Principals Named At 3 Schools

Three new elementary school principals were elected by the Warwick Union School Board Tuesday night, two of them for newly created positions at the John Beck and Rothsville schools.

Named principal of the Lititz elementary school to succeed Walter H. Texter is Robert A. Heron, Quarryville. Texter resigned to accept a position as director of elementary education in the Erie, Pa., schools.

George Remetz, Lititz, was named principal at the John Beck School, and Jerry Shupp, Lancaster, was elected principal at the Rothsville School and of the pupils in the Lutheran Church building. Both are newly created principalships, there having been only teaching principals heretofore in the Beck and Rothsville schools.

Heron was awarded his B.S. in Education degree from Millersville State College, and his Master's degree from Temple University. He taught sixth grade for one year in the Lancaster City School district, fifth and sixth grades at Stan-
"on, Del., for five years, and as been elementary principal in the Solanco District for the past two years.

Shupp obtained his B.S. in Elementary Education at MSC and his Master's at Temple. He taught four years in the Marietta elementary grade school, and has been elementary principal in the Leacock schools for four years.

Remetz received his Bachelor of Science degree in education from Bloomsburg State College and his Master's degree from Temple. He taught one year at Swoyersville, four years in Maryland, and 11 years in Lititz elementary school, having been here since 1954.

In electing three full time principals, the board failed to fill the position of director of elementary education, formerly held by Edgar L. Lawton, who resigned last Spring to become an assistant superintendent of County Schools.

The board elected four new teachers: Grant D. Steffan, Harrisburg, as teacher of special education in the High School; Miss Marianne Blomquist, Lancaster, first grade; Barbara S. York, Lititz, home economics; Carol C. Schwartz, business education, Steffen is a graduate of Lycoming College and taught three years in the Harrisburg City School district. Miss Blomquist is a graduate of MSC, class of 1965, and this is her first teaching position. Miss Schwartz is a graduate of the University of Florida and taught one year in Philadelphia. Mrs. York, a graduate of Penn State, has had considerable previous teaching experience. The total of new teachers, including a transfer and a substitute, has now reached 29 in the district.

Arthur Adams was elected a custodian for the John Beck School.

Future Farmers Win Ribbons

Robert Eby and Daniel Nolt, members of the Warwick FFA, participated in the Land Management and Usage contest held in conjunction with Forage Field Days at Hershey last weekend.

Dan was awarded a blue ribbon on the strength of his judging and Robert, a red ribbon. David Heisey of the Cloister FFA of Ephrata, was champion in the FFA division.

Gerald Hess, member of the Warwick FFA, and Robert Risser, who operates a farm near Lititz, won places in the Southeastern District Hay Show, held at the same time. Gerald placed fourth for first cut alfalfa, heat cured, and Risser placed fifth for later cut grass, field cured. Grand champion was Galen Crouse, Stevens R1.

Jr. Rec Board Hopes To Double \$700 Gift

The Junior Board of the Recreation Center had such a successful season of eleven summer dances that they were able to turn over \$700 to the Center, and expect to contribute another check for about the same amount, it was announced this week.

If a second check is presented, it will be the first time the Junior Board has given a sum this large for some time.

The dances held on Tuesday nights in the south pavilion of Lititz Springs Park, had an average attendance of 250 to 350 people. Profits averaged slightly more than \$100 per dance. Two Saturday night dances were held on July 31 and August 14 on the tennis courts, and were considered highly successful.

The members of the Junior Board did all the work involved in setting up and running the dances. The Board consists of the following High School students: Seniors, Jim Watson, board president; Bob

Huber, treasurer; Marcia Smith; Juniors, Bruce Bucher, vice president; Connie Hollinger, Jeff Ross; Sophomores, Chris Brumbach, secretary; Fran Kauffman, Sue Sprout; Freshmen, Bonnie Adams, Robyn Brenner and Larry Bucher.

The regular fall and winter dances will begin Saturday, September 4, with the two bands, "Little Duck and the Drakes," and the "Ambassadors." Dress for these dances will consist of school clothes, excluding dungarees, sweat-shirts and sneakers. The price of admission will remain the same—50 cents with a Rec card and 75 cents without. Exceptions will be made for higher priced bands which the Junior Board will sponsor occasionally.

Because of the Warwick-Manheim Central football game on September 11, there will be no dance that night. The following week, September 18, the "Czars" will play.

7th Graders To Enroll In Religious Classes

All seventh grade pupils not presently enrolled in the classes for Weekday Religious Education may do so on the first day of school, Wednesday, September 8, by advising their home room teacher or the Junior High School principal, Carl Kaufman, it was announced this week.

To date, 135 pupils are enrolled for the once-a-week sessions that will be held each Wednesday afternoon. Enrollment is by parents' request only. The classes will be held in the educational wing of the Church of the Brethren, and are sponsored by the Warwick Association of Churches.

The first session will be held on September 15.

The classes are authorized in Pennsylvania on a one-hour week released time from school for religious education. The released time is based on the premise that the Warwick Union School Board and Warwick High School have approved it, the association said. The instruction will be non-sectarian.

Numerous preliminary meetings have been held with the curriculum and staffing committees, the teachers and advisors. At the present time, a letter is being prepared for distribution to the parent or guardian of all enrolled pupils explaining the details of the program with an opportunity to have questions answered.

There will be a meeting to

Chicken Barbecue In Springs Park

The Lititz Springs Park trustees will hold a chicken barbecue Saturday, Sept. 4, in the park in the hope of making up the loss incurred at the Fourth of July celebration, as well as to make money for support of the park.

The 4th celebration resulted in a loss of \$275, it was said. Postponement and then bad weather on the scheduled night were responsible, according to the trustees.

The barbecue will be held from 2 to 7 p.m., with Graybill Miller as the barbecuer. Dinners and take-outs will be served.

Tickets may be obtained in advance from any member of the trustees.

Fred Hall and Elmer Bomberger are co-chairmen.

Seven Lititz men enlisted recently in the United States Navy, it was announced at the Lancaster Recruiting Office.

Five of them will take their training at the U.S. Naval Training Station at the U.S. Naval Training Station at Great Lakes, Ill., for nine weeks, attending one of the Navy's Trade Schools.

