Church Of Brethren Shares Bequest Funds

The Lititz Church of the Brethren will give away \$30,000 of its \$290,000 bequests from the estates of Daniel W. and Ella Withers, it was announced following a recent congregational meeting.

Twelve agencies and institutions will share in the \$30,000; seven of which will receive from \$1,500 up to \$9,700. These are mainly outside of Lititz.

Five others, all in Lititz, will each receive \$900: Warwick Association of Churches, Week-Day Religious Education, Lititz Public Library, Lititz Community Center and Lititz Springs Park.

The other agencies to benefit are: Bethany Theological Seminary, \$9,000; General Brotherhood Board of the Church of the Brethren, \$6,000; Eastern Pennsylvania District of the Church of the Brethren, \$3,000; Brethren Home at Newville, \$3,000; Brethren Service Center at New Windsor, Md., \$1,500; Camp Swatara, Bethel, Pa., \$1,500, and Lancaster County Council of Churches, \$1,500.

Mrs. Withers, a charter member of the Lititz congregation, died in February, 1965, and her husband, a member of St. Paul's Lutheran Church, died about ten years earlier.

Withers left most of his estate to be divided in six equal shares of about \$175,000 each to the General Hospital, Osteopathic Hospital and Rossmore Sanatorium, all of Lancaster; Elizabethtown College, St. Paul's Lutheran Church and the Lititz Church of the Brethren. Mrs. Withers gave the total of her estate, about \$110,000 to the Lititz Church of the Brethren, and Withers gave an extra \$5,000 to the local church.

In the Congregational Council meeting it was decided to

Ambulance Ass'n Seeks Members

The Warwick Community Ambulance Service is presently in the process of conducting its annual membership drive, with the present memberships having expired March 31, 1966.

In order to avoid a lapse in membership, new application forms were mailed some time ago to all known residents of the Warwick Union School District. Residents who have not already done so are urged to complete the application and return promptly if they wish to renew their membership or enroll as a new member.

Those who have not received applications by mail may fill out the accompanying form in the Record-Express.

The Ambulance Service is sponsored by the American Business Club of Lititz, and operated by the Warwick Ambulance Drivers Association. On an average, 26 ambulance calls were made each month during 1965, and in November of last year the 2500th call was made since operations were begun in 1954.

Total Permits \$131,450 In Warwick Twp.

Building permits totalling \$131,450 were issued in Warwick Township during March, according to Mrs. Ruth Wetzel, building permit clerk.

W. A. Miller and Sons, 163 N. Locust St., took out a permit for \$42,000 to build a foundry on the north side of the Newport Road.

Other permits were issued as follows:

William E. and Barbara Powers, new home on the north side of the road near Rudy's dam, \$23,000; Glenn F. Knight, new home at Lynn Farm, Owl Hill, \$19,000; John H. Kurtz, new home for sale, Ballstown Rd., near Rothsville, \$16,000; Lloyd P. May, new home for sale, south side Fairview drive, \$14,500; Herbert J. and Helen Cammauff, Leola R1, new home, east side of Creek Road, \$14,000; James B. Hess, Lititz R1, new garage, \$1,500; James B. Long, Lititz R1, workshop and garage, \$1,000.

Printers Allowed Zoning Variance

The Lititz Board of Zoning Adjustment, at its meeting Tuesday night, approved a request by Wagaman Brothers printers, for a variance permitting them to erect a 25 by 194 addition to the plant at Second Avenue and Pine Lane.

The request was granted with the provision that the company landscape the western side of its building, and in cooperation with the Lions Club relocate the baseball diamond and backstop of the adjoining park. The firm also expects to expand the parking space in the near future.

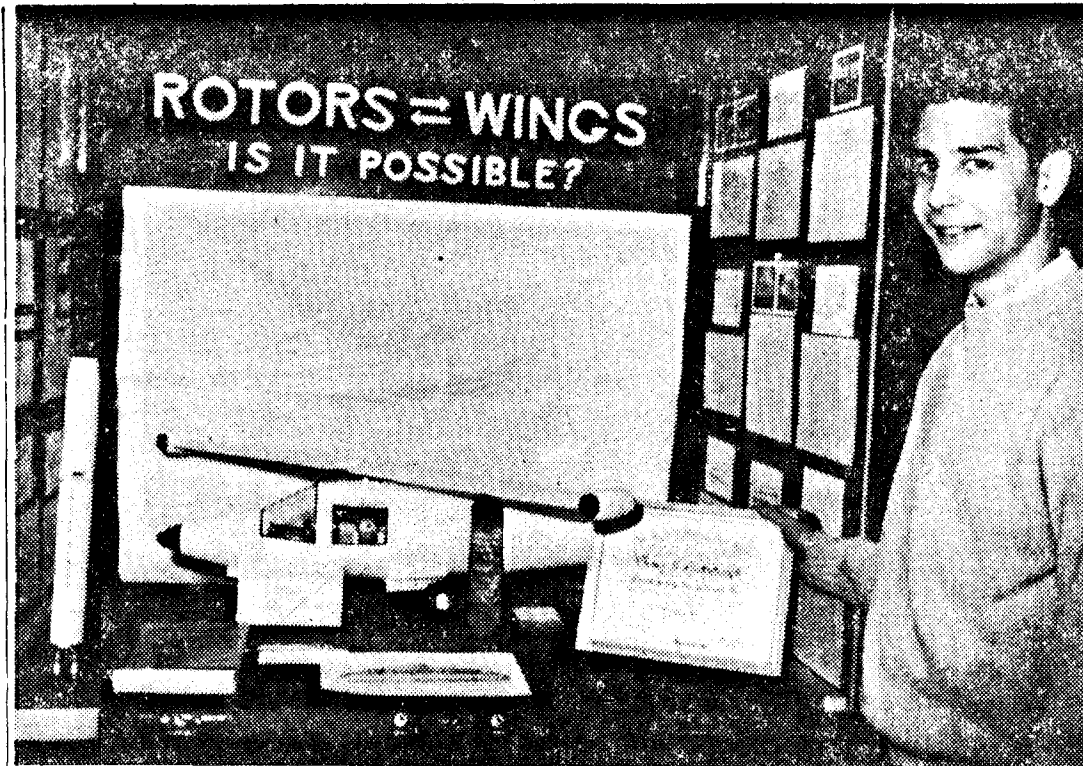

Two Cars Collide With Milk Truck In Borough

Two cars and a truck collided at Broad Street and Second Avenue, Tuesday at 7:20 a.m., but there were no injuries, according to Police Chief George C. Hicks.

A car driven by Mrs. Darlene Adams, 445 W. Marion St., Lititz, traveling east on West Second Avenue, turned onto Broad Street, and collided with a milk truck driven by Robert T. Moore, Washington Borough R1. Moore swerved to the right in an unsuccessful attempt to avoid the Adams car, and struck an automobile driven by Moses H. Weiler, Ephrata R1, according to Chief Hicks. Total damage was estimated at \$145. Mrs. Adams will be charged with a traffic violation. The milk truck is owned by Turkey Hill Dairy, Conestoga R1.

Two Car Crash
Two cars collided at West Orange and Pine Streets on Monday, April 4, Chief Hicks reported. The drivers were Miss Caroline K. Good, 625 S. Broad St., and Paul R. Kline, Quentin. Miss Good will be prosecuted for failure to yield the right of way by Officer Leroy Emmerich before Justice of the Peace Paul F. Diehm.

Breaks School Law
Mrs. Betty Knier, 505 Hensley St., Lititz, was prosecuted April 5 by Chief Hicks for violation of the compulsory school attendance law of Pennsylvania. He said she allowed her fifteen-year-old son to be illegally absent from school, and will be charged before Justice of the Peace Harold H. Kauffman and summoned for a hearing.

WINS SCIENCE HONORS: Tom Reidenbaugh, fifteen, a sophomore at Warwick High School, is shown with his project "Rotor Wings" which won him first place in the Physics division of the recent city-county Science Fair as well as recognition from national organizations such as the Air Force, Navy and NASA.

To Register Area Tots For Kindergarten

Registration for all children in the Warwick Union School District who will be entering kindergarten for the first time and for those first grade students who have not previously been registered will take place during the week of April 18.

On Monday, April 18 and Tuesday, April 19, all those students who will be attending either the Lititz elementary building or the Lutheran Educational building will be registered between the hours of 9 and 11:30 a.m. and 1 and 3 p.m. in the Lititz auditorium.

On Wednesday, April 20, all students who will be attending the John Beck school will register between the hours of 9 and 11:30 a.m. in the school's all-purpose room.

All Rothsville students will register between the hours of 1 and 3 p.m. in the auditorium of the Rothsville building.

Parents are requested to accompany their children and to have their child's birth certificate and vaccination report with them. Only those children who will be five years old or six years old before January 31, 1967, will be permitted to enroll.

