally the Booster buttons will go on distribution with a small donation which will go for the new scoreboard. It is expected that the new scoreboard will be ready for this game.

A program is outlined at the Park with the Cheerleaders and the Band leading in the Warwick favorite cheers and songs. The coaching staff will be introduced and Coach Schoenberger will introduce his entire team.

Come on out to the school and become a part of the parade or join us at the Park, young and old in an all out Pep Rally. Remember the starting time is 8:30 p.m. at the High School. Ken Simmons, Record-Express sports editor will be the MC.

Mrs. Foley was treated by Dr. Arthur J. Holder for a bad sprain of the left arm.

Larry L. Johnson, Lancaster, was prosecuted Saturday for backing traffic on W. Main St.; Clyde Forry, Lebanon, for disorderly conduct by Patrolman Lucas when he created a disturbance on the side walk near the square Friday at 6 p.m.

Trio Doused At Fire Drill

Fire prevention week was ushered in with a swoosh Tuesday as the fire company opened up the hoses at the elementary school fire drill and gave the students a taste of the real thing.

The only casualties, the principal, Walter Texter, and two of the fire patrol boys, caught in the first deluge of water all three were soaked to the skin.

When the fire bell rang at 10:00 a.m. Tuesday the students were marched out of the building and lined up so that they could see the company working the fire fighting equipment.

Teachers in the student's home-rooms will carry on with fire-prevention instruction all this week.

Rotarians Have A Sweet Tooth

Local Rotarians proved they have both a sweet tooth and a civic pride at their meeting in the General Sutter Hotel Tuesday evening. With massive Wilbur chocolate almond bars stacked in front of him, Dr. Rodney Welch delivered a classification talk in which he pointed out the intricacies of manufacturing and selling chocolate.

At the close of the talk, the chocolate bars were auctioned off to members of the club, raising a total of \$51 which was donated to the Recreation Center. William Bell, Center director, contributed his leather lungs to the auctioneer's stint.

In his talk, Dr. Welch described the growing, harvesting, drying and marketing of the cocoa bean and the procedures used in manufacturing the coating. Members of the club will meet next Tuesday in the new Center building where, following their dinner, they will tour the building.

Author To Address Club Women Monday

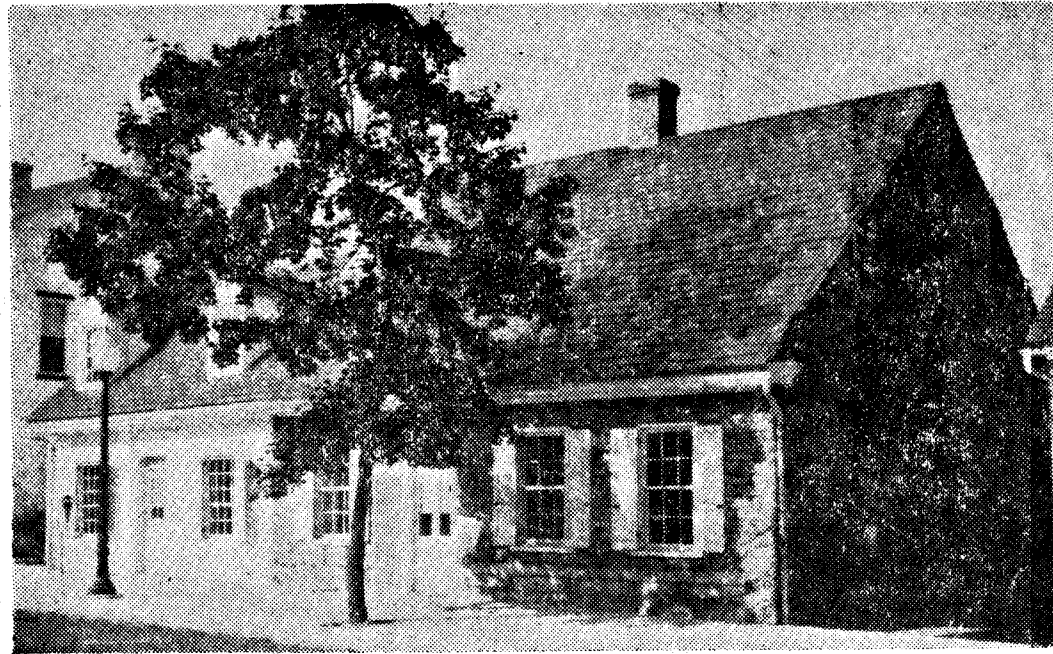

The October meeting of the Lititz Women's Club will be held in the main meeting room on the first floor of the Recreation Center, Monday, October 16, at 8 p.m. All club members and their husbands are invited to attend.

"Russian Roulette on the International Scene" will be the topic of discussion by Vincent R. Tortora. Mr. Tortora comes from New York, where he received his early schooling. During World War II, he enlisted in the U.S. Navy and saw duty in the South Pacific. At the conclusion of the War, he entered Franklin and Marshall College in Lancaster. From there he took a degree in social studies. In 1950 he was granted a scholarship for graduate study abroad. For the next two years he studied International Affairs under outstanding professors at the Universities of Perugia and Padua in Italy and the University (Continued on page 4)

Senior Citizens To Meet Thursday

The Senior Citizens will hold their monthly meeting on Thursday, October 19 in the new Recreation building. It is requested that all make their payments at this meeting for the bus trip scheduled for Wednesday, October 25 to the Gladfelter Paper Mill at Spring Grove and the Musselman Cannery. The Jayneees will entertain and provide refreshments.

FOUNDATION FAVORS RESTORATION

Restoration of the historic Wissler House on East Main Street at Church Square and filling it with furnishings of a century or so ago, is being visualized as the start of a lasting community project here. — Record-Express Photo.

Would Restore Wissler Home But Not For Archives or Museum

The historic Wissler House on East Main Street at Church Square will be acquired and restored — but will not be used to house either the archives museum or the public library.

This was the tentative decision reached by members of the Lititz Historical Foundation following a tour of inspection of the aged dwelling on Saturday afternoon. Approximately thirty-five persons made the tour and attended the meeting later to discuss possibilities of restoring the building.

In their discussion, members of the committee agreed that it would not be practical to attempt to house the valuable archives collection in the original part of the dwelling inasmuch as records of this type should be kept in a fireproof structure. It also was felt that the dwelling is not large enough to house the public library.

It was felt that the Foundation should purchase the property and restore it as it was over a century ago and to fill it with all antique furniture of this period attainable. The committee also thoroughly explored the possibility of constructing a 2-story fireproof building at the rear of the property, when funds of the new Foundation justify. This building would house both a historical museum and a public library and would have an entrance leading to Main Street.

By starting out restoring the Wissler Property, there is a strong likelihood that the

Foundation will be able to have the museum made a state-sponsored one with funds available from the state for this purpose, the committee members asserted. Funds already are available for communities which have the right setting and which agree to follow state specifications, it was said.

The official decision of the group may be reached at the next meeting Tuesday evening in the Recreation Center, providing the charter for the Foundation has been granted by then.

Feels Zoning Here Should Be Stricter

The tables were turned on the Zoning Ordinance Thursday night when Robert Derek, local engineer, rose in the planning commission meeting and questioned whether the zoning regulations were strict enough in regard to the proposed Sutter Village project.

Derek argued that anytime anyone fits 628 families into 118 acres of land that the land value will decrease and that it will pull the surrounding areas down with it.

"Why can't the planning commission really plan this area and just tell these people that they can't make that high a density project there," Derek stated.

Garth Becker, planning commission chairman, explained to Derek that the planning commission could only enforce those regulations already in effect in the borough.

"You may feel that the lots are going to be too small but they do comply with the zoning regulations for an R1 area which this is. We have made sure that the development will have storm sewerage and that

the streets and homes will comply as well as possible with the already-developed surrounding area.

"That is as far as our power goes. As long as a man complies with the regulations we can't tell him he can't build on his land, and this man so far is complying with the regulations," Becker concluded.

Sutter Village is a proposed housing development, complete with shopping center, to be built in the southwest sector (Continued on page 8)

Lititz P.T.A. Plans Visitation

The Parent Teachers Association will meet on Thursday, October 19, room visitation will begin at 7:30 p.m. and the meeting will be held at 8:00 p.m. in the auditorium of the Elementary school building.

William Bell will speak on the subject "What the Recreation Program Offers the Elementary Student." Richard Grube, the president, will preside.

Warriors - Knicks Will Stage Exhibition Game Here Monday

Frank McGuire's Philadelphia Warriors and Eddie Donovan's New York Knicks will stage their last exhibition game at the Warwick High School gym this coming Monday at 8:30 p.m. The game is sponsored by the Lititz Lions club for the benefit of community projects.

Big Wilt "The Stilt" Chamberlain, who led the NBA in scoring and rebound for the past two years, will be the center of attraction. The 7'1" center is a graduate of the Overbrook High School in the Phila. region and finished his college in Kansas.

Paul Arizin, the Villanova star, having announced his retirement at the end of last seasons play, has been reinstated by the Warriors and will be on hand for the game. Paul will be shooting for his 15,000 point this year, since entering in the NBA.