They are: James Daniel Brewer, son of Mrs. Troy I. Young, Lititz; Raymond Edward Henny, son of Mr. and Mrs. Charles E. Nixdorf, Lititz R4; Timothy Francis Conlin, son of Mr. and Mrs. Philip B. Conlin, Lititz R1; Richard Coleman Lebo, son of Mr. and Mrs. Howard K. Lebo, 103 E. Second Ave., all graduates of Warwick High School, and Terry Wayne Grube, son of Mr. and Mrs. S. Wayne Grube, Lititz R1, a former student at Warwick High.

Two others have enlisted in the Navy's delay program and will leave for recruit training at later dates. They are Carl Ulrich Shenk, Jr., son of Carl Ulrich Shenk, 345 N. Broad St., and Barry Ray Strauss, son of Mrs. Martha Strauss of Lititz R1. Shenk will leave on December 22 and Strauss on October 6.

LIBRARY TO OPEN

The Lititz Public Library will open to the public on Tuesday, Sept. 14, at its new headquarters, 3 East Orange St. Opening had been delayed because materials for new shelving were so long in coming but now everything is in readiness, board members said.

Nursery School Opens 3rd Week In September

The Lititz Community Center Nursery School will open the third week in September and enrollments are still available for these classes.

Children, age three and one-half to five years of age, will find pleasure in meeting new friends, making crafts, learning finger plays, going on daily outings in a well equipped park, and attaining social tolerance as they talk to puppets which entertain while teaching little nursery lessons.

Until last year there were two classes. However, a third class was added when community interest was shown. This year the Community Center is willing to add a fourth class on Tuesday and Thursday afternoons in order to accommodate the increasing interest in this program. The program is geared for two

Elvin Landis, seventeen, Lititz R3, and Linda Burkey, fifteen, Lititz R1, reported missing to Manheim Twp. police on Aug. 13, have been located in Pompano Beach, Fla.

Detective Jan Fisher, of the township police, said Chester M. Landis, father of the Landis boy, had received word from his son and wired money for the couple to return home from Florida.

Police are still holding it as an open case, however, until the young couple returns home.

Aged Homes Boost Permit Values Here

Building permits issued by the borough during July hit a high for the year of \$1,142,500, or over a million dollars more than July a year ago, according to the monthly report of George D. Steedle, borough manager.

The high figure was accounted for by permits issued for two institutions for the aged — the Lutheran Social Services Home, 600 East Main St., \$585,000, and the Board of Trustees for Quincey Orphanage, home for the Aged on the Pierson estate, 125 S. Broad St., \$393,000.

New construction, including the above, came to a total of \$1,128,400, nine new homes accounting for a total of \$150,400. These were three houses in the 200 block of Swarthmore Dr., for Ryan Homes, Inc., at costs of \$22,500, \$18,500, and \$18,000 respectively, and six homes in the 400 block of W. Marion St., for Sutter Village Corp., of which two are for \$15,900, and four for \$14,900.

Remodelling permits amounted to \$14,150, and were issued as follows: Floyd Hagy, 46 E. Main St., addition, \$8,500; Dr. Franklin Cassel, 36 S. Broad St. (Continued on Page 8)

Boro Finances In Sound Shape

The borough apparently is in good financial shape, according to the monthly statement of Borough Manager George D. Steedle, presented to Borough Council.

For the month of July, the borough's beginning balance was \$60,501.78 and receipts were as follows: real estate tax, \$3,601.68; per capita tax, \$3,490; licenses and permits, \$380.50; fines, \$225.50; administration and department services, \$809.37; miscellaneous, \$129.79; total receipts, \$8,637.04, making available \$69,138.82.

Expenditures were as follows: general government, \$3,191.25; protection to persons and property, \$3,788.56; highways, \$11,800.10; health and sanitation, \$269.30; recreation, \$1,400; miscellaneous, \$2,550; total expenditures, \$20,451.71, ending balance, \$48,687.11.

This includes \$9,002.81 in cash, and \$39,684.30 U. S. Treasury bills due December 26, 1965. The General Fund also has in it \$15,260.84 in storm drainage construction funds, which are budgeted for 1965 at \$26,255, and \$3,969.47 in equipment reserve funds, budgeted at \$8,198 for this year.

Police are still holding it as an open case, however, until the young couple returns home.

A request to rezone a tract of land from residential to general business met with stiff opposition from owners of surrounding property Tuesday night before being turned down by Borough Council.

The request was made by the landowner, Levi Yerger, represented by Bernard Zimmerman, Lancaster attorney.

The property is located in a triangle formed by Water, Cedar and Lehman Streets. It was earmarked as the site of an auto parts store by James Wilde.

Zimmerman told council that portion of the property along Cedar Street isn't good for any other purpose. He requested a compromise whereby the part of the property along Water Street would remain residential and that on Cedar Street be changed to general business.

A petition requesting the tract remain residential was presented, signed by 21 of the 25 property owners in the immediate area. They felt that to commercialize the entire tract would harm existing property values.

It was stated that even though Wilde's business may not be objectionable, the property owners had no assurance what may follow if the tract were rezoned general business.

Council decided to further study a request from St. Luke's Church of Christ to remove a section of W. Market St. from the borough plan. The street, if ever built, would split the church property. The church said it wants to build an educational building, sanctuary and new parsonage on the tract.

The pastor, the Rev. Robert M. Myers, spoke in behalf of the church's request but two adjoining property owners, Owen Bricker, Lancaster attorney, and Paul Diehm argued against the idea.

The Planning Commission had recommended to council that the street be eliminated from the borough plan. Previously Council had in effect unofficially expressed approval of it being closed.

However, after about one (Continued on Page 2)

Car Hits Truck At Broad - 2nd

A two-vehicle collision occurred at 7:30 a.m. August 26 at South Broad and Second Ave., when a car hit a tractor-trailer truck.

Doris J. Harnish, Lititz R1, driver of the auto, told police she didn't see the other vehicle when she pulled into the intersection and struck the left rear wheel of the truck. She then lost control of her car and ran over the curb on Broad St. Police estimated \$100 damage to her car, and none for the truck. Mrs. Harnish will be prosecuted before Justice of the Peace Harold Kauffman for failure to yield the right of way. Chief of Police George C. Hicks said.

