**FAMILY JOINS REC CENTER:** Mrs. Robert Rosenberg, chairman of the Recreation Center's Membership drive, (left) is seen selling memberships to the family of Mr. and Mrs. Edward Pelger, Jr., 202 E. New St. They are (left to right) Cindy, twelve, Patty, ten, Mrs. Pelger, Ned, six, and Debbie, eight. There is "something for everybody in the family" at the Rec Center.

### Robbery Try Nets No Loot At Brethren Church

An attempt at robbery netted no money or goods, but left damage in its wake at the Church of the Brethren, W. Orange St., during the night of Jan. 27-28, police reported.

The thieves damaged a steel desk which they apparently tried to force open with a sharp instrument, ruining two of the drawers, it was reported. However, nothing was taken either from this desk or elsewhere. Pennies in the desk of the pastor, the Rev. Olden D. Mitchell were left untouched, as were a movie projector and other items, Mrs. Kenneth Grove, church secretary said.

The intruders also left muddy footprints all over the wall-to-wall carpeting, and left smudges on the desk so that no fingerprints could be obtained. Matching footprints were found in the field back of the church.

The attempted robbery was found by the sexton and his wife, Mr. and Mrs. Samuel Ziegler, when they came to open up the church at 7 a.m. Tuesday. They immediately reported it to police. Chief Hicks expressed the opinion that it was the work of two people, probably boys, who evidently gained entrance through a rear door. He is continuing his investigation.

### Mothers' March on Polio Scheduled For Tonight

This evening, January 30, has been designated for Mothers' March on Polio", according to Mrs. Robert R. Reidenbaugh, local director. The drive also includes funds for arthritis and birth defects.

Mrs. Reidenbaugh will be assisted by Mrs. Horace Bleacher, who will collect in the Kissel Hill area and Mrs. John Heltzer. Mrs. Bleacher's helpers include Barbara Kreider, Majorie Grove, Debbie Reidel, Mrs. Robert Trimble, Misses Stauffer, Mrs. Russell Cochran, Mrs. Larry Wagner, Mrs. Vernon Mast, Mrs. Clair Zug, Mrs. Joseph Brubaker, and Mrs. Lester Brown.

Mrs. Heltzer will be assisted by: Sandy Ditzler, Bonnie Keller, Fay Burkholder, Elaine Hess, Barbara and Janice Breneman, Magdalena Martin, Louise Christner, Barbara Elliot, Kathy Will, Mrs. Charles

### Membership Drive Opens For Recreation Center

Door bells will start ringing this week and will continue until all residents have been called upon by several hundred volunteers who are assisting the Lititz Community Center in the 1964 Membership Drive.

There has been no increase in the cost of memberships, \$1 per person or \$5 per family. The budget for the Recreation Center calls for \$2000 from memberships but since there have been several other areas in which the income has not been up to estimates, it is hoped that the membership drive will "go over the top". The program of the Community Center aims to provide some area of interest for persons of all ages. Lack of programs may be caused by either lack of funds or lack of interest on the part of people in the community. Support of the membership campaign will provide the funds necessary and permit the Center to offer programs.

### Adult Dance Planned At Recreation Center

The annual Adult Winter Dance will be held by the Senior Board of the Recreation Center on Saturday, February 15 from 9 to midnight at the Center.

Bob Lyter and his orchestra will furnish the music. Tickets are available from senior board members, at the Center and at McElroy's Drug store. Table reservations may be made in advance with Mr. and Mrs. Forbes Emsweller, 626-7114.

Other workers are: Mrs. Paul Wissler, capt., Linda Rahn, Vicki Gochauer, Janice Knight, Bonnie Landis, Mrs. George Porry, capt., Mrs. Charles Ganther, Mrs. Jack Hackman, Mrs. Josephine Long, Nancy Frankhouser, Dawn Forry.

Mrs. Robert Bender, Capt., Lynn Stryker, Mary Lou Nelson, Cathy Rannels, Jessica Bender, Mrs. Edward Weiler.

### Stores To Hold Sales For 3 Days

The semi-annual Red Tag Days will be observed by the Lititz Retailers' Association today, tomorrow and Saturday, with outstanding "buys" offered for merchandise in the stores.

The Record-Express is publishing a tabloid section today containing advertisements of the irresistible items being offered by the merchants.

It is suggested that readers take advantage of the shopping tabloid by checking it in advance of their shopping tours, making a list and taking the paper with them when they visit the stores.

Shoppers will find the bargains easily, since all specials in the stores are being marked with red tags for the occasion.

The borough is cooperating in making shopping easy by providing free parking on the downtown streets. Meters in this area will be bagged during the three days.

### Group To Meet With Sen. Scott

A delegation headed by Raymond C. Groff, a member of the Warwick Union School board, is scheduled to go to Washington, D. C., today to present a petition to Sen. Hugh Scott (R) Pa., requesting a law to permit Bible reading in the schools.

Groff has been circulating the petition as an individual, not as a board representative, and had obtained 1002 signatures by Tuesday noon. He said he also has a letter representing 500 farmers in the Holstein Association.

Accompanying him will be Aaron Beiler of Gap, well-known for presenting the Amish point of view regarding the public school systems; the Rev. Lloyd May, United Zion Church, Lexington; the

### School Bible Reading Favored By St. Luke's

The congregation of St. Luke's United Church of Christ went on record Monday as favoring an amendment to the United States' Constitution to permit Bible reading in the public schools.

They also reaffirmed the tenet that church membership is open to all persons regardless of race or ethnic background.