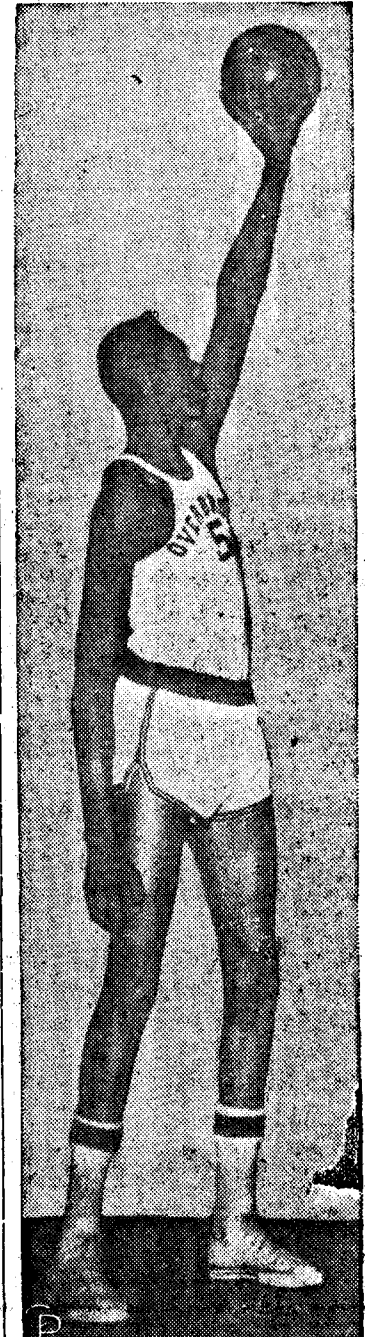

Tom Meachery, Ted Luskenbill and Frank Radovich are the draft choices of the Warriors and will be fighting for the other forward spot with Arizin. Frank Radovich came to the Warriors from the St. Louis Hawks in a trade for Joe Graboski. He is 6'8", and an Indiana graduate. Joe Ruklick and Ed Conlin will make up the other two forwards.

Tom Gola will be along with Guy Rogers in the back court and will captain the Warriors this year. Also in the back court will be Al Attles, Bill Pelaski, Ray "Corky" Withrow and Carl Green.

The New York Knicks will have five newcomers with them this year along with Willie Naulls, Richie Guerin, Johnny Green and Phil Jordan back for another campaign. Dave Budd and Darrall Imhoff will return for their second season in the hopes they will benefit from their last year's experience.

Coach Donovan is looking forward to his new arrivals to give the squad needed all-around strengthening. Among the rookies are Whitey Martin and Sam Stith, both of whom played for Donovan at St. Bonaventure Univ. Martin is the play maker standing at 6' (Continued on page 4)

Local Churches Sponsor Rally Day Program

Dr. Lawrence Daniel Folkemer, noted theologian, will be the speaker at the Warwick Association of Churches Rally Day to be held this Sunday evening at 7:30 p.m. in the Trinity Evangelical Congregational Church, Cedar and Orange Sts.

One of three Lutheran ministers in a family of four sons, Dr. Folkemer is at present a Professor of Theology at the Lutheran Theological Seminary in Gettysburg.

Founder and Head of the Department of Religion at The George Washington University from 1947 until 1954, he is well versed in the problems of Contemporary Christianity.

Dr. Folkemer will speak on "Imperatives for This Age", taken from Philipians 1:10.

The annual joint rally day held by the Association, the service will be a united one with each of the ministers from the member churches taking a part.

The host church will lead the singing and will be under

the direction of Harry Neidermyer. The church organist is Mrs. Warren Newcomer. The Association issues an open invitation to the residents of the area to attend the annual united service to be held in Lititz.

Club Completes Plans For Stamp Auction

Members of the Lititz Stamp Club made final arrangements for the auction to be held Thursday, October 26, for the benefit of the Lititz Recreation Center.

Bid sheets have been made up and sent to the York Reading, Harrisburg, Lancaster, and RCA Stamp Clubs for distribution to members of those clubs. Lititz Stamp Club members received the same through the mail.

Anyone not a club member may have a copy of the bid sheet by calling at 135 S. Broad St., Lititz, or by phoning MA-66882. Any collector is welcome to attend and participate in the auction.

The bid sheet list 56 lots of material including United States Covers, first day covers, three and plate blocks. Under the foreign heading are such items as mint British Colonies 1935 Silver Jubilee sets, miscellaneous sets, first day covers, covers, a collection of 210 different Mexico and also over 100 different Italy both on album pages.

The face value on a few United States lots is as low as \$4 ranging up to a mint item with a catalogue value of \$11.50. The foreign material ranges from a set of four sheets from Bundi (India) which is not catalogued to a set of the 1934 Architects Issue of Austria listed at \$18.00.

More items will probably be available for the auction, which will be held in the new Lititz Recreation Center, Thursday, October 26th starting at 7:30 P.M.

Candidates To Discuss All Issues

Workers Of Five Local Districts Will Participate

Republicans of five local districts will participate in a Republican Area Rally to be held next Wednesday, October 18.

The rally which is the first of its kind to be held here in the past several years, will convene in the Brunnerville Fire Hall at Brunnerville at 8 p.m. and will include workers, candidates and party members of Clay, Elizabeth, Penn and Warwick Townships and Lititz Borough.

Justice of the Peace Richard Hoffer, area chairman, who completed plans for the rally, emphasized that the public, whether Republicans or not, are invited to attend.

"Candidates from all parts of the area as well as the county will be present and it will be interesting for all to see, meet and hear them," Mr. Hoffer explained. "We are hoping to be able to fill the Brunnerville Fire Hall to the very doors and if anybody can't get inside, we'll amplify the program for the benefit of those outside."

Committeemen and women of the various districts also were requested to bring at least five of their local work- (Continued on page 8)

\$125 Total In Lucky 30 This Saturday

The Lititz "Lucky 30" jackpot climbed to \$75 dollars this week as for the Second Saturday in a row the coveted vouchers went unclaimed.

This means that this weeks "Lucky 30" drawing will offer \$125 in prizes to lucky Lititz shoppers.

Ida K. Schoff, Mountville, won the \$25 in merchandise vouchers for the person who need not be present.

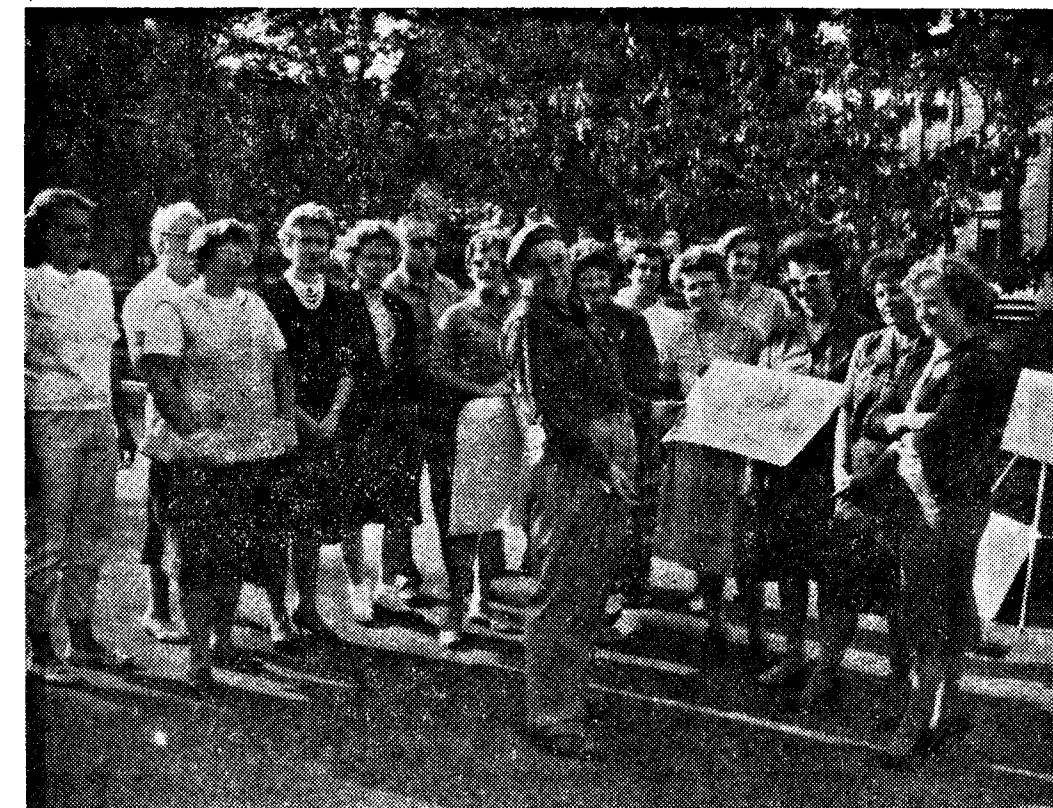

The \$25 in vouchers for the person who must be present was won by Mrs. William Weachter, Elm.

Local shoppers are urged to register in their local stores and to come Saturday at 10:30 a.m. to the drawing near the square.

BLAME IT ON INDIAN SUMMER!

Lovely October weather, which is never more delightful than down in the Springs Park, obviously had a stimulating effect upon local artists, several dozen of whom showed up early Tuesday afternoon with their paint boxes, easels and canvases. After painting all afternoon, the group gathered at the front basin at 4 o'clock for a critical review of their efforts by the well-known artist, Charles X. Carlson, who has enacted the role of great, white father to the Village Art Group.

In the photo above, Mr. Carlson is analyzing a water-color of a park scene, completed during the afternoon by Dr.

Walter Shuman, only other male member of the group to show up. It seems obvious that Mr. Carlson is well pleased with the local media's work of art.