3-Car Crash
A three-car accident occurred March 28 at 3:30 p.m. at Broad Street and Lincoln Avenue, causing total damage of \$650. There were no injuries.

According to Police Chief Hicks, a car driven by Fred V. Anderson, Lititz 1, traveling north on North Broad Street, went through a red light striking a car traveling east on Lincoln Avenue and making a left turn into the Broad, driven by Allen Whitmyer, 333 N. Broad St. The Anderson car then bounced off and struck an auto headed west on Lincoln Avenue, driven by Hiram M. Eberly, 411 Linden St., who was making a left turn into Broad. Officer Howard Dissinger, who investigated, will prosecute Anderson before Squire Diehm for a traffic light violation.

Drunken Charge
Melvin Burkhardt, 936 E. Main St., Akron, was prosecuted by Officer Fritz before Squire Kauffman on March 27, for operating a motor vehicle while intoxicated, and posted bail for a hearing.

Speeding
Tresia N. Matthews, Hopeland, was charged by Chief Hicks before Squire Diehm for speeding on North Broad Street on March 29.

Cyclist Hurt
Barry Kimmel, twenty-one, 510 Poplar St., Lancaster, suffered a broken left leg when his motorcycle collided with a truck operated by James L. Markley, Lititz R1, March 31, at Marion and Arch Sts., Lancaster. He was treated and summoned for a hearing. (Continued on Page 2)

Tom Reidenbaugh Wins Top Awards In Science

Tom Reidenbaugh, son of Mr. and Mrs. Robert Reidenbaugh, 430 S. Spruce St., a sophomore at Warwick High School, won high honors at the Lancaster City-County Science Fair on March 30.

His project, "Wings to Rotors—Is It Possible?" earned the following awards: first prize in the field of Physics, first prize from NASA (National Aeronautics and Space Administration), the U. S. Aerospace Power Award, and the second alternate for a navy cruise of one week. In addition to the above honors, he had the distinction of receiving the most awards of any entrant in the Science Fair.

Tom worked over 200 hours building his model and attempting to find a solution to his problem of converting a plane from a horizontally moving aircraft to a vertically moving helicopter. When asked where he got the idea for his project, he modestly

said the thought had just occurred to him that it would be good to have an aircraft such as this. So he searched for available material on it and found none—therefore, he had to count on his own ingenuity to provide the data for his original research.

The judges at the Fair obviously were not the only ones interested in Tom's project. Since the Fair, Tom has been asked to take his project to Millersville State College during Aviation Week and there he is to speak with an Air Force General. He has also received an invitation to visit the Goddard Space Center from NASA. The Glenn Martin Aircraft Corp. has asked Tom to bring his model down for them to see.

It is not hard to understand that Tom's future plans are centered around Design and Testing in the field of Aeronautics.

Warwick Sophs Find "It's Fun To Think"

"Why have a personal philosophy with which to govern your life? What is your philosophy of life? What does life mean to you?"

These questions and others like them have been examined carefully during the past month and a half by the two sections of sophomores of Warwick High School. The philosophy study has been a part of the sophomore English course of study taught by Robert Steinruck.

During the second week of school, back in September 1965, the students selected a philosopher to study. They worked in groups of two, each group studying the writings of one philosopher. The assignment was to read as much as possible about the person along with reading the philosopher's own works, in an attempt to understand the man's philosophy, his views, and his ideas.

In March each group reported on what had been found. Individual meetings with the teacher were required before the report was given to the class. The results were, to some degree, quite surprising. Interest was high. Many students discovered that it is fun "to think."

Part of the study dealt with the development of a personal philosophy on the part of each student. After hearing what other men have believed or do believe, the students were urged to put into words what they believe concerning life, and man's place in the universe. The students also discussed whether or not it is really important to have a personal philosophy of life.

The group worked with such philosophers as John Locke, Francis Bacon, John Dewey, George Santayana, Charles Darwin, George Berkeley, David Home, Albert Schweitzer, Confucius, Fyodor Dostoevsky, and Jean-Paul Sartre. (Continued on Page 2)

Dawn Rites At Old Zion On Easter

Easter sunrise services will be held at Old Zion Reformed Church of the United Church of Christ at Brickerville at 5:30 a.m. on Easter Sunday. It will be an out-door service with the Rev. Robert Myers of Lititz St. Luke's UCC conducting the service.

Setting for this service will be the south end of the lawn facing a large cross which overlooks the valley. This is the only time of the year that the church is used for services.

An instrumental ensemble will present Easter music and also lead the hymn singing. Jack Markert, Hemstead, Md., will direct the ensemble. The Rev. Robert Myers will present a message, "The Easter Amen."

Following the service those attending are invited to an Easter breakfast prepared by the men of the Church and served in the Odd Fellows Hall, 113 N. Broad St. The public is invited to attend the sunrise service and the breakfast.

Communion Services
Two Easter Communion services will be conducted at St. Luke's UCC and members are expected to attend. Visitors are also welcome.

At the 9:15 a.m. Communion. (Continued on Page 2)

Easter Symbolizes Man's Immortality

Easter, the festival celebrating the Resurrection of Jesus Christ, and symbolizing the immortality of man, will be welcomed in Lititz with special traditional services. Among them are dawn services, and love feasts, particularly at the Moravian Church which will observe its 208th dawn service early Easter morning.

Lititz residents will be awakened in the still of the night by the Moravian trombone choir which will travel through the town from 3 to 4 a.m., culminating in the Dawn service at 5 a.m. The Moravians will hold their traditional Love Feast, Saturday at 3 p.m.

A community Good Friday service will be held in St. Paul's Lutheran Church tomorrow at 1 p.m., for all denominations.

On Good Friday, most stores will be closed, at least part of the day, mostly from 1 to 3 p.m.

Schools also will be closed, the elementary schools having dismissed at 12:30 p.m. Thursday (today). They will reopen on Monday. The shortened Easter vacation is made up for days the schools were closed because of snow.

However, contrary to former years, banks will be open on Good Friday, and closed Saturday.

The traditional Easter Egg hunt for all children of the area will be held by the Lions Club, Saturday at 4 p.m. on the grounds of Warwick High School.

The Lions Club egg hunt is for age groups, not grades, as was announced previously due to an error. Ages 1, 2 and 3, will meet in the circle in front of the school; ages 4, 5 and 6, baseball diamond; ages 7, 8 and 9, football practice field; ages 10, 11 and 12, west of borough pumping station.

Easter Customs

The crucifixion of Jesus occurred during the Jewish Passover, and the early Christians, being Jewish, observed Easter as part of the Passover. Later as non-Jews came into the church, some Christians insisted that Easter should be celebrated on Sunday, the day of the Resurrection. Western churches generally celebrated the festival on Sunday, while eastern churches followed the Jewish tradition.

Easter derived its name from "Easte," the Anglo-Saxon goddess of spring, and many of the customs of the Easter festival were incorporated from heathen rituals welcoming the spring season. The egg has long been a symbol of Easter, but long before the birth of Christ the ancient Egyptians and Persians had the custom of coloring and eating eggs during their spring festival as a symbol of fertility and of renewed life. The Christians paraphrased this ancient significance of the egg as a symbol of new life and the egg became a symbol of resurrection.

The sunrise service so much a part of Easter is also rooted in antiquity. According to an old superstition, the sun rising on Easter morning danced in the heavens. This belief has been traced to the old heathen festival when the spectators danced in honor of the sun.

The Easter Parade, seeming entirely worldly, may be traced to an old belief that it was unlucky not to wear some new article of clothing or personal adornment on Easter. Or it may stem from the universal feeling that the Eastertide is the time of casting off the old and the beginning of the new.

Those families, who by custom eat ham on Easter Sunday, are unknowingly following an old practice of the early English Christians who ate a gammon of bacon on Easter to show their disdain for the Jews, to whom pork is forbidden.

On the other hand, those who eat lamb for Easter are carrying out an ancient tradition, stemming from the offering up of the sacrificial lamb—commemorating the "Lamb of God who takes away the sins of the world."

Lititz Restaurant Under New Owners

The Lititz Restaurant, E. Main St., has been purchased by a mother and daughter, Mrs. Lottie Butler and Mrs. Carol Buch, and is now open under their management. The restaurant will feature home-style cooking and will be open from 5:15 a.m. to 7 p.m. Monday through Saturday.

Water Meeting In Twp. April 28

A public meeting concerning water facilities in Warwick Township has been called for April 28 at the Rothsville School, it was announced by Joseph Brubaker, president of the township supervisors.

The meeting is a follow-up of a survey taken in the township to determine if a municipal water supply is needed.

IN COLLEGE CHOIR

Robert Donmoyer, Lititz, a sophomore at Susquehanna University, Selingsgrove, is tenor soloist in the University choir which will tour a number of Pennsylvania cities April 23-27. The spring concert will be held April 22 on the campus.