The two resolutions, passed at the annual congregational meeting, were as follows: "First, St. Luke's United Church of Christ, 218-222 N. Broad Street, Lititz, on the 27th of January, 1964, reaffirms and officially declares that by vote of the Congregation its membership is open to all persons who accept the obligations of membership in the Church of Jesus Christ without any restrictions as to race, class or ethnic background."

"Second, St. Luke's Church believes that Bible Reading and Prayer should be a part of the opening exercises of our public schools, therefore, the Ministerial Fellowship of the Warwick Association of Churches, St. Luke's being a part of the Association and Fellowship is urged to continue in a more definite and positive way to accomplish this."

"Realizing we cannot go against our nation's Constitution, it is urged that St. Luke's members and the members of the Warwick Association of Churches write our Congressmen for an amendment to the Constitution for the use of Bible reading and Prayer in the schools. It is urged that the Ministerium further provide a program of spiritual

and moral guidance for the youth of our area." Reports of all organizations, their services and projects accomplished in the past year were presented. The expenses for all items of Church work in the area of benevolence and local work totaled over \$17,000, according to the treasurer, Isaac H. Stoner.

Lititz To Sponsor Rotary Fellowships

Grant Heilman, Lititz R2, nationally known photographer, was scheduled to be the speaker at the Rotary club meeting last night.

### Population Explosion Hits Local Elementary Schools

**CITIZENS HONORED** by Jaycees are presented plaques by Stephen J. Palkovic, (right) chairman with Dr. Robert K. Brubaker of Jaycees awards banquet. Left to right, recipients are: Alfred L. Douple, Curtis E. Long, Mrs. Dorothy P. Rosenquist, and Robert H. Gibbel.

### JayCees Honor Four Citizens For Outstanding Service

Four citizens were honored for their outstanding service to the community by the Junior Chamber of Commerce at their annual awards dinner last night in the American Legion Home.

A woman was named for the honor for the first time. She is Mrs. Dorothy P. Rosenquist, wife of Edward Rosenquist, 328 East Marion St.

Others honored were Alfred L. Douple, 321 East Second Ave.; Robert H. Gibbel, 130 East Lincoln Ave., and Curtis E. Long, 103 East Lincoln Ave. Plaques were presented to them by Stephen J. Palkovic, co-chairman of the banquet with Dr. Robert K. Brubaker.

Principal speaker at the banquet was Richard L. Merk, Williamsport, State president of the Junior Chamber of Commerce. He has been an active Jaycee for eight years and has held offices on the local, regional, state and national levels. He also has been active in other civic affairs in his community.

Mrs. Rosenquist is librarian of the Lititz Free Public Library, a role she took over when the school public librarian resigned. She has been running the library ever since, and has put untold hours into the work. She keeps half of the library books in her

### Lucas Cites Low Pay For Resignation

Here is the text of the letter of resignation presented by Officer Fred Lucas to borough council Tuesday night, in which he states his reasons for leaving:

"I hereby tender my resignation as police patrolman in the Borough of Lititz to become effective February 7, 1964. My sole reason for leaving the Lititz Police Department is that I cannot adequately support my family with the salary that I am now receiving. Nor can I foresee, under present wage system, where I would receive any substantial increase that would enable me to meet my current debts and still support my family."

"I can truthfully say that I regret giving up the one thing that I had intended to make a career of, that is police work. Especially after having had the opportunity of attending and graduating from the Pennsylvania State Police Academy's Municipal Course. I received valuable training there. I sincerely thank the Borough of Lititz for that opportunity."

"I profoundly hope that some day, not only in the Borough of Lititz, but across the nation, the public will be willing to

### Present Tax Rate Held In Borough

An ordinance retaining the borough tax rate at 12.5 mills on real estate and a per capita tax of \$10 was passed by borough council at its meeting Tuesday night.

Council also discussed the proposed budget, on which only minor changes have been made since it was tentatively drawn up. It calls for expenditures of \$153,595 from the general fund.

In other business, acting on complaints from local residents, council revised its snow removal ordinance. Under the terms of the amendment property owners will be given 24 hours to clear their sidewalks after the snow stops falling, instead of five hours and then if the walks are not cleared they will be notified and given an additional 24 hours. After that, if the sidewalks are still not cleared the property owner (Continued on Page 6)

### Pettyjohn Co. Chairman Of Osteopathic Drive

Raymond L. Pettyjohn, 154 S. Broad St., Lititz, has accepted co-chairmanship in the County General Gifts Division of the Lancaster Osteopathic Hospital Building Fund Campaign, it was announced by Mrs. William Klein, Jr., division chairman of the Northern Section of the county.

Pettyjohn and Norman J. Weaver of Manheim will share the responsibility of enlisting "key" personnel who, with their helpers will canvass the following communities for building funds: Lititz, Manheim, Brunnerville, Elm, Hope-land, and Rothsville.

It is hoped that construction of a new 62-bed chronic disease and rehabilitation unit will begin this spring at the hospital. It has been 10 years since the hospital's last drive for capital funds, which resulted in the addition of 65 beds. Since that time, the admissions to the hospital have practically tripled, creating a situation that often calls for beds in the

The exploding population of the Lititz-Warwick areas is building up a crisis in the elementary school system, and it is apparent that expansion will be necessary very soon, if all the children are to be taken care of.

A report on elementary school enrollment, together with a projection of future enrollment, will be presented by Edgar L. Lawton, director of elementary education in the Warwick Union School district, at the meeting of the Lititz Parent Teacher Association tonight.

At present 1792 children are enrolled in the elementary schools, and there are cards on file now which show that there will be 2040 enrolled in 1966-67, provided no one moves into the district as of that time, which seems hardly likely. Based on the rate of increase of people who have been moving into the district and the new houses in the area which are being bought as soon as built in the new developments, the elementary school population will probably reach 2200 by 1966-67. This means that the district ought to have at least 15 more classrooms, at the rate of 28 pupils to a room, by 1966-67.