Others in the group are, left to right: Mrs. Harold McCleary, Mrs. Richard Alibach, Mrs. Charles Wagaman, Mrs. Edward Soldner, Mrs. Robert Henney, Dr. Shuman, Mrs. William Miksch, Mr. Carlson, Mrs. Harry Wagaman, Mrs. Norma Keiffenmiller, Mrs. Helen Coryell, the former Betty Walker who drove from Harrisburg to participate; Mrs. William Bell, Mrs. Fred Weaver, Mrs. Henry Ross and Mrs. Lowell Keath. — Record-Express Photo.

OBITUARIES

Services For Mrs. J. Bender

Services were held Wednesday at the Moravian Church for Mrs. John W. Bender, thirty-nine, who died Monday at her home after an illness of two years.

Interment will be in the Moravian Cemetery with the Rev. Marlin L. Schaffstall officiating.

Mrs. Betty M. Bender was the wife of Dr. John W. Bender, 205 S. Locust St.

Born in Lititz, a daughter of J. William Miksch and the late Anna B. Bender Miksch, she was a member of the Lititz Moravian Church.

In addition to her husband she is survived by three children, J. Richard II, Susan J. and David W., all at home; her father, who resides in Lititz; two sisters, Dorothy, wife of William H. All you need to know is the chain and picot loop and the triple stitch. For free directions, send a stamped, self-addressed envelope to the Needlecraft Department of this newspaper. Ask for your copy of Leaflet No. PC-1480.

HOME CANNING

It is not safe to can nonacid vegetables, such as peas and asparagus, in a boiling water bath; an oven, a steamer without pressure, or an open kettle. None of these will heat the vegetable hot enough to kill dangerous bacteria in a reasonable time, explains Louise Hamilton, Penn State extension nutrition specialist. Proper canner is recommended for all vegetables except tomatoes and pickled beets.

Kill Quackgrass

Don't wait until a field turns green with quackgrass before going over it again with a field cultivator, warns George Berggren, Penn State extension agronomist. Cultivate the field often enough so the roots can't get established.

Former Borough Resident Displays Works Of Art

A native of Lititz who first became interested in painting when he returned to Lititz for the Bi-Centennial five years ago, returned this week — to display paintings he has completed.

He is R. M. Shank, of Washington, D. C., who was born and raised in a small two-story house still standing on South Cedar Street opposite the school. And a highlight of his visit this week occurred Monday when Marion Weaver, local artist, presented him with a water-color of his former home.

Although a frequent visitor to his home-town, the one visit which stands out most clearly in his mind was when he returned for the Bi-Centennial and, while viewing an exhibit of the local artist group, decided that he was going to make painting and drawing his hobby.

The rapid progress he has made is illustrated in eight charcoal sketches and four pastels which were hung this week in Weaver's Restaurant along with eleven water-colors, the work of Mrs. Weaver.

Mr. Shank's offerings include: An Oriental Fog Scene; a Lady, Antique Shop, Buttonwood Tree at Rohrerstown; Road to Paradise, Pa.; Padre Island, Texas; Sentinel, First Snow, Waterford, Va.; two Georgetown scenes; Kitchen Chimney, Williamsburg, Va., and Storm Signals, Chesapeake Bay.

Mrs. Weaver's water colors include: Fall Flowers, Farm Beyond Home, The Leon F. Weit Home, Ephrata; Recreation Center; John Shreiner Home; Recreation Center, northeast view; Daisy Grubb

Estate, Mt. Hope; John Shreiner Barn and Tobacco Shed; Wood Corner School, near Clay; Covered Bridge at Retlaw's Mill; Reinhold Homestead, 27 Cedar St.

Midget Board Gives \$575 For Center Piano

Two organizations sponsored by the recreation department have made gifts available to the new Center it was announced at the Recreation Board meeting on Monday night.

The Midget Board of the Center donated \$575 to cover the cost of a piano for the center. The money represents proceeds from the Friday night dances sponsored by the junior high group.

Board member Forbes Em-sweller announced that through the efforts of the Senior Citizens 100 lap trays were being donated by Harris' Variety Store.

The Senior Citizens are also donating 100 coffee cups and 100 stainless steel forks and spoons to help equip the kitchen.

William Spacht, president of the board, announced that these and other donations will be recorded in the Dedication Book on display in the new center. He also stated that some furnishings are still needed and that they can be donated as a memorial.

The board announced that they have requested that the TV set, loaned temporarily by Kilbourne TV, be removed as there is no donation available to cover the cost of the set.

Report Local Man Missing

State Police this week were asked to help locate a local man whose wife reported him missing from home since last Thursday. He is Leon Eugene Wingenroth, thirty-five, of Lititz R1.

Wingenroth was apparently in good health when he left his home located along Route 322 between Clay and Bricker-ville, Mrs. Wingenroth reported. He was driving a green truck decorated with checker-board doors at the time. Wingenroth works at a feed mill at Mount Airy.

PRO BASKETBALL

(Continued from Page 1) 2", while Stith, who captained the St. Bonnies in his senior year averaged 19.5 points.

The other three newcomers rounding out the Knicks are 6'9" Cleveland Buckner, 6'11" George Blaney and 6'5" Bill Smith. Buckner is a draft choice from Jackson State (Miss) College and was a member of the U.S. squad for the Olympic Trials in 1960.

Blaney was the co-captain and star playmaker for the Holy Cross team, which won third place in the 1961 Nat'n Invitational. Bill Smith, who averaged 25 points a game for three years for St. Peter's College was an unanimous selection for the last season's All-Met first team.

This should be a real thriller watching the Warriors and the Knicks with their old and new blood in action next Monday, October 16th at the Warwick High School gym. These same two teams will meet in the NBA season opener at Madison Square Garden, Wednesday, October 18th.

Come early and listen to the Dutch Band headed up by Herm Reedy and John Keene. This group has plenty of entertainment in store for all you spectators, prior to the game and at half time.

Conference: A meeting at which people talk about what they should be doing.

FOR AND ABOUT TEENAGERS

She Doesn't Want To Hurt His Feelings

By C. D. Smith

THE WEEK'S LETTER: "This boy likes me a lot. But I don't like him. I have tried, but he just isn't my type. I don't want to see him any more; but I don't want to hurt his feelings. How can I tell him without hurting his feelings? Should I tell him to forget about me? What can I do?"

OUR REPLY: This is a ticklish situation for a girl with a tender heart. Some girls would simply say, "Get lost, friend" and let it go at that.

As far as we know, there isn't any painless way out of a situation

such as this one. Some girls will make a point of always being "busy" when a boy calls, hoping that eventually he will become discouraged and forget about the whole thing. But, some lads can be persistent, to the point that eventually the girl just has to tell him that she does not wish to see him or go out with him.

It is the opinion of this writer that the best solution is an immediate one. Simply tell the boy how you feel. "Look, Bill, you are a nice boy. I am glad to have you as a friend. But, as for dating or

going together, I don't think it's working out. Let's forget about it for now and still be friends. O.K.?"

These words tell the boy how you feel, but still don't just slam the door in his face. If he does like you very much, his feelings will be hurt for a time, but after he thinks about it, he will appreciate the fact that you were honest with him and that you left the door open with the words "forget about it for now."

Chances are that he will not completely forget about it. He will call, or try to see you. If you are busy, he will not be as unhappy as he would have been had you started giving him the "busy" signal all at once, for no apparent reason.

The important thing is to get the matter resolved. Sometimes, in an effort to be kind to people, we allow a situation to drag on and on, until it reaches the point where an amicable solution is quite difficult.

If you have a teenage problem you want to discuss, or an observation to make, address your letter to FOR AND ABOUT TEENAGERS, NATIONAL WEEKLY NEWSPAPER SERVICE, FRANKFORD, KY.

Pennsylvania bow hunters, although in force the first day, bagged only 88 deer according to Game Commission figures.

Rain or fog in some western counties reduced activity and the estimated number of hunters was slightly under that of the 1960 season.

Best results were obtained in the northcentral section where an estimated 50 hunters bagged deer.

Just a reminder, under a new provision of law, the penalty for failure to report a big game animal taken in open season is \$5.00. The kill must be reported within five days following the close of that season.

Woodcock season will be the next Pennsylvania season to open. The timberdoodle may be hunted starting October 14.

Best hunting areas are alder thickets and upland aspen, crabapple-hawthorn growths and swampy areas.

Most of the birds available to hunters will be migratory birds.

Only a regular hunting license is required (no migratory bird stamp is needed).

Season closes November 22 and daily limit is 4 birds per day.

Pennsylvania hunting has really become big business.

There were 849,365 resident licenses and 46,403 non-resident licenses sold in the 1960-61 season.

These figures set a new record for the state. In addition 68 thousand arctery and 229 thousand antlerless deer licenses were picked up by state nimrods.

Get in a crowd of hunters and you're bound to hear stories about kills, misses and unusual experiences afield.

But it's our opinion that where most fellows and gals too, miss the boat is not

taking advantage of the month of October for pre-season jaunts.

Time and time again we talk to some dog owner who tells us, "I just must get my dog out". And maybe with luck he does run him once or twice before the season. We're convinced it takes very little knowledge to train a dog to hunt. The big job for the hunter is to get that dog into the field.

We don't claim to be an authority on dogs but if the dog comes from good stock and you give him half a chance, he'll provide you with some of the best days afield you've ever experienced.

For you who are unfortunate and don't own your own dog, spend some time taking a walk. The weather this time of year is ideal and if you park in some farmers barn yard and show the gent you're interested in him other than on the first day of hunting season you may make a friend.

And, for goodness sake, try something new this year. Ask permission to hunt and then when you receive it act like a guest, for truly that's what you are you'll be surprised how many farmers are "regular guys" and will invite you back again.