Light Doesn't Work

Chief of Police Hicks said he had received numerous inquiries about the traffic signal at Broad and Second Streets, which has been operating on yellow blinkers only. He said this is being done because of malfunction of parts. The proper parts are being shipped and will be installed as soon as they arrive, he said.

Speeding

Clyde D. Boltz, 104 Klein St., Lebanon, was charged with speeding in the borough, August 29, and brought before Squire Kauffman.

James J. Tigue, Box 223, Reading, was charged before Justice of the Peace Paul F. Diehm with a red light violation and expired temporary registration.

Car Top Stolen

Michael B. Dunn, 329 Gochenaer Ave., Lititz, reported to Police that between 9 and 11 p.m. August 30, the top was removed from his convertible Triumph car. It is valued at \$40 to \$50.

Found Guilty

A hearing was held at 10 a.m. Wednesday in Squire Diehm's office for Regis E. Parks, Columbia R1, who was charged by Chief Hicks on August 9 with a red light violation at Broad and Orange Sts. He was found guilty and given 10 days in which to either appeal his case or pay \$5 fine and \$5 costs.

Cyclist Injured

A fourteen-year-old boy was injured Saturday night when he drove his bicycle into the side of a car in an alley in Lititz.

Barry Smith, 30 E. Main St., Lititz, was treated in a private physician's office for lacerations of the leg.

While traveling west on Lock Up Alley, Smith ran into a northbound car on Raspberry Alley driven by Anna Mary Frank, 101 South Broad St., Lititz.

Violates License

Michael A. Benefiel, nineteen, S. Broad Street, Lititz, was fined \$200 and costs when he pleaded guilty to violating his restricted operator's license by not wearing glasses. The offense occurred July 19 at 7:30 p.m. in Lititz.

Held for Court

The case of Richard B. Frey, thirty-six, 600 Front St., Lititz, charged with indecent assault and battery by Lititz police, was returned to court last Thursday following a preliminary hearing before Justice of the Peace Paul F. Diehm, Lititz.

Frey was arrested and identified by a Lititz woman as

the man who attempted to attack her in the first block of E. Front Street on August 19.

Six Hurt In Crash

Six persons were injured in a two-car crash at the intersection of Rt. 222 and S. Academy Drive, Ephrata, at 5:50 p.m. Saturday.

Treated at Ephrata Community Hospital for lacerations, contusions and abrasions were: Aaron Burkholder, seventy-six, Lititz R1, one of the drivers; James H. Nuse, thirty-three, 319 Groff Ave., Lancaster, the other operator; his wife, Betty, thirty-nine; Helen Riker, fifty-eight, 317 Groff Ave.; Peggyann Zellers, seventeen, 807 Hilton Dr., Lancaster, and Sandra Lee Lausch, eighteen, 319 Groff Ave.

Mrs. Mildred I. Madl, 15 N. Second St., Shamokin, was released after treatment at Ephrata Community Hospital.

State Police from Ephrata said John F. Madl, fifty-five, husband of the injured woman, failed to stop at the intersection and that his auto collided with one driven by Clifford R. Blauch, forty-five, Annville R1.

hour's discussion, Council decided to table the matter until they could hold a joint meeting with the Planning Commission, Sept. 7 at 8:30 p.m.

The Council announced it, and the planning commission, will meet with Warwick Twp. supervisors and their planning commission Sept. 23 to discuss future use of Project 70 funds and possible areas of cooperation between the two municipalities on watershed conservation.

Council announced it would begin repaving 24 blocks of borough streets this week, beginning with Maple Street, near the high school.

Council wrestled with the definition of "junkyard" in formulating a junkyard ordinance which will be drawn up soon by the borough solicitor. In connection with the issue, council said it would require automobile garages to erect an eight-foot fence around their business if they keep "junks"—old automobile wrecks used for parts replacements.

Devise Formula

Council said it would devise a formula for determining the number of junkers that could be kept on hand in relation to the size of the establishment.

The proposed ordinance would also require a license costing \$100 to establish a junkyard.

F. D. Williams, of Lancaster, borough trash collector, asked council to increase his payment. He said he is operating at a loss. Council asked him to submit his request in writing and they will try to reach a satisfactory agreement.

LADIES NIGHT

The 22nd annual Fall Ladies Night and Banquet of the Lancaster County Club of the Reading Consistory will be held Saturday, Sept. 11, in the Host Motel at 6:30 p.m. There will be dinner, entertainment and gifts for the ladies.

Teen-Agers

(Continued from Page 1)

the column "Under 21" offers answers-only in its "Mail Bag" department.

In addition to having written the column since 1957, Halligan has worked in a volunteer capacity with teen-agers and pre-teen-agers for more than a dozen years. He answers questions strictly as a parent and not as a youth worker or youth "expert."

Under 21

Dear Teen-Agers:

Welcome to your first "Under 21" column. I stress that word "your" because "Under 21" is just that — it's "your" property. It's all about you, it's for you and, in great part, it's written by you.

Since this is a new feature for most of you, perhaps I'd better give you some background information about "Under 21" and myself. The column may be new in your weekly newspaper but it's been advising and helping teen-agers, kid sisters and brothers (and even parents) throughout the United States and Canada since 1957. It's been read by millions of people once a week and seven days a week, in newspapers of 1,500 circulation up to 700,000 circulation, and the tens of thousands of letters teen-agers have written to me over the years only confirm what you probably already know: Teen-agers are the same wherever they live. I'm talking about the "average" teen-ager. Praise the Lord, only a fraction of a per cent can be considered "not typical."

If I can leave you with one impression this week, it's this: "Under 21" and Dan Halligan are your friends. We've probably never met but I'm one of the truest friends you'll ever have. Why? I'm on your side because I'm really concerned about your welfare. If I wasn't concerned, I wouldn't have started this column nor would I have devoted another eight years to working with your age group on a volunteer basis in one thing and another. I like kids!

By the way, I'm 42, married, with two children of 21 and 15, and I live in the clear water, big tree and even bigger mountain country of northwestern Montana.