EASTER EGG tree is made by pupils of the Fourth Grade of the Lititz elementary school. Left to right are Margo Frederick, Ricky Weik, and Kim Pietschy. The class is taught by Mrs. Marie Witkonis.

Three hours and 45 minutes of sleep each night just isn't enough for a growing boy . . . I staggered out of bed . . . I dragged and walked out of the Jefferson Hotel in Watkins Glen, New York. It was April the first and the beginning of another trout season.

The temperature was in the low 20's and as we got out of the car along the stream it began to snow.

There were nine men in our party . . . Doctors Lutz, Diller and Cannizzaro from Lancaster, Jay Clymer and his son from Philadelphia and Doctors Eshleman and Yeager and C. E. Leshar and yours truly from Lititz.

Enthusiasm was running high. One car arrived in Watkins Glen early Thursday and had a chance to check the stream . . . "The fish are here," we were told. "We saw them . . . some really big ones in the shallows and goodness only knows what in the holes." Yep, I had made up my mind, this was going to be the year when I finally landed one of those big Rainbows!

Things started off kind of slow . . . and then the fish began to hit . . . Suckers . . . suckers by the thousands, were in the stream. By noon I had seen no more than half a dozen trout . . . and a couple of dried suckers tossed out on the banks of the stream. The fish were all fair, nothing real big (I'd say three to eight pounds, nothing over 10 pounds).

That was almost the story of the trip. Leshar had one that went 21 inches (about three pounds). Lutz had one even smaller than that. Doc Eshleman had two in the four and five pound class. Hank Diller had to throw a five pounder back . . . it was too hooked . . . I had a little bit of one that I threw back and Sunday morning I rolled a BIG one . . . but the boys said that doesn't count, and that was the sum total of the catch in three days of fishing.

It snowed a good part of every day, rained part of the day and the sun fought its way through the clouds for a couple of hours.

Tony Cannizzaro had a chilling experience . . . the bank gave way under his feet and in he went . . . as he went out of sight in the fast water we could hear his cry for Hank Diller who ran downstream and fished him out. They laid him on his back . . . no, he didn't need artificial respiration, although that ice cold water did take his breath away . . . He needed help in getting his boots off. Well, Hank pulled and pulled but with all that water down in-

side those boots they just wouldn't budge. With one quick movement, Hank held Tony upside down and the water ran out of his boots and added the finishing touch to any inch of dry clothing that may have been left.

Later on, we were sitting in a little restaurant just ready to order lunch, when a lad of about 11 or 12 came up to our table and said to me, "Will you tell me your name?" I said, "Sure, why do you want to know?" "Are you Gad-about-Gadis?" I said, "No." The kid with him said, "See, I told you!" The both of them turned and walked away . . . no longer interested in who I really was.

Now, I'm not so sure I liked the whole experience. First of all, Gad-about-Gadis of TV fame (the flying fisherman) is about 20 years older than I am. Second . . . Gad-about-always seems to catch fish and more fish and the way the one kid looked at me and my empty creel, it seemed like proof that I had no right to the name. And third . . . It made me think of home . . . among the names my wife calls me is Gad-about-Helter and here I was on Palm Sunday weekend fishing in New York State . . . I began to feel guilty . . . Those darn kids spoiled my trip . . . for about three minutes . . . until that waitress handed me that bottle Black Label!!!

Nixdorf Double Winner In Loss To E-Town

If you don't mind watching Warwick get trounced, which is more than likely, and you would like to see some superb athletes in action, show up at Warwick High School's track (encircling the football field) next Wednesday afternoon.

Columbia High, featuring Ron Smith (high hurdles, 100.440) and Jerome Ellis (low hurdles), will be here. They're the defending County champs, undefeated last year, and opened Monday with an easy win over strong Hempfield.

Warwick's debut Monday at Elizabethtown was something less than successful, although coach Ron McIntyre was able to pick out a silver lining: "Considering the fact that we were shut out in three events (low hurdles, high jump, broad jump), we didn't do badly. Nixdorf really did an outstanding job for this early in the season, and we had eight firsts to their seven. Eckert (sophomore Rick) should do better in the low hurdles, and I'm thinking of switching him from the high hurdles to the broad jump."

E-Town won 74-53, a 21-point difference, and they racked up a 27-0 margin in the three events they swept. Big Ed won the mile in

4:36.4, the 880 in 2:03.8, and was a member of the winning mile relay quartet. Other Warwick firsts: Mike Roth (shot put), Gary Mulligan (pole vault), John Reitz (discus), John Reidenbaugh (440), and both relays.

Nixdorf, Reidenbaugh (0:56.3), Roth (48.2), and Mulligan (9'9") set school records.

Golfers Split; Huber Sharp

For a weekend, Warwick's golfers were all alone in first place after defeating Penn Manor 12-8 Friday at Overlook. But, LeRoy Trupe's troopers came tumbling down into a tie for second Monday at Media as Manheim Township won easily, 17-3, and took over the top spot.

Individually, Bobby Huber made it three straight, besting PM's Glenn Stauffer 4-0 and Township's Bob Hamilton 3-1. Stauffer had whipped Bobby in the County Jaycee Tourney last summer; Hamilton is an old nemesis. Bobby has been the medalist in all three of Warwick's matches, shooting a 76 Friday and a 77 Monday. Hamilton had Bobby down four holes (36-41) after nine, but Warwick's No. 1 player rallied on the back nine for a one-over-par 36, winning six holes to Hamilton's one (43).

Township's No. 2, 3, 4, and 5 men all shot in the 80's, making the rout possible. Freshman Greg Frankhouser, No. 4, carded an 88 for Warwick.

Frankhouser's 87 Friday was good enough for three points. "Trip" Thorn, No. 2, had an 82, worth a point; and Ken Eshleman shot an 83, winning 4-0.

LeRoy's linksmen are at Fairview Monday; Manheim Central provides the opposition.

Warriors Put It All Together In 9-0 Win Over Manheim Cen.

What a beginning for Warwick High's baseball team! Coach Ed Journey reported that he was "pleased." He could have been more emphatic. His Warriors won 9-0, played errorless ball, pounded out 11 basehits, and muffed Manheim Central's bats Tuesday afternoon at Central.

Ed got a look at both of his young pitchers, and they couldn't have been much more impressive. Junior Kent Kreider, a lefthander, started and worked the first four innings, striking out four, walking one, and retiring the first ten men he faced until Central's first baseman bounced a bunt single off the plate in the fourth inning. Another junior, righthander Rick Sipe, came in from right field to hurl the last three frames, whiffing seven, walking two, and permitting one hit — a scratch single between third and short that never left the infield.

Ten players accounted for Warwick's 11 hits, with left-fielder Harry Gockley getting two, Harry, soph Dick Oehme, and catcher Jim Ruebman had the three extra-base hits, all doubles. Kreider singled across two runs in a four-run third.

Dave Remley's Jayvees (1-1) shut out Central the previous day, same place. Billy Mitchell went the distance, twirling a two-hitter. Dick Oehme (2-4), Dan Oberholzer (2), and Gordie Landis (2) were the hitting heroes for the Junior Warriors.

Twenty-one members of Troop 42 attended the Lititz Bird Club meeting in the Recreation Center March 30. Scout Steve Rannels gave a talk and showed his insect collection. He was assisted by John Spahr, a junior assistant scout leader of Troop 42. The scouts were accompanied by assistant Scoutmaster Joseph H. Klos.

SPOTLIGHT ON SPORTS

By Ray Adellzi
Lititz Record-Express Sports Editor

Tickets are still available, at \$2.50 per, for the FIRST ANNUAL WARWICK BASKETBALL DINNER. They can be purchased at Glassmyer's or the Lititz Book Store. The dinner, to honor senior basketball players, will be on Wednesday, April 27.

JO SMITH guided her girls to Warwick's first field hockey title this past winter, and she's back now attempting to duplicate that achievement in tennis. Her hopes are high. All five starters are

back from the '65 outfit that won 7 of 10 plus two other letter winners, Jeannette Ergle and Laurie Strickler. Junior Viola Ures is the No. 1 girl; she was 9-0 as a freshman and 8-2 last year. Gloria Brubaker (5-5), Dawn Kertman (8-2), Kathy Will (7-3), and Mary Lou Rodge (4-2) round out the starting five. In reserve, Jo has Shelby Pontz, Bev Hanna, Phyllis Ober, Peggy Harbison, Kath Shannon, and Donna Fenstermacher.