The rate of growth in the elementary schools shows that in 1957-58 a total of 1497 pupils were enrolled, 300 less than at the present time. A sharp upswing began in 1941-42, and the trend is continuing. Children are continually moving into the district and must be accommodated.

Divide Classes  
Steps are being taken this week to alleviate the urgent present situation. A new sixth grade is being formed at the Lititz elementary school to be taught by Miss Dorothy Detwiler, who was graduated from Millersville State College January 17. She was a student (Continued on Page 6)

**THEATRE TO CLOSE**  
The Lititz Theatre is expected to close on March 7, it was learned here this week. It has been in operation for 23 years, having opened on March 20, 1935. In its day many famous actors flickered across its screen, and overflow crowds used to attend. Theatre parties were gala events in those early days. Now the attendance has dwindled so much that it can operate no longer.

### Church Renews Option On Hotel

The church group which is interested in buying the General Sutter Hotel has renewed its option for another month, it was confirmed yesterday by Dr. M. H. Yoder, president of the hotel stockholders.

There are other offers pending, however, Dr. Yoder said. The Church group has unofficially been identified as the Evangelical United Brethren.

Hospital records show that bed-occupancy rate has been running as high as 101 per cent during the last 2-year period, 20 per cent higher than rate of occupancy considered standard by the U. S. Public Health Service. (Continued on Page 6)

# Big Five Roll On; Terrible Twelve Snag Two

## Of Plug and Shell

BY John Helter

Member of Penna. Outdoor Writers Assoc.

It's been a long time since we got around to the mail bag in this column... so let's start there.

Our first column of the New Year prompted an invitation from the Lititz Sportsmen's Association to attend one of their meetings.

The letter informed me the Association is suffering from a "lack of interest and active sportsmen".

It said "1963 saw a small group of men raise and stock over 4,000 trout, and take action in pushing for the clean-up of the Lititz Springs Creek."

It closes with this idea... "We need attendance... men who are willing to give themselves as well as their ideas."

And was signed, Gerald P. Kemper. The same old story... all too few, doing so very much, for entirely too many!

vision, Pa. Fish Commission, South Office Building, Harrisburg... They're still doing it to us! Somerset County (population a couple hundred or more) will have a completed 350-acre lake built by the Fish Commission...

### WJH Wins One For Coach's Son

Warwick Junior High's Section Two tailenders were provided with an added incentive to win their first league game last Friday at Ephrata: Head coach Dan Ciervo was fretting in a Reading hospital, anxiously awaiting the arrival of a bouncing baby boy.

Assistant mentor Bob Alspach took the reins and guided the Little Warriors to a convincing victory. After falling behind 12-9 at the end of the first period, Warwick shook the jitters to count 17 in the second quarter and held the host five, to 7. Everybody saw action in 25-25 second half.

Bruce Bucher's 15 pts. took scoring honors; Rick Sipe added 12. Tomorrow afternoon the Little Warriors host Lancaster Township. If they're looking for an incentive, how about the 81-45 pasting they received at Lancaster Township December 13?

## Cagers Seek Fifteenth Straight Tomorrow Night At Garden Spot

Warwick High School's whistleball wizards overcame Solanco last Friday 65-42 and Elizabethtown Tuesday 107-37 for their thirteenth and fourteenth consecutive victories in an unbeaten season.

UPANDCOMING: Four Section Two affairs round out the regular campaign. In Friday night frays, the Warriors are at Garden Spot (105-45) tomorrow night, host Conestoga Valley (72-53) February 7, visit Cocalico (86-50) February 14, and return home for 1963-1964 contest against Lampeter-Strasburg (86-50) their final regularly scheduled February 21.

Warwick 05 - Solanco 42 Exhibiting a tough defense and a ball-control offense, the Golden Mules forced the Warriors into a multitude of mistakes and held them to an 11-point first quarter and their low game total of the season.

The JV game was much more exciting. Trailing 32-21 at the end of the three quarters, LeRoy Trupe's charges roared back to outscore the visitors 14-3 in the last period to tie at 35-35 and send the game into overtime. Phil Davidsson notched two and Bill Landis two in the extra session as Solanco could count only a foul shot. Tommy Clausen's 18 points topped all scorers.

Warwick 107 - E-Town 37 Mark Wagaman (22), Joe Carl (22), Mike Allebach (21), and Mike Maharg (20) scored at will in a ridiculously easy triumph that matched the school and floor record (107) set January 7 against Pequea Valley. Allebach's two foul conversions pushed the Warriors over the 100 mark and Maharg's one-hander from the top of the foul circle in the last minute tied the record.

The JV's (8-4) weren't extended either. Bill Landis netted 17 and Ed Nixdorf 11 in a 47-33 triumph.

## Grapplers Host Donegal Saturday Night; Penn Manor Tuesday

Foreign mats proved more friendly to Coach John Thomas's WHS wrestlers Friday and Tuesday evening. After having their record evened at 3-3 in home losses to McCaskey and Manheim Township, the Terrible Twelve drubbed Ephrata 29-11 and Hempfield 39-9.

UPANDCOMING: Donegal, here, Saturday night, and Penn Manor, here, Tuesday, February 4.

Warwick 29 - Ephrata 11 Emmet (103) Hanna, John (112) Hornberger, Brian (120) Snavelly, and Dan (127) Rossi rattled off four straight decisions before the Mountaineers narrowed the gap to 17-11 with three bouts to go. Warwick swept them all: a 5-0 decision for Bruce (165) Singer, a 1:45 pin for Bob (180) Bender, and an 8-2 decision for heavyweight Harry Wertsch.