"Under 21" is a question-answer and opinion column and it's in print to serve you. Whether you're 13 or 19 and whether you live in the United States or Canada, in the weeks, months and years ahead you'll have questions about the following: allowances, dating, steady dating, car ownership, necking, "unfair" parents, makeup, clothing, careers, baby sitting, athletics, manners, parking, smoking, drinking, jealousy, jobs and college. These are just a very few of the many subjects you'll have questions about.

You know, it's a shame "Under 21" has enjoyed the popularity and wide acceptance it has over the years. It's a shame because when you kids are troubled, you generally have the best helping hands in the world right there in your own homes: your parents. Yet, teen-agers write to

me, a complete stranger, and pour out their hearts.

I'm not a psychologist or a professional youth worker but merely a parent who knows more about life than you and who is willing to help whenever possible. That's why I do welcome your letters. I'll answer your questions in one of three ways: in the column, by personal reply or, if you wish, I'll merely write a brief column reply for you. Some of you won't want a personal reply and yet you won't want your letter printed either. That's when you'll get an answer-only in the column's "Mail Bag" department. You don't have to sign your real name but you do have to be honest with me. I'll be honest with you too. One more thing: I will always respect the confidence you place in me.

In closing this first week's column let me say that by the end of next week's column, many of you will already consider me "old-fashioned," "unfair" and "too strict." You'll form those opinions because I won't always give you the answer you want but the answer I think is best. Remember, kids, I've been around a long time and I know a lot more about life than you. Always, I'll be looking out for your welfare. Okay? Let's hear from you if only to say "hello."

Honest, things just happen to me! I mean, I know lots of fellows that tell me they were visiting someone in New York and the friend took them out on his land to shoot a couple of quail... or they were down in Maryland and the landowner took them out in the back forty and they fished a couple of hours in a stream that ran through the farm. All this without license or incident.

Now I've always been a law abiding citizen... never molested women or beat up kids... always pay my income tax and don't spit on the sidewalks. Furthermore I am a firm believer in supporting the conservation departments over the country... this year I have a fishing license in the States of New York, Pennsylvania, Maryland, Michigan and the Province of Ontario. All this I am relating to you to back up my character... and I'm sure you will think I'm a mighty nice fellow. (That's as long as you don't ask my wife for her opinion of me.)

Well, on my last trip into the mid-west, I traveled without a piece of sporting equipment in my car... the object of the trip was to sell some shoes.

Late Saturday evening I arrived in Fort Wayne, Indiana. One of my customers invited me out to his cabin on Lake Oliver in the Chain-of-Lakes located in the Northern part of the state.

He, his wife and four children made the evening most delightful and the cool breezes off the lake created a perfect atmosphere for sleeping.

Sunday morning we went to church and then came back for an out-of-doors barbecue of steak and roast corn... and now I was ready for an afternoon of relaxation.

But Bucky, the seven year-old son of my guest, had other ideas.

"Take me fishing, Mr. Helter... will ya?"

"Go ahead," said his dad. "Don't I need license?" I asked.

"You don't have to worry about it up here," my host said.

We picked up a couple of rods and some worms and started out in the family boat. Fishing was slow... in fact we didn't have a bite. We

Woodridge Wins Invitational Meet At A'town

The Woodridge Swim team won the Adamstown Invitational relay meet last Saturday by a whopping score of 470 points. Brookside placed second with 220 points, while the host club, Adamstown, was third with 105 points, and West Shore club of Harrisburg, fourth with 100 points.

The Woodridge swimmers won 25 firsts, seven seconds, and five thirds, earning an aggregate of 168 medals. This marks the fourth consecutive year of nearly unbeaten record, the only loss being in an exhibition meet at Pottstown this summer to a strong host team. Woodridge made a spectacular rise four years ago, having been near the bottom of the list before that. At that time they went from one victory during the season up to a clean sweep of victories in League and city-county competition and have maintained that position ever since.

Other teams taking part in the Adamstown meet were Lancaster Country Club, 90; Overlook, 80; Millersville, 65; Ken-Grill, Berks County, 55; East Petersburg, 40; Hempfield, 40; Denver, (Ko-Ka-Li-Ku) 15; Annville-Cleona, Lititz Springs, Strasburg and Willow Street, no points.

Warriors Trim Catholic In Pre-season Scrimmage

Warwick High scrimmaged Lancaster Catholic High Saturday morning, each squad running ten plays at a time. The final score: Warwick 14—Catholic 6. Extra points were not attempted, but the Warriors tacked on a safety to two touchdowns. Catholic, 70 strong, passed for a score on their first offensive series. Warwick shut them out the rest of the way.

An eight-point margin does not seem too impressive, but the rushing statistics are. Warwick picked up 280 yards on the ground; Catholic was minus yardage. Through the air, however, Catholic had the better of it, completing 11 passes, two for TD's (one called back).

Strengths first. All of the backs ran well. Asked who the outstanding runner was, Coach Glenn Bowman replied: "They all were. It's hard for me to single out one boy." Jeff Ross, Rick Sipe, and Art Thorn were the only backs who did not see action. Ross, the junior signal caller, is practicing this week. Sipe and Thorn, halfbacks and deep safeties, both suffered broken noses last week in contact drills. Rick has been ordered to avoid contact until at least the second game, but Bowman is hoping he'll be available for punting duty a week from Saturday at Manheim Central. Thorn may be out a little longer.

Of course, as the rushing stats imply, the offensive line was a joy to behold. Led by Larry Klopp, last year's outstanding lineman, sophomore Mike Roth, and big Tom Burkholder, they consistently opened up big holes. The defensive line was nothing short of excellent as they completely throttled Catholic's running game.

Weaknesses? Passing and pass defense, according to Coach Bowman. Senior John Helter and soph Mike Gery alternated at quarterback. Halfback Bob "Cheese" LaVigne showed promise passing on the run. Bowman figured on Sipe and Thorn as two of his three deep men in a 6-2-3 defense. No doubt their return will improve the secondary.

Big John Reitz, 1964's outstanding back, dove for one touchdown from five yards out. Helter scored the other.

Of every ten veterans now living, eight will survive until 1980, four will be alive in the year 2000, and one will still be living in 2015, the Veterans Administration estimates.