While the Warriorettes are thinking "championship," SCOTT GARMAN is hoping his boys can match last year's 6-4 effort. Junior Carl Shuman (8-2), a semifinalist in the recent District Three Indoor Tournament, is the lone returnee. Behind Carl, there's Doug Pennington, Greg Ludwig, Steve Kraybill, Mike Keller, John Spahr, Jeff Searle and Ron Miller — all underclassmen battling for a starting berth. Senior Floyd Storck, Mike Gery, Jon Bard, and Dave Spangler provide bench strength.

Both the girls and the guy open ten-match campaigns Wednesday. Garman's Warriors host Solanco; Smith's Warriorettes are at Quarryville.

Warwick's golfers were surprised to play Colocalo tomorrow. Good Friday, so coach LeRoy Trupe had the match moved up to yesterday. Which means he was without a BOBBY HUBER, who flew down to Florida State University to look over the campus.

Huber, as usual, is dissatisfied with his game. "I'm not playing good," he complains the other night. "My drive are hooking, and my short irons could be better." Bobby is 78, 76, 77 so far; he has taken 11 of 12 match points.

Fun and Facts

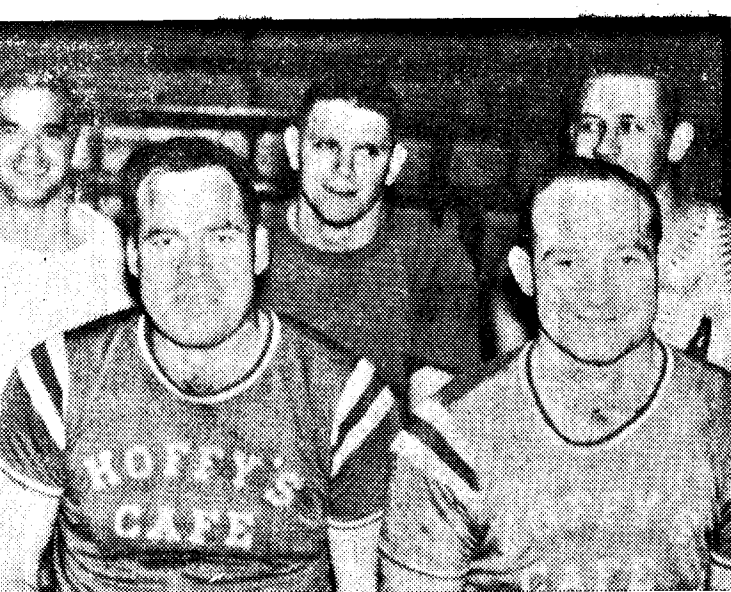

About Bowling.....by Dick Ericson

THE STANCE: A proper stance is essential to effective display of a chic new bowling ensemble. Since bowling centers have been recognized as the showcase for sportswear, nothing must be left to chance, especially the stance.

THE STANCE: A proper stance is a must in bowling because it incorporates several factors which help the bowler in his approach to the foul line. For example, the feet. The left foot should be slightly forward and bear most of the weight. Knees slightly bent—the right knee, the left knee, or both. The ball is held about waist high, and in line with the right shoulder, enabling the bowler to have a straight swing.

Colored Egg Custom Rooted In Antiquity

When your children search the earth had hatched from a giant egg. They'll be renewing a custom far older than Christianity. Eggs represent the new life that returns to earth every spring — around the time of Easter. The custom of exchanging eggs as part of the celebration began in ancient times. The ancient Persians often dyed eggs in the colors of spring and gave them to their friends as gifts. Some early peoples believed that

Residents of Czechoslovakia, Poland, Lithuania, and other lands also are known for their highly decorated Easter eggs. In England, friends often exchanged eggs at Easter, although nowadays these usually are chocolate eggs. The Irish break the long Lenten fast by eating eggs at dawn on Easter. Germans color eggs green on "Green Thursday" — the Thursday before Easter — and carry the eggs all day for good luck. On Easter Monday the young people have an egg-rolling contest. In Italy, a priest blesses the eggs on Easter. The eggs occupy the center of the

breakfast table, with other dishes arranged around them. In The Netherlands, children go from door to door during Holy Week, collecting Easter eggs. Young and old alike play games involving eggs on Easter Monday. In Greece, people tap red eggs together as a greeting when they meet on Easter. The first person says, "Christ is risen," and the second replies, "He is truly risen." In Bulgaria, on Easter Saturday, people exchange eggs and baked almond cakes. In Hungary, boys sprinkle girls with water on Easter Monday and receive Easter eggs in reward. Customs vary from land to

Lawton Gets Position At Mansfield

Edgar L. Lawton, Lititz R4, former director of Elementary Education in the Warwick Union School district, has been named area curriculum coordinator for seven counties in north Central Pennsylvania. Presently he is an assistant superintendent of Lancaster County Schools. He also becomes a member of the faculty at his alma mater, Mansfield State College; will teach a maximum of six semester hours per year and will coordinate curriculum development and inservice education programs for administrators and teachers in the seven county area. His appointment was approved last week by the County School Board, and the effective date of transfer is May 15, 1966. Lawton was born and raised in Wellsboro, twelve miles west of Mansfield, and his wife Linda was

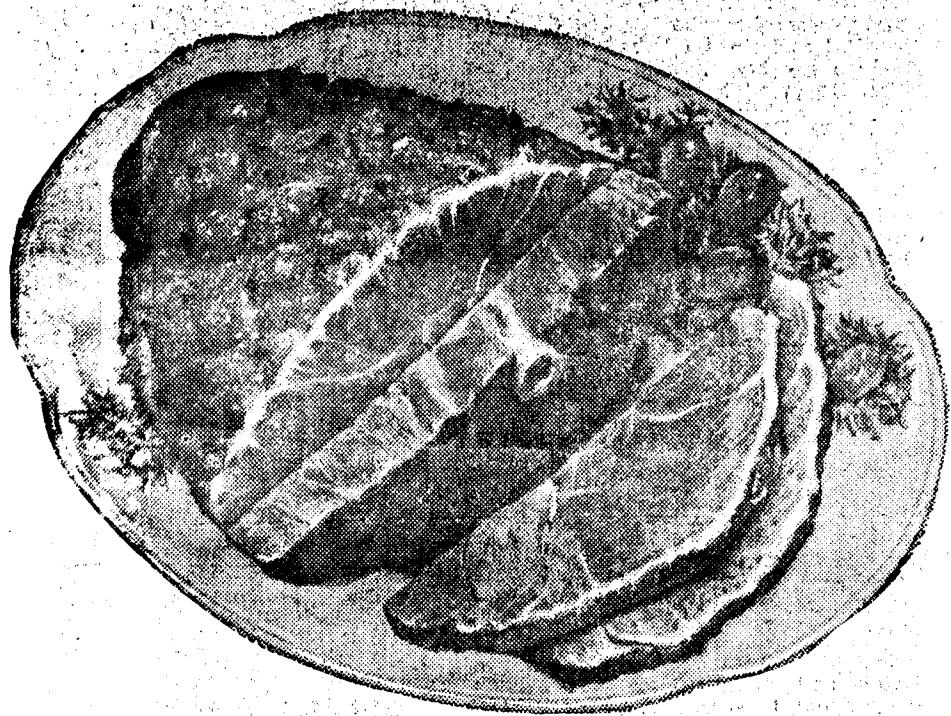

born and raised in Mansfield. Lawton was director of elementary education in Warwick Schools from 1961 to 1965, and in addition he instructed workshops in Modern Mathematics for groups of elementary teachers as a temporary employe of the Department of Public Instruction. He also holds a rank of "Lecturer in Elementary Education" with Pennsylvania State University, and occasionally teaches graduate extension courses in "Problems of Elementary School Arithmetic." Before coming here he served as elementary teacher in several Pennsylvania

cities and in Arlington, Va., and from 1956 to 1961 he was associate professor of Education and Psychology at California State College. He received degrees at Mansfield SC, Bucknell University and Pennsylvania State University, and is certified as a supervising principal, comprehensive principal and elementary principal.

He is a mathematics teacher at Lincoln Junior High School.

"TRAVEL THROUGH BOOKS" is the theme of the third grade reading classes at the John Beck School, who have built the "ship" above to illustrate their travel book entitled "If I Were Going." The ship is made of lumber, construction paper and yarn. Book covers line the rail, and pennants fly from the "rigging." Books are inside. The children, left to right, are Mary Mentzer, William Bender, Dennis Strauss, Debbie Hackman and James Irvin. The ship was made under the direction of Miss Esther Markey, teacher of Grade Three.

19th CENTURY CUSTOM

Easter, the keystone of Christian faith and hope, was not generally celebrated in this country until late in the 19th century. Most Protestant churches in the U.S., following the footsteps of the English Puritans, dropped the celebration of Easter because they disliked the ritualism that had developed with it.

PERSONALS

Mrs. Charles A. Cook, 707 S. Main St., Chambersburg, spent the weekend with her son-in-law and daughter, Mr. and Mrs. Eugene L. Steffy, 313 S. Broad St.