Warwick 39 - Hempfield 9 In their most decisive win of the season, the Warriors took a 20-0 lead after four bouts, including pins by Emmet Hanna (1:00) and Brian Snavelly (3:50). Tom McCloud only needed 2:43 to flatten his opponent in the 138-lb. class. Bob Bender and Harry Wertsch switched weights, but it didn't make any difference. Harry won 5-0; Bob pinned his man in 3:20.

LUCAS

(Continued from Page 1) pay adequately the one person that he demand so much of; the policeman. I grant that a policeman's job is not one of hard physical labor, but if the public would stop and consider the mental responsibilities that he has, the decisions which he alone must make, often on the spur of the moment, the off duty hours that he puts in and the hazards that he must face from day to day; I believe that the majority of them would then agree that he does deserve an adequate pay. I have taken a position with the Cloister Dairy in Ephrata, and I will have the Lititz milk route. I have chosen this because I will be receiving substantially more salary there than I could receive here. In closing I can only say to my way of thinking, it is a sad state of affairs in this country, that a man can earn more money by serving a community and its children milk, than he can earn by serving that same community and its children protection to the best of his ability, against child molesters, sadists and the ones that habitually violate the laws and rules set up by a society made up of many communities. Sincerely, Frederick C. Lucas

Planners To Adopt Maps of Township

A public meeting will be held by the Warwick Township Planning Commission Friday evening at 8 p.m. at the Brunnerville Fire Hall, it was announced by Joseph R. Snaveley chairman. The purpose of the meeting, which is the regularly scheduled session of the commission, is to approve the maps showing the names of the roads, streets and highways. This is the final opportunity for the public to see the finished product and to suggest any further changes, Snaveley said. The Commission has been at work on the map for the last two months, and it is now completed, the chairman stated. The group consulted with a wide cross-section of the township, requesting and noting their name preferences. They also held two public meetings to receive suggestions. "I would like to express on behalf of the commission my own appreciation to the many citizens of the township who either personally or by phone calls provided so much help," Snaveley said. "In particular I would like to thank Paul Bushong, 120 East Main Street, Lititz, a retired rural postal carrier, for his invaluable assistance in starting off the project on the right foot." At the conclusion of Friday night's meeting the commission is expected to adopt the map and turn it over to the township supervisors for final approval of the street names. After that it will go to the Lancaster County Planning Commission which will prepare the finished map. The Commission hopes that some time this summer it can get underway with the installation of regular markers of the various streets and roads. There will be a program of street numbering for homes in Rothsville in the near future.

Youth Captures Weather Prophet

Lititz has its own groundhog, ready to predict the weather on February 2, celebrated as "Groundhog Day." The little animal, very much alive, was caught last week by Jacob Ruhl, eighteen, 211 N. Cedar St., who works on the farm of Richard Hershey near Lititz. He has it at his home on Cedar St.

SEN. SCOTT

(Continued from Page 1) Rev. Thomas D. Bellis, Rothsville EUB Church; and the Rev. Henry G. Wenger, Lititz R4, Middle Creek Church of the Brethren. The group has been granted an audience by Senator Scott during which they will present him with the petition and will express their views in favor of reading the Bible in the public schools. Groff said he also had sent a letter to Sen. Joseph Clark (D) Penna., asking for a conference. He said he received a reply stating, "thank you for your views," but nothing was said concerning a meeting. PETTYJOHN (Continued from Page 1) I. Wayne Keller, general chairman of the campaign, when asked about the county leadership for this drive, said: "Of the total admissions to the Hospital in 1963 over 64 per cent were residents of 17 boroughs and 41 townships throughout the county; therefore, we are naturally looking for the best leadership and the fullest support possible in all areas of the county served by the Hospital." Pettyjohn said that he expects to have his teams completed and "ready to go" by early March, at which time the official "kick-off" meeting of the County Gifts Division is to take place.

REC CENTER

(Continued from Page 1) playgrounds will require greater expenditures of funds. The budget for the year 1963-64 shows estimated expenditures of approximately \$21,600. Of this total, it is estimated that the cost to operate and maintain the Center Building, including janitor wages, will be \$5,700. Interest on the balance of the debt owed for the building is \$1,200. Salaries and wages for director, assistants and secretary will amount to \$13,000. This includes a 11 playground personnel. To cover the expenditures, the Center has already received \$8,000 as its share of the combined fund drive which was conducted in the early summer of 1963. It will receive \$6,000 from State appropriation through the Warwick Union School District. Another \$2,000 will be forthcoming directly from the School District and Lititz Borough, in equal shares. Other income will be received from the membership dues, donations and amounts received for use of the building and facilities, in the amount \$4,000. It is of interest to learn that the debt of the Community Center has been reduced by \$2,648.00 since July 1, 1963. This reduction has been made possible by donations from the Lititz Woman's Club, Senior Citizens Club, Girl Scouts and the Junior Board. None of the funds from the membership drive will be used for debt reduction. These funds are for the operating expenses for the balance of the 1963-1964 year. The house-to-house canvass will be in charge of various captains as follows: The captains are: Mrs. Nick Rosenberg, Mrs. Albert Ebbert, Forbes Emsweller, Mrs. Richard Allebach, Mrs. Rodney Wolfe, Mrs. Roy Clair, Mrs. Walter Bard, Mr. Reid Stoner, Mrs. Franklin Cassel, Mr. William Jaede, Mrs. George Ludwig, Mrs. James Shannon, Mrs. Fred Royer, Mrs. Robert Myers, Mrs. Herbert Long, Mr. Curt Long, Mrs. David Minnich, Mrs. Edward Peiger, Mrs. Roy Rodgers, Mrs. George Morgan, Mrs. Arthur Kissinger and Mrs. James Maser.