BEFORD SHOE, first-half titlists, took two out of three from Spring Bar, second-half champs, to win their first Lititz Softball League trophy. Seated (L-R): Gary Hornberger, Harold Eckert, Barry Dull, Vern Shreiner, and Rich Strohm. Standing (L-R): Dick Weal and, Jim Davidson, Manager George Clapper, and Carl Wolfe. Missing: "Red" Sholly, Don Spade, Phil Davidson, and "Hoot" Gibson.

UNIT AWARD

Army PFC Frederick Ruebman Jr., whose parents live at 205 E. Second St., Lititz, is a member of the 720th Military Police Battalion at Fort Hood, Tex., which has been presented the III Corps Superior Unit Award for the fiscal year 1965.

Cobblers Score Three In 7th To Win Playoff 5-4

Beford Shoe terrorized the opposition in the Lititz Softball League's first half, winning nine out of ten. In the second half, they fell apart and almost disbanded. But first baseman George Clapper hastily reorganized and managed to get them ready for the best-of-three playoffs against the second-half winners.

Get them ready, he did. Losers three times in four meetings with Springs Bar, the defending champs, Clapper's Cobblers dropped the first playoff game but came back to win the next two.

Each time they had to come from behind in their last turn at bat. Last Wednesday, in the third and deciding game, the Cobblers trailed 4-2 heading into the bottom of the seventh. Presto! Shortstop Vern Shreiner, who slugged a two-run homer in the first, singled. "Red" Sholly doubled him home. Sholly was sacrificed to third and rode home on Jim Davidson's sacrifice fly. Two out, none on, scored tied 4-4. Manager Clapper singled; and when Barry Dull followed with a basehit, Clapper tried to make it to third. The throw had him but got by and rolled into the dugout, and Clapper strolled home

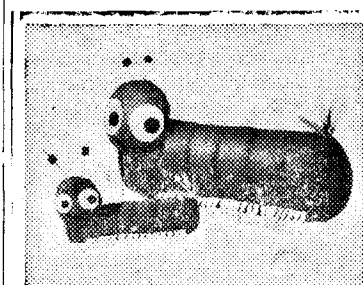

with the winning run. Winning pitcher Rich Strohm celebrated by lighting up another cigar.

The second annual double-elimination tournament is still in progress and will continue through Sunday and maybe Monday. Kepner's Realtors and the American Business Club, both undefeated, clash tonight. Five teams are still alive; Springs routed Beford 16-6; ABC upset Hoff's Cafe 9-8, scoring six runs in the seventh; Kepner's outlasted the Lititz Sports Center 13-9; Beford eliminated the Sports Center 15-11, although they were down 9-0; and Kepner's thumped Springs 11-1.

SPOTLIGHT ON SPORTS

By Ray Adelizzi
Lititz Record-Express Sports Editor

Hockey Day Camp at Millersville State College concluded last Saturday. Over 300 Lancaster County girls attended, 33 of them from Warwick High School. Encouraged by Coach JO SMITH, they were hoping to improve their skills and make possible a championship season. Deadlocks squelched their chances in '63 and '64. Two years ago, the Warriorettes were 3-1-4; last year they finished undefeated, 4-0-4. Eight Warwick girls were selected for an all-star team: Donna Longenecker, Gloria Brubaker, Joanne Eshleman, Dawn Ketterman, Mary Conlin, Kathy Will, Linda Garner, and Marcia Groves.

honorably mention. In an all-star game, played Saturday morning, Warwick's team won 1-0. Guess who scored the lone goal? Hint: She was last year's most prolific scorer.

Fancy-fielding first baseman and leading hitter (.391), BILL LANDIS was selected as the Lititz Legionnaires' Most Valuable Player.

BOB WOLFE, WHS '63, spent the summer working and playing on a championship basketball team (Lititz Sports Center) and a pennant-winning softball team (Springs Bar). Last week, he returned to Colorado State University for his junior year. Bob could be CSU's starting quarterback. Let's hope we hear more about him during the next 3-4 months.

Three Coaches; 4-Man Squad?

President Jay Wenrich has called an important meeting of the Warwick Midget Football League for Wednesday evening, September 8, 8:15 p.m. at the Lititz Recreation Center. Topic: To determine whether or not Brunnerville will be able to field a team for the 1965 season. As of Wednesday, September 1, only FOUR (4) boys have indicated a desire to play.

All eligible boys (that is, those who were 9, 10, 11, or 12 before yesterday) can still register at the Recreation Center. Those wishing to join a team should report to the following places: Lititz boys, High School practice field, September 7 or 8; Brunnerville area boys, John Beck School, September 2, 7, or 8; and Rothsville area boys, Rothsville Elementary School, September 2, 7, or 8.

With an adequate coaching staff and at least an 11-man roster, the League's other three teams are ready for action. Coaches this year are: Rothsville Lions (Dan Rossi, Dick Keller, Bob Keller, and Joe Doster), Lititz Red Raiders (Tom Reaich, Max Johnson, and Tim Klesey), Lititz Junior Giants (Bob Gible, Carl Reist, By Solt, and George Ketterman), and Brunnerville Fighting Irish (Terry Keith, Dick Coates, and Jim Sensenig). One, Jo Beth Long, received

Two pitchers — Billy Mitchell (8-0) and Bobby Kalenich (3-0) — were undefeated. First baseman Gordie Landis (8 homers) and third sacker Mike Enck were the leading hitters. First row (l-r): Dale Sensenich, Billy Mitchell, and Bobby Kalenich. Second row (l-r): Roy Striker, Mike Enck, Jon Bard, Jeff Adair, and Mike Runk. Community Fund Could Help Lititz

Many small communities in Pennsylvania are in various stages of financial discomfort — if not downright strangulation — because of the great influx of population, and the demands of people for services.

It is to help these communities of less than 10,000 people solve their water, sewage, and other service problems, that the Community Fund bill was originated in the state legislature. That bill passed the Senate unanimously this week, and is now on its way to the House. It would provide grants to communities up to 25 percent of the costs of water and sewage facilities, within limits of \$200,000 to \$250,000.

What does this mean to Lititz? That depends upon the outcome of the survey of sewage disposal problems presently under consideration. Although our plant is now in good shape on a liquid basis — it was designed to handle 890,000 gallons per day and is now handling only 550,000 gallons — its capacity for handling solids is under considerable strain.