You late river fisherman, don't give up. Water temperatures are dropping and game fish are becoming more active.

Saturday last we had six bass and two walleyes in the Columbia area.

Most fish are taken on artificial bait but the stomach of every fish we opened was crammed with crayfish.

One 13 inch bass had five crayfish, all about an inch and a half in length and still tried to gobble up an L & S jointed minnow.

CENTRAL TRIPS WARWICK 1-0 IN HOCKEY

Coach Joan Smith's fighting hockey team played a good defensive game against the Mannheim Central girls in a make-up game at the Warwick field last Friday, but were unable to score despite several attempts.

Mid-day in the first half, Central's right inside, Moll, tallied, which was the only score of the game. This gives the Warwick girls a 2-3 record for the year thus far.

In the JV game a duplication took place with the Central team taking a 1-0 verdict over the Warwick squad. The girls will be traveling to Hempfield tonight in an effort to even their standings.

Bill Lindeman and Dale Huber Drive, Behind Good Defense

The high spirited, determined Warriors proved too much for John Feyock's Solanco squad last Friday night, winning by a decisive score of 34-0 on the losers field. Dale Huber opened up the second quarter carrying the ball 49 yards in a 52 yard drive for the first touchdown of the game. Bob Wolfe then kicked his first of four extra points putting the Warriors out in front 7-0.

After driving the Solanco offense deep into their own territory they were forced to kick. Paul Beittenmiller gave the ball to Dale Huber on the midstripe and the speedster ran the ball back to Solanco's thirty-seven. It was the combination of Wolfe and Lindeman passing to Poss Nagle which gave the Warriors their second score. The final play was Lindeman passing to Nagle from the fourteen of Solanco for the score. The extra point by Bob Wolfe was good and sending the Warriors further in front 14-0. This is the way the half ended.

In the first half the Warriors had a net ground gain of 110 yards and a net air attack of 31 yards. The Solanco squad was held to gaining only 9 yards total, having been thrown for 31 yards loss by

the strong defense of the Warriors. Immediately after the kick off by Lindeman, Poss Nagle was hurt suffering a broken nose. This didn't stop the captain as after a quick medical treatment the ace end was back in action.

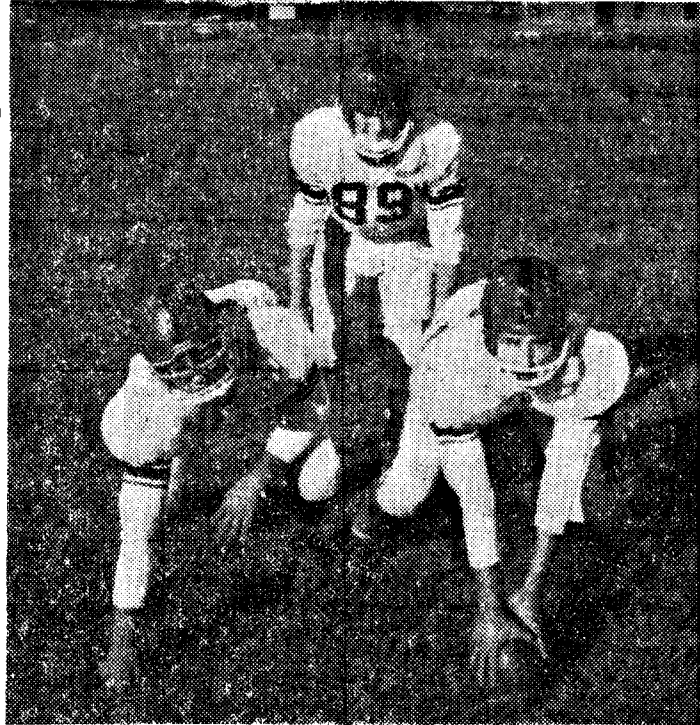

Solanco was forced to punt on a series of downs, but quickly recovered a fumble on the Warwick 36 yard line. Once again the strong defense

PLAYERS OF THE WEEK

Left to right: Jones, Loose and Leeking.

Jones, Leeking And Loose Warriors Linemen

Starting in the front row on the left is Al Jones, son of Mr. & Mrs. Elton C. Jones of 444 S. Broad St. This is his fourth year of football, starting with eighth grade Junior High ball.

A Junior this year, Al is taking the academic course in preparation for college. Being asked which college he has in mind, Al commented, "It's a little too early to decide which college and what subject I plan to major in." With the progress and potential this fellow is showing, there should be colleges after him.

Al is also interested in wrestling and track. In track, the shotgun hurling is his specialty. He is high on the scholastic list, being on the honor roll in his freshman and sophomore years.

"The football team is a spirited one and has learned quite a bit from the first two games of the season," said Al. He also claimed, "We have as good a chance as anybody else for the league title."

Al has played under the coaching of Mr. Schoenberger since eighth grade and has high praise for his coaching. He feels the assistant coaching is very good as they take an interest in the boys and work

just as hard as the players themselves.

Next to Al is Mike Leeking, a senior who stands 5'11" and weighs 160 pounds. He is the son of Mr. & Mrs. Edward R. Leeking from Lititz R.D. #4.

Mike has picked the general course, with the Air Force in mind after graduation. This marks the third year of football for Mike, who has played the center position throughout.

His other sport of interest is wrestling. When asked, what was your greatest thrill in competitive sports, Mike replied, "When I was matched against Snyder from Solanco, who later went on to All State and District titles." Mike lost the match on a fall, but is his unforgettable thrill.

"If the football team keeps hustling and doesn't give up, we will come out on top for the conference title," claimed Mike. He also replied, "The coaching staff is a great one, in fact the best in the county."

Center of the picture is Ron Loose, a 5'9" - 160 pound Junior. (Continued on page 7)

Fighting Irish Win 28-0; Jr. Giants Hold 1st

The Fighting Irish from Brunnsville, coached by Terry Grube and Terry Keith, won their first ball game in three years defeating the Red Raiders by a score of 28-0 in the opening game.

Quarterback John Clark led his team to the victory scoring three touchdowns and one extra point. His first came on a punt return from the Raiders 30 yard line. After Mike Dougherty and he carried the ball from the Raiders 45 to the 15 yard line, John went around his own right end for the score. The third TD came along when John intercepted a pass on his own 45 yard line and scampered, behind some nice blocking, 55 yards for the touchdown. Mike Dougherty made the fourth TD on a ten yard run over his left end. The extra points were scored by Moyer (2), Worley and Clark.

Scoring: 1 2 3 4 T
Brunnsville 7 7 0 14 28
Red Raiders 0 0 0 0 0

In the second game, the Junior Giants maintained their league lead by shutting out the Rothsville Lions by a score of 12-0. With the time running out in the second period John Helter went to the air starting on his own 38 yard line. A pass to Richard Shirk was good to the Rothsville 32. Helter quickly snapped a pass to his end Oehme which was good for the touchdown. Extra point attempt was no good and the score stood 6-0 with the Giants out in front at half time.

No scoring was made in the third period, but when Rothsville made a desperate attempt to make a first down on a 4th and 1 situation the ball was bobbled and given over to the Giants on the Rothsville 21 yard line. Six plays later John Helter went over center on a keeper from the six for the score. The extra point was no good and the final score remained 12-0 in favor of the Giants.

Scoring: 1 2 3 4 T
Junior Giants 0 6 0 6 12
Rothsville Lions 0 0 0 0 0

Next week the Junior Giants and the Brunnsville Fighting Irish meet in the first game with the Rothsville Lions and the Red Raiders meeting in the second contest.

League Standings W L T
Junior Giants 2 0 1

SPOTLIGHT ON SPORTS

By Ken Simmons
Lititz Record-Express Sports Writer

Viewing the first game of the World Series at Yankee Stadium was a real thrill, but from all indications it looks like the Yankees to me. I would rather see the Reds win the series, but the Yankee pitching strength and hitting will tell in the remaining games.

Cletis Boyer made a sensational stop on the ball which pinch hitter Dick Gernet hit and threw him out at first on his knees. Whitey Ford had the sluggers of the Reds looking like beginners only allowing 2 hits and having just three balls fielded by the outfield.

Bleachers seats are alright but you need a good pair of eyes to view the game. The characters you run across in that section put on quite a show which pull your eyes away from the game temporary. All in all I had an enjoyable day in New York, not only seeing the game but seeing a Stage Show called "The Unsinkable Molly Brown". Dinner was excellent, "Filet Mignon".

For those concerned about the article I wrote, which gave credit to the custodians at the Warwick High School having the new athletic field in good shape for the opening game against Mannheim Central. I did not mention the cleaning of the field after the game. As I understand, the Seniors are responsible for cleaning the field after each home game and are doing a fine job. I'm sorry seniors if I slighted you in any manner, but the information hadn't reach me until last week.

Once again the Cheerleaders were helping to build the spirit.

POLO GAME SUNDAY AT ROTHVILLE

The Lancaster Polo Team will play the Goose Creek Polo Team from Lincoln, Virginia this Sunday on the Rothsville Polo Field starting at 2:30 P.M.

This game will be one of the best games of the season. Hap Puelicher from Lincoln, Virginia, is the Captain of this team and he carries a 4-Goal handicap. All these players as well as the Lancaster Polo players are members of the US Polo Association.

ANTLERLESS DEER

The gunning season for antlerless deer in Pennsylvania this year is one day only-Dec. 18. The season limit is one.

it high. It seems that a fire drill was held at the High School last Friday, prior to the Solanco game, when who would be seen riding on the Fire Truck giving out with the cheers and school songs, but the Cheerleaders. What was the outcome, SPIRIT and DETERMINATION, as the Warriors displayed in their third straight victory over Solanco 34-0.