SCHOOLS

(Continued from Page 1) teacher there last fall. This means that there are now five sixth grade classes at Lititz elementary. At the beginning of the year there was an average of 35 pupils to a class which rose to 38. Now there will be 20 in the new room and an average of 30 in each of the other sections. At the Brunnerville school a new first grade has been formed and started Tuesday. The school is so crowded that the principal's office is being used as a classroom, and the class will be limited to 18 children, because of the small size of the room. The other two first grades will have 25 pupils, and next year they will be transported by bus into the Lititz School. Mrs. Helen Becker has been chosen by a committee of the school board to teach the new class, and the board will take formal action in the class and her election at its next meeting. New School — When? The School Board has been contemplating building a new school in the Kissel Hill area, but has not yet picked the site. Meanwhile, it is obvious that the Brunnerville school needs expansion, possibly by the addition of as many as five classrooms. The Rothsville school is old and out-of-date and two basement rooms

BOROUGH

(Continued from Page 1) will be liable to a fine ranging from \$2 to \$5. The original ordinance also required that snow must be removed from the gutter but since there may be no other place to dump the snow, as occurred during the last snowfall, council excluded this requirement from the ordinance. Mrs. Blanche dePerrot, representing the Woman's Club requested council to appropriate funds for cleaning and improvements to the Springs Creek. Council said such an appropriation has not been included in the proposed budget but there may be funds available later for this purpose. It was reported that it cost the borough about \$1,255 for snow removal operations since the Jan. 13 storm. Huth Engineers were instructed to prepare specifications for the widening of the Locust Street bridge. The engineers estimated the cost would be about \$10,000. An application will be submitted to the state requesting a traffic light at Locust and Main Streets. Council instructed the boro manager to make a physical inspection of South Broad Street to determine where sidewalks and curbs have not been constructed. The responsibility for this construction is the property owners. Council authorized the sale of a small parcel of land adjoining Morgan Paper Company's property to Morgan for \$495. Also authorized was the purchase of a used 1958 tractor with front end loader and backhoe from D. L. Diem & Sons, Lititz, for \$3,755. The building permit fee was changed to 50c per \$1,000 of construction with a minimum of \$1.00 and a maximum of \$50. The old fee was 50c regardless of the amount involved. Council's Feb. and March meetings will start at 7:30 p.m. instead of 7 p.m.

AMONG THE SICK

Martin Charles Pfeiffer, Lititz R2, was admitted to the Ephrata Community Hospital, January 21 as a medical patient. Mrs. Willis W. Horst, Lititz R4, was admitted to the Ephrata Community Hospital January 23, a surgical patient. R. Henry Stoner is a surgical patient at the Lancaster General Hospital.

are being used. No doubt the school should be replaced by a more modern structure. At Lititz elementary eight rooms are being used which are substandard, and are located in the basement. At the same time, children from Lexington and others who could walk to the Brunnerville school are being brought into Lititz by bus. These children would constitute about five additional classrooms. The school board is renting five church rooms in an effort to take care of the overflow. Meanwhile the High School also is crowded, and classes are being held in the auditorium, the cafeteria and other parts of the building not normally used. A new addition is underway to prepare the school for the onslaught of new pupils within the next five years. There will be ten more classrooms plus additions to the library, gymnasium and dining room in the new wing, which is costing over \$500,000.

JAYCEES

(Continued from Page 1) Moravian Church and the Community of Lititz. Gibbel was honored because of his work with Midget football and Little League baseball. He also has been active in many other areas. A graduate of Ursinus College, he served two terms on the board of directors of the University Club of Lancaster. He also served for six years as a director of the Lancaster County Riding Club and for five years was secretary of the Lancaster Horse Show held for the benefit of the Blind Association. He is a past president of the Lancaster Jaycees, and a past director of the Lancaster Boys' Club. During World War II he served on the War Bond committee for the sales and promotion of war bonds. Gibbel served as secretary and president of the Warwick Little League and Warwick Football League, and has coached teams in both leagues to successful seasons. He also served two years as president of Lancaster County Baseball for Boys. He has devoted a great deal of time to the boys of Lititz. Long was one of the organizers of the Midget Football League, and served as president for four years. He also served as a coach in the league. The Electoral College!

In the long history of this republic, only a comparative handful of people have voted for the President and Vice President of the United States.

This, of course, is due to the electoral college system which, after much debate and compromise, was firmly embodied in Article II of the Constitution.

Under the existing system, each state has as many electors as it has Senators and Representatives combined.

It can also be said of the electoral college system that it has worked. At the same time, it has produced distortion in the appearance of results for the reason that the candidates who carry a state, no matter how tiny their majority, receive 100 per cent of that state's electoral votes.

Various methods of reform of the system are always under consideration. Probably the simplest is that the President and Vice President shall be elected by direct popular vote.

Opponents of the Direct Popular Vote Method argue that it would be unfair to smaller states; lead to national election laws at the expense of state sovereignty in this area; and encourage the major parties to concentrate their campaigns in the heavily-populated cities, at the expense of the interests of rural areas and small communities.

Another proposed change is the District Method, whereby the unit represented by each elector would be switched from the state to a district within a state and there is support for the Proportional Method, which would provide that each candidate would receive the proportion of the electoral vote as his share of the state's popular vote.