The plant capacity will have to be expanded, but the big question is by how much? To double capacity would require an estimated \$400,000; to triple it, \$650,000. It is possible that in the long run the latter choice might be the desirable one; it would certainly be the cheapest on a per unit basis.

That question currently hinges on a survey of the needs of Morgan Paper Company. In April, the company's output was 321,000 gallons per day. That would have meant adding the equivalent of 6100 persons to our present sewage facilities. Since then, Morgan Paper has reportedly undergone a complete re-plumbing of its waste discharge system, and is reusing a considerable amount of water. This could substantially change the company's needs, and would affect the Borough's decision on how much to increase present plant capacity.

The Community Fund bill, if passed by the House — and there seems to be very little resistance to its passage — could mean a helping hand to Lititz in the amount of approximately \$160,000, assuming Borough Council sees fit to triple capacity of our sewage-handling facilities.

The Right To Choose

Politics is one of the principal occupations in a free nation. But a nation will remain free only so long as the voters control the politicians.

The people of the United States have no conception of what fear of government officials means. They have never been herded into oblivion by state police for expressing views in opposition to dictators in power.

As a result, U.S. citizens have never lived in fear of officialism. Under our Constitution, they have enjoyed the right to choose . . . the greatest civil right.

But politics has been whittling away at that right and steadily restricting the individual's right of choice in the U.S.

Therefore, it is well to read the words of one who remembers living in fear . . . where the individual was the plaything of officialism . . . where he had no choice.

The following letter "To The Editor" appeared in a Portland, Ore., newspaper recently. It said in part:

"Although my age was only eight when my father was forced to leave Russia because of persecution, my memories are very vivid of the tribulations endured under government controls. Because of these unforgettable experiences, the constitutional rights and liberties are treasures worthy of preservation regardless of cost."

When you see a candidate for public office, or an elected official advocating policies that undermine constitutional safeguards, states rights and individual opportunity, turn thumbs down on him while you have a vote and a choice.

Parents who are afraid to put their foot down usually have children who step on their toes.

If you make a right turn from a left lane, you are probably careless and reckless and not what the fellow behind you called you.

"Mid the Turmoil"

It seems that once again we can speak that familiar line . . . "It's a small world," . . . or the one about coincidences.

Mr. and Mrs. Howard Redcay were traveling by plane from New York to London when they recalled that a Lititz man, Bernard Dunn, is a TWA pilot. So they asked the captain if he'd ever heard of him, and sure 'nough, Dunn was piloting that very plane. When Dunn learned they were aboard he added an extra touch to his "sight-seeing" commentary by saying: "Now we are above (such and such a place.) Everybody look, and the people from Lititz, too." To make things even more cozy, it turned out that the captain is from York, Dunn, who lives on Gochenauer Ave., has a regular flight from New York to London and to Frankfurt, Germany.

Floy Ulrich, Lititz' able police-woman, fell and broke her arm last week — on a skateboard, of all things! She's been taking a lot of ribbing, especially because police some time ago warned kids of the dangers of skateboards.

One of America's favorite hot weather treats may never have been invented if it were not for a shortage of dishes. On a sizzling summer day at the St. Louis World's Fair in 1904 an ice cream vendor faced a crisis when he ran out of serving dishes. A Syrian concessionaire who sold crisp sugar wafers quickly came to the rescue. He shaped his penny confections into cones to hold the ice cream. The portable combination was an instant success and it was not long before millions were enjoying the crunchy delight. Today Americans put away four billion servings of ice cream cones each year, more than half being consumed during the summer months.

Serviceman Sends Word Of Capt. Marybelle Nissly

The long finger of coincidence reached out and tagged a local serviceman in Germany recently.

Master Sergeant Christian Bachman, USAF, a native of Lititz and brother of Mrs. C. S. Keith, 302 Linden St., arrived in Germany July 6, and the first thing he did was to buy a copy of the armed forces' newspaper, "Stars and Stripes."

In it, to his surprise, was a feature story about Captain Marybelle Nissly, of the Women of the Air Force, a former Lititz resident well-known to practically everybody in Lancaster county, including, of course, the Keiths and the Bachmans. Marybelle was organizer and director of the first WAF band in 1952, after having served in the WAC band for about ten years before that. She had been a music teacher at Manheim Township High School, and joined the WACs as a piccolo player. She was the first drum majorette in the Lititz High School band, which at first had only boys in it when organized in 1926.

At present she is 10th Tactical Fighter Wing assistant personnel officer stationed at Alconbury, England, and it was from this picturesque area that the story in "Stars and Stripes" originated. Highlighting her activities there is the hobby of bell ringing which she learned in the churches of England. She has rung bells in more than 50

English churches. This is an art that was developed during the 17th century. Marybelle holds the distinction of being the only American member of two bell-ringing associations.

Sergeant Bachman sent the clipping to his sister in Lititz. He has been in the service since January, 1941, and has been stationed throughout the world. His wife, the former Mary Elizabeth Scott, and their son, Neil, seventeen, are with him in Germany.

TO SHOW FILM

The film "Lucia" will be presented in St. Paul's Evangelical Congregational Church, Rothsville, on Sunday at 7 p.m. The film depicts the true story of one woman's search for meaning and love, climaxed with a message by Billy Graham.

Be of good cheer: rise. —(Mark 10:49).

As we pray for comfort, we are no longer sad or lonely, no longer depressed by conditions or circumstances. We are comforted by the realization that each experience can be made into an opportunity for us to grow in understanding.

Growing in Faith

Lesson for Sept. 5, 1965

Background Scripture: Luke 17:5, 6; Philippians 3:12-16, Colossians 1:9-14, 2:7-8.

Devotional Reading: Ephesians 4:11-16.

THE WORD FAITH has various meanings, and each of them is important. It is used in the New Testament often, but it does not always mean the same thing. The foundation meaning is confidence. Having faith in Christ means having confidence in him. Faith in God is likewise confidence. A man really has faith in God when he relies on his word and his promises and his power and mercy. Faith also (in the book of Hebrews especially) means confidence that what God commands me to do, I can do. Faith in the great 11th chapter of Hebrews is a going, doing, obeying faith. In the letter of James, faith is contrasted with action. But James discounts faith while the writer of Hebrews admires it. This shows that they were talking about different things. The faith low-rated by James is belief about God, not belief in God. Faith about God may make no difference in life; faith in God is a Christian's life-foundation.