Let's give them the real treatment for the coming game with E-Town. Cheerleaders, see you at the Park, Friday night 8:30 p.m., at the PEP RALLY.

The game at Solanco last Friday night ended as much had expected, but did you take notice to the new addition to the backfield? Terry Grube and Mike Long filled in for Dale Huber and Paul Beittenmiller at halfback and performed like veterans. Terry started the drive with 3 carries good for 32 yards total and Mike Long clinched the scoring drive with 2 carries for 12 yards. Mike went over left tackle from the ten yard line for the score. The two lads like the duty, so who knows, we might be seeing more of them in the games to come.

The scoreboard has finally arrived in Lititz and should be ready for the contest with E-Town. The School Board counted on the public to cover the cost and you sports fans showed them you were interested. I'm sure the maintenance cost won't be too great, so this should be taken in consideration when the budgets are formed. Let's hope the public won't have to cover this expense. From all of the football players to the public, LOADS OF THANKS.

The Boosters will take a collection during the E-Town game, which will close the balance due for the scoreboard. So when the plate is passed by you, look what a small contribution has given to us on the North End of the field.

The Midget football is in high gear with the Lititz Jr. Giants, coached by Bob Gibson, setting the pace. This coming Sunday will mark the second round for the midgets with a big game in which the Junior Giants will play the second place Brunnsville squad for the league lead. This could very well mean the difference in the drive at the title for the Giants and Brunnsville. So long for now—

 nior, the son of Mr. and Mrs. Raymond Loose of 425 Springs Ave. This is Ron's first year of varsity football, and finds the end spot to his liking.

He is enrolled in the general course and plans nothing at this time for the future. With the world in the situation it is presently, Ron like everyone else, looks forward to either joining the Army or Air Force.

Ron has shown the coaching staff his natural ability to play the end position and along with the timely blocking has gained a starting roll. This should be an example to all those interested footballers, that desire to fill a position can only be done by hard work and determination. Our congratulations to you Ron, keep up the good work.

Baseball is Ron's other sport, holding down the mound chores. This youth has developed himself to be one of the best pitchers Lititz has produced.

League Plans Shooting Match

Plans to hold a Shooting Match were made at a meeting of the Board of Directors of the Young Men's Business League on Monday evening at the League. The Match will be held on November 18th at 1:00 p.m. on Paul Balmer's farm. It will be held rain or shine.

It was also decided to put up a railing at the front steps of the League and to sheet the side of the barn for protection. The tentative date for the Christmas party was set for December 11th.

Lloyd Long, the president, was in charge.

Improved considerably from the start and as long as everybody maintains the aggressiveness as they did in the Manheim Central game, at Manheim, we should come out alright this year. The coaching staff is very good and corrects your mistakes on the spot, which helps you to improve."

Dukes Defeat Center Team In Table Tennis

The Lancaster Dukes defeated the Lititz Recreation Center Table Tennis Team in their first match of the season, by a score of 9-0.

Parent's Day, Warriors Host To E-Town Sat.

Coach Stan Schoenberger has announced that this Saturday will be "Parent's Day". Players, the Booster club members, Every parent of the football players and the coaches of the Midget teams are invited to witness the pre-game preparations which are done to the football players. This will take place in the gymnasium, commencing at 12:30.

This Saturday the Elizabethtown Bears will invade Lititz in a desperate attempt to upset the Warriors. The Warriors having won their last three outings are aware of the Bears capabilities and will be hitting hard from the very start. This game is very important to each club as each have identical records of 3-1.

If the Warriors use the strong defense they have displayed in the past three games there is no question of the outcome. Bill Lindeman, Dale Huber, and Paul Beittenmiller, under the fine Quarterbacking of Bob Wolfe, will handle the backfield, while Loose and Nagle will cover the end positions.

Remember all you Parent's, Boosters and Midget coaches, be at the gym at 12:30 and witness the pre-game preparations.

Good Luck Warriors—

The ladder of life is full of splinters, but we never realize it until we begin to slide down.

High Women Bowlers Listed

Mrs. June Maharg with a 172 single and Mrs. Dot Rosenberg with a 455 triple took high honors in the recreational Women's Afternoon Bowling League.

Other high singles: Mrs. Jane Peters, 171; Mrs. Rosenberg, 171; Mrs. Florence Schmeck, 156; Mrs. Helen Forry, 154 and Mrs. Gloria Becker, 153.

Other high triples: Mrs. Schmeck, 451; Mrs. Becker, 423; Mrs. Maharg, 418; Mrs. Peters, 395 and Mrs. Forry, 385.

Women who would be interested in joining this program may contact the Recreation Office at MA 6-5096 or by coming to the bowling alley Tuesday at 1 p.m. A six or eight team league will be formed beginning the last week in October. Baby sitting is provided if needed.

BILL LINDEMAN

(Continued from Page 6)

set up by Nagle, Landis, Jones, Kulp, Beittenmiller and Huber held the scoring threat by the Mules and took over on their own 20.

Wolfe on a keeper moved the ball to the twenty-six and Bill Lindeman once again put on a fine display of open field running carrying the ball 54 yards to the Solanco 20 yard line. From this point it was Dale Huber's turn, moving around his left end racing 20

yards and the touchdown. The extra point by Wolfe's placement was good increasing the score to 28-0.

Two plays after the kick-off by Lindeman, Dale Huber recovered a fumble on the forty yard line of Solanco. At this point Coach Schoenberger called on his converted endmen to take over the halfback positions for Huber and Beittenmiller. Terry Grube and Mike Long in a series of five plays put the ball on the ten yard line in position for Mike Long to go over his left tackle and the TD. Wolfe's placement was wide, but widened the gap to 34-0.

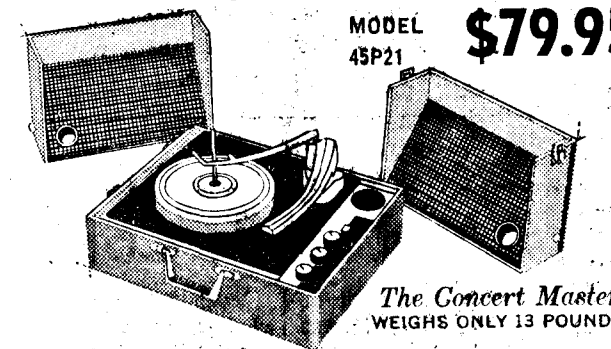

From this point on the entire squad was shuffled in and out. The Mules threatened a score when Jim Shillow carried the ball across the goal line from his own thirteen, but was nullified when a clipping penalty was called against Solanco, moving the ball back on their own 28. The ball was given to the Warriors on downs and the game ended with the Warriors winning their third in a row by a score of 34-0.

Choir's 10th Trip To Valley Forge Sunday

The Senior choir of the Moravian Church will make its 10th annual pilgrimage to Valley Forge on Sunday, when they will present several anthems in the Washington Memorial Chapel.

They will be accompanied by the Trombone Choir of twenty men who will play on the lawn. The occasion is Washington Day when the annual of Washington State University hold a Tea on the grounds.

The choirs will then proceed by two busses to Philadelphia where they will play in the First Moravian Church. The Philadelphia Branch of

the American Guild of Organists will be guests. The Senior choir will present a program of anthems from the early American Moravian series with Harold T. Stryker as narrator.

They will sing some of the early arias of the Church with Mrs. Rochelle Erb Dietz as soloist, also some Christmas numbers, the traditional Morning Star with Barbara Mitchell as soloist. There will be a quartet with Mrs. Dietz, Mrs. George Keehn, Tom Keehn and Mr. Stryker. Mrs. George Keehn will direct and Mrs. Kenneth Whitmyer is the organist.

Center To Sponsor Pass And Kick Contest

The Warwick Recreation department and Keller Bros. Book Company will sponsor a Pass and Kick contest. Competition will be open to all grade school boys, age 6 through 10. Boys who have reached their 6th birthday by August 28th, 1961, but have not reached their 11th birthday by November 26, 1961 are eligible.

Entrants may register with the Recreation Office at the new J. Walton Bobst Recreation and with Mr. Robert Alsbach, Lititz Elementary School Physical Education teacher. Entrants will receive a badge, booklet on passing, punting and place kicking tips by National Football League stars and an official 1961 National Football League guide book. There is no cost for this program.

Registration will be accepted beginning Thursday, October 12th and ending October 20th.

Local competition will take place on Saturday, October 21st at 9 a.m. at the old Warwick High School football field. There will be fifteen local prize winners, 1st, 2nd and 3rd in each age group. First prize will be a complete football uniform; second prize will be a warm-up jacket; and third prize will be a new football.

This contest is a National Contest with the country divided into fourteen regions. In each region, five winners, one for each age group, will be picked to take part in the National Contest.

To get your prospect lukewarm, you have to get your-red hot.

More Than 600 Persons Attend Impressive I. O. O. F. Ceremony

Impressive ceremonies marking the public installation of officers of the Lititz Lodge of Odd Fellows were witnessed by more than six hundred persons who packed the auditorium in the new Recreation Center here Saturday evening.

In addition to a full-dressed display of lodge and fraternal rituals, the installation was given a truly international flavor with the fast-stepping, precisely-trained drill staff of the Niagara District No. 22, from St. Catharines, Ontario, Canada, conducting the program.