In any event, something said by Dr. James Burns, professor of Political Science at Williams College, seems to cover the problem pretty well: "Reform of the electoral college... is a highly complex subject that needs confrontation by the best minds in the Senate and outside... The electoral college is not just a technical electoral procedure. It is steeped in politics — it affects the balance of parties, the power of interest groups, the strength of ideologies, the fates of politicians... Reform has proved impossible because politicians have feared that it might upset or threaten political arrangements that they have found congenial, or at least predictable and dependable."

What We Must Not Do

In a recent issue of The Reader's Digest, John Strohm and Cliff Ganschow — two top writers on agricultural and related subjects — dealt in considerable detail with "The Great Pesticide Controversy." Their purpose was to separate fact from fallacy — and to determine whether or not the food we all must eat is being poisoned by chemicals, and whether or not they are a menace to wildlife.

To begin with, they point out that "Without pesticides, food would have to be rationed. Housewives would line up to buy inferior foods, blemished to-matoes, scrawny potatoes and sweet corn pocked with wormholes." The price of most food items, according to one authority, would double. Chemical control of these multitudinous pests is essential to an abundant agriculture which can feed the nation at minimum cost.

What of the dangers — a vital question, indeed, in the light of all the controversy this problem has produced?

Messrs. Strohm and Ganschow do not minimize them. They have existed and, no doubt, will continue to exist — nothing in life is totally safe, witness automobile driving. But pesticide dangers seem to have been vastly exaggerated, in the view of leading students and scientists. Moreover, some \$40 million a year is now being spent on pesticide

"Mid the Turmoil"

Whatever happened to that January thaw?

A few days of balmy breezes and everybody begins to think of the birds, bees and Spring flowers. And while, come Monday, the groundhog will be peering around for his shadow, don't kid yourself into thinking he'll hang around for long!

Spring weather is still six weeks away — but that doesn't mean that the local bird-watchers are not keeping themselves busy. Early this week, the local clan of ornithologists was all agog over the report that a flock of white-winged crossbills was to be found down around the Linden Hall campus and the Moravian Cemetery.

The white-winged crossbills were never before reported in these parts, one of the birdwatchers tells us and we, for one, cannot argue the point as much as we like to argue. Bart Sharp was so stirred up by the sight of nine of the rare specimens that he shot several hundred feet of movie film of the birds.

Believe-it-or-not: Bill Templeton can't wait until the ducks are returned to the park... he gets such a kick out of feeding 'em each noon... in another six weeks Herb Roth will be tossing away the keys to the moon-pix theatre... a lot of guys ate a lot of ersters at the League Monday night... fact of the matter is that less than 75 men ate more than nine bushels... wonder what that figures out per man?... from all indications bargains are bigger'n ever downtown this week-end!

At the risk of dating ourself, we quietly mention that we can't go along with the youngsters in the current style of dancing. Such a jerking around, twisting and bending we never did see — but that doesn't bother us in the least. What we can't abide is the fact that the boys and gals continually keep from three to five feet apart. When we were in the dancing mood back in the good ol' days, you kept a clutch on the gal which kept her right by your side at all times. And that made a lot of sense, too — at that age! But... to each his own!

A local business man, about to mail his tax return, happened to note a message written on the back of the envelope... in sprawling letters his six year old daughter wrote... "I love you!"

Warwick FFA member Kerry Fritz, Lititz R. D. 4, appears on the front cover of the January 25 issue of the Pa. Farmer. He is pictured feeding swine on the farming operation of Joel Habegger of Eby's Mill.

Bill Lenox, 21 E. Center St., supplied us with a few quips...

Uncle Pete took an aptitude test the other day and discovered he isn't cut out to do anything. He's been in the right line of work for years.

Dad doesn't think third grade is too early to start studying foreign languages. He understood German before he went to school. Knew what Dumkoph meant as well as he knew his own name.

And... enough's... enough. See You Next Week!

research, in a hunt for better and safer compounds, and a number of dramatic steps forward have already been taken.

At the end of their article, the authors touch the big point. They agree that there is a need for stricter control and use of certain chemicals. But then they say this, and it goes to the root of the matter: "Equally important are certain things we should not do in the emotion of the moment: "We must not sacrifice proven benefits because of unproven fears. "Red tape and excessive regulation must not tie the hands of research chemists, who are urgently needed to help meet the greatest challenge of the 20th century — producing enough food for a world in which half of the people are hungry."

FEBRUARY'S FORECASTER

Letter Box

Editor, Record-Express:

Some time ago I saw a letter by Paul Ibach, former supervisor of Warwick Township. He must have died hard. Maybe it is a good thing for Warwick Township. Sometimes things come too easy after being in office so long.

Like a former supervisor he was also a road master. One year he had 52 weeks, 10 hours a day, 6 days a week for his pay and the same year took several weeks to travel.

About 40 years ago we had a supervisor. Everytime there was a road being build he also did some building at home. So it is a good thing for a change every so often.

About a year ago our road gang was cleaning gadders on a certain stretch of road. I could see them very well. They had a road scraper, a tractor loader and three or four men. They worked 2 1/2 days on a stretch of maybe 1200 feet. The ground they took away I could have hauled away with a wheel barrow in 1/2 day. Of course there was plenty of shade all along the stretch.

### 10 YEARS AGO

January 28, 1954  
The largest budget in the history of the borough, calling for expenditures of \$162,749, an increase of more than \$28,000, and not including sewer costs, was approved by borough council this week. At the same time, the present tax rate of ten mills was retained. This was possible because of the large unexpended balance and because Council announced its intention of reestablishing the \$4 per capita tax. The bulk of the increase is for construction and repair of streets and highways, at a cost of \$57,700.

Despite all rumor to the contrary, Wilbur Suchard is not going to discontinue its five-cent chocolate bar, it was revealed in a statement issued by the company. However, because of a 65 per cent increase in the cost of cocoa beans, the company has withdrawn certain unwrapped solid chocolate from the market.