Main St. Mr. and Mrs. Melvin Newcomer, Salunga, also visited the Snaveley residence. Mrs. Jolley and Mrs. Newcomer are sisters and both women are nieces of Mrs. Snaveley.

Miss Jeannette E. Freiling of Germantown, Philadelphia, is visiting with Mrs. Allen W. Schattsneider.

WILLIAM B. HANCOCK

William B. Hancock, fifty-eight, newly appointed administrator of the Lutheran Home under construction in Lititz, died while driving his car in the 1200 block of the Lititz Pike in Lancaster about noon Tuesday.

Dr. Gilbert S. Clime, Lancaster deputy coroner, said he apparently died from a heart attack. He said that Hancock, who lived at 401 Eden Rd., Lancaster, was alone in his car when he became ill, but was able to brake his car without hitting anything, and then died.

Funeral services will be held Saturday at 10 a.m. in St. Paul's Lutheran Church, Spring Grove, with the Rev. Carl Frederick, pastor of Redeemer Lutheran Church, Lancaster, officiating. Interment will be in Spring Grove cemetery. In lieu of flowers, contributions may be sent to the Lutheran social services, 227 E. Orange St.

YOUNG KING TUT

The young Pharaoh Tutankhamen of Egypt, whose tomb was discovered about 40 years ago, is believed to have been a victim of tuberculosis which was common in Babylon and Egypt in the second millennium B.C.

HARRISON H. SHUE

Harrison H. Shue, eighty-three, 30 E. New St., Lancaster, formerly of Lititz, died at his home March 31 after an illness of one week.

He was first married to Ella Firestone Shue, and later to Elizabeth Buckwalter Shue. Both his wives preceded him in death.

Born in Penn Twp., he was a son of the late Samuel and Mary Ann Hoover Shue.

He was a resident of Lancaster since his retirement from the Champion Blower and Forge Co., 20 years ago.

Surviving are a son, Clarence Shue, Lititz; a stepson, Robert Buckwalter, Lancaster; one grandchild, two step great grandchildren; and a sister, Mrs. Kattie Schaepp, Elizabethtown.

Funeral services were held Monday from the Spacht Funeral Home, Lititz, with the Rev. Richard Hess officiating. Interment was in Longenecker's cemetery.

Manheim Plans Pre-School Tests In April

A preschool testing program for the elementary children in the Manheim Central School district, will be held on April 12 and 14, it was announced by Robert S. Eshelman, supervisor of elementary education.

The dates and time are listed below:
 Elm Tree Elementary School, April 12, 8:30 a.m. and 12:30 p.m.;
 Mastersville Elementary School, April 12, 8:30 a.m.;
 Stiegel Elementary School, April 12, 9 a.m.;
 Fairland Elementary School, April 12, 9 a.m.;
 Sporting Hill Elementary School, April 14, 12:30 p.m.;
 White Oak Elementary School, April 14, 1 p.m.

Parents will be notified by letter, regarding the time and school for this enrollment. Parents who have not received their letters by April 5, are asked to notify the elementary supervisor, Phone 665-2200 or the school in their area.

Birth and vaccination certificates should be presented at the time of the registration. To enter First Grade in September, 1966, the child must be six years of age on or before January 31, 1967.

Children who are currently attending kindergarten classes in the district have been given the pre-school test and will not report for classes during this enrollment period.

Registration for kindergarten in the Manheim Central School district for the 1966-67 School Term will be held on May 5, 1966.

Rec Center Plans Four Adult Dances

The Recreation Center is hoping to set up four adult dances for the Fall and Winter of 1966-67, with a new set-up to be used to insure more interest and better crowds.

The new set-up was suggested by Scott Cummings, and the idea is to pre-register, 50 or more couples who will pay \$10 for the four dances in advance. This is to insure the Center that all expenses incurred for the dances will be met, and also to encourage more adults to attend the dances.

The Center would like to remind the public, however, that these dances will not be limited to the 50 or more couples who pre-registered. Those attending the dances without a season ticket will pay \$3 per couple per dance.

The tentative dance dates are October 8, November 12, February 11, and March 11.

The Center must have at least 50 couples registered by July 1 in order to have the dances. Anyone who would like to register or to know more about the dances may call the Recreation Center (626-5096, during the day, or Mrs. Ellen Wagaman (626-2778), Mrs. Garth Hacker (626-8017), and Scott Cummings (626-7957) after 6 p.m.

Hostetters Have 50th Anniversary

Mr. and Mrs. Mahlon H. Hostetter, Lititz R3, observed their golden wedding anniversary March 31, when they were honored at a dinner party at the General Sutter Hotel given by their son-in-law and daughter, Mr. and Mrs. Stan Dudas, Northfield, N.J.

Mr. and Mrs. Hostetter were married March 30, 1916, in Philadelphia by the late Rev. I. Walton Bobst, former pastor of St. Paul's Lutheran Church in Lititz, and father of Elmer Bobst. He also had married Mrs. Hostetter's parents, the late Abraham and Annie K. Lipp, 75 years ago. Mrs. Hostetter is the former Dora Lipp.

The Hostetters are retired and live on the old homestead one mile west of Lititz. Mr. Hostetter is a former farmer and has been active in civic affairs in Lititz. Mrs. Dudas, (Helen), is their only child, and they have one granddaughter, Donna.

After the dinner, attended by 18 relatives, the couple left for a "second honeymoon" trip to Florida.

Easter

Easter is here again. And, though few may know it, the theme of Easter is older than Christianity itself. In the modern world, it celebrates the Resurrection of Christ. But similar rites were held in times long before He lived. Rituals of rebirth, historians tell us, were common in the ancient civilizations.

Now Easter is greeted with sunrise services, and these date back to the medieval custom of praying while the sun begins its climb into the heavens. One legend holds that the rays of light which break through the clouds on Easter morning are angels dancing for joy. This is, indeed, a happy time — even as it is a time for thoughts of those aspects of life which go far beyond the mere material.

In many communities, elaborate Easter parades are held, and ladies appear in their new finery — a flamboyant Easter hat has become something of a tradition. And then there is one of the most charming of customs — the Easter egg hunt for children. Easter bunnies, the eager children are told, laid the eggs. And this, too, has its origins in antiquity — in pre-Christian times the rabbit was a symbol of abundant new life in the spring season.

Easter thus combines a rich mixture of laughter and solemnity. Both are good — both are needed by the soul of man. Let all enjoy this Easter — and, in enjoying it, pray that the spirit of He who was Resurrected from the dead will some day rule this world.

Individual Responsibility

Give a motorist an automobile and the open road, and he sometimes forgets himself. Maybe it's all part of being an individual and pushing aside responsibilities. But it all fits in the highway safety picture.

Some persons — in and out of government — have taken pleasure recently in putting the blame for highway deaths chiefly on the automobile industry. The critics say the answer to it all is for the companies to build what they (the critics) describe as "safer cars." They're wrong. They've forgotten the individual driver.

Too often the role of the motorist in highway safety discussions is dismissed or placed far back in importance. Actually, it is a major consideration. No matter how automobiles are built and highways designed, the speeder, the drinking driver and the motorist who fails to keep his car in good repair will be a menace. One national news magazine recently reported that a study of 3,018 deaths on Texas highways in 1965 showed that in 42 percent of the accidents, the driver was speeding; in 37 percent drinking was a factor, and 12 percent of the drivers didn't even have a license. The magazine's report added that nationally, most authorities agree, only 20 percent of all accidents don't involve some degree of driver error.

This all means, we think, that motorists cannot look elsewhere for a big answer to highway safety. It has to start with the man, woman or teenager behind the wheel, hopefully with his seat belt buckled. Stricter traffic laws and enforcement, better driver licensing procedures, improved driver training courses for high school students and all practicable improvements in the car itself will help. But many are convinced it will be the individual motorist who will supply the major breakthrough.

Motorists have a responsibility to each other. No one else can assume it. We enjoy freedom of speech but cannot abuse it. This privilege for instance, gives us no license to run into a theater and yell "fire" when there is none. The same goes for the privilege of having a driver's license. It is no permit to kill or maim through misjudgment and carelessness.

The key words are individual responsibility. That's where highway safety in good measure rests.

The Bald Truth

Two ladies were discussing what they would wear to a dance. "We're supposed to wear something to match our husband's hair," said Mrs. Jones. "So, I'll have to wear black. What will you wear?" "Goodness!" gasped her neighbor. "I don't think I'll go!"

"Mid the Turmoil"

The annual A.B.C. show—How The West Was Lost — was a big hit, as usual. It would be hard to single out the outstanding performances since the fellas and gals all did a real great job . . . but we're still hearin' talk around town of the convincing way Bob Derck played the drunk scenes, especially with the ladies of the Salvation Army. Congratulations to everyone involved for giving Lititz another good show!