The visiting Canadians highlighted their service with the presentation of gavels to the local lodge "as symbols of the warm feeling of friendship between our two great countries." A large Canadian flag also was presented to Carl Reedy, deputy grand master of the Grand Lodge of Pennsylvania.

Prior to the formal installation ceremonies at the Recreation Center auditorium, the Canadians and their hosts gathered for dinner at the General Sutter Hotel. Afterwards, the entire audience of some 500 was invited to inspect the re-decorated lodge rooms of the local IOOF, and everyone was served Moravian sugarcake and coffee.

Featured in the procession to the ceremonies was the installation staff of Berks County, members of which are due to travel to St. Catharines, Canada, next week, to officiate at a similar ceremony.

Among the dignitaries, visiting from several states, was Melvin Wells, who has served as a past grand master, IOOF, for 53 years.

The Canadian installing staff comprised James Blakie, Frederick Tullen, William Yaxley, Harold Cove, Howard Brooks, Orville Lounsbury, Ernest Ruddle, Edward Chamberlain, Albert Hagan, John George and Everitt Smith.

Officers of Lititz Lodge No. 1050, IOOF, include John Himelberger, Herbert Clausen, Robert Derr, Raymond Reedy, Carl Reedy, Edward Grosh, Russell Ulrich, Richard Oberlin, Roy Clair, Raymond Pettyjohn Jr., Harvey Haddad, Franklin Schleith, Sylvan

ZONING

(Continued from Page 1) tion of Lititz by John Kendig and Allen Goberman, Lancaster developers.

Allen Goberman had announced earlier in the week that he hoped to be able to begin construction on the homes sometime in November, however construction can not begin until the final plans have been approved by both the planning commission and the borough council. Goberman has not submitted the final plans to either of the governing bodies as yet and the soonest he could do so would be at the November 2 meeting of the Planning Commission.

The planning commission also announced that this year they will be concentrating on the storm sewer problem, the watershed west of the borough, and capital budgeting.

CANDIDATES

Clay: A. B. Lane and Mrs. Daisy Eberly.

Elizabeth: Leroy Ulrich and Mrs. Elizabeth Zwally.

Penn: Junction District, Lloyd Cope and Nora Cope, South Penn, Kenneth Miller and Alberta Nissley.

Warwick: Warwick—Warwick District, Arthur Adams and Mrs. Ruth Tennis, Warwick—East District, Sol Strohm and Mrs. Paul Ibach.

Lititz Borough: First Ward, Raymond Reedy and Mrs. Ellen Stark, Second Ward, Andrew Shissler and Mrs. Evelyn Helder, Third Ward, Glenn McElroy and Mrs. Effie Brobst.

According to Mr. Hoffer, the meeting will be "an open discussion meeting" and candidates will answer all questions and discuss all issues concerning the offices for which they are running.

A social hour will follow the meeting and refreshments will be served.

Two Local Homes In County Tour, October 21

Two Warwick area homes are among fourteen included in the fourteenth annual Lancaster County Day, Saturday, October 21, sponsored by the Lancaster Art Association for the benefit of the Art Center.

The two homes, owned by Mr. and Mrs. S. Gerald Darlington and Mr. and Mrs. Ivan Behmer, were both a part of the Speedwell Forge property and were chosen for both their age and their charm.

Mr. and Mrs. Darlington's property, Speedwell Forge, was built of brownstone in 17-80 and is one of the finest of Lancaster County's ironmaster's mansions.

The three story, twelve room has been preserved in perfect condition, even to fireplace fixtures and curtain pulls. There are four corner fireplaces and there are cupboards with the original "H" hinges in nearly every corner.

The Darlingtons acquired the property in 1942 with 700 of the original 1000 acres. The home has some lovely antique pieces originating in the Darlington family.

The old stone office building, which was used for records when the farm housed the famous trotting horses, has a large fireplace reaching to the top of the open-beam ceiling.

The Behmer home is one of the original tenant houses which belonged to the Speedwell Forge property. Among the many interesting features is a stone walk-in fireplace. Visitors will be delighted with the unusual barn, recently built in the early style of sandstone and heavy framing timbers of fir from the West Coast joined together with wooden pegs; the weatherboarding is of cypress wood.

The tour rate to enter all of the fourteen homes is \$3.00 and there will be no partial rates for individual homes or portions of the tour. For tickets send a self-addressed stamped envelope to Mrs. D. Paul Meyer, 636 N. President Ave., Lancaster, Pa. Bus reservations can be made for the tour day at an additional cost of \$2.00.

Tour tickets are also available at all open houses on Tour Day, October 21. The homes will be open from 10:00 a.m. to 5:00 p.m.

Other homes included in the tour are: Dr. and Mrs. Dale M. Posey, 2511 Mondamin Farm Road, Lancaster; Mr. and Mrs. Charles J. O'Connor, Jr., RD 1, Leola; Mr. and Mrs. Herbert S. Levy, 600 River Drive, Lancaster; Col. and Mrs. J. Hale Steinman, Conestoga House, Marietta Pike, Mr. and Mrs. Daniel Rhoads, Oakwood Lane, Lancaster; Mr. and Mrs. H. H. Haverstick, Jr., 2220 Manor Ridge Drive, Lancaster; Mr. Edward Kiefer, Charlestown Road, RD 2, Lancaster; and Mr. and Mrs. Simon Mohr, Stone Mill Road, RD 2, Lancaster.

Also included in the tour are: The Lancaster Art Center, 22 E. Vine St., Lancaster; The Brunswick Hotel, N. Queen and Chestnut Sts., Lancaster; and the Stevens House, W. King and Prince Sts., Lancaster.

America's Home-Town Press

This newspaper—along with the 9,000 other weeklies in the nation—takes prideful note of the 22nd annual observance of National Newspaper Week beginning October 15. We'll celebrate by continuing business at the same old stand—getting out the very best issue we can.

Meanwhile, Guy Easterly, the hard-working president of the National Editorial Association and fellow publisher of the LaFollette (Tenn.) Press, has a few words to say about honoring America's home-town press—words that express exactly why we publish this newspaper. Take it away, Mr. Easterly:

"This year's celebration is being launched under the slogan, 'Your Newspaper—Heritage of Truth, Frontier of Freedom.' Nowhere more in America than in Home-town America is this slogan so true.

Discussing Our Problems Together!

We're not, generally speaking, in favor of any more organizations. Fact is, if anything, we're well over-organized as is.

But the need for closer co-operation between Lititz Borough and the surrounding townships is so needed and will become increasingly so as this entire section builds up, almost dictates a new organization.

The other night we had the privilege and pleasure of sitting down with a group of Warwick Township residents and seriously discussing the many similar problems facing both the borough and the township. And, surprisingly enough, one of the Warwick Township men ended up the discussion with the observation: "The day will come when it would be desirable to combine the borough and the township — just to get things done efficiently."

The closing of the Kissel Hill Road is only one example of where common interests are defeated by the border line separating the two districts. But far more important is the need for sewerage and water facilities just beyond the borough line. And this need is going to become more acute month after month. And when you tackle water and sewerage, the two districts together will come up with the real economic answer a lot sooner than separately.

Streets, lighting and police are three more services which could be combined, although this sort of thing isn't going to happen any time in the foreseeable future. But — to be practical — all of these problems could be discussed jointly if Warwick, Elizabeth and Lititz merely set up the ways and means, sort of a district planning commission but, in this case, one made up solely of borough councilmen and township supervisors.

If nothing else developed, the three groups would, at least, get things on a more friendly basis, and that would be something!

Zoning Misconceptions

When it comes to borough zoning, misunderstandings seem to be the rule rather than the exception. Discussing proposed developments in new sections on the outskirts of town, local zoners argue that pressure here is responsible for lowering the zoning standards.

Yet, everyone who attended the hearings held in the borough offices, should remember distinctly that the so-called "pressure" was against and in opposition to too stringent zoning regulations in the older, built-up sections of town. Almost all of the objections voiced by local taxpayers were to the inability of owners of older and larger homes situated on small lots, to get permission to change these to apartment buildings. And in this respect, the regulations were lowered slightly — but not enough to make it possible yet to change most of these older homes into real sources of income.

All season we've heard veteran ball fans assert that Maris would not be the hitter he is if it were not for Mantle. This we just could not understand until the series for without Mantle following him in the batting line-up, Maris was not served up the same brand of tosses he otherwise might have expected. As we see it, Mantle still remains Mr. Baseball of 1961.

"For your community newspaper stands sentinel to guard the American way of life. That is our responsibility. We believe in the heritage of freedom, handed down by our forefathers. We believe in an honest day's pay. We believe in self-government — that in the hands of the people, our way of life is safe. And we believe that no socialized state or regimented society can replace that which we now enjoy.

"In this National Newspaper Week of 1961, we invite you, the reader, to re-examine your community newspaper, and determine its worth to your community. We invite criticism, for we know that through criticism, your newspaper may be better able to meet the challenge to greater improvements.

"Mid the Turmoil"

Fond memories often make big news!

In a weekly, that is, for instance, we got a lot of comment from last week's recollections of the arrival of ol' "7:20" at the Reading Station years ago which Captain John F. Hagen sent us from St. Augustine, Florida.

Quite a few local old-timers called up to tell us how much they enjoyed the article and to, of course, add a few more details. One of the most interesting concerns Former State Senator Grayb Diehm, who often was found, in those early days, down at the station when "No. 17" arrived.

Grayb, knowing that the Reading had added a Pullman to the string of coaches bet another bystander a cigar that there would be a colored man standing on the back platform. This worked for a week or so until everybody else was onto it.