Fire losses outside the borough were almost double those inside the borough during the past year. Fire Chief Raymond Runk announced in his annual report. The total loss was \$46,350, of which \$30,700 was outside the borough and \$15,650 within the limits. Firemen answered a total of 30 calls during the year.

That certain members of the Warwick township school board are not satisfied with plans for the building of a new junior-senior High School building adjoining the athletic field was a revealed this week. The difference of opinion which looms as a possible means of delaying the granting of contracts for the construction of the new building burst into the open at a meeting of the union school board here last week when a motion was passed to ask the Pennsylvania Economy League to come here and make a survey of the situation.

### 20 YEARS AGO

January 27, 1944  
Tax-payers were saved a one-mill tax boost by ten minutes, it was revealed. Borough council had passed the budget fixing the tax rate at five mills, same as the previous year, and had adjourned. But as the councilmen sat around and talked afterward, it developed that some of them, in a caucus the previous week, had wanted to raise the taxes by one mill. This was brought out by Councilman Harry Way, who found them to his surprise that a majority of the councilmen agreed with him. "Well, we have a majority, but it's too late as we adjourned ten minutes ago and the budget fixing the tax rate at five mills is now open for public inspection," he concluded.

An appeal for local housewives to gather together as much waste paper as possible was coupled this week with an announcement by the local salvage committee that a paper collection will be made Saturday. Paper was to be bundled and placed on the curbs for pick-up by local boy scouts. Local business places and industries have provided trucks for the collection.

Borough collection of garbage here was informally approved at a meeting of borough council Tuesday evening. At the same time, members of local council expressed the opinion that the public collection of ashes and rubbish would prove too costly for the borough to consider at this time. It was estimated that the cost of garbage collection would amount to approximately one mill in borough taxation.

Two vacancies were filled by borough council Tuesday night.

Constable Raymond Binkley was appointed night officer of the borough police force, and Harvey Fetter was named to fill a vacancy in the Water Department.

### 30 YEARS AGO

February 1, 1934  
Erection of a \$60,000 addition to the Sunday School chapel of the Moravian Church was decided upon this week at a special meeting of the Church Council. Work on the project will begin sometime in April. Building plans call for an increase in the present auditorium to a seating capacity of 700, for four large assembly rooms and 25 classrooms arranged for departmental work.

Reduction of a mill in the borough tax rate for this year was ordered at the January meeting of borough council. This will make the rate three mills instead of four, the lowest figure it has been for many years. Fixing of the tax rate followed the presentation of the budget. Receipts for the year were estimated at \$38,598.45, and expenditures at \$29,641.50. This will leave a balance of \$8,956.45. Lititz borough can well afford to cut a mill from the tax rate, as it has finished the last two years with large balances.

Benjamin F. Lutz sent a birthday card to President Franklin D. Roosevelt measuring 38 by 24 inches made of beaver board, and weighing four pounds, which he painted himself. People here said that probably the President had never heard of Lititz before, but he would be well aware of it after he received this card! Mr. Lutz has done many things for the children of this town, including giving them a playground, a swimming pool and combined basketball court and roller skating rink.

Practices for the Fire Company play, "Safety First," a comedy in three acts, have begun under the direction of Mrs. Margie Arnts.

### 40 YEARS AGO

February 1, 1924  
The Lititz Hose Co. No. 1 held their 3rd annual smoker this week and it was a greater success than ever. Over a hundred members and friends were present, including state and county officers. Music was furnished by Hackman's orchestra and Victor Wagner sang a number of selections. Addresses were given by Joseph B. Wisler, Esq., Rev. S. G. Zerk of Ephrata, and others.

The local High School won two more victories in the cage over last week-end, defeating Annville 28 to 15, and Lebanon Valley Reserves 44 to 16. The Annville game was hard fought. J. Grosh starred for us while Yeakel was the cat's pajamas for Annville.

Yesterday the machinery was started and the first flour made in the new mill at Rothsville Station, recently erected by W. M. Zook and Son and conducted by them to accommodate their growing business.

## Lititz Native Dies In Conn.

Louis E. Seaber, veteran advertising and newspaper man, died suddenly on January 22, at his home in New Canaan, Connecticut.

A native of Lititz, Pennsylvania, Mr. Seaber spent his early years as a reporter, legislative correspondent and political editor with the Philadelphia "North American". He entered the advertising field, became executive vice president of Encyclopaedia Britannica, and for seven years was manager of the New England office of N. W. Ayer & Son.

He acted as public relations counsel for the "Committee on Correspondence", the working force of younger members of the N. Y. Stock Exchange who fought and won a more open policy on the part of the Exchange with regard to advertising to the public. At the time of his death he was actively engaged in freelance advertising and public relations in New York City.

He is survived by his wife, Miss Davies Seaber and four daughters: Mrs. Clifford Par-

cher, Sharon, Mass.; Mrs. Charles Krug, Greenville, Delaware; Mrs. Santo DePinna, Smithtown, L. I.; Mrs. Edward Phelps, Birmingham, Michigan; nine grandchildren and nine great-grandchildren.

### MRS. CHARLES BECK

Mrs. Maude A. Beck, eighty-six, was found dead in her sleep Jan. 23 at the Moravian Home in Lititz where she had lived for the past 10 years.

She was a member of the Moravian Church of Lititz. She was the daughter of the late George and Caroline Sturges Smith. She was the widow of Charles A. Beck, who died in 1948.

She was the last of her immediate family.

Services were held Saturday from the Moravian Memorial Chapel with the Rt. Rev. Allen W. Schattschneider officiating. Interment was in the Moravian cemetery.