Faith does not stand alone

In reading the New Testament, especially the Gospels and the letters of Paul, if the reader will understand that Paul and every good work — increasing Jesus usually mean confidence in the knowledge of God . . . reader cannot go far wrong. Now Paul is known as the apostle of faith, but Paul would be the last person to suppose that faith is all a person needs to have to be a full-fledged Christian. Paul wrote to the Corinthians a letter with the famous chapter on love; and he winds up that great prose-poem on love by naming faith and hope along with it as the three abiding things of life. But he makes it clear that faith by

itself, even if you could move a mountain with it, leaves you no better than you were. He says in so many words that love is greater than faith and hope. So when we think of the place of faith in a Christian life, we must think of faith-with-love, faith-with-hope, and not faith-alone. Probably Paul would say, if asked, that faith without hope and love is just as dead as James says it is.

Blackboard or Garden?

Stranger though he was to the city and church of Colossae, Paul was glad when he heard about the Colossians. The thing he mentions first of all was their faith. (Noticing readers of the Colossians letter will see how he brings love and hope into the picture too!) But there are two kinds of faith. One is like an item on a blackboard. The teacher can write up there a list of sentences with the title "Christian Beliefs." Then the teacher can take pointer in hand and point to each item in turn and get the class to say of each one, "I believe that." That is a kind of faith, but it is not what interested Paul. You note that he soon was speaking of "bearing fruit." That is the kind of faith you hear most about. It is faith with a harvest, faith that walks serenely into the face of danger, faith like a laden fruit tree. Real faith is not an item on a blackboard; it is a garden seed, an orchard tree, pleasing the eye and sustaining life. You may be sure: No fruit, no faith!

Growing in Faith

Paul says one thing here which might be misunderstood. He holds out a beautiful picture of what Christ has done and does for us, — "provided that you continue in the faith." You might think he means staying put, standing firm, not going nor growing. But if you study what he has just been saying about the Christian life, you can see he means something quite vital and vigorous: "Be filled with the knowledge of his will . . . bearing fruit in all that you do . . . increasing Jesus usually mean confidence in the knowledge of God . . . reader cannot go far wrong. YOUR LEGISLATOR'S REPORT

by Sherman L. Hill
Assemblyman for Lancaster

How often does one stop to think about the importance of our water supply? For a number of years we have been told that our supply will lessen and that we should be concerned with conservation and study means for new and expanded facilities. The Lancaster County Planning Commission has appointed a Water Resource Advisory Committee to study how much water we have, where its sources are and will our supply meet future needs. This is encouraging and will surely benefit the people of Lancaster County.

Pennsylvania's Water and

GRADUATES TODAY

Mrs. Barbara Pennell Beck, daughter of Mr. and Mrs. William Pennell, Lititz R3, is being graduated today from the Lankenau Hospital School of Nursing, Philadelphia. She was married on August 21 to Robert Edward Beck, of Denver, Colo., and they are living at 314 N. 34th St., Philadelphia.

Power Resources Board is presently considering a request from the Chester Municipal Water Authority for an additional allocation of water from the Octoraro Creek.

If the request is approved, Chester will be permitted to almost double its present consumption. Will Lancaster County's future water needs be imperiled if Chester's request is approved? At present the answer is unknown, but it could prove costly and maybe tragic if we gave away water today that we need in the near future.

Legislators from Lancaster and Chester Counties were given the opportunity to appear before a scheduled meeting of the Water and Power Resources Board. The meeting was informative and interesting, and we are hopeful the Board will have all answers for our protection before issuing a decision on the Chester request.

The deadline date for reapportionment is passed. The court-imposed date of September 1 left little time to study and discuss an important issue. In the House of Representatives the majority party seemed to hesitate to bring the bill out of committee because Legislators of their own membership will be affected when the House membership is reduced to 200 instead of the present 209. Because of this, dissatisfaction may arise in the Democratic ranks. With much more delay the responsibility of the reapportionment will be placed in the courts.

Have you been reading about all the investigations, task forces studies, special committee reports, and other investigations taking place in the State Government? This happens when the majority party doesn't have a definite program. Our Democratic friends are prompt to offer criticism but neglect to offer a constructive program. A Democratic-controlled committee will not bring to the floor of the House a Senate approved bill to provide \$500,000 for operation of the Joint State Government Commission. If they really are of the opinion the General Assembly's research arm isn't necessary then why spend many dollars on investigation? The people of Lancaster County will not accept action of this kind. Politics which involve deals, and politics which sacrifice good government for immature thinking will never survive in our county.

"On Monday and Tuesday, the ninth and tenth of this month, I was honored to have been a Courtesy Page in the House of Representatives of the General Assembly. One may imagine that I could not have learned too much about the job in such a short time. However, the opposite is true, and the Pages' duties recur daily, permitting one to learn the work rapidly. I must admit that it was not as glamorous as popular opinion would have it. Perhaps the most tedious bit of work appears before and after the session when the pages are responsible for keeping the bills in the 209 Representatives folders up to date. To elaborate a bit, this means that each folder must have all bills that were passed or taken off the calendar removed, and that each folder must have bills placed into them as each appears on the calendar. All of this activity continues with the bills in chronological order.

"During the session itself, the Pages' obligations on the floor are rather simple. That is, the pages must run various errands for the Representatives. If he does his work efficiently, the Representatives remain happy; if the Representatives remain happy, the Chief Clerk (in charge of the pages) will be happy; if the Chief Clerk is happy, the pages will be happy, because they will retain their positions. In conclusion, I certainly thank Mr. Anthony J. Petrosky, the Chief Clerk, for the opportunity to learn a bit more about our State government in Harrisburg. I sincerely suggest that anyone who considers himself a responsible citizen should attend a few sessions to become familiar with the way in which our lawmakers operate."

Out Of The Past

(From the files of the Lititz Record and the Lititz Express)

10 YEARS AGO

September 1, 1955
Work was resumed on the Warner-Lambert site after settlement of a strike by the workers. The contracting firm, Jack and Jim Maser, agreed to a wage boost.