We didn't know until we heard from Captain Hagen last week that he, too, is a member of the Record-Express alumni. "I became a roving reporter for the Express under John G. Zook around 1909," he informs us, adding "John and Ben Fass were in the printing department and I remember attending baseball games with Ralph Buch of The Record. I was sorry when summer ended and I had to return to college. To this day I like the smell of printers' ink and have been writing a weekly column for 15 years, under the caption of Thinking Straight."

Incidentally, if we ever planned to hold a reunion of all the fellows who worked for the Record and the Express in years gone by, we'd have to hold it in the high school auditorium, even if most of 'em didn't get much further than the printer's devil classification before graduating to more lucrative fields!

Thought-of-the-week: Don't brag. It isn't the whistle that pulls the train.

A kindly soul drops into the Brain Emporium to tell us that one hundred million dollars is spent annually on comic books — and that this is more than the annual book budgets of all public libraries and exceeds the amount spent for textbooks. That's anything but a comic situation, as we see it!

Swivel-Chair Reflections: Running a newspaper is one place you never get lost . . . too many readers always telling you where to go . . . but it's fun . . . with a lot of local folks now thinking of building fallout shelters, it looks as though the atomic age is going to change to the Aspirin Age . . . us, we refuse to worry about anything more serious than trying to meet the bills due . . . with the world series over we can expect equal time for football . . . getting even with some folks isn't a bad idea at all . . . only we ought to spend more time getting even with those who have helped us!

Lititz isn't the only town where folks get all het up over the loss of its shade trees. Up at Lexington, Massachusetts, there's been another skirmish and this one was not with the British — but with the town fathers over cutting down 60 trees in order to re-build one of the streets.

Remember when several local women temporarily halted the cutting down of trees down East Main St. two years ago? Well up at Lexington last week, a large group of aroused housewives formed human cordons around the trunks of the trees in order to keep workmen from cutting them down.

They won a temporary victory, just as was the case here. But up there the town fathers now are changing the plans so that most of the trees, at least, will be saved.

Frankly we never saw any subject arouse folks one way or other more

GAME CALLED ON ACCOUNT OF--

than trees — folks are either for 'em or ag'in 'em. Around here, at least!

Gawge Evans really jumped down our editorial throat this week. "Ennabody who says horse chestnuts cannot cure rheumatism is nuts," George asserted loudly. "Last Thursday when I dropped into the postoffice, Ham Badorf was complaining of rheumatism — and so I gave him a horse chestnut to carry in his pocket. The next day he told me all pain had disappeared and he didn't have any trace of rheumatism."

What did Lincoln say? "You can fool some of the people . . . etc. etc. . . ."

The only fellow we found who wholeheartedly agreed with George was Norm Habecker, who happened by. "I've been carrying horse chestnuts all my

life — and look at me," Norm advised. We looked, but it didn't reveal anything.

Mrs. Josephine Snyder up at the Zion Home, sends us a clipping from the Stars & Stripes, Army newspaper overseas, which her son, Craig, who is in the service and stationed at Chalons, France, sent her, regarding the 100th Anniversary of the pretzel.

Here's the clipping:
No Trouble Here
LOS ANGELES (UPI) — Milt Forrest sent a letter to the Julius Sturgis Baker, Lititz, Pretzelvania, a few days ago to celebrate the 100th anniversary of America's first pretzel factory. The postmaster said he thought the letter would have no trouble getting to its Pennsylvania address.

From The Catskill Mountain Star, Saugerite, N.Y.: A favorite whipping boy for novelists and social critics these days is the advertising man. He is pictured as a huckster without conscience, a modern day counterpart of the old-fashioned medicine man. Well, we arise to the defense of the advertising man—and not because newspapers derive their main revenue from advertising, either. We simply think it fair to put the thing in better perspective. Some people in advertising deserve to be accused of dishonesty and lack of a social conscience. Yet the same might be said of some in almost any field. There are lawyers, doctors, businessmen—and yes, even a few news-

paper editors and reporters—who seek only their own selfish ends. Generalizing about any group from a small sampling of its members is always a mistake. Advertising performs a useful and important function in our society. It tells those who buy what is available, what is new in the way of goods and services. It whets the appetite of consumers for new products that might otherwise go untried whatever their merits. Advertising stimulates demand and acts as a lubricant for our remarkable system of mass production. It is not the be-all and end-all, but it does contribute positive values which should not be minimized.

Fire Auxiliary
Plans October
Rummage Sale

Plans for a rummage sale were made by the Ladies Auxiliary of the Fire Company at the meeting held on Thursday evening at the Fire House. It will be held on Thursday evening, Oct. 19th and all day on Friday, 20th. Mrs. Esther Eitner will be in charge.

A Stanley party was held and two new members were received, Mrs. Ralph Ehrhart and Mrs. Diebler. Mrs. Harry Kemper, the vice-president, presided, and Mrs. David DeWald was in charge of refreshments.

A Hallowe'en party will be

held at the next meeting Nov. 2nd.

Out Of The Past

(From the files of the Lititz Record and the Lititz Express)

10 YEARS AGO OCTOBER 25, 1951

Pedestrians on Broad St. really got a surprise Tuesday evening when they spotted a thinly-dressed damsel driving the Lititz fire truck as the apparatus sped to an automobile fire.

The thinly-dressed damsel, it developed when the apparatus came to a stop at the fire, was none other than William Stauffer, II, young fire fighter of the local company, who just happened to be impersonating a ballet dancer at a Halloween party in progress when the alarm went off. And—ballet costume or not—Bill never misses a fire.

Cpl. Mahlon H. Schreiber, son of Mr. and Mrs. John F. Schreiber, Lititz R2, has been injured in Korea according to a release by the Department of Defense.

20 YEARS AGO OCTOBER 16, 1941

Dr. J. W. Grosh this week won the Lititz Golf Club championship in a nip and tuck match from Dr. C. L. Wertsch.

Imagine selling more than two billion peanuts. For that is the amount which Bill Stauffer, well-known local man, has disposed of to local residents in the past 25 years that he has conducted a stand on the East Main Street near the square.

Elmer Beck still thinks there is no sport like horseback riding despite that he now is recovering from his third broken shoulder blade. This time, however, Elmer was sitting on the gate when a horse bumped it and knocked him off.

30 YEARS AGO OCTOBER 22, 1931

Henry B. Buch will be 96 years old tomorrow. He is the oldest of the five nonagenarians in Lititz.

This evening at 6:45 p.m. the Ladies Aid Society of the United Brethren Church will hold a "hard times" banquet in the basement of the church. Every woman must come to the dinner in a calico dress, and all will be fined for wearing jewelry, gold-framed glasses and silk stockings. Each must pay 27c for the meal.

Saturday afternoon Florence Kafroth and Harry Engle, both of town, were united in marriage at the home of the bride's mother on North Cedar Street, by the Rev. R. G. Bechtel, pastor of the Tremont and Lykens charge of the U. B. Church. The ring ceremony was used.

40 YEARS AGO OCTOBER 20, 1921

John Christ is confined to the house using crutches to get around. An auto truck ran over his foot at the railroad freight station.

"The citizens of Lititz are to be congratulated upon having in its number a man who has the welfare of the children of our community at heart. Mr. Pierson has been recognized as possessing a very generous portion of civic pride, and by his recent purchase and donation of the Evans lot, as a playground for our school children, located near the school building, has again demonstrated his public spiritedness. The ground shall be known as "The Mary Pierson Memorial Playground." What a grand memorial this will be, always a group of happy children to revere the memory of a loved one."

John Wommert, a civil war veteran who enjoys gardening and has a good sized lot he

farms to good advantage, raised four white potatoes totaling five pounds.

50 YEARS GO OCTOBER 19, 1911

The Fulton A. C.'s, one of the Lancaster city's fastest foot ball teams, will play the locals here on Saturday. Roy Todd and Eli Weaver, former Lititz boys, are two of the stars of the visitors.

The water dog, or hell hound, caught by a local fisherman at McCall's ferry last week is on display, being in a jar of alcohol. In the window of Kreider's cigar store attracts much attention, some persons thinking it is a young alligator.

Dr. D. A. Long shot a good-sized muskrat in the creek near the Main entrance to the Springs on Tuesday.

First appearing in Boston in August 7, 1721, the New-England Courant was the first American newspaper established in any colony which openly opposed recognized leaders of the time.

Take your problems to Church this week - millions leave them there!

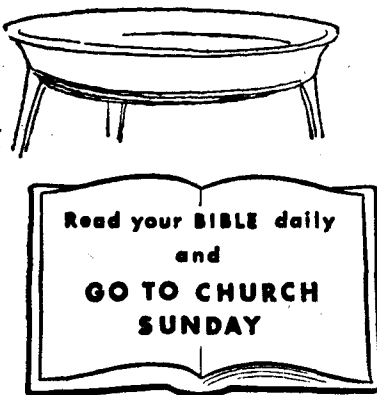

What shall I do ?

"What shall I do then with Jesus which is called Christ?"
Matthew 27: 22

FOR two thousand years these words of Pontius Pilate have stood out in history as the greatest example of indecision, cowardliness and weakness known to mankind. Here was a man who knew the truth, but was afraid to uphold it because of fear of the crowd, fear of being unpopular, and the fear of making a decision.

There is a lesson for our modern world in Pilate's words and actions. What could be more terrible for any man than a life of indecision, half believing everything or anything, always afraid of what the crowd will say or being unpopular?

Man must take a stand, today more than ever, for the things he knows to be right, be it religion, a personal problem, politics, or business ethics. The man who doesn't dies a little bit every day.