### CLAYTON B. SCHMUCK

Clayton B. Schmuck, ninety-two, former resident of 128 Market St., Lititz, died Jan. 21 in the United Zion Home, Lititz R2, after an illness of four weeks.

He leaves 134 descendants including four children, 31 grandchildren, 71 great-grandchildren and 28 great-great-grandchildren.

Born in Lititz, where he resided his entire life, he was a son of the late Jefferson and Susan Buffenmyer Schmuck.

Before his retirement in 1954, he was employed at the Keath Planning Mill, Lititz. He was a member of Trinity Evangelical Congregational Church, Lititz, and a charter member of the Lititz Fire Co.

His surviving children are Mrs. Eria Dennis, Lititz; Leon, Lititz R1; Anna, wife of Nelson Mearig, and Viola, wife of Charles Krushinski, both of Lititz.

Funeral services were held Saturday from the Beck Funeral Home, 216 S. Broad St., with the Rev. James K. Rapp officiating. Interment was in Trinity Evangelical cemetery.

### EVAN S. MILLER

Evan S. Miller, eighty-one, Brunnerville R1, died Jan. 20 at his home after an illness of 11 weeks.

He was the husband of Amanda Heiney Miller and was born in Clay Twp., a son of the late Hiram S. and Emma Shultz Miller.

He had been a resident of the Brunnerville area for the past 48 years and was a retired carpenter and a member of the Emanuel Lutheran Church of Brickerville.

Surviving in addition to his wife are these sons and daughters: Eria, wife of S. Wayne Grubb, Brunnerville; Grace, wife of D. Russell Bishop, Penryn; Robert H., Brickerville, and Miss Irene H. Miller, at home.

Nine grandchildren; 25 great grandchildren, a brother, Harvey S. Lexington, and a sister, Mrs. Evan Hertzog, Ephrata, also survive.

Funeral services were held Thursday from the Evangelical United Brethren Church, Brunnerville, with the Rev. Robert C. Davis officiating. Interment was in Brunnerville cemetery. Spacht Funeral Home, Lititz, was in charge of arrangements.

## Candlemas Day Is Next Sunday

The Catholic Church will celebrate the Feast of the Purification, or Candlemas Day, on Sunday, February 2. This is one of the oldest liturgical feasts in the Catholic Church, dating back to the Fourth Century.

Before the 8 a.m. Mass on Sunday at St. James' Church, the priest, wearing the purple cope and accompanied by 10 altar boys, will bless all the candles that will be used in divine service for the entire year. The candles are symbols representing "Christ the Light of the World." As the Bible states, 40 days after the birth of Christ His mother, Mary, took him to the Temple where the holy man Simeon declared that "He was a Light of Revelation to the Gentiles."

After each Mass on Sunday the people may present two candles to the Church to be burned at Divine Service for their special intention.

Also on Sunday, Monsignor Lohmiller, pastor of the Church of Our Lady of Good Counsel, Marysville, Pa., will speak at each of the three Masses and take up a collection for his Mission Church.

The Rev. Father Joseph H. Driscoll, pastor, announced that a special Mass will be held on Saturday, February 1, at 9 a.m. This Mass commemorates the apparition of Mary to the children of Fatima in Portugal. After the Mass the children will be the guests of Father Driscoll for breakfast in St. James Hall, which will be served by the Ladies' Altar Society, assisted by the High School girls.

## C. E. Service At Rothsville Church

The Followers Christian Endeavor of St. Paul's Evangelical Congregational Church, Rothsville, will sponsor a special service closing Christian Endeavor Week, on Sunday, February 2, from 6 p.m. to 7 p.m.

The speaker will be Miss Patricia Hamric, missionary home on furlow from Mexico. Miss Hamric will speak on her work and show curios in the Christian Endeavor Service.

All youth of the church and community are invited to attend the special service to be held in the basement of St. Paul's Evangelical Congregational Church.

## Total Penna. Deer Kill Estimated At 81,500

Compiling official figures on Pennsylvania's 1963 deer kill is a long sort of a job.

With a total of over 82,000 report cards already received, R. S. Lichtenberger, chief of the Commission's division of administration in Harrisburg, said it would take at least another six weeks before a final report can be made. "We get a reliable figure of the total deer kill," Lichtenberger said, "because the post office department bills us each day for each card received in Harrisburg. Since the end of the deer season, this total figure has increased by leaps and bounds as more cards are received. The big influx of cards from successful hunters is now over, of course, but each day a few more arrive. We are also getting cards from successful archers who bagged a deer in the late archery season which ended January 11. Last Friday, January 17, for example, 213 cards were received, bringing the grand total reported deer kill by that date to 82,164 animals."

Lichtenberger pointed out that each card must be checked to determine the sex of the animal, the county and season in which it was killed. Each card is also examined for reports on bear kills, the other big game animal which successful hunters are required by law to report. Quite often, hunters who were successful in bagging both a deer and a bear report both animals on the same postage prepaid card issued with their licenses.

Commission officials are still sticking with their announce-

## Osteo. Guild Has Nomination Of Officers

Mrs. Mary E. Todd was nominated president of the Lititz Guild to the Lancaster Osteopathic Hospital at the meeting recently at the home of Mrs. Abram Mease.

Others nominated include Mrs. James Sensenig, vice president; Mrs. Raymond Pettyjohn, treasurer; Mrs. Richard Souder, recording secretary; Mrs. Martha Pugh, corresponding secretary.

Election and installation of officers will take place at the meeting scheduled for February 11, at 7:30 p.m. at the home of Mrs. Richard Souder. Mrs. Nelson Shue will be co-hostess.