Charlie Kissinger, 420 N. Water St., was winner of the big door prize at the Long and Bomberger Open House last week-end. It is an "Estater" outdoor storage building with a patio roof.

Robert Eby, 1776 Euclid Drive, Lancaster, was winner of the bicycle contest, and must've used the "new math" to win, because he came so close. The contest called for people to estimate the mileage that would show on a bicycle speedometer, and Eby was only 2.3 miles "off" with his estimate of 449.2, as compared with the actual mileage of 446.9. The front wheel of the bike was turned by a small electric motor and this was turned on during the three days of the open house. Three other men were less than five miles off in their estimating. One was Kissinger, winner of the big prize. Another was Bob Bomberger himself, who couldn't enter the contest officially, of course, but entered it unofficially. "Just for fun." Bob's guess was 444.4, or 2.5 miles off, and therefore he figuratively "lost" by only .2 of a mile.

Eight-year-old David Marks was given a surprise happy birthday party last week that at first scared him half to death.

Davey, a member of the cast of "How the West was Lost," was "down front," after the curtain fell between the rehearsal for Acts I and II, talking to the director, when the curtain suddenly opened, and there was the whole cast. He tried at first to run away, because he thought the show was on and he was afraid he was in the way, but he was soon reassured . . . especially when the cast sang "Happy Birthday" and presented him with a cake. He's the son of Jack and Doris Marks, also both in the show which had a two-night run last week-end.

Harry Essig had a "problem" Tuesday . . . seems Harry was picking up a pack of cigarettes that had been dropped by a customer . . . when . . . r-r-rip went his pants right up the back seam . . . and many customers got a big laugh! Funny thing . . . Harry's face didn't even get red!

Mr. and Mrs. John Boyer from Millport were returning from Springfield recently . . . after a visit to relatives . . . when they got behind a long line of traffic . . . well . . . it seemed as though they were in line a long time and the traffic hardly moved . . . until they finally realized they were in a funeral line.

The Mystery Of Spring

As tiny leaves break through the earth Mother Nature again receives a new birth.

Unfolding buds burst into delicate beauty; While each little bird performs its duty, Caring for its young before they take to wing. 'Tis once again the mystery of Spring!

A gust of wind blows its forceful might, Sailing high o'er head a child's fragile kite.

It whistles through the willow tree And choruses of birds sing out with glee. How the sounds of this musical season ring! Ah, once again the mystery of Spring!

Gone the barrenness of the season before Which hesitantly has closed its door. Many vivid colors of beautiful flowers Glisten in sunlight after refreshing showers. A change of costume for nature's everything — 'Tis once again the mystery of Spring!

Above white mounds of clouds pass by Forming myriad patterns in the sky. Wild geese make their annual trip North — Each flock honks gaily while venturing forth.

So much beauty doth this season bring, As once again we enjoy the mystery of Spring.

SUMMER BARBECUE
Beef Teriyaki — Marinate 1/4-1/2 inch slices of beef sirloin in Teriyaki Sauce (below) overnight in the refrigerator. Turn occasionally. Place on greased grill six to eight inches from hot coals. Turn only once; baste with sauce. Grill thirty minutes for well done.

TERIYAKI SAUCE
1/2 cup soy sauce
1/4 cup honey
1/2 teaspoon monosodium glutamate
1 clove minced garlic or garlic salt
Onion salt

Serve with cooked rice heated in foil and fresh

fully-ripe pineapple. Remove pineapple top but do not peel. Cut lengthwise into eight wedges. Place in oblong pan. Brush three tablespoons of honey over fruit. Marinate one hour turning occasionally so fruit is well coated with honey. Place skin side down on grill six to eight inches from hot coals. Grill twenty to thirty minutes until pineapple is steaming hot.

100-DAY SEASON

Although Easter Sunday is the focal point, the Easter season encompasses nearly 100 days. Ash Wednesday is the beginning of Lent and of the Easter season and Pentecost, which comes 50 days after Easter Sunday, is the finale.

6th Graders Make Space Capsule

Pupils of the sixth grade taught by Mrs. June Smith at the Lititz Elementary School have constructed a space capsule large enough for them to get into, complete with instrument panel, equipment and "walkie talkie" to speak to "ground control." In fact, the spacecraft does everything the real ones do—except actually fly.

The project enables children to simulate the flights of the real astronauts. Space is now so much a part of a child's life, that with this project they have a chance to live it, speak it and learn it in a way that is more like "fun" than "school."

The boys in the class were placed on committee groups which involved creating two control centers, making use of wires, old tubes and bulbs, home-made telegraph, battery-powered items such as a revolving radar scanner. They also used their knowledge of electricity and have a string of Christmas lights hooked up as part of the equipment.

The girls worked on a specimen box, displaying unusual items supposedly taken from other planets; a scope box constructed on rollers so that different space scenes may be shown; survival kits containing food,

SIXTH GRADE ASTRONAUTS David Allwine, son of Mr. and Mrs. Elmer Allwine, and Chuck LeFevre, son of Mr. and Mrs. Charles LeFevre, are shown above ready for "blast-off" in the space capsule "Moon-glow 137" made by their class at Lititz elementary school. In photo below, part of the capsule wall was removed to show the two astronauts at the instrument panels "flying" the spacecraft.

cleanliness aids, medicine and air-sick bags. The girls also constructed the shell of the capsule and made travel folders of the planets.

Since it has been completed, the students choose a partner and enter the capsule for a fifteen-minute trip. They are required to use space terms and to make use of all the workable gadgets on board.

The culmination of the trip and study of space on "Moon-glow 137" will be a simulated trip to a class-selected destination.

The trip will be significantly more advanced than real flights thus far, since it will accommodate many people. There will be take-off with pilot and co-pilot, hostesses serving space meals, recreation directors, aiding activities, doctor and nurses to cure passenger ills, the landing and discovery of "creatures," and concluding with the trip back to earth.

Sheneberger On F & M Dean's List

Neil Miller Sheneberger, Lititz, has been named to the Dean's List at Franklin and Marshall College for the recently completed academic semester.

Sheneberger, son of the late Mr. and Mrs. Ivan W. Sheneberger, is a freshman at Franklin and Marshall. He is one of 33 students named to the Dean's List. At least a 3 average out of a possible 4 is required for Dean's List ranking.

Fire Auxiliary Gives \$500 To Lititz Company

The Lititz Firemen were hosts to the Auxiliary members at a supper meeting held March 31 in the Fire Hall. Eighty-one members attended. The invocation was given by Edward Grosh, chaplain. Entertainment for the evening was provided by Clint Riedel, local musician.

Mrs. Elton Reed, Auxiliary president, was in charge of the business meeting. She presented a check for \$500 to Christ Koehler, president of the Fire Company. Two new members were admitted to the auxiliary. They are Mrs. Mary Gorton and Mrs. Margaret Bauer.

Floral centerpieces were presented as prizes to the following ladies: Mrs. Elton Reed; Mrs. Sally Templeton, oldest lady present; Mrs. Archie Shelley, most children; Mrs. John Hatfield, youngest mother; Mrs. Josephine Rieker and Mrs. Pearl Watson, both the youngest grandmothers present; Mrs. Stella Keath, most grandchildren.

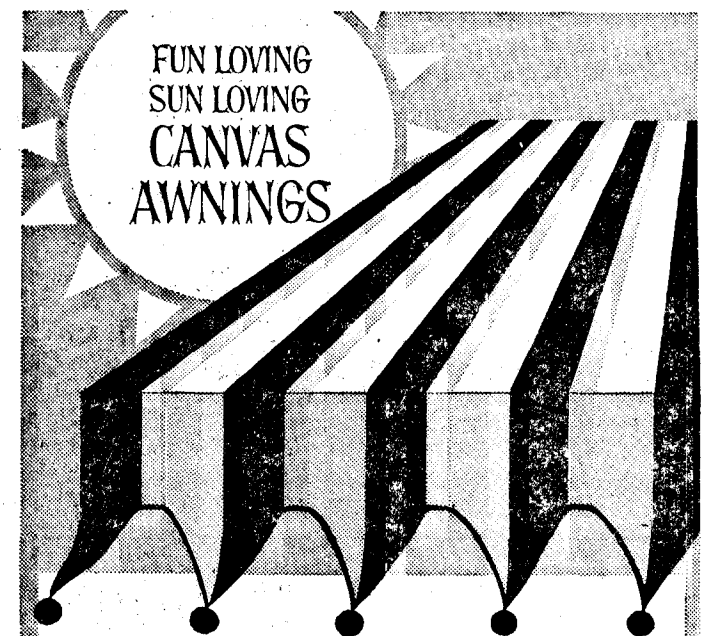

Final meeting of the season will be held at the Fire Hall, May 5, 7:30 p.m. A

Mother's Day program is planned. Mrs. Viola Meiskey is in charge of refreshments.