A Breath of Life

Read Psalm 65

Godliness with contentment is great gain. For we brought nothing into this world, and it is certain we can carry nothing out. (I Timothy 6: 6-7.)
Traveling in Great Britain some years ago, I stayed one day at a place called "Rest and be Thankful." It was a beautiful spot, and, true enough, a period of rest there could fill one's heart with appreciation of God's manifold and gracious gifts. He revealed

His goodness through nature. Often we are so anxious to grasp more of the good things and the pleasure of this world that we forget what earthly blessings we already have. A moment of quiet rest and meditation will help us to realize that our bountiful God has given us many advantages and benefits. Moments of silent reflection will give us a deep feeling of gratitude for God's manifold mercies. We have not deserved all these blessings. They are all gifts of His grace. Moreover, a moment of quietness will release us from the compulsion of always trying to get more and more. To rest and be thankful will give us great gain - godliness with contentment.

PRAYER: Gracious Father, grant us grateful hearts. Open our eyes for the great gain to be ours in godliness with contentment. Give us the divine compulsion to seek the spiritual blessings, which we need more than anything else. In Christ's name we pray. Amen.
THOUGHT FOR THE DAY
I will use my times of rest to thank God for His goodness.

REV. ROBERT H. HARPER
OCTOBER

WHY IS THE tenth month of the year called OCTOBER? That question puzzled me as I planned this scribble. As usual, I went to that wonderful book, Webster's Dictionary, and there I found in a few sentences my answer. It was the eighth month of the Roman year, but as the tenth month of our year it retains the old name.

As for great events that have marked October, every schoolboy will remember that "in 1492 Columbus sailed the ocean blue"

JUST A THOUGHT:

It has been wisely said that the man who never makes a mistake never does anything. All of us make mistakes. The important thing is that we learn from mistakes, and never turn our back on a mistake until we have done everything in our power to make things right.

and landed October 14 on San Salvador in the New World. Let the present month usher you into a new world of experience, of faith and high achievement in the things that please the Father.

There is a song that runs, "Take time to be holy." As the months of the year have passed away and you may indeed realize that "it is later now than you think," may you get at once upon the good things you have long planned, the holy life you have designed to live. And some glad day, over the vast ocean, may you find your San Salvador.

It is your Father's good pleasure to give you the kingdom. (Luke 12:32).

God uses us, His children, to do His good works. Let us be good receivers and open our mind and heart to God and His good. Let us be good channels for receiving as well as good channels of blessing.

We will make a religious census survey in Lititz on Sunday afternoon of October 15, 1961.

We have 13 Churches in Lancaster County and have a history of more than 150 years in this state.

We would like to establish a Church in Lititz.

Your co-operation in this census would be greatly appreciated.

In case you are not at home and are interested in this project please contact the Rev. H. E. Wagner Sr., Highspire, Penna. Chairman of the Board of Church Extension or call W.E. 9-2842

Thank You.

For Better Health

For sixty years Chiropractic has been accomplishing wonderful things. That it has endured for that length of time is proof of its worth and merit. It has saved thousands of individuals from a premature grave, and it has put millions of men, women and children on the road to health and enabled them to become useful members of society. Chiropractic has proved the accuracy of its principles and practice by actual results in restoring the sick to health. Why not consult a competent Chiropractor and determine for yourself the value of Chiropractic as a health service?

Reader Discusses Millersville Pool

Editor, Record-Express: Why should the borough government continually be bothered with the problem of a public swimming pool? We all know that there are other problems which need their attention much more

than this. A pool should be discussed at a meeting of all concerned citizens, a site can be chosen, bonds sold, the land bought and the pool built. Such is the case of the public pool in the borough of Millersville. Millersville opened its pool in July of this year and until it closed in September it was

used by at least 75 per cent of the local citizenry. The price of the bonds may be considered a little high by some but not all members are bondholders and non-bondholder rates are reasonable. The only thing a non-bondholder must fear is the loss of membership if the quota of bondholders is filled. This fact is what sells the bonds — it did for Millersville — it can for Lititz. J. F. S.

Huge Corn Crop Seen

Harrisburg — Anticipated record yields will make this year's corn crop the second largest on record if frosts come late, the Pennsylvania Crop Reporting Service said today in a round-up of crop conditions.

The corn crop is expected to total 59 million bushels, second only to the 62 million bushel crop harvested in 1958. Prospects now are for a statewide average yield of 68 bushels an acre. However, the crop was planted late, and needs time to mature. An early, or in some cases, even a normal killing frost could result in immature corn.

This same cool, wet crop season has resulted in heavy growth of hay and forage crops. Yields are equal to the record for alfalfa, clover-timothy and soybean hays. Together with a very heavy yield for other hays, these yields should result in a record hay production of 3,989,000 tons. However, while conditions were good for hay and grass growth, they were far from ideal for curing and much of this hay production is of good or fair quality.

Tobacco yields are now expected to average 1,700 pounds an acre, the same as last year, but 25 pounds an acre less than record yield set in 1959. Total production should be 52.7 million pounds, the same as last year, but 1.1 per cent above average.

Control Work Halts Spread of Oak Wilt

Harrisburg — A relative stabilization of oak wilt disease is reported for the Commonwealth as a result of the 1961 aerial survey and control program conducted by the Pennsylvania Department of Agriculture.

A Bureau of Plant Industry survey shows 378 newly located infection sites for the season. The total figure is somewhat higher than last year due to the clean-up of former observation areas in Perry County.

Huntingdon County, which has had the greatest number of infections in previous years, led the list with 106 areas, followed by Bedford with 104; Franklin, 67; Perry, 37; Mifflin, 28; Juniata, 21; and a scattering in the following counties: Allegheny, Armstrong, Blair, Butler, Cumberland, Centre, Clarion, Fulton, Greene, Indian, Somerset and Westmoreland.

All located diseased areas were treated by methods designed to prevent further to-

cal spread and reduce the danger of long distance transmission to other healthy trees. This year's survey once again indicated that oak wilt has not spread to the area east of the Susquehanna River and does not exist in any large amount in the northern part of the state.

Oak wilt was first discovered in Mifflin County in 1951. The Department has since conducted an intensive annual survey and eradication campaign to prevent serious losses to Pennsylvania's valuable oak forests.

The Pennsylvania Department of Agriculture cooperates with the Pennsylvania State University in research work designed to develop improved control methods. Additional cooperative studies conducted by the U. S. Forest Service indicates that methods currently in use have been more than 90 per cent effective in controlling local spread of the disease.

In 1890 the reappearance of sensationalism, the rise in prominence of evening papers, and great improvements in the mechanics of newspaper production marked a turning point in the revolution of the American newspapers.

ANOTHER WELFARE SERVICE

Recognizing that she has an emotional problem, this woman patient has sought the help of the Lancaster Guidance Clinic. Mrs. Evelyn Webb, a staff member, is shown interviewing the patient.

Nineteen patients from the Warwick Area were given care on an out-patient basis at the Guidance Clinic during the past year. In the United Campaign health agencies, 109 patients from this area were given care requiring 523 visits.

All five health agencies are included in the 24 health and welfare agencies of the Lancaster County United Campaign.

Jayne-cees Fashion Show November 2

Attractive handmade items were collected last week from all the Jayne-cee members and are ready to be shown and sold at the Jayne-cee card party fashion show bazaar. It will be held at the I. Walton Bobst Recreation Center on November 2 at 8 p.m. Tickets can be obtained

from any Jayne-cee member or at the following stores: Charlotte's Apparel Shop, Flanagan's, Pick It Gift Shop, and Glassmyers.

Exciting and attractive new fall and winter fashions will be shown by Flanagan's Shop and Charlottes Apparel Shop. Costume jewelry will be shown by the Pick It Gift Shop.

Cards of your choice will be played. The Bazaar table will contain a variety of toys and miscellaneous items, which will be for sale.

Most of the items are hand made such as, stuffed animals, washcloth animals and circus nursery pictures in the toy line, compact cases, place mats and napkins, and dollsies.

RUMMAGE SALE

A Rummage sale will be held by the Barbara Snyder Class of the Moravian Sunday School on Wednesday, October 18 from 8:00 a.m. to 8:00 p.m. in the basement of Fellowship Hall. Mrs. Archie Shelley is president of the class.

Retired Can Earn More
Many people are receiving social security benefits even while working for more than \$1200. This is possible by withholding a certain number of social security benefits based on an estimate the worker gave before his benefits started.
M. S. Gleason, Manager of the Lancaster District Office reminds workers who are receiving benefits based on an estimate that they should notify their social security office if their earnings are going to exceed the original estimate so an additional adjustment can be made in their benefits.
This revised estimate can be made at any time during the year when a worker knows his earnings will exceed his original estimate. The revised estimate can be made by sending in the post card form, number OA-C669 to the Social Security Administration.
If the worker has lost his card or if he has some questions he should feel free to write to the District Office located at 237 W. Chestnut St., Lancaster, Pa. or phone EX 3-5861. The office hours are from 9:00 to 5:00 Monday through Friday.
VFW AUX. TO HOLD HALLOWE'EN PARTY
The monthly meeting of the Ladies Auxiliary to the Veterans of Foreign Wars, Post 1463 will be held Tuesday evening at 7:00 o'clock at the Post Home. This will be in the form of a Halloween Party and all members are asked to come masked and also bring a covered dish.
The Ladies Auxiliaries to the Veterans of Foreign Wars of the Lancaster County Council will meet on Friday evening, October 20 at 8 o'clock at the Columbia Post Home.