Borough Council chambers overflowed Tuesday night with property owners requesting flood relief. With the excessive rainfall of the past two weeks, several sections of town suffered considerable inconvenience and damage due to the fact that existing out-lets were inadequate to carry off the water. They asked that the borough open up a drain on private property which had become filled in, but council said it couldn't be done without permission. Borough engineers said the only solution would be to install storm sewers all at one time, at a cost of about \$300,000.

Meanwhile, donations ranging from one dollar bills to checks for \$30 to \$100 for flood relief poured into the Record-Express office as residents of the Lititz area came forward to aid the suffering in nearby wrecked areas. Nearly \$300 was turned over to the Lancaster Red Cross chapter this week with prospects of more in a few days.

It was also revealed that proposed new lights for the borough would result in an increase of four mills in the tax rate. To replace the boulevard lights around the square and install the more modern type in about a four block area would cost about \$2,400 per year.

The Warwick Union School enrollment is 2,129, an increase of 163 students over the 1,966 student enrollment last year. As a result of this increase, the appropriation from the state will be increased about \$3,500 over last year.

20 YEARS AGO

August 30, 1945
The Borough of Lititz will receive financial help on the upkeep and repair of its streets next year to the tune of \$2,500 from the state, it was indicated. The money will constitute Lititz' share of the refund by the state of gasoline tax revenues. A total of \$8,500,000 will be distributed by the state. Lititz' share of the refund will be approximately \$300 per mile of borough streets, excluding state highways which run through the borough. A recent survey showed that there are 7.6 miles of improved water-bound streets, and 1.03 miles of dirt streets, making a total of 8.63 miles of streets maintained solely by borough funds. Captain Joseph W. Grosh, local physician, was awarded the Bronze Star Medal in Eu-

rope by Major Gen. D. A. Stroh, commander of the 106th Infantry Division. The medal, in its leather case, was received this week by Capt. Grosh's wife. He also was awarded the combat medic badge, and in addition he holds a unit citation and a personal citation for distinguished service during the Battle of the Bulge in Germany last December.

Robert C. Miller, Sonarman Third Class, USNR, of 13 S. Spruce St., received the bronze combat star for his participation as a member of the crew of a Destroyer escort of the Atlantic Fleet which successfully attacked and destroyed a German submarine a few days before V-E day.

Ralph Wier, who had been serving as a teller at the Lititz Springs National Bank, was named second assistant cashier.

30 YEARS AGO

August 29, 1935
Postmaster Robert E. Pfautz received official notice from President Franklin Delano Roosevelt that the United States Senate confirmed his appointment for a four-year term dating from the time of confirmation, August 22.

Mrs. David Kreiter entertained the "Darning Club" in honor of Mrs. H. C. Miller's birthday. The other guest of honor was Mrs. E. S. Crossland of New Dorp, Staten Island, a former member of the club.

Over 280 persons attended the annual reunion of the Keller family held at Middle Creek meeting house August 25. The vice president, Alvin R. Keller, president, Mrs. Theresa Jane Keller, Dallastown, eighty-six, was the oldest person present, and Lorraine Keller, eight months, daughter of Rohrer Keller, Lititz R1, was youngest. The largest family was that of Warren Seitz, Dallastown, with nine present.

Harry Gorton, the safe man, returned from New York City, where he superintended installation of steel shelving for the Eagle Fastener company on Broadway.

Approximately 1,000 persons attended the annual Brubaker family reunion in the Springs Park, representing six states and the District of Columbia.

William H. Mathers, who conducted the barber shop and beauty parlor in the General Sutter Hotel since its opening has moved his quarters to 32 W. Orange St. George Pennypacker will vacate his place of business upstairs at 21 E. Main St. in the Harris building and will occupy by September the west basement of the Spacht building, 29 E. Main St.

honor of their three daughters who were recently married: Mrs. Victor Wagner, Mrs. George D. Clarke and Mrs. Levi Yerger and their husbands.

Mrs. Sara B. Mumma, a native of Lititz, who had moved to Glendale, Ariz., near Phoenix, wrote a letter to the newspapers in which she told that the temperature there was 116 in July, but she didn't mind it any more than she did in Lancaster when the temperature was 96. This was because there was so little humidity in that valley. She related that everything good to eat grew in the Salt River Valley, and that the apricots looked like peaches. She said "the only thing we lack here for eats is Lititz Pretzel." She felt some energetic young Lititz pretzel baker could locate in Phoenix and would not mind the heat for four months, because for eight months there was beautiful weather and it was a rich country.

About 800 persons attended the Witmer family reunion at the Springs Park. The largest number came from Lancaster county, but Lebanon, York, Dauphin, Cumberland and Adams counties were represented, and even Ohio and New York State. The oldest person was Mrs. Uriah Witmer, eighty-four, and the youngest, Elizabeth Wanner, nearly four months. Dr. C. Howard Witmer, Lancaster, was reelected president.

50 YEARS AGO

August 27, 1915
The events of the ever-to-be-remembered Chautauqua Week came to a close on Friday. Our last week's issue had a full account of all the splendid days up to Friday. In the afternoon the Juniors presented their play, "A Pageant of Average Town." In song, dance and drill, the children ably portrayed the awakening of Sleepy Town, and the banishing of those enemies to health and happiness, the Fly and the Mosquito. The boys entertained with athletic stunts. The speaker for the day was Hon. James Manahan, congressman-at-large from Minnesota. His subject was "The Case of the Children Against the State." His knowledge of good and bad laws enabled him to show how the children were denied their rights of childhood, including freedom to play, to education and other opportunities by being forced into virtual slavery through the factories by commercial greed.

Since the extension of the limits of Lititz borough a new polling place is required for the Warwick district. The court named the hotel of S. K. Buch at Brunnersville. H. R. Wertsch and N. D. Sturgis were at the Conestoga yesterday and caught seven bass. One caught by Mr. Wertsch and exhibited in Frank Rader's window was 19½ inches in length and weighed 3¼ pounds. Lititz will go to Manheim to play the third game of the series tomorrow. Hevener will probably be Mgr. Jones' choice while Groninger will do the hurling for the Bretzels.

Welsh Bros. big one-ring circus arrived in town this morning. The big tent, 4,000 seating capacity, was erected on the lot in the rear of the Eby Shoe factory.