THE BIBLE SPEAKS
International Union Study School Lessons
BY DR. KENNETH J. FOREMAN

Victory View
Lesson for April 10, 1966
Background Scriptures: 1 Corinthians 15; Ephesians 1:5-23; Revelation 7:9-17.
Devotional Reading: Ephesians 1:15-23

Within the lifetime of living men it could be truly said that Christianity was growing faster than any other religion in the world. This was true, but not now. Other religions are creeping up on us. Look at Japan for example and figure it out for yourself. One half of one percent of Japanese are Christians. In other words, the non-Christians outnumber the Christians 200 to one.

Suppose that for each pair of Christian parents now living, there will be four Japanese in the next generation. Then 30 or so years from now there will be, or can be, twice as many Christian Japanese as there are today. But by that time, there will be twice as many non-Christian Japanese as today. If the non-Christians outnumber the Christians now 200 to 1, how much will they outnumber them in the next generation, assuming they all have about the same number of children?

All over the world the population explosion works against the Christians. We are presently becoming more numerous, to be sure, but no as fast as our rival religionists. It is not only the population growth that is bringing that about. Christianity was enjoying a great prestige in the days when the "Christian" nations were running the world. Now with the decline of colonialism the prestige of western religion has likewise declined. Not only so, but here

Easter Theme At Brethren Church

"Because He Lives, I Too Shall Live" will be the theme of the message by Pastor Olden D. Mitchell for his Easter message in the Service of Worship at 10:30 a.m. in Lititz Church of the Brethren.

The Senior Choir, under the direction of Mrs. Harold E. Kern, minister of music, will present the anthems: "Sing Alleluia" by Garlick, and "The Heavens Are Telling," by Haydn. Mrs. James Shank will preside at the organ. The liturgist for the service will be the Rev. D. Howard Keiper, minister of visitation, in the local church. The Sunday Church School meets at 9:30 a.m. with Walter A. Keeney, Jr., as general superintendent. The church extends an invitation to all to share in the worship, study and spiritual fellowship on Easter Sunday.

whose religion has more prestige and influence than ever, the world is very stubborn in its resistance to the ideals and the life of the church. The church stands for God; the contemporary world lives as if God were dead. The church honors the home; the world tears it down. The church preaches chastity and calls unchastity sin; the world (to judge by the movies) finds unchastity merely funny. And so it goes. The church is low-rated so much that even some of her leaders are beginning to call this the post-Christian era. Even the Christian with an optimistic faith must admit that this is for the church a time of weakness and defeat.

Whose victory? But there is no need to be a pessimist. The Bible's view of the church is a victory view. When we speak of the victory or defeat of the church, what do we really mean? It is not the church alone whose future concerns us. This is the church of Christ. Every true church is his, every defeat and every victory are his also. The church cannot win unless he wins. That would be as absurd as for an army to win while their general was defeated. And if he wins, the church will win. For in spite of every discouragement and setback we persist in believing that Christ will win over all his and our enemies. It is Easter, and one meaning of the Resurrection is a sign and pledge that the God who conquered death, the "man of God's own choosing" whom death could not hold, will in time conquer all other forms of evil, all that is hostile to God.

What Will victory be? Victory we hope for, but not triumphalism. Triumphalism means the victory of one party over another. A world in which some one denomination had wiped out all the others, so that there would be one Established Church, would be triumphalism, and this is not promised us in Scripture. But if triumphalism is not the shape of Christ's victory, what is? The victory of God when complete will be what and where it is now: in the hearts of men. Christ promised that if he were lifted up he would "draw all men" to himself. No man can be forced to follow Christ. The kingdom of heaven for which we pray will not come by force or bargaining. It comes only where men freely give their heart to the Son of God.

Solemn Rites Usher In Eastertide At St. James

The Holy Thursday Mass commemorating the institution of the Holy Eucharist will be celebrated at 6 p.m. tonight, (April 7), at St. James Catholic Church, Lititz. Holy Communion will be distributed at this Mass and the Procession to the Repository will follow the Mass. Adoration of the Blessed Sacrament will continue until 9 p.m.

Early Easter Service At St. Paul's

A special service at 6:30 a.m. on Sunday morning, Easter Day, will be held in St. Paul's Lutheran Church to celebrate the Resurrection of the Lord.

Led by special music provided by the Junior Choir under the direction of Mrs. Gordon Burkey, the early service will emphasize again the miracle of new life given by God in the Resurrected Lord. At 10:45 a.m. Holy Communion will be offered to members of the congregation and worship will be led at that hour by the Young People's and Senior Choirs. Communion will also be administered this Thursday (tonight) at 7:30 p.m.

St. Paul's will also be host on April 8 at 1 p.m. for the annual community Good Friday service. Speaking will be the Rev. Kenneth Boldosser, area administrator of the Church of God. A welcome is extended to all who may wish to join in the services of Holy Week and Easter Day to visit and worship in St. Paul's.

Easter Play At Church Of God

Easter Sunday at 7:30 p.m. the children of the Church of God will present a play, "On the Road to Calvary" in the church. Those participating in the play are Chris Brown, Harry Wink, Melvin Wink, Jeffrey Young and Gary Brown. Mrs. Earl Deibler is the director, assisted by Mr. and Mrs. Lester Young. At the 10 a.m. service, the choir will sing "Were You There." Mrs. Isaac Gibble is the choir director and Mrs. James Hes, the pianist. The Rev. Donald M. Colick will speak on the topic, "Hope of Easter."

Workshop Held For Bible School Staffs

The Provident Book Store of Lancaster sponsored a Daily Vacation Bible School workshop at the Host Motel on March 27 from 7 p.m. to 10 p.m. Approximately 500 persons attended. A general invitation had been sent to all pastors, Bible School directors, teachers and workers.

An informal worship service was held and the Rev. Harry Moore of the Valley Forge Baptist Church was guest speaker. Individual workshops from nine publication companies were set up to give instruction on the various types of crafts to be used with the Bible School curriculums.

Shower Given For Mrs. Foulk

A bridal shower was held for Mrs. Howard Foulk at the home of Mrs. Harry Wagaman recently with Mrs. Betty Siegrist as cohostess. Mrs. Wagaman and Mrs. Siegrist are aunts of Mrs. Foulk who is the former Marilyn Simcock.

EASTER BUNNY
The Easter bunny may originally have been an Egyptian rabbit. In ancient Egypt the rabbit symbolized birth and new life, and some ancient peoples considered it a symbol of the moon. The rabbit may have become an Easter symbol because the moon determines the date of Easter.

The solemn Mass on Good Friday, with the reading of the Passion of Our Lord from the Gospel of St. John, and the unveiling of the sacred cross will take place at 6 p.m. Holy Communion will be distributed at this Mass also.

Easter Services begin on Holy Saturday with the Easter Vigil Services at 11:15 p.m. with the reading of the Prophecies, the blessing of the Paschal candle, the new fire and the Easter holy water. The first Easter Mass, a High Mass, will begin at midnight. The second Easter Mass is at 8 a.m. Easter morning, April 10; and the third, the children's Mass, will be at 10 a.m. when the children's choir will sing the Easter hymns. The last Mass on Easter will be at 12 noon. This is a new Mass for Easter in order to accommodate the overflow of crowds. It is customary for all Catholics to fulfill their Easter duty usually during Holy Week. This consists in receiving the Sacrament of Penance and Holy Communion during the Easter-time. Consequently, Confessions will be heard Thursday from 4 to 5 p.m.; Good Friday from 4:30 to 5:30 p.m.

Offerings for flowers for the altar for Holy Thursday and Easter Sunday will be gratefully received. Miss Agnes Hagel is in charge of the Easter decorations.

Rev. Donald M. Colick

To Present Play At Trinity EC

Trinity Evangelical Congregational Church, Orange and Cedar Streets, Lititz, the Rev. James K. Rapp, pastor, will observe the Holy Communion tonight at 7:30 and Easter Sunday in the 10 a.m. service.

In the 9 a.m. Sunday School session, the children will present their annual Easter program. This program will be presented by the Beginner's Department, Mrs. Earl Hollingsworth, supervisor, and the Primary Department, Mrs. Richard Null, supervisor.

In the 7 p.m. service the Young People's Christian Endeavor groups will present a three-act play entitled, "This—My Garden," written and directed by Mrs. James K. Rapp.

In the play Rachel imposes upon her husband to move the family from obscure Arimathea to Jerusalem where she fancies herself with a beautiful garden and many friends of lavish society. The family is saddened by such a suggestion, but to insure Rachel's happiness they reluctantly change residence. Rachel has her beautiful garden but discovers she is just as lonely as before while all the household are exceedingly happy with their friendships of followers of the Nazarene, all of which increases her bitterness.

The characters are as follows: "Joseph of Arimathea," Kenneth Hall; "Rachel," Susan Workman; "Reuben, a son," Barry Christ; "Deborah, a daughter," Sandra Evans; "Myra," Rachel's lady in waiting, Eileen Good; "Nicodemus," a ruler of the Jews, Donald McClune; "Mary of Bethany," Wendy Fritz; "Peter," Fent Fritz; "The Beloved Disciple John," Leslie Wood; "Saloam," Bunny Price; "The boy Mahlon," Steven Wissler; "Ruth," Jarlus' daughter, Jean Grumbeling; "Miriam," Kristel Delp; and "Easter," Jane Ober.

Sunrise Service At Coleman Chapel
An Easter Sunrise Service will be conducted at the Coleman Memorial Chapel, United Presbyterian, Route 501, near Briokerville, at 5:30 a.m. Sunday. It will be held in the sanctuary where the reversible seating allows facing the sunrise through the open eastern doors and windows. A Fellowship Breakfast will follow in the church school room. There will be Church School at 9 a.m. and Morning Worship at 10.

"Parade Of Knights" Features Cub Pack 154

Cub Pack 154 of the Brethren Church held a Pack meeting recently in the church Social Hall at 7:30 p.m.

A uniform inspection was conducted by Marvin Fink, Neighborhood Commissioner, who was assisted by Cubmaster Kreiter and the committeemen.

Parents attending the meeting discussed plans for the next Pack meeting to be held April 22 at 7:30 p.m. The Pinewood Derby will be the special feature of the evening. The Ideas Committee consisting of Mr. and Mrs. Robert Frey and Mr. and Mrs. Harry Hess will complete the arrangements for the Derby.

The Cubs participated in the Parade of Knights, wearing items they had made at den meetings. Den 2 was acclaimed the best attired group. "Knights of the Round Table" was the topic used for the month.

Cubmaster Kreiter presented the following awards and advancements: Den 1, Mrs. Jean Bowermaster, Den Mother; Mrs. Jan Reedy, Ass.; Kevin Reedy, wolf badge,

gold arrow and silver arrow; James Oberlin, gold arrow; Michael Vignas, two year pin; Edward Kreiter, lion badge, Webelos Den.

Den 2, Mrs. Mary Lou Hartenstine, Den Mother; Mrs. Robert Brubaker, assistant—Randy Cunningham, wolf badge, gold arrow, Denner Stripe; Bradley Brubaker, bear book, one year pin; Gregory Hartenstine, bear book, one year pin.

Den 3, Mrs. Camilla Shaub, Den Mother; Mrs. Ellen Martin, assistant—Dennis Shaub, wolf badge, one year pin; Gary Snavey, one year pin; Bruce Davidson, one year pin; Richard Martin, one year pin.

Den 4, Mrs. Jewel Vignas, Den Mother; Mrs. Cathy Resh, assistant—Douglas Royer, wolf badge, silver arrow; Richard Resh, wolf badge, gold arrow; Douglas Williams, gold arrow and silver arrow.

The opening and closing ceremonies were conducted by Kevin Reedy, Douglas Williams, Randy Cunningham and Michael Frey. The flag ceremony was used.

Tournament Of Skills Displayed By Pack 160

A tournament of skills was displayed by members of Cub Pack 160 at their meeting on March 24 in Zwingli Hall at St. Luke's United Church of Christ.

The program, based on the "Knights of the Roundtable" theme, consisted of three tournaments between the Black Knights and the White Knights. They included a jousting match, ball and chain duel, and a sack fight. Helmets, swords and shields were also made by the Cubs at their den meetings, assisted by Den Mothers Mrs. Lucille Peiffer, Mrs. Mildred Pettijohn, Mrs. Gladys Dagen and Mrs. Virginia DeVeaux.

Cubmaster Jay Eisenhauer presented Bobcat pins to these Cubs: Timothy Myers, Michael Gross, Michael Felker, Kenneth Nolt, Jeffrey Mull, Dean Peiffer, Alan Pet-

tyjohn, Michael Grote, Michael Wheeling and Frank Showers.

Theme for next month's meeting will be "Nature's Backyard" with a nature hike being planned as a special feature.

The Pack received its charter at services held last Sunday in St. Luke's United Church of Christ. Floyd Hagy, local Scout representative, presented the charter to Carl Kaufman, committee member of the Troop.

Reveal Plans For Cub "Pow Wow"

Ward P. Latshaw, principal of Manheim Township Junior High School, has been appointed Cub Scout Leaders "Pow Wow" chairman. It was announced by Harry H. Gring, Eastern District chairman.

The program will be conducted April 16 from 1 to 5 p.m. at the Manheim Township High School, and will feature examples of the crafts made by Cub Scouts, games and the exchange of new game ideas, new ceremony equipment and ideas, and learning how to relate craft ideas to themes.

Among those serving on the committee is William C. York, Lititz, Midway chairman.

Gring also announced that C. Peter Kaiser will serve as chairman of the Eastern District Boy Scout Leaders "Showando," to be held April 23 from 10 a.m. to 9 p.m. at Spring Gulch campgrounds on Route 897 between Routes 322 and 340.

Here's the Answer

Out Of The Past

(From the files of the Lititz Record and the Lititz Express)

10 YEARS AGO

April 3, 1956
All efforts to have Kissel Hill annexed to Lititz Borough have been dropped for the time being, it was disclosed here. The decision to drop the petition which was circulated last summer was made by Joseph Brubaker, Kissel Hill landowner, immediately after a mass meeting at Kissel Hill last week. Lack of united support on the part of property owners of Kissel Hill was disclosed during the meeting in which many either declined to express favor to annexation or to openly oppose it.

The hand-pretzel twister who has been a familiar figure here for nearly the past two centuries will soon be a thing of the past. For, after these two long centuries, the first automatic pretzel-twisting machines will be installed in the Lititz, Springs Pretzel Bakery this June. For the past 194 years pretzel twisting has furnished regular employment for several local groups of women who have been so proficient in their work for generations that local pretzel companies have steadfastly refused to convert to the new automatic machines. But recent demand for the local product has increased to such an extent that finally the new machines have become a must.

30 YEARS AGO

April 9, 1936
With 58 readers' cards issued, 900 volumes on its shelves and its formal opening past, the Lititz Public Library, on the second floor of the Amer building, will begin active work on Tuesday when the first books will be issued. Close to 100 persons inspected the library on Friday and Saturday and found a delightful room lined with shelves and books. Large reading tables are in the center of the room and in one corner there is a small table for children. Magazines and newspapers are on the tables. Three hundred more books will be added to the library, 100 from the Lancaster Library, and 200 from the State Library at Harrisburg.

Guy K. Bard, special United States Attorney General, will come to Lititz to address the banquet of the local Democratic club honoring Thomas Jefferson, father of Democracy. The Lititz club is the only one in the county which will hold its own Jefferson Day dinner, all other clubs uniting in the affair to be held in Lancaster.

40 YEARS AGO

April 8, 1926
The Lititz Pike, a toll road beginning at the Lancaster city limits and extending through Neffsville and Lititz to Lexington, was included in the Omnibus Bill as one of several roads which will be taken over by the State. Of these roads, the Lititz Pike was considered the most important. The bill provided that the roads be taken over on June 1, 1926, but that toll roads must be purchased by the county and freed before that date, and before they may be added to the state system. The road is owned by the Lancaster and Lititz Turnpike Company and the Lititz and Lexington Turnpike Company, and is known as a profitable one. With its freeing and rebuilding, traffic is expected to increase on the Lititz Pike.

The Senior Class will present the play, "The Charm School" on April 15. The cast included Percy Furlow, Harold Eberole, Robert Weaver, Richard Snyder, William Fasnacht, Elizabeth Grube, Elizabeth Girvin, Ruth Carper, Margaret Dussinger, Mae Hassler, Elizabeth Martin, Thelma Gross, A. M. Peifer, Marion Light, Kathryn Gibbel and Bernice Dengler.

50 YEARS AGO

April 7, 1916
Mrs. Mary Longenecker was agreeably surprised by about 100 of her relatives and friends in honor of her 43rd birthday anniversary. She received 50 postals, 25 letters, one and a half dozen handkerchiefs, cake, candy and flowers.

Mrs. N. B. Leaman had a handkerchief surprise in honor of her 52nd birthday and received 32 of those useful articles. Great numbers of wild ducks and wild geese have been seen the past week in different parts of the county on their northward flight. Some of the flocks are very large, and more wild fowls have passed over recently than in many years. It is unlawful to shoot them at this season of the year.

A deed to the farm of Miss Laura Kline transferred to H. L. Binkley states that it is located in Clay, Elizabeth and Warwick townships.
